Item 7.01 Regulation FD Disclosure.

On June 27, 2011, Brian J. West, Chief Financial Officer of Nielsen Holdings N.V. (Holdings) and The Nielsen Company B.V. (together with Holdings, the Company), met with representatives of a major international financial institution to discuss the Company s operations and performance. During this meeting, Mr. West made a statement that was misinterpreted by certain attendees as reaffirming guidance with respect to EBITDA margin expansion that the Company had publicly issued on April 28, 2011 in connection with the announcement of its first quarter 2011 earnings. The Company is filing this current report on Form 8-K to clarify that it was not the Company s intention to reiterate its prior guidance during the meeting nor did representatives of the Company attending the meeting believe that such guidance was actually reaffirmed in the statements made during the meeting. It is the Company s policy not to reaffirm, update or otherwise comment upon previously issued guidance other than on a quarterly basis unless in the judgment of management circumstances require otherwise.
