PROXY STATEMENT

For the Annual Meeting of Stockholders

To Be Held June 3, 2010

Our Board of Directors (the **Board**) is furnishing you this proxy statement to solicit proxies on its behalf to be voted at our Annual Meeting of Stockholders to be held on Thursday, June 3, 2010, at 9:00 a.m. at our headquarters, 5840 El Camino Real, Suite 106, Carlsbad, California 92008. The proxies also may be voted at any adjournments or postponements of the meeting. This Proxy Statement, the accompanying proxy card and our annual report on Form 10-K for the fiscal year ended January 2, 2010 were first mailed to stockholders on or about May 3, 2010.

You may also obtain a copy of our annual report on Form 10-K without charge upon written request submitted to Phoenix Footwear Group, Inc., c/o Dennis T. Nelson, Chief Financial Officer, Treasurer and Secretary, 5840 El Camino Real, Suite 106, Carlsbad, California 92008 or without charge at the Security and Exchange Commission's Internet site (<http://www.sec.gov>).

ABOUT THE ANNUAL MEETING AND VOTING

What is the purpose of the Annual Meeting?

The Annual Meeting will be our regular, annual meeting of stockholders. You will be voting on the following matters at the Annual Meeting:

1. To elect six (6) persons to the Board of Directors of Phoenix Footwear; and
2. To transact such other business as may properly come before the meeting.

As of the date of this Proxy Statement, we do not know of any matters not specifically referred to in this Proxy Statement which may come before the meeting. The deadline under our By-Laws for stockholders to notify us of any director nominations or proposals to be presented at the Annual Meeting has passed. If any other business should properly come before the Annual Meeting, the persons appointed by the enclosed form of proxy shall have discretionary authority to vote all of the shares held of record by the persons named in such proxies as they shall decide.

How does the Board of Directors recommend I vote?

The Board recommends that you vote in favor of ALL NOMINEES in Proposal 1 which is discussed in detail in the proxy statement appearing on the following pages.

Who is entitled to vote at the Annual Meeting?

Our Board set April 15, 2010 as the record date for the Annual Meeting (the **Record Date**). All stockholders of record at the close of business on the Record Date are entitled to notice of and to vote at the annual meeting.

How many votes can be cast by stockholders?

Each stockholder of record has one vote for each share of common stock held on all matters to come before the meeting. There is no cumulative voting. There were 8,166,191 shares of common stock outstanding and entitled to vote on the Record Date.

Table of Contents

How many votes must be present to hold the Annual Meeting?

A quorum must be present at the Annual Meeting in order to hold the Annual Meeting and conduct business. A quorum is a majority of the outstanding shares of common stock as of the Record Date. Your shares are counted as present at the Annual Meeting if either you are present at the Annual Meeting and vote in person, or a proxy card or voting instruction card has been properly submitted by you or on your behalf to us or your broker, as applicable. Both abstentions and broker non-votes are counted as present for the purpose of determining the presence of a quorum. A broker non-vote is a share of common stock that is beneficially owned by a person or entity and held by a broker or other nominee, but for which the broker or other nominee lacks the discretionary authority to vote on certain matters or has not received a completed voting instruction card providing voting instructions from the beneficial owner in respect of these specific matters.

How many votes are required to elect directors and approve the other proposal?

Directors will be elected at the Annual Meeting by a plurality of the votes cast. Accordingly, the six (6) nominees that receive the most votes shall be elected to the Board. Abstentions and broker non-votes are not counted for purposes of the election of directors and, therefore, will have no effect on the outcome of such election. A majority of the votes cast at a meeting at which a quorum is present is required in order to approve any other matter submitted to a vote of the stockholders, except in the case where the vote of a greater number of shares is required by law or under the Certificate of Incorporation or Bylaws.

How do I vote by proxy?

If your shares are registered directly in your name with our transfer agent, Computershare Trust Company, N.A., you are the holder of record of those shares, and we are sending these proxy materials directly to you. If you return your properly signed proxy before the annual meeting, we will vote your shares as you direct. If your shares are held in a stock brokerage account or by a bank or other holder of record, you are considered the beneficial owner of shares held in street name. In that event, the proxy materials have been forwarded to you by your broker, bank or other holder of record. As the beneficial owner, you have the right to direct your broker, bank or other holder of record as to how to vote your shares by following the instructions provided to you with the proxy materials. Please see your proxy card or voting instruction card, as applicable, for more information on how to vote.

What if I don't vote for some of the items listed on my proxy card or voting instruction card?

If you return your signed proxy card or voting instruction card in the enclosed envelope but do not mark selections, it will be voted in accordance with the recommendations of the Board. In connection therewith, the Board has designated James R. Riedman and Dennis T. Nelson as proxies. If you indicate a choice with respect to any matter to be acted upon on your proxy card or voting instruction card, your shares will be voted in accordance with your indicated choice.

If you are a beneficial owner and hold your shares through a broker or other nominee and do not return your voting instruction card to your broker, the broker or other nominee has the ability to vote your shares on each matter at the Annual Meeting for which he or she has the requisite discretionary authority. Under applicable rules, brokers have discretion to vote on routine matters. However, because of recent changes to these rules, the uncontested election of directors at a stockholder meeting held on or after January 1, 2010 is no longer considered a routine matter. Therefore, brokers do not have discretion to vote on the uncontested election of directors.

Who pays for the proxy solicitation and how will Phoenix Footwear solicit votes?

All costs of preparing, assembling and mailing this Proxy Statement and the enclosed proxy material, and any additional material which may hereafter be sent in connection with the solicitation and collection of the

Table of Contents

enclosed proxy, will be paid by us and no part will be paid directly or indirectly by any other person. Solicitation of proxies may be made by personal interview, mail, telephone or facsimile by our officers and regular employees but no additional compensation will be paid to them for the time so employed.

Can I change or revoke my vote after I return my proxy card or voting instruction card?

Yes. Even if you sign and return the proxy card or voting instruction card in the form accompanying this Proxy Statement, you retain the power to revoke your proxy or change your vote. If you are the stockholder of record, you may revoke your proxy at any time prior to its use, by voting in person by ballot at the annual meeting, by executing a later-dated proxy or by submitting a written notice of revocation to the Secretary of Phoenix Footwear at our office at the above address or at the annual meeting. If you are a beneficial owner of the shares, you may submit new voting instructions by contacting your bank, broker or other holder of record. If you wish to vote your shares at the annual meeting, you must obtain a valid proxy from your broker, bank or other holder of record and present it to the inspector of election with your ballot at the meeting.

PROPOSAL 1 ELECTION OF DIRECTORS

Election Process

The size of our Board is set at seven (7) directors. As of May 3, 2010, the Board had one vacancy. The proxies given for the Annual Meeting may not be voted for more than six (6) directors. Directors will be elected at the Annual Meeting by a plurality of the votes cast. Accordingly, the six (6) nominees that receive the most votes shall be elected to the Board. A stockholder using the enclosed form of proxy may authorize the persons named in the proxy to vote for all or any of the above named nominees or may withhold from said persons authority to vote for all or any of such nominees. Abstentions and broker non-votes are not counted for purposes of the election of directors and, therefore, will have no effect on the outcome of such election. If elected, each nominee will hold office until the Annual Meeting to be held in 2011, or until his or her successor has been duly elected and qualified, or until the director's earlier death, resignation or removal.

Director Nominations

The Nominating and Governance Committee is responsible for identifying and evaluating nominees for Director and for recommending to the Board a slate of nominees for election at each Annual Meeting of Stockholders. Nominees may be suggested by Directors, members of management or stockholders. In identifying and considering candidates for nomination to the Board, the Nominating and Governance Committee considers, in addition to the requirements set out in the Company's Corporate Governance Guidelines and its charter, quality of experience, the needs of the Company and the range of talent and experience already represented on the Board.

2010 Nominees for Director

Upon the recommendation of the Nominating and Governance Committee, the Board has nominated each of James R. Riedman, Steven M. DePerrior, Gregory M. Harden, John C. Kratzer, Frederick R. Port and Wilhelm Pfander for election as Director. All of the nominees are independent under NYSE Amex corporate governance rules, except James R. Riedman.

Each of our Director nominees currently serves on the Board and was elected by the stockholders at the 2009 Annual Meeting of Stockholders. If elected, all of these Directors will hold office until the 2011 Annual Meeting of Stockholders and until his or her successor is elected and qualified.

We have no reason to believe that any of the nominees will be unable or unwilling for good cause to serve if elected. However, if any nominee should become unable for any reason or unwilling for good cause to serve, proxies may be voted for another person nominated as a substitute by the Board, or the Board may reduce the number of Directors.

The Board of Directors unanimously recommends a vote FOR each of the six (6) following nominees.

THE BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

Director Independence

Under NYSE Amex listing standards, a majority of the members of a listed company's Board of Directors must qualify as independent, as affirmatively determined by the Board. The Board consults with our counsel to ensure that the Board's determinations are consistent with relevant securities and other laws and regulations regarding the definition of independent, including those set forth in pertinent listing standards of NYSE Amex, as in effect time to time.

Consistent with these considerations, after review of all relevant transactions or relationships between each director, or any of his family members, and us, our senior management and our independent auditors, the Board has affirmatively determined that Messrs. DePerrior, Harden, Kratzer, Port and Pfander, constituting a majority of the nominees, are independent, as defined in the corporate governance rules of NYSE Amex. In making this determination, the Board found that none of these directors or nominees for director had a material or other disqualifying relationship with us. During fiscal 2009, Mr. Riedman was not considered independent for purposes of the NYSE Amex corporate governance rules due to his employment with us.

Leadership Structure

Generally

Our governance documents provide the Board with flexibility to select our appropriate leadership structure. In making leadership structure determinations, the Board considers many factors, including the specific needs of the business and what is in the best interests of our stockholders. The Board believes that presently it is in the best interests of the Company that the executive officer positions of Chairman of the Board and Chief Executive Officer are separate. The Board believes that this separation is presently appropriate as it allows the Chief Executive Officer to focus primarily on leading our day to day operations while the Chairman can focus on leading the Board in its consideration of strategic issues and monitoring corporate governance and other stockholder issues.

Our Board is comprised of one director who serves as a member of management and an executive officer, James R. Riedman, and five non-employee directors. Regular meetings of the Board are held at such times as the Board may determine. As part of each regularly scheduled Board meeting, the directors meet without the Chief

Table of Contents

Executive Officer present. These meetings allow directors to discuss issues of importance to the Company, including our business and affairs as well as matters concerning management, without the Chief Executive Officer or other members of management present. In addition, at each regularly scheduled Board meeting, the independent directors meet separately. Also, pursuant to our By-Laws, a majority of the Directors may call a special meeting of the Board in addition to our Chief Executive Officer or our Secretary. All of the Board Committees, except the Executive Committee and the Retirement Plan Committee, are chaired by independent directors.

Risk Oversight

The Board oversees that our assets are properly safeguarded, that the appropriate financial and other controls are maintained, and that our business is conducted wisely and in compliance with applicable laws and regulations and proper governance. Included in these responsibilities is the Board of Directors' oversight of the various risks we face. In this regard, the Board seeks to understand and oversee critical business risks. The Board does not view risk in isolation. Risks are considered in virtually every business decision and as part of our business strategy. The Board recognizes that it is neither possible nor prudent to eliminate all risk. Indeed, purposeful and appropriate risk-taking is essential for us to be competitive and to achieve our financial objectives.

While the Board oversees risk management, our management is charged with managing risk. We have internal processes and a strong internal control environment to identify and manage risks and to communicate with the Board. These include regular internal management disclosure meetings, Codes of Business Conduct and an internal audit process. The Board through the Audit Committee monitors and evaluates the effectiveness of the internal controls and the related risk assessment program at least annually. Management communicates routinely with the Board, Board Committees and individual Directors on the significant risks identified and how they are being managed. Directors are free to, and indeed often do, communicate directly with senior management.

The Board implements its risk oversight function both as a whole and through Committees. Much of the work is delegated to various Committees, which meet regularly and report back to the full Board. All Committees play significant roles in carrying out the risk oversight function. In particular:

The Audit Committee oversees risks related to our financial statements, the financial reporting process, accounting and legal matters. The Audit Committee oversees the internal audit function and our ethics programs, including the Codes of Business Conduct. The Audit Committee members meet separately with our general counsel, management in charge of internal control and representatives of our independent auditing firm.

The Compensation Committee evaluates the risks and rewards associated with our compensation philosophy and programs. The Compensation Committee reviews and approves compensation programs with features that mitigate risk without diminishing the incentive nature of the compensation. Management discusses with the Compensation Committee the procedures that have been put in place to identify and mitigate potential risks in compensation.

Because overseeing risk is an ongoing process and inherent in the Company's strategic decisions, the Board also discusses risk throughout the year at other meetings in relation to specific proposed actions.

Meetings of the Board of Directors

During fiscal 2009, the Board held seven (7) meetings. Each of the incumbent directors attended more than 75% of the total number of meetings of the Board and any committee on which he served. The Board does not have a policy regarding the attendance of directors at annual stockholder meetings. At the 2009 annual meeting of stockholders, all of the incumbent directors attended the meeting.

Table of Contents**Committees of the Board of Directors**

The Board has five standing committees: an Audit Committee, a Compensation Committee, an Executive Committee, a Nominating and Governance Committee and a Retirement Plan Committee. Also, the Board formed a Special Committee in November 2008 to review strategic alternatives available to us. The Special Committee was dissolved in April 2009. The table below indicates the current membership of each committee and how many times each committee met in fiscal 2009:

X Indicates Committee member.

⁽¹⁾ On June 8, 2008, the Board elected the individual to serve as a member of the indicated committee.

Audit Committee

The Audit Committee's function is to provide oversight of our accounting and financial reporting functions and internal controls, retain our independent registered public accountants, review their independence, review and pre-approve any non-audit services that they may perform, review the adequacy of accounting and financial controls, review our critical accounting policies and review and approve any related party transactions. The Audit Committee has a charter, a current copy of which is available on our website, www.phoenixfootwear.com.

The Board has designated Gregory Harden, Chairman of the Audit Committee and an independent director, as audit committee financial expert. However, as specified by the SEC, such designation does not impose on him any duties, obligations or liabilities that are greater than the duties, obligations and liability imposed on him as a member of the Audit Committee and the Board in the absence of such designation; nor does it affect the duties, obligations or liability of any other member of the Audit Committee or the Board.

Compensation Committee

The Compensation Committee oversees and administers our compensation program for its executive officers and directors. The Compensation Committee bases its decisions on both individual performance and our financial results. All compensation decisions are made solely by the Compensation Committee; however, the Compensation Committee may consult with the Chairman of the Board and our Chief Executive Officer as part of its decision making process when examining their respective compensation packages. However, our Chief Executive Officer, as required by NYSE Amex, may not be present during voting or deliberations as to his or her compensation. The Compensation Committee has a charter, a current copy of which is available on our website, www.phoenixfootwear.com.

Executive Committee

The Executive Committee's function is to act when the full Board of Directors is unavailable. It has the authority of the Board in the management of our business and affairs, except those powers that cannot be delegated by the Board of Directors by law. The Executive Committee did not meet in fiscal 2009.

Table of Contents

Nominating and Governance Committee

The Board has a Nominating and Governance Committee whose function is to make recommendations to the Board in identifying individuals qualified to become Board members and to recommend to the Board nominees for election to the Board, assist the Board in establishing and implementing an effective corporate governance policy, recommend appropriate committee charters, lead the Board in its annual review of the Board's performance and recommend to the Board director nominees for each committee. The Nominating and Governance Committee has a charter, a current copy of which is available on our website, www.phoenixfootwear.com.

The Nominating and Governance Committee approved and recommended to the Board the nomination for election at the 2010 Annual Meeting of the six (6) director candidates, a majority of whom have been determined to be independent under the NYSE Amex listing standards. The Nominating and Governance Committee also recommended that the Board not fill the one existing director vacancy at this time.

The Nominating and Governance Committee believes that persons nominated to serve as a director should possess certain minimum qualifications including integrity, absence of conflicts of interest, demonstrated achievement in one or more fields, management or policy-making experience, business understanding and available time. These are only threshold criteria, however, and the Nominating and Governance Committee may also consider the contributions that a candidate can be expected to make to the collective functioning of the Board based on the totality of the candidate's credentials, experience and expertise, the composition of the Board at the time, and other relevant circumstances. The Nominating and Governance Committee also seeks to achieve a Board that represents a diverse mix of skills, perspectives, talents, backgrounds and education that will enhance our decision-making process, oversee management's execution of strategic objectives, and represent the interests of all of our stockholders. The Nominating and Governance Committee may also approve the candidacy of a nominee who does not satisfy all of these requirements if it believes the service of such nominee is in our best interests. Generally, the Nominating and Governance Committee will first consider current Board members because they meet the criteria listed above and possess an in depth knowledge of our Company, its history, strengths, weaknesses, goals and objectives. Before nominating a sitting director for re-election at the Annual Meeting, however, the Nominating and Governance Committee will consider the director's performance on the Board.

When seeking candidates for director, the Nominating and Governance Committee may solicit suggestions from incumbent directors, management or others. After conducting an initial evaluation and considering the candidate suitable, the Nominating and Governance Committee will interview the candidate and will ask the candidate to meet with other directors and management. If the Nominating and Governance Committee believes the candidate would be a valuable addition to the Board, it will recommend to the full Board that candidate's election.

The Nominating and Governance Committee will consider director candidates recommended by stockholders who comply with the timing, procedures and information requirements of Section 1.11 of our By-laws, the text of which is set forth in Appendix A to this Proxy Statement. Stockholder nominees that meet the criteria outlined above will receive the same consideration that the Committee's nominees receive.

Retirement Plan Committee

The Board has a Retirement Plan Committee for the general administration of our Retirement Savings Partnership Plan, or 401(k) Plan. The Retirement Committee meets on an informal basis periodically to review any applications submitted by plan members for distribution under the 401(k) Plan, to address any amendments to the 401(k), to address share resale issues and to address requirements of governmental agencies with jurisdiction over the 401(k) Plan. The Retirement Committee votes the shares of our common stock held in the 401(k) Plan and serves as the fiduciary for the 401(k) Plan.

Special Committee to Consider Strategic Opportunities

On November 11, 2008, we announced the formation of a Special Committee of independent directors to explore strategic opportunities and increase value for our stockholders. The Committee retained BB&T Capital Markets as its independent financial advisor to assist it in its work and explore a potential sale of our Company and or its separate operating divisions. After evaluating available opportunities, the Special Committee directed management to focus on ways to return us to profitability and reduce our bank debt to an appropriate level. In April 2009, it was determined that the Special Committee had completed its work and was dissolved.

Audit Committee Matters**Audit Committee Report**

The following Report of the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any of our other filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent we specifically incorporate this report by reference therein.

The Audit Committee oversees our financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for our financial statements and the reporting process, including our systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee has reviewed and discussed our audited financial statements as of and for the year ended January 2, 2010 with management.

The Audit Committee also has reviewed and discussed our audited financial statements as of and for the year ended January 2, 2010 with our independent registered public accounting firm, Mayer Hoffman McCann P.C. (MHM), who are responsible for expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States. The Audit Committee also discussed with MHM those matters required to be discussed by the auditors with the Audit Committee under the rules adopted by the Public Company Accounting Oversight Board (the PCAOB). The Audit Committee received and discussed with MHM their annual written report on their independence from us and our management, as required by the PCAOB rules. Although there were no non-audit services performed for fiscal 2009, the Audit Committee is responsible for considering with MHM whether any provisions of non-audit services to be provided by them to us are compatible with MHM's independence.

The Audit Committee discussed with MHM the overall scope and plans for their audits. The Audit Committee has reviewed and discussed with MHM, with and without management present, our audited consolidated financial statements for fiscal 2009 and management's assessment of the effectiveness of our internal control over financial reporting.

Table of Contents

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in our annual report on Form 10-K for the fiscal year ended January 2, 2010, for filing with the Securities and Exchange Commission.

Respectfully submitted,

The Audit Committee:

Relationship with Independent Registered Public Accountants

Mayer Hoffman McCann P.C. (MHM), an independent registered public accounting firm, audited our books and accounts for fiscal 2009 and fiscal 2008 and Grant Thornton LLP, an independent registered public accounting firm, audited our books and accounts for fiscal 2007. On June 18, 2008, the Audit Committee dismissed Grant Thornton and engaged MHM as our independent registered public accounting firm. MHM has served in this capacity since June 18, 2008.

During the fiscal years ended December 29, 2007 and December 30, 2006 and through June 18, 2008, we had no disagreement with Grant Thornton on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which a disagreement, if not resolved to the satisfaction of Grant Thornton, would have caused them to make reference thereto in their report on our financial statements for such years.

During the fiscal years ended December 29, 2007 and December 30, 2006 and through June 18, 2008, we did not consult with MHM, regarding any of the matters set forth in Item 304(a)(2)(i) and (ii) of Regulation S-K.

The Audit Committee has selected MHM as our independent auditors for fiscal 2010. A representative of MHM is expected to be present at the Annual Meeting with the opportunity to make a statement if he or she desires and to respond to appropriate questions.

In December 2009, the Compensation Committee approved a 2010 Cash Bonus Plan (Bonus Plan) for our executives, including our Chairman, Chief Executive Officer and Chief Financial Officer. (i) Nominations of persons for election to the Board of Directors of the Corporation and the proposal of business to be considered by the stockholders may be made at an annual meeting of stockholders (A) pursuant to the Corporation's notice of meeting, (B) by or at the direction of the Board of Directors or (C) by any stockholder of the Corporation who was a stockholder of record at the time of giving of notice provided for in this Section 1.11, who is entitled to vote at the meeting and who complied with the notice procedures set forth in this Section 1.11.

(ii) For nominations or other business to be properly brought before an annual meeting by a stockholder pursuant to clause (C) of paragraph (a)(i) of this Section 1.11, the stockholder must have given timely notice thereof in writing to the Secretary of the Corporation and such other business must be a proper matter for stockholder action. To be timely, a stockholder's notice shall be delivered to the Secretary at the principal executive offices of the Corporation not later than the close of business on the 120th day prior to the first anniversary of the date of the Corporation's proxy statement released to stockholders in connection with the preceding year's annual meeting; provided, however, that in the event that the date of the annual meeting is more than 30 days before or more than 60 days after such anniversary date, notice by the stockholder to be timely must be so delivered not earlier than the close of business on the 120th day prior to such annual meeting and not later than the close of business on the later of the 90th day prior to such annual meeting or the 10th day following the day on which public announcement of the date of such meeting is first made. In no event shall the public announcement of an adjournment of an annual meeting commence a new time period for the giving of a stockholder's notice as described above. Such stockholder's notice shall set forth (A) as to each person whom the stockholder proposes to nominate for election or reelection as a director all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors in an election contest, or is otherwise required, in each case pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended (the Exchange Act) and Rule 14a-11 thereunder (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected); (B) as to any other business that the stockholder proposes to bring before the meeting, a brief description of the business desired to be brought before the meeting, the reasons for conducting such business at the meeting and any material interest in such business of such stockholder and the beneficial owner, if any, on whose behalf the proposal is made; and (C) as to the stockholder giving the notice and the beneficial owner, if any, on whose behalf the nomination or proposal is made (1) the name and address of such stockholder, as they appear on the Corporation's books, and of such beneficial owner and (2) the class and number of shares of the Corporation which are owned beneficially and of record by such stockholder and such beneficial owner.

(iii) Notwithstanding anything in the second sentence of paragraph (a)(ii) of this Section 1.11 to the contrary, in the event that the number of directors to be elected to the Board of Directors of the Corporation is increased and there is no public announcement naming all of the nominees for director or specifying the size of the increased Board of Directors made by the Corporation at least 100 days prior to the first anniversary of the preceding year's annual meeting, a stockholder's notice required by this Section 1.11 shall also be considered timely, but only with respect to nominees for any new positions created by such increase, if it shall be delivered to the Secretary at the principal executive offices of the Corporation not later than the close of business on the 10th day following the day on which such public announcement is first made by the Corporation.

(b) *Special Meetings of Stockholders.* Only such business shall be conducted at a special meeting of stockholders as shall have been brought before the meeting pursuant to the Corporation's notice of meeting.

Except as otherwise provided by law, the Chairman of the meeting shall have the power and duty to determine whether a nomination or any business proposed to be brought before the meeting was made, or proposed, as the case may be, in accordance with the procedures set forth in this Section 1.11 and, if any proposed nomination or business is not in compliance with this Section 1.11, to declare that such defective proposal or nomination shall be disregarded.
