Explanatory Note: This Form 8-K/A amends the Form 8-K filed by ModusLink Global Solutions, Inc. (the Registrant) on December 10, 2008 (the Original 8-K), disclosing that it had commenced a restructuring plan. This 8-K/A is being filed to amend the Original 8-K to update the disclosures made therein.

Item 2.05 Costs Associated with Exit or Disposal Activities.

On December 10, 2008, the Registrant filed the Original 8-K to report the commencement of a restructuring plan pursuant to which employee positions in its Americas and Europe regions would be eliminated and certain facilities would be closed.

As reflected in its financial results for the fiscal year ended July 31, 2009, which were publicly released on September 29, 2009, the total restructuring charges incurred as a result of the restructuring actions taken was approximately \$19.6 million. Of the approximately \$19.6 million, \$13.4 million was related to severance benefit obligations, approximately \$5.8 million was related to facility closures and lease obligation terminations and approximately \$0.4 million was related to an impairment of assets located at a facility that is being closed, which restructuring charges were all recorded during the fiscal year ended July 31, 2009.

As of July 31, 2009, approximately \$5.0 million of the \$19.6 million restructuring charge had resulted in cash expenditures and approximately \$0.4 million of the restructuring charge had resulted in a non-cash charge related to the impairment of assets at a facility that is being closed. Approximately \$14.2 million of the \$19.6 million restructuring charge will result in future cash expenditures expected to be completed by fiscal year 2012.

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
