Item 2.03 Creation of a Direct Financial Obligation or an Obligation Under an Off-Balance Sheet Arrangement of a Registrant.

On December 11, 2012, Rowan Companies, Inc. (Rowan Delaware) and its parent company, Rowan Companies plc (Rowan UK) and together with Rowan Delaware, the Obligors), completed an underwritten public offering of \$600.0 million aggregate principal amount of Rowan Delaware's senior notes, consisting of \$200.0 million aggregate principal amount of its 4.875% Senior Notes due 2022 (the 2022 Notes) and \$400.0 million aggregate principal amount of its 5.4% Senior Notes due 2042 (the 2042 Notes) and together with the 2022 Notes, the Notes) along with the related guarantees of the Notes on a full and unconditional basis by Rowan UK (the Guarantees) and together with the Notes, the Securities). The 2022 Notes are additional notes of an existing series of debt securities under an indenture dated as of July 21, 2009 (the Base Indenture) between Rowan Delaware and U.S. Bank National Association, as trustee (the Trustee), as amended and supplemented by the fourth supplemental indenture thereto dated as of May 21, 2012 (the Fourth Supplemental Indenture) by and among the Obligors and the Trustee. The 2042 Notes constitute a new series of debt securities under the Base Indenture, as amended and supplemented by the fifth supplemental indenture thereto dated as of December 11, 2012 (the Fifth Supplemental Indenture) by and among the Obligors and the Trustee. The Base Indenture, as supplemented by the Fourth Supplemental Indenture is referred to herein as the 2022 Notes Indenture and the Base Indenture, as supplemented by the Fifth Supplemental Indenture is referred to herein as the 2042 Notes Indenture. The 2022 Notes Indenture and the 2042 Notes Indenture are referred to herein collectively as the Indentures and set forth the specific terms applicable to the Securities. The description of the Indentures contained in this Current Report on Form 8-K does not purport to be complete and is qualified in its entirety by reference to the full text of the Base Indenture, a copy of which was filed as Exhibit 4.4 of the Registration Statement on Form S-3 filed on May 16, 2012 and is incorporated by reference herein, the Fourth Supplemental Indenture, a copy of which was filed as Exhibit 4.2 of the Current Report on Form 8-K filed on May, 21, 2012 and is incorporated by reference herein and the Fifth Supplemental Indenture, a copy of which is filed herewith as Exhibit 4.3 and is incorporated by reference herein.

Interest on the 2022 Notes and the 2042 Notes is payable semi-annually on June 1 and December 1 of each year, commencing on June 1, 2013. The 2022 Notes will mature on June 1, 2022 and the 2042 Notes will mature on December 1, 2042.

Net proceeds from the offering of the Securities, after deducting the underwriting discount and estimated offering expenses, are approximately \$610.7 million. Rowan Delaware intends to use such net proceeds for general corporate purposes, including capital expenditures.

At any time and from time to time, Rowan Delaware may redeem any or all of the Notes for a redemption price equal to 100% of the principal amount of the Notes redeemed plus accrued and unpaid interest to, but excluding, the redemption date plus the applicable make-whole premium, if any. There will be no make-whole premium applicable to redemption of the 2022 Notes on and after March 1, 2022, or applicable to redemption of the 2042 Notes on and after June 1, 2042.

The Notes are Rowan Delaware's senior unsecured obligations and rank senior in right of payment to all of the subordinated indebtedness of Rowan Delaware and *pari passu* in right of payment with any of Rowan Delaware's existing and future senior indebtedness, including Rowan Delaware's 5% Senior Notes due 2017, 7.875% Senior Notes due 2019, existing 4.875% Senior Notes due 2022 and any indebtedness under Rowan Delaware's senior revolving credit facility. The Notes rank effectively junior to Rowan Delaware's secured indebtedness, if any (including any letter of credit reimbursement obligations under our credit facility that are secured by cash deposits), to the extent of the value of its assets constituting collateral securing that indebtedness and effectively junior to all indebtedness and other liabilities, including trade payables, of Rowan Delaware's subsidiaries (other than indebtedness and liabilities owed to Rowan Delaware). The Notes are fully and unconditionally guaranteed on a senior unsecured basis by Rowan UK.

The following are events of default with respect to each series of the Notes:

- (1) default in the payment of any interest upon the Notes of such series when due and payable that continues for 30 days;
- (2) default in the payment of principal of, or premium, if any, on the Notes of such series when due at its maturity, declaration of acceleration, call for redemption or otherwise;
- (3) default in the performance, or breach, of any covenant set forth in Article Ten of the Indentures (other than a covenant for which default or breach is specifically addressed within these events of default) that continues for 60 days after there has been given written notice from the trustee or holders of at least 25% in principal amount of the Notes of such series outstanding specifying such default or breach and requiring it to

be remedied and stating that such notice is a Notice of Default under the respective Indenture;

(4) default in the performance, or breach, of any covenant of the Indentures (other than a covenant in Article Ten of the Indentures and any other covenant for which default or breach is specifically addressed within these events of default) that continues for 120 days after there has been given written notice from the trustee or holders of at least 25% in principal amount of the Notes of such series outstanding specifying such default or breach and requiring it to be remedied and stating that such notice is a Notice of Default under the respective Indenture;

(5) certain events of bankruptcy, insolvency or reorganization with respect to Rowan Delaware;

(6) default in the deposit of any sinking fund payment when due; or

(7) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any current or future debt of Rowan Delaware or any of its Significant Subsidiaries (as such term is defined in Article I, Rule 1-02(w) of Regulation S-X, promulgated pursuant to the Securities Act of 1933, as amended), or the payment of which is guaranteed by Rowan Delaware or any of its Significant Subsidiaries, if such default (a) is caused by a failure to pay principal of or premium, if any, or interest on such debt prior to the expiration of the grace period for such debt on the date of such default, or payment default, or (b) results in the acceleration of such debt prior to its express maturity and in each case described in (a) or (b), the principal amount of such debt, together with the principal amount of any other such debt under which that has been a payment default or the maturity of which has been so accelerated, aggregates at least \$35.0 million.

If an event of default with respect to the Notes of either series occurs and is continuing, the trustee or the holders of not less than 25% in principal amount of the outstanding Notes of such series may declare the principal amount of the Notes of such series to be due and payable. Upon such a declaration, such principal amount will become due and payable immediately. If an event of default relating to certain events of bankruptcy, insolvency or reorganization with respect to Rowan Delaware occurs and is continuing, the principal amount of the Notes outstanding will become immediately due and payable without any declaration or other act on the part of the trustee or any holders of the Notes. However the effect of such provision may be limited by applicable law. Under certain circumstances, the holders of a majority in principal amount of the outstanding Notes of each series may rescind any such acceleration with respect to the Notes of such series, and its consequences.
