Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

The Registrant is incorporated under the laws of the State of Delaware. Section 145 of the General Corporation Law of the State of Delaware provides that a Delaware corporation may indemnify any persons who are, or are threatened to be made, parties to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of such corporation), by reason of the fact that such person is or was an officer, director, employee or agent of such corporation, or is or was serving at the request of such corporation as a director, officer, employee or agent of another corporation or enterprise. The indemnity may include expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceedings, provided such person acted in good faith and in a manner he reasonably believed to be in or not opposed to the corporation's best interests and, with respect to any criminal action or proceedings, had no reasonable cause to believe that his conduct was illegal. A Delaware corporation may also indemnify any persons who are, or are threatened to be made, a party to any threatened, pending or completed action or suit by or in the right of the corporation by reason of the fact that such person was a director, officer, employee or agent of such corporation, or is or was serving at the request of such corporation as a director, officer, employee or agent of another corporation or enterprise. The indemnity may include expenses (including attorneys' fees) actually and reasonably incurred by such person in connection with the defense or settlement of such action or suit, provided such person acted in good faith and in a manner he reasonably believed to be in or not opposed to the corporation's best interests except that no indemnification is permitted without judicial approval if the officer or director is adjudged to be liable to the corporation. To the extent that an officer or director is successful on the merits or otherwise in the defense of any action referred to above, the corporation must indemnify him against the expenses which such officer or director has actually and reasonably incurred in connection with such defense.

Under Article Ninth of the Registrant's Restated Certificate of Incorporation and Article XII of its Amended and Restated By-Laws, the Registrant shall indemnify any person who was or is made a party or is threatened to be made party to or is otherwise involved in any action, suit or proceedings, whether civil, criminal, administrative or investigative, by reason of the fact that he or she is or was a director or officer of the Registrant (including any predecessor corporation of the Registrant), or is or was serving at the request of the Registrant as a director, officer, employee or agent of another corporation or of a partnership, joint venture, trust or other enterprise, including service with respect to employee benefit plans, against all expenses, liability and loss (including attorneys' fees, judgments, fines, ERISA excise taxes or penalties and amounts paid in settlement) reasonably incurred or suffered by such person in connection therewith to the fullest extent authorized by the General Corporation Law of the State of Delaware. Such right of indemnification shall be a contract right and shall not be exclusive of any other right which such directors, officers or representatives may have or hereafter acquire under any statute, the Registrant's Restated Certificate of Incorporation, the Registrant's Amended and Restated By-Laws, agreement, vote of stockholders or disinterested directors or otherwise.

In addition, Section 102 of the General Corporation Law of the State of Delaware allows a corporation to eliminate the personal liability of a director of a corporation to the corporation or to any of its stockholders for

monetary damages for a breach of fiduciary duty as a director, except in the case where the director (i) breaches his duty of loyalty, (ii) fails to act in good faith, engages in intentional misconduct or knowingly violates a law, (iii) authorized the payment of a dividend or approves a stock repurchase in violation of the General Corporation Law of the State of Delaware or (iv) obtains an improper personal benefit. Article Eighth of the Registrant's Restated Certificate of Incorporation includes a provision which eliminates directors' personal liability to the full extent permitted under the General Corporation Law of the State of Delaware.

The Registrant maintains a policy of directors and officers liability insurance covering certain liabilities incurred by its directors and officers in connection with the performance of their duties.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 8. Exhibits.

Reference is made to the Exhibit Index that immediately precedes the exhibits filed with this Registration Statement.

The Registrant received a favorable determination letter dated September 17, 2002 from the Internal Revenue Service (IRS) that the Represented Employees Plan is qualified under Section 401(a) of the Internal Revenue Code of 1986, as amended. The Represented Employees Plan has been amended since that date. The Registrant undertakes that it will submit or has submitted the Represented Employees Plan, as amended, to the IRS in a timely manner and has made or will make all changes required by the IRS in order to qualify the Represented Employees Plan under Section 401 of the Internal Revenue Code of 1986, as amended.

The Registrant received a favorable determination letter dated September 17, 2002 from the IRS that the RAP is qualified under Section 401(a) of the Internal Revenue Code of 1986, as amended. The RAP has been amended since that date. The Registrant undertakes that it will submit or has submitted the RAP to the IRS in a timely manner and has made or will make all changes required by the IRS in order to qualify the RAP under Section 401 of the Internal Revenue Code of 1986, as amended.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

provided, however, that the undertakings set forth in paragraphs (i) and (ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for the purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of any employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
