**Item 1.02. Termination of a Material Definitive Agreement.**

On December 9, 2009, the Board of Directors of Owens & Minor, Inc. (the Company) approved a plan to fund and terminate the Company's noncontributory defined benefit pension plan (the Pension Plan). The Pension Plan covers substantially all employees who had earned benefits as of December 31, 1996. On that date, substantially all of the benefits of employees under this plan were frozen, with all participants becoming fully vested. Termination of the Pension Plan must be approved by the Internal Revenue Service and the Pension Benefit Guaranty Corporation. The Company estimates that cash contributions to fully fund the Pension Plan will be in the range of \$8 million to \$13 million. In addition, the Company would record a pre-tax charge to income from continuing operations estimated to be in the range of \$15 million to \$19 million upon final termination, which the Company anticipates will occur in 2011. Actual results may differ from these estimates.
