For the Special Meeting of Stockholders

To be held on January 17, 2013

This proxy statement is furnished to you in connection with the solicitation of proxies by our Board of Directors for the special meeting of stockholders to be held on Thursday, January 17, 2013 at 4:00 p.m., local time, at the Company's headquarters at 325 Corporate Drive, Portsmouth, New Hampshire 03801, including any postponements or adjournments thereof.

The notice of the special meeting, this proxy statement, and the enclosed proxy card are first being mailed to stockholders on or about December 17, 2012.

Important Notice Regarding the Availability of Proxy Materials for the Special Meeting of Stockholders to be held on January 17, 2013.

The Proxy Statement is available at www.envisionreports.com/epay for registered stockholders and www.edocumentview.com/epay for beneficial owners.

Voting of Proxies

All shares held by stockholders who are entitled to vote and who are represented at the special meeting by properly executed proxies received prior to or at the special meeting will be voted in accordance with the instructions indicated on the proxy card, unless it is revoked prior to the vote. If you are a stockholder of record and you return a proxy card but do not specify how the proxy is to be voted with respect to Proposal 1, your shares will be voted FOR Proposal 1, to amend the Company's Amended and Restated Certificate of Incorporation to increase the number of shares of common stock, par value \$.001 per share, or our common stock, that the Company is authorized to issue from 50,000,000 to 100,000,000.

You may revoke your proxy before it is used to cast a vote. If you are a stockholder of record, to revoke a proxy you must:

file with the corporate secretary of the company, at or before the taking of the vote, a written notice of revocation bearing a later date than the proxy;

execute a later dated proxy relating to the same shares and deliver it to the corporate secretary of the company before the taking of the vote;

vote again by telephone or internet; or

attend the special meeting and vote in person. Your attendance at the special meeting, if you do not vote at the special meeting, will not be sufficient to revoke a proxy.

You should send any written notice of revocation or subsequent proxy to us at the following address: Bottomline Technologies (de), Inc., 325 Corporate Drive, Portsmouth, New Hampshire 03801, Attention: Corporate Secretary.

If the shares you own are held in street name by a bank or brokerage firm, you should follow the instructions provided by your bank or brokerage firm if you wish to revoke your proxy.

Stockholders Entitled to Vote

Our Board of Directors has fixed December 4, 2012 as the record date for the determination of stockholders entitled to vote at the special meeting. Only holders of record of our common stock at the close of business on the record date are entitled to notice of, and to vote at, the special meeting. On December 4, 2012, there were 37,568,444 shares of our common stock outstanding and entitled to vote. Each share of our common stock will have one vote for each matter to be voted upon at the special meeting.

Vote Required

The holders of at least a majority of the shares of our common stock issued and outstanding and entitled to vote at the special meeting will constitute a quorum for the transaction of business at the special meeting. Shares of our common stock present in person or represented by proxy, including shares which abstain, will be counted for purposes of determining whether a quorum is present at the special meeting.

If the shares you own are held in street name by a bank or brokerage firm, then your bank or brokerage firm, as the record holder of your shares, is required to vote your shares according to your instructions. However, Proposal 1 is considered a discretionary item under applicable stock exchange rules on which banks and brokerage firms may vote in their discretion if you do not provide them with instructions. As a result, if you do not give instructions to your bank or brokerage firm, it will still be able to vote your shares with respect to Proposal 1.

The affirmative vote of the holders of shares representing a majority of all of the shares of the Company's capital stock outstanding as of the record date and entitled to vote at the special meeting is required for the approval of Proposal 1. Abstentions will have the same effect as a vote of AGAINST with respect to Proposal 1.

Reporting of Voting Results

The Company will report the voting results of the special meeting in a Current Report on Form 8-K filed with the SEC no later than four business days following the special meeting.

Security Ownership of Certain Beneficial Owners and Management

The following table sets forth information, as of November 21, 2012, regarding the beneficial ownership of shares of our common stock by (a) each person or entity known by us to own beneficially more than 5% of the outstanding shares of our common stock, (b) each of the named executive officers identified in the proxy statement for our 2012 annual meeting of stockholders, (c) each director of the company, and (d) the directors and executive officers of the company as a group. The address of each of our directors and named executive officers is c/o Bottomline Technologies (de), Inc., 325 Corporate Drive, Portsmouth, New Hampshire 03801. PROPOSAL I AMENDMENT OF AMENDED AND RESTATED CERTIFICATE OF INCORPORATION

Our Board of Directors has voted unanimously to adopt and approve, and to recommend to the Company's stockholders that they approve, an amendment to the Company's Amended and Restated Certificate of Incorporation to increase the number of shares of our common stock that we are authorized to issue from 50,000,000 to 100,000,000. We are not proposing any change to the authorized number of shares of preferred stock. The proposed amendment would replace the first paragraph of Article Fourth of the Amended and Restated Certificate of Incorporation with the following language:

FOURTH: The total number of shares of all classes of stock which the Corporation shall have authority to issue is 104,000,000 shares, consisting of (i) 100,000,000 shares of Common Stock, \$.001 par value per share (Common Stock), and (ii) 4,000,000 shares of Preferred Stock, \$.001 par value per share (Preferred Stock).

Reasons for the Proposed Amendment

Our capital stock, prior to the approval of the amendment, consists of 54,000,000 shares, consisting of 50,000,000 shares of our common stock and 4,000,000 shares of our preferred stock, \$.001 par value per share. As of the close of business on November 21, 2012, 39,447,674 shares of common stock were validly issued (including 37,532,980 shares of common stock outstanding and 1,914,694 shares of common stock held by us in treasury), 6,448,728 shares were reserved for future issuance pursuant to the Company's equity compensation plans (including shares reserved for issuance pursuant to outstanding awards and shares reserved for issuance pursuant to future awards) and 6,000,000 shares of common stock (including treasury shares) were reserved for future issuance upon exercise of the warrant described below. As of the close of business on November 21, 2012, no shares of our preferred stock had been issued.

Our Board of Directors believes that it is important to have available for issuance a number of authorized shares of common stock sufficient to meet our future corporate needs. If our stockholders approve the proposed amendment to our Amended and Restated Certificate of Incorporation, the additional authorized shares would be available for issuance for any proper corporate purpose, including stock splits, stock dividends, acquisitions, financings, issuances pursuant to the conversion of outstanding and future convertible securities, or issuances under current and future equity compensation plans. The shares would be issuable at the discretion of our Board of Directors, without further stockholder action except as may be required for a particular transaction by law or NASDAQ rules. Our Board of Directors believes that the additional shares will provide us with needed flexibility to issue shares in the future without the potential expense and delay incident to obtaining stockholder approval for a particular issuance. Except as described below, our Board of Directors and management do not currently have any plans, understandings or agreements for the issuance or use of the additional shares of common stock to be approved under this Proposal 1.

On December 5, 2012, we announced that we intend to offer up to \$150 million aggregate principal amount of convertible senior notes due 2017 (plus up to an additional \$22.5 million aggregate principal amount of such notes that would be subject to an option we expect to grant to the underwriters) in an underwritten public offering pursuant to an effective shelf registration statement on file with the SEC. If certain conditions are met, including our stock price exceeding 130% of the conversion price of the notes during certain specified periods, and during the six months before maturity of the notes regardless of whether such conditions are met, the notes would be convertible into cash or, if our stockholders approve Proposal 1, a combination of cash and shares of our common stock. To help minimize dilution to existing stockholders and/or offset potential cash payments in excess of the principal amount of the notes upon their conversion, we plan to enter into privately negotiated hedge transactions. We also plan to enter into separate privately negotiated warrant transactions that could have a dilutive effect on our common stock to the extent that the market price of our common stock exceeds the warrants' exercise price (which is expected to be significantly higher than the conversion price). However, under certain circumstances, we may elect to settle all of the warrants in cash. The net effect of the hedge and warrant transactions, if they are settled through delivery of our common stock, is generally intended to be an increase in our stock price beyond which our common stock would be diluted.

Subject to market conditions and other factors, we expect to issue the convertible notes and warrants on or about December 12, 2012. If Proposal 1 is approved, a portion of the newly authorized shares of common stock will be reserved for issuance in connection with possible future conversions of the convertible notes and possible future exercises of the warrants. The number of shares to be reserved for this purpose will depend on the aggregate principal amount of convertible notes we issue, the terms of the convertible notes and the warrants and other factors, and cannot be determined with certainty at this time. If we issue \$172.5 million aggregate principal amount of convertible notes (including the additional \$22.5 million aggregate principal amount of convertible notes subject to the option we expect to grant to the underwriters), then, based on the anticipated terms of the convertible notes and warrants, we estimate that approximately 14,000,000 of the newly authorized shares of common stock will be reserved for this purpose (in addition to the 6,000,000 shares previously reserved).

The public offering of our convertible notes and the convertible bond hedge and warrant transactions described above are not conditioned on stockholder approval of the amendment to our Amended and Restated Certificate of Incorporation to increase in the number of shares of common stock we are authorized to issue. However, if such amendment is not approved by our stockholders, we will be required to settle the convertible notes and convertible bond hedge in cash. An obligation to settle the convertible notes and convertible bond hedge in cash would cause us to be subject to certain mark-to-market accounting requirements which could result in unpredictable future charges to our earnings, could adversely affect our liquidity, and would increase the risk that we may not have sufficient cash available when we are required to settle the notes.

Principal Effects on Outstanding Common Stock

Holders of common stock are entitled to one vote per share on all matters submitted to a vote of our stockholders, and they are entitled to receive, proportionally, dividends when and if declared by the Board of Directors out of legally available funds, subject to any preferential dividend rights of any of our preferred stock that may be outstanding in the future. In the event of our liquidation or dissolution, the holders of our common stock will be entitled to share in our assets available for distribution to stockholders in proportion to the amount of common stock they own. The amount available for common stockholders will be calculated after payment of liabilities and will be subject to any preferential rights of any then outstanding preferred stock. Holders of our common stock have no right to convert the stock into any other security, or have the stock redeemed. Holders of our common stock do not have any preemptive rights to subscribe for the purchase of any shares of our common stock, which means that current holders of our common stock do not have a prior right to purchase any new issue of our common stock in order to maintain their proportionate ownership. Our common stock does not have cumulative voting rights and holders of shares of our common stock are not required to make additional capital contributions to us.

Any newly authorized shares of our common stock will be identical to the shares of our common stock now authorized and outstanding. The proposed amendment to our Amended and Restated Certificate of Incorporation to increase the number of shares of common stock that we are authorized to issue would not affect the rights of existing holders of our common stock except to the extent that future issuances of our common stock will reduce each existing shareholder's proportionate ownership and hence, share of dividends, voting power and proceeds in the event of our liquidation, if any.

The issuance of additional shares of our common stock could have the effect of making it more difficult for a third party to acquire, or discouraging a third party from attempting to acquire, control of us. We are not aware of any attempts on the part of a third party to effect a takeover of us, and the amendment has been proposed for the reasons stated above and not with the intention that any increase in the authorized shares of our common stock be used as a type of anti-takeover device.

The text of the proposed Certificate of Amendment to our Amended and Restated Certificate of Incorporation is set forth in Appendix A attached to this proxy statement. If the proposal is adopted, it will become effective upon filing of the Certificate of Amendment with the Delaware Secretary of State. In accordance with Delaware corporate law, notwithstanding shareholder approval of the amendment, at any time

prior to the effectiveness of the filing of the amendment with the Delaware Secretary of State, our Board of Directors may abandon the amendment without further action by the stockholders of the Company.

Vote Required and Recommendation of our Board of Directors

Approval of Proposal 1 requires the affirmative vote of vote of the holders of shares representing a majority of all of the shares of our capital stock outstanding as of the record date and entitled to vote on Proposal 1 at the special meeting. Abstentions will have the effect of a vote against Proposal 1.

Our Board of Directors recommends a vote FOR Proposal I.

STOCKHOLDER PROPOSALS FOR 2013 ANNUAL MEETING

Any proposal that a stockholder intends to present at the 2013 annual meeting of stockholders must be submitted to our principal executive offices at 325 Corporate Drive, Portsmouth, New Hampshire 03801, Attention: Corporate Secretary, no later than June 7, 2013 in order to be considered for inclusion in the proxy statement and proxy card relating to the 2013 annual meeting of stockholders. However, if the date of our 2013 annual meeting is prior to October 16, 2013 or after December 15, 2013, the deadline is 10 business days before we begin to print and mail our proxy materials for the 2013 annual meeting.

If a stockholder wishes to present a proposal at the 2013 annual meeting but has not complied with the requirements for inclusion of the proposal in our proxy materials pursuant to Rule 14a-8 under the Exchange Act, the stockholder must also give notice of the proposal to our corporate secretary at our principal executive offices. Our amended and restated bylaws, as amended, require that we be given advance written notice of stockholder nominations regarding election to our Board of Directors and certain other matters which stockholders wish to present for action at an annual meeting of stockholders. We must receive this notice at least 60 days, but not more than 90 days, prior to the date of the 2013 annual meeting, which is expected to be November 14, 2013. Our bylaws also specify requirements relating to the content of the notice which stockholders must provide, including for stockholder nominations for director, in order for such proposals or nominations to be properly presented at a stockholder meeting.

HOUSEHOLDING OF PROXY STATEMENT

Some banks, brokers and other nominee record holders may be participating in the practice of householding proxy statements and annual reports. This means that only one copy of this proxy statement may have been sent to multiple stockholders in your household. We will promptly deliver a separate copy of this proxy statement to you if you call or write us at the following address or phone number: Bottomline Technologies (de), Inc., 325 Corporate Drive, Portsmouth, New Hampshire 03801, Attention: Corporate Secretary, (603) 436-0700. OTHER MATTERS

Pursuant to our amended and restated bylaws, as amended, no business may be brought before the special meeting other than that described above.

We will bear the costs of soliciting proxies. In addition to solicitations by mail, our directors, officers and regular employees may, without additional remuneration, solicit proxies by telephone, telegraph, facsimile and personal interviews. We will also request brokerage houses, custodians, nominees and fiduciaries to forward copies of the proxy material to those persons for whom they hold shares and request instructions for voting the proxies. We will reimburse brokerage houses and other persons for their reasonable expenses in connection with this distribution. In addition, we have retained Georgeson, Inc. to act as a proxy solicitor in conjunction with the special meeting, and have agreed to pay that firm \$8,500, plus reasonable expenses, for proxy solicitation services.

In order to make sure that you are represented at the special meeting, if you are a stockholder of record we urge you to complete, sign and return the enclosed proxy card, in the enclosed postage-prepaid envelope, or vote by phone or internet according to the instructions on the proxy card, as promptly as possible. If the shares you own are held in street name by a bank or broker, please follow the voting instructions provided to you by your bank or broker. If you are a stockholder of record and attend the meeting in person, you may vote your stock

personally even if you have sent in your proxy card or voted by phone or internet. If you hold your shares in street name and wish to vote in person at the special meeting, please contact your bank or broker for instructions.
