Item 1.02 Termination of a Material Definitive Agreement

On July 31, 2009, The Colonial BancGroup, Inc. (the Company) and Taylor, Bean & Whitaker Mortgage Corp. (TBW) agreed to a mutual termination of the Stock Purchase Agreement, as amended (the Agreement), under which the purchasers would have made a \$300 million equity investment in the Company.

The transaction was subject to regulatory approvals and certain other conditions, and the Agreement included a provision under which either the Company or TBW, on behalf of all the investors, could terminate the Agreement if the transaction was not consummated by July 31, 2009. Since the closing conditions were not satisfied by July 31, 2009, and since there could be no assurance that the closing conditions would be satisfied in the future, the Company and TBW elected to mutually terminate the Agreement on July 31, 2009. There are no termination penalties to the Company or TBW as a result of the mutual termination of the Agreement.

A copy of the Mutual Termination of Stock Purchase Agreement is included as Exhibit 10.1 and is incorporated herein by reference. The description of the Mutual Termination of Stock Purchase Agreement set forth above does not purport to be complete, and is qualified by reference to the full text of the Mutual Termination of Stock Purchase Agreement.

These factors are not exclusive:

continued deterioration in Colonial Bank's financial condition, including losses in our loan portfolio greater than estimated or expected;

failure to close on the pending sale of 21 branch offices of Colonial Bank located in Nevada pursuant to the asset purchase agreement with Global Consumer Acquisition Corporation;

an inability to raise additional capital on terms and conditions that are satisfactory, including failure to receive final approval and actual funding from the U.S. Treasury Department's Capital Purchase Program;

imposition of regulatory conditions or requirements on either BancGroup or the other parties to the transaction referenced above that could make consummation of the transaction impracticable;

failure to comply with the recent regulatory orders and additional regulatory measures that could be imposed independently or as a result of such failures;

possible inability of the Company to continue as a going concern;

the impact of current economic conditions and the results of our operations on our ability to borrow additional funds to meet our liquidity needs;

economic conditions affecting real estate values and transactions in BancGroup's market and/or general economic conditions, either nationally or regionally, that are less favorable or take longer to recover than expected;

changes in the interest rate environment which expand or reduce margins or adversely affect critical estimates as applied, projected returns on investments and fair values of assets;

continued or sustained deterioration of market and economic conditions or business performance could increase the likelihood that we would have an additional goodwill impairment charge;
