Opinion of TELECOM's Board of Directors: As disclosed by TELECOM on March 19, 2010, its Board of Directors, taking into consideration the independent expert opinion of Banco Santander (México), S.A., Institución de Banca Múltiple, Grupo Financiero Santander (Santander), who was engaged by TELECOM's Board of Directors, and the opinion of TELECOM's Audit and Corporate Governance Committee, determined that the exchange ratio for purposes of the Offer is fair and reasonable from a financial perspective. For additional information, see Section 17 of this Information Memorandum.

Opinion of TELECOM's Independent Expert Advisor: As disclosed by TELECOM on March 19, 2010, TELECOM's Audit and Corporate Governance Committee confirmed Santander's appointment as independent expert advisor engaged by TELECOM's Board of Directors for purposes of the issuance of an opinion as to the financial fairness of the exchange ratio proposed in connection with the Offer. Based upon the facts disclosed thereto, and the other considerations described in its opinion, a copy of which is attached hereto as Exhibit 22(b), Santander advised TELECOM's Board of Directors that the exchange ratio offered to TELECOM's shareholders is reasonable from a financial perspective. Recipients of this Information Memorandum are advised to review Exhibit 22(b) hereto to fully understand such opinion, including the facts upon which it is based and any qualifications thereto.

Opinion of AMX's Financial Advisor, and Independent Expert for Mexican law purposes: On February 9, 2010, AMX's Audit and Corporate Governance Committee issued a favorable opinion with respect to the commencement of the Offer by AMX. Likewise, it resolved, among other things, to ratify the appointment of Credit Suisse Securities (USA) LLC, or any of its affiliates (Credit Suisse). Said appointment was approved by AMX's Board of Directors on January 13, 2010. In connection with the Offer, Credit Suisse was requested (in its capacity as independent expert advisor engaged by AMX's Board of Directors, in accordance with, and for purposes of, Mexican law) to issue for the information of AMX's Board of Directors its opinion, from a financial perspective, as to the financial fairness of the exchange ratio offered to TELECOM's shareholders in connection with the Offer. On March 9, 2010, Credit Suisse issued its opinion to AMX Board of Directors, stating that, as of the date thereto and, based upon the facts disclosed therein, and on other considerations included therein, a copy of which is attached hereto as Exhibit 22(a), the exchange ratio offered to TELECOM's shareholders is reasonable from a financial perspective to AMX. The opinion was issued solely for the information of AMX's Board of Directors for purposes of evaluating the Offer from a financial perspective and not for the benefit of shareholders and is subject to several presumptions, qualifications, limitations and considerations. The opinion does not deal in any way with other aspects of the Offer, and does not purport to be a recommendation, and shall not be understood as a recommendation to the shareholders in connection with their participation in the Offer or any other matter.

Cancellation of Registration: Assuming that TELECOM's shareholders will elect to tender their shares in connection with the Offer, AMX intends to purchase up to 100% (one hundred percent) of the Series A-1 shares of stock of TELECOM and may file a petition to cancel the registration of such shares with Mexico's National Securities Registry (*RNV Nacional de Valores*) (RNV) and their registration for trading on the Mexican Stock Exchange (*Bolsa Mexicana de Valores, S.A.B. de C.V.*) (BMV), subject to the consent of at least 95% (ninety five percent) of

Edgar Filing: AMERICA MOVIL SAB DE CV/ - Form 6-K

TELECOM's shareholders, the satisfaction of all the conditions set forth in the applicable laws to ensure the protection of the public's interests, and the approval of the requisite corporate actions.

Tax Considerations: The sale of the Series A-1 shares of stock of TELECOM to AMX, and the concurrent subscription of the Series L shares of stock of AMX, are subject to the provisions contained in Articles 60, 109(XXVI) and 190 of Mexico's Income Tax Law and other applicable tax laws. In addition, the reference price may vary for those shareholders who may secure the resolution referred to in Article 26 of Mexico's Income Tax Law. The summary of tax considerations included in this Information Memorandum does not purport to contain a complete or detailed description of the Mexican tax provisions applicable to TELECOM's shareholders. In addition, such summary may not be applicable to certain shareholders in light of their particular circumstances. Accordingly, TELECOM's shareholders are advised to consult with their own independent tax experts as to the tax consequences associated with their participation in the Offer, including those arising as a result of their particular circumstances.

Prospective Participants: The Offer is extensive to all holders of TELECOM's Series A-1 shares as of May 5, 2010 the last day of the Offering Period.

The Series L shares of stock of AMX subscribed in connection with the Offer may be purchased in the secondary market through the BMV by any Mexican or non-Mexican individual or entity.

AMX is offering to purchase up to 3,481,765,200 TELECOM Shares from TELECOM's shareholders, on the condition that such shareholders concurrently purchase Series L shares of the capital stock of AMX based upon a 2.0474:1 exchange ratio, which means that those TELECOM's shareholders participating in the Offer would be entitled to subscribe 2.0474 Series L shares of AMX in exchange for each TELECOM share tendered by them; it being understood, that AMX's Series L shares are not included and shall not be deemed to be included in the Offer.

D. Can I sell my TELECOM Shares as part of the Offer, without purchasing any AMX Shares?

No. The Offer is a concurrent purchase and subscription offer. The purchase of the TELECOM Shares by AMX is conditioned upon the concurrent subscription of the AMX Series L shares.

E. Who is eligible to participate in the Offer?

Any individual and/or entity holding any TELECOM Shares, subject to the procedure described in this Information Memorandum. For additional information, see Section 5(j) of the Information Memorandum.

F. How much am I being offered for my securities and what are the applicable payment terms?

AMX's offer to purchase the TELECOM Shares is subject to the condition that TELECOM's shareholder will allocate the proceeds thereof to concurrently purchase and subscribe Series L shares of AMX. Accordingly, the purchase and subscription offer constitutes a single transaction that can only be accepted as a whole.

The applicable exchange ratio is 2.0474:1, which means that those TELECOM's shareholders participating in the Offer would be entitled to subscribe 2.0474 Series L shares of AMX in exchange for each TELECOM share tendered by them; it being understood, that AMX's Series L shares are not included and shall not be deemed to be included in the Offer.

To such end, AMX intends to use the Series L shares currently held by it as treasury shares.

O. How will I be notified of any extension?

AMX will give notice of any extension of the Offering Period to the Underwriter and will disclose such extension to the public through EMISNET and through publication in a national newspaper, not later than by 9:00 a.m., Mexico City time, on the business day immediately succeeding the Expiration Date.

No. The exchange ratio was determined based upon the closing price of the AMX Shares, the TELMEX Shares and the TELINT Shares during the 10 (ten) day trading period immediately preceding the announcement of the Offer by AMX's Board of Directors, which period ended January 12, 2010, taking into consideration, also, TELECOM's net debt, which as December 31, 2009, amounted to approximately \$23 billion Pesos. For additional information, see Section 5(e) of this Information Memorandum. In addition, the payment of any controlling premium would be in violation of the applicable Mexican laws as currently in effect. AMX represents that it will not make any payment other than the consideration described in this Information Memorandum, and that it has not undertaken any commitment or affirmative or negative covenant pursuant to Article 100 of the LMV, for the benefit of either the Issuer or the holders of the securities it intends to purchase in connection with the Offer.

In addition, the beneficiaries of approximately 82.69% (eighty two point sixty nine percent) of the TELECOM Shares, have indicated that they intend to tender all of their shares in connection with the Offer.

Based upon Santander's opinion as independent expert advisor engaged by TELECOM's Board of Directors, and the opinion of the Audit and Corporate Practices Committee, both to the effect that the exchange ratio offered by AMX in connection with the Offer is justified from a financial perspective and, accordingly, is fair to TELECOM's shareholders, the Board of Directors determined that such financial ratio is reasonable from a financial perspective.

In addition, pursuant to Article 101 of the LMV, all members of TELECOM's Board of Directors holding TELECOM Shares, and TELECOM's Chief Executive Officer, Mr. Jaime Chico Pardo, have informed AMX that they and their related parties intend to participate in the Offer in the terms proposed by AMX, assuming that the economic situation and market conditions remain stable.

S. Will the Offer be consummated if AMX acquires only a small portion of the TELECOM Shares?

Yes. The Offer will be consummated regardless of the number of TELECOM Shares acquired by AMX.

Contingent upon the outcome of the Offer, and subject to the satisfaction of all the conditions set forth in the applicable laws to ensure the protection of the public's interests, and the approval of the requisite corporate actions, AMX intends to file with the CNBV a petition to cancel the registration of the TELECOM Shares with the RNV and the BMV, so that such shares will no longer trade therein.

CC. Who is the independent expert retained by TELECOM's Audit and Corporate Governance Committee?

In observance of sound corporate governance practices and to provide increased transparency and objectivity, TELECOM's Audit and Corporate Governance Committee resolved to retain Santander as independent expert advisor engaged by TELECOM's Board of Directors, to issue an opinion with respect to the exchange ratio proposed in connection with the Offer from a financial perspective, as required by Mexican law. A copy of such opinion is attached to this Information Memorandum as Exhibit 22(b). Recipients of this Information Memorandum are advised to review Exhibit 22(b) hereto to fully understand such opinion, including the facts upon which it is based and any qualifications thereto.

In addition, AMX's Audit and Corporate Governance Committee resolved to retain Credit Suisse as independent expert advisor engaged by AMX's Board of Directors (for purposes of, and in accordance with, Mexican law), as described further in Section 9.

DD. Has TELECOM's Board of Directors issued any opinion in connection with the Offer?

As disclosed by TELECOM on March 19, 2010, based upon Santander's opinion as independent expert advisor to TELECOM's Board of Directors, and the opinion of TELECOM's Audit and Corporate Practices Committee, both to the effect that the exchange ratio offered by AMX in connection with the Offer is justified from a financial perspective and, accordingly, is fair to TELECOM's shareholders, TELECOM's Board of Directors determined that such financial ratio is reasonable from a financial perspective.

FF. Will TELECOM create a trust to subsequently purchase any TELECOM Shares not acquired in connection with the Offer?

The creation of the Trust (as such term is defined in this Information Memorandum) referred to in Article 108(I)(c) of the LMV and Section 18 of this Information Memorandum, and the transfer thereto of a number of Series L shares of AMX sufficient to exchange any TELECOM Shares not purchased by AMX in connection with the Offer, will depend on the outcome of the Offer. Accordingly, AMX cannot guarantee that such a trust will be established. For additional information, see Section 18 of this Information Memorandum.

GG. If a trust is established, would the exchange ratio remain the same as in the Offer?

Yes. If the Trust is established, AMX will transfer thereto a number of Series L shares sufficient to acquire the TELECOM shares, based upon the same exchange ratio used in connection with the Offer, or 2.0474 Series L shares of AMX for each TELECOM share.

HH. What consequences will I suffer if I forget or decide not to participate in the Offer, or if my Custodian does not transfer my TELECOM Shares to the Global Account prior to the Expiration Date?

You will retain your TELECOM Shares. The market for the TELECOM Shares not tendered in connection with the Offer may be less liquid than the market for such shares prior to the Offer, and the market value of such shares could be significantly lower than their value prior to the Expiration Date, particularly if the TELECOM Shares are effectively cancelled with the RNV and delisted from the BMV.

II. What are the tax implications of the sale of my TELECOM Shares in connection with the Offer?

The sale of the TELECOM shares to AMX and the concurrent subscription of the Series L shares of stock of AMX, are subject to the provisions contained in Articles 60, 109(XXVI) and 190 of Mexico's Income Tax Law and other applicable tax laws. The summary tax considerations included in this Information Memorandum does not purport to contain a complete or detailed description of the Mexican tax provisions applicable to TELECOM's shareholders. In addition, such summary may not be applicable to certain shareholders in light of their particular circumstances.

TELECOM's shareholders are advised to consult with their own independent tax experts as to the tax consequences associated with their participation in the Offer, including those arising as a result of their particular circumstances.

4. RELATIONSHIP BETWEEN AMX AND THE ISSUER

AMX was organized in September 2000, as a result of a spin-off of TELMEX.

According to TELECOM's Annual Report, as of December 31, 2008, TELECOM held (i) 10,750 million shares of TELMEX, representing 57.93% of TELMEX's total capital or 71.48% of its voting capital, and (ii) 10,877.6 million shares of TELINT, representing 59.36% of TELINT's total capital or 71.42% of its voting capital.

In the normal course of business, AMX enters into a number of contractual relationships with TELMEX, TELINT and their respective subsidiaries, including some foreign subsidiaries.

According to stock ownership reports filed with the SEC, TELMEX, TELINT and AMX may for certain purposes be deemed to be under common control.

TELMEX provides fixed-line telephony services throughout Mexico. TELINT provides voice, data and Internet services in Brazil, Chile, Argentina, Peru, Colombia and Ecuador, pay cable and satellite TV in some of those countries, and print and Internet-based yellow-page directory services in Mexico, the United States, Argentina and Peru.

Given that AMX, TELMEX and TELINT provide telecommunication services in some of the same regions, they maintain close business relations with each other. These relations include network interconnections, facility sharing arrangements (particularly with regards to the installation of equipment on TELMEX property), private circuit usage, the provision of long-distance services to AMX's subscribers, and the provision of various services to AMX. These relations are governed by a vast number and array of contracts, the most important of which relate to Telcel's and TELMEX's operations in Mexico and the relations between EMBRATEL (a TELINT subsidiary engaged in the provision of fixed-line telephony services) and AMX's subsidiaries in Brazil. Many of these contracts are also subject to telecommunications industry-specific laws. The terms of these contracts are similar to those governing each such company's relations with unrelated third parties. All these relations are of material significance to AMX's financial performance.

In addition, AMX and Telmex have entered into various telecommunications joint ventures.

For additional information concerning AMX's and TELECOM's operations, see (i) Section 7 of AMX's Annual Report, and (ii) Section 4(b) of TELECOM's Annual Report.

As of the date hereof, AMX does not have any equity interest in TELECOM.

AMX and TELECOM have certain common directors, including (i) Mr. Patrick Slim Domit, who is the Chairman of AMX's Board of Directors and a member of its Executive Committee, a member of TELECOM's Board of Directors, and an alternate director of TELMEX, and (ii) Mr. Daniel Hajj Aboumrada, who is a director, the Chief Executive Officer, a member of the Executive Committee and a member of the Operating Committee for Puerto Rico and the U.S. at AMX, and an alternate director of TELECOM.

AMX and TELECOM have not entered into any agreement or arrangement in connection with the Offer. However, on January 13, 2010, AMX informed TELECOM's Board of Directors of its decision to commence the procedure towards the completion of the Offer and requested TELECOM's authorization in connection therewith pursuant to Article Thirteen of TELECOM's bylaws.

In addition, on January 14, 2010, the secretary of TELECOM's Board of Directors informed AMX that all of TELECOM's directors had acknowledge receipt of AMX's notice of its decision to commence the procedure towards the completion of the Offer and had resolved to authorize the Offer in accordance with Article Thirteen of TELECOM's bylaws.

The Offer does not include an over-allotment option.

e. Purchase Price and Basis for the Determination Thereof

AMX is offering to purchase up to 100% (one hundred percent) of the outstanding shares of TELECOM, subject to the condition that TELECOM's shareholders will use the proceeds thereof to concurrently purchase and subscribe Series L shares of AMX. Accordingly, this purchase and exchange Offer constitutes a single transaction that may only be accepted in its entirety.

The exchange ratio will be 2.0474:1 and, as a result, TELECOM's shareholders may subscribe up to 2.0474 Series L AMX Shares in exchange for each TELECOM Share tendered by them. The Series L AMX Shares are not included in or subject to the Offer.

The financial terms for the Offer were determined based upon the average closing price of the AMX Shares, the Series L TELINT Shares and the Series L TELMEX Shares (the TMX Shares) during the 10 (ten) trading-day period immediately preceding AMX's announcement of its intent to commence the procedure towards the completion of the Offer, which period ended January 12, 2010 (the Valuation Period). The price per share so determined is referred to herein the Average Price for the Valuation Period.

In particular, in the TELINT Offer (1) the price per share is equal to the Average Price for the Valuation Period of each Series L TELINT Share, and (2) the price of the shares to be subscribed is equal to the Average Price for the Valuation Period of each Series L TELINT Share, divided by the Average Price for the Valuation Period of each AMX Share.

The price of the TELECOM Shares for purposes of the Offer was determined based upon the value of TELECOM's primary assets, which consist of the TMX Shares and the TELINT Shares, and its net debt, as of December 31, 2009, which, as of December 31, 2009, amounted to approximately \$23 billion Pesos.

To pay for such purchase price, AMX will use the Series L shares currently held by it as treasury shares.

AMX represents under penalty of perjury that it will not make any payment other than the consideration described in this Information Memorandum, and that it has not undertaken any commitment or affirmative or negative covenant pursuant to Article 100 of the LMV, for the benefit of either the Issuer or the holders of the securities it intends to purchase in connection with the Offer.

9. ARRANGEMENTS PREDATING THE OFFER

a. Preliminary Discussions and Analysis

In November 2009, the chief executive officers of AMX and TELINT, Messrs. Daniel Hajj and Oscar Von Hauske, respectively, began discussing a potential arrangement for the joint provision of telecommunications services to their customers in Brazil in order to match the offerings available from their competitors in the integrated fixed-line and wireless telephony sector. Subsequent discussions between Messrs. Hajj and Von Hauske expanded to include other potential synergies or business opportunities, not only in Brazil but in some of the other countries in which both companies operate.

The preliminary discussions led to a series of meetings in late December 2009. Such meetings were held as part of the ongoing quest for business opportunities to maximize the use of the 3G technology developed by AMX in the region, and to provide converging services based upon the technologies implemented by both AMX and TELINT. These meetings in turn led to a more comprehensive approach towards the integration of services, including through the potential merger or overall reorganization of some of their operating companies in the region, including those in Brazil and Colombia.

In early January 2010, Mr. Daniel Hajj began discussing with the Slim Family and TELECOM's directors the possibility of combining the operations of AMX, TELECOM and TELINT, in lieu of a more limited merger or combination of some of AMX's and TELINT's operating subsidiaries. These discussions led to the conclusion that such a combination would provide the shareholders of both companies not only with an integrated service but also with significant long-term synergies among AMX's and TELINT's business operations, licenses, infrastructure and managements in various Latin American countries. They developed a proposal pursuant to which AMX would offer shares of its capital stock as consideration in connection with any such operation, based upon an exchange ratio that would take into consideration the relative market prices of each of AMX's and TELINT's Series L shares, given their high market liquidity. As with respect to TELECOM, they discussed the possibility of using the market price of the Series L shares of each of AMX, TELINT and TELMEX, and TELECOM's net debt.

Between January 6 and January 8, 2010, various members of the Slim Family and several TELECOM directors, as well as Messrs. Hajj and Von Hauske, concluded that the proposed combination should be analyzed from a corporate and regulatory standpoint in order to submit a formal proposal for its consideration by AMX's Board of Directors in accordance with Mexican applicable procedures. Such conclusion was based, among other things, on (i) the fact that the evolution in the telecommunications industry has led to the existence of concurrent technological platforms for voice, data and video streaming services, (ii) the recent development in terms of applications, functionalities and equipment, (iii) the increased demand for services in Latin America, (iv) the advantages derived from offering integrated communication services in the region, regardless of the platform of origin of such services, and (v) the opportunity to create long-term synergies.

Over the weekend of January 9 and 10, 2010, Mr. Hajj contacted several of AMX's executive officers, principal shareholders and outside counsel, and the Slim Family, to discuss the viability and potential structure of such a business combination. He also contacted certain representatives of AT&T, which is one of TELINT's and AMX's principal shareholders, to inform such shareholder of AMX's plans in connection with the proposed transaction. Over the same weekend, the General Counsel and Secretary of the Board of Directors of AMX, Mr. Alejandro Cantú Jiménez, and the company's outside counsel, discussed and devised a preliminary structure for the proposed combination. On January 11, 2010, a working group comprised by various executive offices and advisors informed Mr. Hajj that the preferred structure for such combination would be a concurrent purchase and subscription offer targeted towards TELECOM's and TELINT's shareholders, given that any merger or other alternatives to achieve such combination would under Mexican law give rise to adverse tax consequences and involve cumbersome regulatory approval processes in Mexico and the rest of Latin America.

During the period from January 11 to January 13, AMX's Executive Director of Administration and Finance, Mr. Carlos García Moreno, and Mr. Cantú, held numerous telephone conferences and meetings

with AMX's outside counsel and tax advisors, and with its financial advisor, Grupo Financiero Inbursa, S.A.B. de C.V. They further met and held several discussions with various representatives of AT&T regarding the proposed combination. On January 12, Mr. Cantú, in his capacity as Secretary of the Board of Directors of AMX, contacted each and all of the directors and invited them to a board meeting that would be held January 13.

The meeting of the Board of Directors took place as scheduled, on January 13. In attendance thereat were Messrs. García Moreno, Cantú Jiménez, as well as various representatives of Grupo Financiero Inbursa, S.A.B. de C.V., its financial advisor. Mr. Hajj submitted the proposed combination to the Board of Directors for its approval, which moved to authorize the company's executive officers to initiate the processes leading to the possible completion of the transaction. The Board of Directors' decision was unanimous, except that Messrs. Hajj and Patrick Slim Domit abstained from voting thereon to avoid any appearance of a conflict of interests, but were nevertheless in agreement with the resolution adopted by the remaining directors.

Immediately after the board meeting, AMX issued a notice of disclosure of the occurrence of a relevant event and announced its intention to conduct the Offer and the TELINT Offer. On the same date, AMX delivered a letter to each member of TELECOM's and TELINT's boards, requesting their authorization for AMX to commence the process towards the consummation of the Offer and the TELINT Offer, as required by Article Twelve of TELINT's bylaws and Article Thirteen of TELECOM's bylaws. Such letters contained all the additional information required to be disclosed to any person interested in the acquisition of 10% (ten percent) or more of the issued and outstanding shares of stock of TELECOM and TELINT, in accordance with their respective bylaws.

b. Approval by AMX's Board of Directors

As mentioned in subsection (a) above, on January 13, 2010, the members of AMX's Board of Directors resolved, by unanimous consent, to commence the process towards the consummation of the Offer in the terms set forth below, which terms were disclosed to the public and the Board of Directors of TELECOM:

Pursuant to Article 48 of the LMV and Article 130 of the General Corporations Law, Article Thirteen of TELECOM s bylaws incorporates protections against the acquisition, directly or indirectly, of a controlling ownership position in TELECOM by any shareholder, group of related shareholders acting in concert, or third party. Pursuant to such provisions, any acquisition of TELECOM s shares or other securities the underlying instruments of which are TELECOM Shares or any rights thereto, representing 10% (ten percent) or more of TELECOM s voting capital, in a single transaction or a series of successive transactions, is subject to the prior approval of TELECOM s Board of Directors.

Any person or group of persons intending to acquire 10% (ten percent) or more of the outstanding voting shares of TELECOM, must request in writing the aforementioned authorization to the Chairman and the Secretary of TELECOM s Board of Directors.

In addition, TELECOM s bylaws provide that for so long as TELECOM s shares are registered with the RNV, any such transaction carried out through the BMV will be subject, in addition, to the provisions contained in the LMV or any resolution issued by the CNBV.

TELECOM s bylaws further provide that in the event of any acquisition required to be made through a tender offer in terms of the LMV, the prospective buyer must (i) satisfy all applicable legal requirements, (ii) obtain all the requisite regulatory approvals, and (iii) secure the Board of Director s authorization prior to the commencement of the applicable offering period. In any event, any person intending to acquire 10% (ten percent) or more of TELECOM s capital stock must disclose any action taken thereby to secure the authorization of the Board of Directors in accordance with TELECOM s bylaws.
