**Item 8.01. Other Information.**

On July 22, 2009, BioDelivery Sciences International, Inc. (the Company) issued a press release announcing its receipt of \$26.7 million in milestone payments from its commercial partner Meda AB in connection with the approval by the U.S. Food and Drug Administration (FDA) of the Company's breakthrough cancer pain product ONSOLIS (fentanyl buccal soluble film) and satisfactory preparation of commercial launch supplies. The press release is attached to this Current Report on Form 8-K as Exhibit 99.1.

**Item 9.01. Financial Statements and Exhibits.**

(d) Exhibits

99.1 Press release, dated July 22, 2009, relating to the Company's receipt of \$26.7 million in milestone payments.

This Current Report on Form 8-K and the exhibits hereto and the statements of representatives and partners of BioDelivery Sciences International, Inc. (the Company) related thereto contain or may contain, among other things, certain forward-looking statements, within the meaning of the Private Securities Litigation Reform Act of 1995. Such forward-looking statements involve significant risks and uncertainties. Such statements may include, without limitation, statements with respect to the Company's plans, objectives, projections, expectations and intentions and other statements identified by words such as projects, may, could, would, should, believes, expects, anticipates, estimates, plans or similar expressions. These statements are based upon the current beliefs and expectations of the Company's management and are subject to significant risks and uncertainties, including those detailed in the Company's filings with the Securities and Exchange Commission. Actual results, including, without limitation: (i) actual sales results and royalty or milestone payments, if any, (ii) the application and availability of corporate funds and the Company's need for future funds, or (iii) the timing for completion, and results of, scheduled or additional clinical trials and the FDA's or other regulatory review and/or approval and commercial launch of the Company's formulations and products and regulatory filings related to the same, may differ significantly from those set forth in the forward-looking statements. These forward-looking statements involve certain risks and uncertainties that are subject to change based on various factors (many of which are beyond the Company's control).

**SIGNATURES**
