Item 7.01. Regulation FD Disclosure.

On July 13, 2011, Capital One Financial Corporation (the Company or Capital One) issued a press release announcing an underwritten public offering of its common stock, which will be subject to the forward sale agreements described below. Barclays Capital, Morgan Stanley, BofA Merrill Lynch and J.P. Morgan are acting as book-running managers for the offering. Capital One intends to use the net proceeds of the offering to fund its previously announced acquisition of: (i) the equity interests of ING Bank, fsb (ING Bank), WS Realty, LLC and ING Direct Community Development LLC and (ii) certain assets and liabilities of ING Direct Bancorp (collectively, the ING Direct business). Capital One also intends to grant the underwriters a 30-day option to purchase additional shares of common stock from Capital One to cover any over-allotments. The press release is attached as Exhibit 99.1 hereto and incorporated by reference in this Item 7.01.

In connection with the offering of its common stock, Capital One expects to enter into forward sale agreements with each of Barclays Capital Inc. and Morgan Stanley & Co. LLC or their respective affiliates, whom we refer to as the forward purchasers. The forward purchasers or their affiliates will borrow and sell to the public through the underwriters shares of Capital One's common stock. The settlement of the forward sale agreements is expected to occur no later than approximately seven months following the date of the common stock offering. Capital One expects to settle the forward sale agreements entirely by the physical delivery of shares of its common stock unless, subject to certain conditions, it elects cash or net share settlement for all or a portion of its obligations under the forward sale agreements. Any shares purchased pursuant to the underwriters' option to purchase additional shares will not be subject to the forward sale agreements.

In this Current Report on Form 8-K, the Company is providing the following information: (i) audited consolidated financial statements of ING Bank as of and for the years ended December 31, 2010 and 2009 and unaudited consolidated financial statements of ING Bank as of and for the three months ended March 31, 2011, attached hereto as Exhibit 99.2 and incorporated by reference in this Item 7.01; (ii) preliminary unaudited pro forma condensed combined financial statements as of and for the three months ended March 31, 2011 and for the year ended December 31, 2010, attached as Exhibit 99.3 hereto and incorporated by reference in this Item 7.01; and (iii) certain risk factors relating to ING Bank's business (the ING Bank Risk Factors), attached as Exhibit 99.4 hereto and incorporated by reference in this Item 7.01.

The ING Bank Risk Factors were originally prepared by ING Bank for inclusion in its Full Year Report for the year ended December 31, 2010, and Capital One is reproducing them without revision in this Form 8-K. As a result, references in the ING Bank Risk Factors to the Bank, we, us, or our are references to ING Bank and its subsidiaries, except as the context otherwise requires.

As explained in more detail in the accompanying notes to the pro forma financial information, the preliminary pro forma business combination adjustments reflected in the preliminary pro forma financial information are subject to adjustment. The Company expects that after the closing of the acquisition it will file, pursuant to Item 2.01 of Form 8-K, finalized pro forma financial information.

Furthermore, the information provided in Exhibits 99.1, 99.2, 99.3 and 99.4 shall not be deemed to be incorporated by reference into the filings of the Company under the Securities Act of 1933, unless such incorporation by reference is specifically referenced therein.
