Item 1.01 Entry into a Material Definitive Agreement.

On May 11, 2011, Spectra Energy Partners, LP (SEP), entered into a Purchase and Sale Agreement (the Purchase Agreement) with Equitrans, L.P. (Equitrans), EQT Corporation (EQT) and Spectra Energy Capital, LLC (SE Capital), pursuant to which SEP agreed to acquire all of the ownership interests of Big Sandy Pipeline, LLC (Big Sandy) from Equitrans for total cash consideration of approximately \$390 million, subject to certain closing adjustments.

Big Sandy s primary asset is an approximately 70-mile Federal Energy Regulatory Commission (FERC)-regulated natural gas pipeline system in eastern Kentucky with capacity of 171,000 dekatherms per day. The Big Sandy natural gas pipeline system connects Appalachian and Huron Shale natural gas supplies to markets in the Mid-Atlantic and Northeast portions of the United States.

The Purchase Agreement contains customary representations, warranties, covenants and indemnification provisions. Consummation of the transaction is subject to customary closing conditions, including Hart-Scott-Rodino approval, as well as other conditions including (i) the completion by Equitrans of specified work projects related to the Big Sandy natural gas pipeline system, (ii) the amendment of certain transportation services agreements with affiliates of EQT, (iii) the continued effectiveness of the FERC s certificate order approving Equitrans and Big Sandy s joint application to transfer the Big Sandy natural gas pipeline system from Equitrans to Big Sandy and (iv) the transfer of the Big Sandy natural gas pipeline system from Equitrans to Big Sandy.

Under the Purchase Agreement, EQT has the option, until January 1, 2018, to cause Big Sandy to increase capacity on the Big Sandy pipeline system and to make capacity available to EQT in three tranches of between 50,000 dekatherms per day to 150,000 dekatherms per day (not to exceed an aggregate of 150,000 dekatherms per day), on a firm basis for a term of 15 years, subject to certain terms and conditions set forth in the Purchase Agreement.

Equitrans has agreed to indemnify SEP for damages suffered or incurred by SEP as a result of or arising out of (i) breaches or inaccuracies of representations, warranties or covenants by Equitrans, (ii) certain agreements to which Equitrans or its affiliates are parties, and (iii) certain other specified liabilities, subject to the limitations on amounts set forth in the Purchase Agreement.

SEP currently expects the transactions to close in the third quarter of 2011. Pursuant to the provisions of the Purchase Agreement, EQT will be the main shipper on the Big Sandy natural gas pipeline.

SEP expects long-term financing for the transaction to be a combination of debt and equity. SE Capital, a wholly-owned subsidiary of Spectra Energy Corp, has irrevocably and unconditionally guaranteed payment of the purchase price by SEP to Equitrans.

The foregoing description of the Purchase Agreement is qualified in its entirety by reference to the copy of the Purchase Agreement filed as Exhibit 2.1 to this report and incorporated by reference into this Item.

Item 7.01 Regulation FD Disclosure.

On May 11, 2011, SEP issued a press release announcing its entry into the Purchase Agreement. A copy of the press release is furnished as Exhibit 99.1 hereto and is incorporated herein by reference.
