Under certain circumstances, we may issue shares of our common stock upon the conversion of the notes. ABOUT VENTAS, INC.

We are a real estate investment trust (REIT) with a geographically diverse portfolio of seniors housing and healthcare properties in the United States and Canada. As of December 31, 2009, this portfolio consisted of 505 assets: 244 seniors housing communities, 187 skilled nursing facilities, 40 hospitals and 34 medical office buildings (MOBs) and other properties in 43 states and two Canadian provinces. With the exception of our seniors housing communities that are managed by Sunrise pursuant to long-term management agreements and the majority of our MOBs, we lease our properties to healthcare operating companies under triple-net or absolute-net leases, which require the tenants to pay all property-related expenses. We also had real estate loan investments relating to seniors housing and healthcare companies or properties as of December 31, 2009.

We conduct substantially all of our business through our wholly owned subsidiaries, Ventas Realty, Limited Partnership, PSLT OP, L.P. and Ventas SSL, Inc. Our primary business consists of acquiring, financing and owning seniors housing and healthcare properties and leasing those properties to third parties or operating those properties through independent third party managers.

We were incorporated in Kentucky in 1983, commenced operations in 1985 and reorganized as a Delaware corporation in 1987. We operate through two reportable business segments: triple-net leased properties and senior living operations. For additional information, see our Consolidated Financial Statements and the related notes, including Note 2 Accounting Policies, included in Part II, Item 8 of our Annual Report on Form 10-K for the year ended December 31, 2009 (the 2009 Form 10-K).

Our business strategy is comprised of three principal objectives: (1) portfolio diversification; (2) stable earnings and growth; and (3) maintaining a strong balance sheet and liquidity.

Our principal executive offices are located at 111 South Wacker Drive, Suite 4800, Chicago, Illinois 60606, and our telephone number is (877) 483-6827. We maintain a website on the Internet at <http://www.ventasreit.com>. Information on our website is not incorporated by reference herein and our web address is included in this prospectus as an inactive textual reference only.

RISK FACTORS

Before you invest in shares of our common stock, you should carefully consider the risks involved. These risks include, but are not limited to:

the risks described below;

the risks described in our 2009 Form 10-K, which is incorporated by reference in this prospectus; and

any risks that may be described in other filings we make with the Commission.

Risks Relating to Our Common Stock

If our stock price is volatile, purchasers of our common stock could incur substantial losses.

Although our common stock is listed on the New York Stock Exchange, such listing does not provide any assurance that an active public market for the common stock will be sustained. No predictions can be made as to the effect, if any, that future market sales of common stock or the availability of common stock for sale will have on the prevailing market price of the common stock. In addition, the stock market in recent years has experienced price and volume fluctuations that often have been unrelated or disproportionate to the operating performance of companies. These fluctuations, as well as general economic and market conditions, may adversely affect the market price of our common stock.

If there are sales of substantial amounts of our common stock in the future, the price of our common stock could decline.

As of March 8, 2010, we had 156,724,215 shares of our common stock outstanding. All of these shares of common stock are available for immediate sale unless held by our affiliates. Sales of substantial amounts of our common stock, or the perception that such sales could occur, could adversely affect prevailing market prices of the common stock.

Additional issuances of equity securities by us would dilute the ownership of our existing stockholders.

We may issue equity in the future in connection with acquisitions or strategic transactions, to adjust our ratio of debt to equity, including through repayment of outstanding debt, to fund expansion of our operations or for other purposes. We may issue shares of our common stock at prices or for consideration that is greater or less than the price at which the shares of common stock are being offered by this prospectus. To the extent we issue additional equity securities, your percentage ownership of our common stock would be reduced.

We do not undertake a duty to update these forward-looking statements, which speak only as of the date on which they are made.

Our actual future results and trends may differ materially from expectations depending on a variety of factors discussed in our filings with the Commission and under Risk Factors. These factors include without limitation:

The ability and willingness of our tenants, operators, borrowers, managers and other third parties to meet and/or perform their obligations under their respective contractual arrangements with us, including, in some cases, their obligations to indemnify, defend and hold us harmless from and against various claims, litigation and liabilities;

The ability of our tenants, operators, borrowers and managers to maintain the financial strength and liquidity necessary to satisfy their respective obligations and liabilities to third parties, including without limitation obligations under their existing credit facilities and other indebtedness;

Our success in implementing our business strategy and our ability to identify, underwrite, finance, consummate and integrate diversifying acquisitions or investments, including those in different asset types and outside the United States;

The nature and extent of future competition;

The extent of future or pending healthcare reform and regulation, including cost containment measures and changes in reimbursement policies, procedures and rates;

Increases in our cost of borrowing as a result of changes in interest rates and other factors;

The results of litigation affecting us;

Changes in general economic conditions and/or economic conditions in the markets in which we may, from time to time, compete, and the effect of those changes on our revenues and our ability to access the capital markets or other sources of funds;

Edgar Filing: VENTAS INC - Form S-3ASR

Our ability to pay down, refinance, restructure and/or extend our indebtedness as it becomes due;

Our ability and willingness to maintain our qualification as a REIT due to economic, market, legal, tax or other considerations;

Final determination of our taxable net income for the year ended December 31, 2009 and for the year ending December 31, 2010;

The ability and willingness of our tenants to renew their leases with us upon expiration of the leases and our ability to reposition our properties on the same or better terms in the event such leases expire

Table of Contents

and are not renewed by our tenants or in the event we exercise our right to replace an existing tenant upon a default;

Risks associated with our senior living operating portfolio, such as factors causing volatility in our operating income and earnings generated by our properties, including without limitation national and regional economic conditions, costs of materials, energy, labor and services, employee benefit costs, insurance costs and professional and general liability claims, and the timely delivery of accurate property-level financial results for those properties;

The movement of U.S. and Canadian exchange rates;

Year-over-year changes in the Consumer Price Index and the effect of those changes on the rent escalators, including the rent escalator for Master Lease 2 with Kindred Healthcare, Inc., and our earnings;

Our ability and the ability of our tenants, operators, borrowers and managers to obtain and maintain adequate liability and other insurance from reputable and financially stable providers;

The impact of increased operating costs and uninsured professional liability claims on the liquidity, financial condition and results of operations of our tenants, operators, borrowers and managers and the ability of our tenants, operators, borrowers and managers to accurately estimate the magnitude of those claims;

The ability and willingness of the lenders under our unsecured revolving credit facilities to fund, in whole or in part, borrowing requests made by us from time to time;

The impact of market or issuer events on the liquidity or value of our investments in marketable securities; and

The impact of any financial, accounting, legal or regulatory issues that may affect us or our major tenants, operators, and managers. Many of these factors, some of which are described in greater detail under **Risk Factors** in Part I, Item 1A of our 2009 Form 10-K and incorporated by reference or deemed to be incorporated by reference in this prospectus, are beyond our control and the control of our management.

USE OF PROCEEDS

We will not receive any proceeds from the sale of the shares of our common stock by the selling stockholders named herein.

SELLING STOCKHOLDERS

Our 3^{7/8}% Convertible Senior Notes due 2011 (the **notes**) were originally issued by us to and immediately resold by Banc of America Securities LLC and J.P. Morgan Securities, Inc. in transactions exempt from the registration requirements of the Securities Act to persons reasonably believed by the initial purchasers to be **qualified institutional buyers** as defined by Rule 144A under the Securities Act. Selling stockholders, including their transferees, pledgees, donees and successors, may from time to time offer and sell pursuant to this prospectus and any accompanying prospectus supplement any or all of the shares of our common stock that we may issue upon the conversion of the notes.

The table below sets forth the name of each selling stockholder and the number of shares of our common stock that would become beneficially owned by each selling stockholder should we issue our common stock that may be offered pursuant to this prospectus upon conversion of the notes. We have prepared the table below based

Table of Contents

on information provided to us by or on behalf of the selling stockholders on or prior to March 25, 2010. The selling stockholders may offer all, some or none of the shares of our common stock that we may issue upon the conversion of the notes. Accordingly, we cannot estimate the number of shares of our common stock that will be held by the selling stockholders upon consummation of any of these sales. In addition, the selling stockholders identified below may have acquired, sold, transferred or otherwise disposed of, in transactions exempt from the registration requirements of the Securities Act, all or a portion of their notes or shares of our common stock since the date on which they provided the information regarding their notes.

The number of shares of our common stock issuable upon the conversion of the notes shown in the table below assumes conversion of the full amount of notes held by each selling stockholder at the initial conversion rate of 22.1867 shares of our common stock per \$1,000 principal amount of notes and a cash payment in lieu of any fractional share, assuming 10% annual growth in our dividend rate and 25% quarterly growth in the market price of our common stock. Effective March 10, 2010, the conversion rate was adjusted to 23.0162 shares per \$1,000 principal amount of notes and is subject to further adjustment in certain events. Accordingly, the number of shares of our common stock issued upon the conversion of the notes may increase or decrease from time to time. Except as otherwise indicated, the number of shares of our common stock owned by the selling stockholders or any future transferee from any such holder assumes that they do not beneficially own any shares of common stock other than the common stock that we may issue to them upon the conversion of the notes.

Based upon information provided by the selling stockholders, none of the selling stockholders or their affiliates has, or within the past three years has had, any material relationship with us or any of our predecessors or affiliates.

To the extent any of the selling stockholders identified below are broker-dealers, they may be deemed to be, under interpretations of the staff of the Commission, underwriters within the meaning of the Securities Act.

Information about the selling stockholders may change over time. Any changed information will be set forth in supplements to this prospectus, if required.

Additional selling stockholders not named in this prospectus will not be able to use this prospectus for resales until they are named in the table above by prospectus supplement or post-effective amendment. Transferees, successors and donees of identified selling stockholders will not be able to use this prospectus for resales until they are named in the table above by prospectus supplement or post-effective amendment. PLAN OF DISTRIBUTION

The shares of our common stock offered by this prospectus are subject to restrictions under the Registration Rights Agreement dated as of December 1, 2006 among us, Banc of America Securities LLC and J.P. Morgan Securities, Inc. Subject to those restrictions, sales of shares of our common stock by the selling stockholders named in this prospectus may be made from time to time in one or more transactions, on the New York Stock Exchange, in the over-the-counter market or any other exchange or quotation system on which shares of our common stock may be listed or quoted, in negotiated transactions or in a combination of any such methods of sale, at fixed prices that may be changed, at market prices prevailing at the time of sale, at prices related to such prevailing market prices or at negotiated prices. The shares may be offered directly to or through agents designated from time to time or to or through brokers or dealers, or through any combination of these methods of sale. The methods by which the shares may be sold include:

a block trade (which may involve crosses) in which the broker or dealer will attempt to sell the securities as agent but may position and resell a portion of the block as principal to facilitate the transaction;

purchases by a broker or dealer as principal and resales by the broker or dealer for its own account pursuant to this prospectus;

exchange distributions or secondary distributions in accordance with the rules of the New York Stock Exchange;

ordinary brokerage transactions and transactions in which the broker solicits purchasers;

privately negotiated transactions;

a combination of any of the foregoing methods of sale; and

any other method permitted pursuant to applicable law.

An agent, broker or dealer may receive compensation in the form of discounts, concessions or commissions from the selling stockholders or the purchasers of the shares for whom such brokers or dealers may act as agents or to whom they sell as principals, or both (which compensation as to a particular broker or dealer might be in excess of customary commissions). A member firm of an exchange on which our common stock is traded may be engaged to act as a selling stockholder's agent in the sale of shares by the selling stockholders.

In connection with distributions of the shares of our common stock offered by this prospectus or otherwise, the selling stockholders may enter into hedging transactions with brokers or dealers or other financial institutions with respect to our common stock. In connection with these transactions, the brokers or dealers or other financial institutions may engage in short sales of our common stock in the course of hedging the positions they assume with the selling stockholders. Such hedging transactions may require or permit the selling stockholders to deliver the shares to such brokers or dealers or other financial institutions to settle the hedging transactions. The selling

Table of Contents

stockholders may also sell our common stock short and deliver the shares to close out those short positions. If so required by applicable law, this prospectus, as amended or supplemented, may be used to effect:

the short sales of our common stock referred to above;

the sale or other disposition by the brokers or dealers or other financial institutions of any shares they receive pursuant to the hedging transactions referred to above; or

the delivery by the selling stockholders of shares to close out short positions.

In addition, any shares of our common stock covered by this prospectus that qualify for sale pursuant to Rule 144 of the Securities Act may be sold under Rule 144 rather than pursuant to this prospectus.

The selling stockholders may transfer, pledge or loan the shares to a transferee, pledgee, donee or successor that, in turn, may sell the shares. In those circumstances, the transferee, pledgee, donee or successor would become a selling stockholder under this prospectus only if identified in a prospectus supplement or in a post-effective amendment to the registration statement of which this prospectus is a part prior to making an offer or sale under this prospectus. The selling stockholders may also enter into option or other transactions with broker-dealers or other financial institutions that require the delivery of shares of our common stock, which the broker-dealer or other financial institution may then resell pursuant to this prospectus.

Each broker-dealer that receives our common stock for its own account pursuant to this prospectus must acknowledge that it will deliver the prospectus in connection with any sale of our common stock. If required, this prospectus may be amended or supplemented on a continual basis to describe a specific plan of distribution.

The selling stockholders and any other person participating in such distribution will be subject to the Exchange Act. The Exchange Act rules include, without limitation, Regulation M, which may limit the timing of purchases and sales of any of our common stock by the selling stockholders and any other such person. In addition, Regulation M of the Exchange Act may restrict the ability of any person engaged in the distribution of our common stock to engage in market-making activities with respect to the particular common stock being distributed. In addition, the anti-manipulation rules under the Exchange Act may apply to sales of the securities in the market. All of the foregoing may affect the marketability of the securities and the ability of any person to engage in market-making activities with respect to the securities.

The selling stockholders and any brokers, dealers, agents or others that participate with the selling stockholders in the distribution of the shares offered by this prospectus may be deemed to be underwriters within the meaning of the Securities Act, and any underwriting discounts, commissions or fees received by such persons and any profit on the resale of the shares purchased by such persons may be deemed to be underwriting commissions or discounts under the Securities Act.

We have agreed to indemnify the selling stockholders named herein against certain liabilities that they may incur in connection with the sale of the shares registered hereunder, including liabilities arising under the Securities Act, and to contribute to payments that the selling stockholders may be required to make with respect thereto. Agents, brokers and dealers may be entitled under agreements entered into by the selling stockholders or us to indemnification against certain civil liabilities, including liabilities under the Securities Act.

There can be no assurance that the selling stockholders will sell any or all of the shares offered hereby.

We will bear all expenses of registration of the shares offered by this prospectus, but all selling and other expenses incurred by the selling stockholders will be borne by the selling stockholders. We estimate that the total expenses of this offering payable by us will be \$75,000.

Item 15. Indemnification of Directors and Officers

Section 145 of the Delaware General Corporation Law (the "DGCL") empowers us to, and Article VII of our Amended and Restated Certificate of Incorporation, as amended (the "Certificate"), provides that we will, indemnify any person who was or is made a party or is threatened to be made a party to or is involved in any action, suit or proceeding, whether civil, criminal, administrative or investigative (a "Proceeding"), because he or she is or was one of our directors or officers, or is or was serving at our request as a director, officer, employee, trustee or agent of another corporation, partnership, joint venture, trust or other enterprise, against all expenses, liabilities and loss (including attorneys' fees, judgments, fines, ERISA excise taxes or penalties and amounts paid or to be paid in settlement) actually and reasonably incurred or suffered by him or her in connection with such Proceeding. We may provide by action of our Board of Directors through agreement, resolution or by a provision in our Third Amended and Restated Bylaws, indemnification of our employees and agents with substantially the same scope and effect as the indemnification provided in Article VII of the Certificate.

Expenses incurred by such a person in his or her capacity as one of our directors or officers (and not in any other capacity in which service was or is rendered by such person while a director or officer) in defending a Proceeding may be paid by us in advance of the final disposition of such Proceeding as authorized by our Board of Directors in a specific case upon receipt of an undertaking by or on behalf of that person to repay such amounts, unless it is ultimately determined that such person is entitled to be indemnified by us as authorized by the DGCL. Expenses incurred by a person in any capacity other than as one of our officers or directors may be paid in advance of the final disposition of a Proceeding on such terms and conditions, if any, as our Board of Directors deems appropriate.

Pursuant to Section 102(b)(7) of the DGCL, the Certificate eliminates certain liability of our directors for breach of their fiduciary duty of care. Article VI of the Certificate provides that neither we nor our stockholders may recover monetary damages from our directors for breach of the duty of care in the performance of their duties as our directors. Article VI does not, however, eliminate the liability of our directors (i) for a breach of the director's duty of loyalty, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the DGCL (relating to unlawful distributions), or (iv) for any improper personal benefit.

The indemnification provided for by Article VII of the Certificate is a contract right and continues as to persons who cease to be directors, officers, employees or agents and inures to the benefit of the heirs, executors

Table of Contents

and administrators of such persons. No amendment to the Certificate or repeal of any article thereof increases the liability of any of our directors or officers for acts or omissions of such persons occurring prior to such amendment or repeal.

The right to indemnification conferred by Article VII of the Certificate is not exclusive of any other rights to which those seeking indemnification may be entitled under any by-law, agreement, vote of stockholders or disinterested directors or otherwise, both as to actions taken in his or her official capacity and in any other capacity while holding such office.

We may purchase and maintain insurance on behalf of any person who is or was one of our directors, officers, employees or agents, or is or was serving at our request as a director, trustee, officer, partner, employee, or agent of another domestic or foreign corporation, partnership, joint venture, trust or other enterprise, against any liability asserted against him or her and incurred by him or her in such capacity or arising out of his or her status as such, whether or not we would have the power or be obligated to indemnify him or her against such liability under the provisions of Article VII of the Certificate or the DGCL.

We currently have in effect directors and officers liability insurance policies. These policies cover any negligent act, error or omission of a director or officer, subject to certain exclusions and limitations.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to our directors and officers pursuant to the foregoing provisions or otherwise, we have been advised that, although the validity and scope of the governing statute have not been tested in court, in the opinion of the Commission, such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In addition, indemnification may be limited by state securities laws.

Item 17. Undertakings

(a) The undersigned Registrant hereby undertakes:

(1) to file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933 (the "Securities Act");

(ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Securities and Exchange Commission (the "Commission") pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that the undertakings set forth in paragraphs (a)(i), (a)(ii) and (a)(iii) of this section do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement;

(2) that, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof;

(3) to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering;

(4) that, for the purpose of determining liability under the Securities Act to any purchaser:

(i) each prospectus filed by the Registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is

Table of Contents

part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date; and

(5) that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(b) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. If a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
