Item 7.01. Regulation FD Disclosure.

On January 11, 2010, The NASDAQ OMX Group, Inc. (NASDAQ) issued a press release announcing that it plans to commence a public offering of \$700 million of senior notes pursuant to an effective shelf registration statement filed with the Securities and Exchange Commission. The senior notes are expected to be comprised of two series with substantially identical terms other than pricing and maturity. NASDAQ OMX today also announced that it intends to enter into new senior unsecured credit facilities providing for up to \$1,250 million in borrowings, of which \$1,000 million will be a funded term loan and \$250 million will be an unfunded revolver.

NASDAQ OMX intends to simultaneously use the net proceeds from the notes offering together with borrowings from the proposed new senior unsecured credit facilities and cash on hand to repay all amounts outstanding under its existing senior secured credit facilities and terminate the associated credit agreement, as well as to pay fees and expenses related to these transactions.

A copy of the press release is attached as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein by reference.
