**Item 1.01 Entry into a Material Definitive Agreement.**

As previously disclosed, Carriage Services, Inc. (the Company) had a \$60 million secured bank credit facility with Wells Fargo Bank, N.A. as the administrative agent which was collateralized by the accounts receivable and all personal property of the Company.

On August 30, 2012, the Company completed a transaction to replace the Wells Fargo credit facility with a new \$235 million secured bank credit facility (the Credit Agreement) with Bank of America, N.A. (Bank of America) as the Administrative Agent with \$105 million available under a revolving credit facility and \$130 million available as part of a term loan facility. The new Credit Agreement also contains an accordion provision to borrow up to an additional \$40 million in revolving loans. The Credit Agreement is set to mature on September 30, 2017 and is collateralized by all personal property and funeral home real property in certain states. Interest under the new Credit Agreement is payable at prime or LIBOR options. The proceeds of the term loan borrowings will be used to redeem the Company's \$130 million 7.875% senior notes issued on or about January 27, 2005 (the Senior Notes).

The Credit Agreement also provides for optional and mandatory prepayments and affirmative and negative covenants. Principal financial covenants include a requirement to maintain a ratio of Total Debt to EBITDA of no more than 3.75 to 1.00 from the Closing Date through June 29, 2014 and no more than 3.50 to 1.00 thereafter, and a covenant to maintain a fixed charge coverage ratio of no less than 1.20 to 1.00, with each ratio being measured on a rolling four-quarter basis. Additionally, bank consent is required for acquisitions where the aggregate consideration paid by the Company exceeds \$10 million with certain other restrictions applying to all acquisitions.

Carriage will record a pretax charge in the third quarter of 2012 in connection with the extinguishment of the existing credit facility in the amount of \$1.3 million, which represents the unamortized loan origination costs.

In addition to historical information, this Current Report contains forward-looking statements within the safe harbor provisions of the Private Securities Litigation Reform Act of 1995, as amended. These forward-looking statements include any projections of cash balances and cash flows, expenses, debt levels or other financial items; any statements of the plans, strategies and objectives of management for future operations, including the ability to negotiate a future credit facility; any statements regarding future economic conditions or performance; any statements of belief; and any statements of assumptions underlying any of the foregoing.
