The Shares reported in Item 5 as beneficially owned by the Reporting Persons were acquired with funds of approximately \$563,543,686.00 (including brokerage commissions) for the accounts of the Taconic Funds. The source of funds used by the Reporting Persons for the purchase of the Shares listed in Item 5 was the working capital of the Taconic Funds: (i) approximately \$166,239,528.00 of working capital of TOP, (ii) approximately \$62,970,614.00 of working capital of TOP II and (iii) approximately \$334,333,544.00 of working capital of TOMF. The Shares held for each Taconic Fund may be held through margin accounts maintained with brokers, which extend credit as and when required to open or carry positions in their margin accounts, subject to applicable federal margin regulations, stock exchange rules, and such firms' credit policies. The positions may be held in margin accounts that are pledged as collateral security for the repayment of debit balances in the respective accounts.

The Reporting Persons recognize management's recent efforts to begin addressing these issues but they emphasize the importance of taking substantial and timely action in pursuit of these objectives. Additionally, in order to align appropriately management and shareholder incentives, the Reporting Persons believe the Company's board of directors should implement a senior management compensation structure that is based primarily on total shareholder returns rather than the current structure's emphasis on absolute growth metrics.

The Reporting Persons have had and intend to continue to have discussions with the Company's management and the board of directors relating to, among other things, the Company's business strategy, operations, capital allocation and management compensation structure. In addition, the Reporting Persons and their representatives and advisers may communicate with other shareholders, industry participants and other interested parties concerning the Company.
