**Item 1.01 Entry into a Material Definitive Agreement**

On November 14, 2012, Spectra Energy Partners, LP (the Partnership), Spectra Energy Partners (DE) GP, LP and Spectra Energy Partners GP, LLC entered into an Underwriting Agreement (the Underwriting Agreement), filed herewith as Exhibit 1.1, with Wells Fargo Securities, LLC, Citigroup Global Markets Inc., Deutsche Bank Securities Inc., UBS Securities LLC and Credit Suisse Securities (USA) LLC, as representatives of the several underwriters named therein (the Underwriters), which provides for the issuance and sale by the Partnership, and purchase by the Underwriters, of 4,750,000 common units representing limited partner interests in the Partnership (the Common Units). The Underwriters were also granted a 30-day option to purchase up to an additional 712,500 Common Units (the Option Units) if the Underwriters sell more than 4,750,000 Common Units in the offering. The offer and sale of the Common Units is registered with the Commission pursuant to a Registration Statement on Form S-3 (File No. 333-176245), and the closing with respect to the 4,750,000 Common Units is expected to occur on November 19, 2012.

The Partnership expects to receive net proceeds from the offering of approximately \$128.7 million, or approximately \$148.0 million if the Underwriters exercise their option to purchase additional common units in full, in each case, after deducting the underwriting discount and estimated offering expenses payable by the Partnership, and including a capital contribution from its general partner to maintain its proportionate interest in the Partnership. The Partnership intends to use the net proceeds, including any net proceeds from the issuance of the Option Units, for funding capital expenditures and acquisitions. Pending such use, the net proceeds of the offering will be held as cash or invested in short term securities, or a combination of both.

The Underwriting Agreement contains customary representations, warranties and agreements of the Partnership and certain affiliates, and customary conditions to closing, indemnification rights, obligations of the parties and termination provisions. The foregoing description of the Underwriting Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Underwriting Agreement, which is filed as Exhibit 1.1 hereto and incorporated by reference herein.

**Relationships**

From time to time, certain of the underwriters and their related entities have engaged, and may in the future engage, in commercial and investment banking transactions with the Partnership in the ordinary course of their business. They have received, and expect to receive, customary compensation and expense reimbursement for these commercial and investment banking transactions. Affiliates of each of the underwriters are lenders under the Partnership's credit facility.
