Item 8.01. Other Events.

On October 1, 2012, Genesee & Wyoming Inc. (G&W) acquired RailAmerica, Inc. (RailAmerica). Immediately following the acquisition, G&W placed the shares of RailAmerica into an independent voting trust pending regulatory approval of the transaction by the U.S. Surface Transportation Board (STB). G&W accounted for the earnings of RailAmerica using the equity method of accounting while the shares were held in trust. The STB approved the transaction and permitted G&W to take control of RailAmerica effective as of December 28, 2012. G&W partially financed the acquisition through the issuance of mandatorily convertible preferred stock (the Series A-1 Preferred Stock), which Series A-1 Preferred Stock was convertible into shares of G&W s Class A Common Stock in certain circumstances. In connection with the conversion of all of the outstanding Series A-1 Preferred Stock into shares of G&W s Class A Common Stock on February 13, 2013 and G&W s obligation, pursuant to a related registration rights agreement, to register the resale of such shares of Class A Common Stock, the following financial information is included as Exhibits 99.1 and 99.2 hereto and is incorporated herein by reference:

unaudited consolidated financial statements of RailAmerica for the nine months ended September 30, 2012 and 2011; and

unaudited pro forma condensed combined statement of operations for the year ended December 31, 2012.

The pro forma financial information described above gives effect to certain pro forma events related to the acquisition of RailAmerica and has been presented for informational purposes only. It does not purport to project the future financial position or operating results of the combined company. In addition, Exhibit 99.2 hereto includes additional pro forma information for freight revenues and carloads for G&W and RailAmerica on a combined basis. The pro forma freight revenues and carloads information has been reclassified to reflect G&W s commodity classifications effective January 1, 2013.

In connection with the registration of the resale of the shares of Class A Common Stock issued upon conversion of the Series A-1 Preferred Stock, the opinion of Simpson Thacher & Bartlett LLP, and related consent, are filed as Exhibits 5 and 23 hereto and are incorporated herein by reference and into G&W s Registration Statement on Form S-3 (File No. 333-183862).

Cautionary Statement Regarding Forward-Looking Statements

This filing contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, regarding future events and future performance of G&W. Words such as anticipates, intends, plans, believes, seeks, expects, estimates, trends, outlook, variations of these words and similar expressions are intended to identify these forward-looking statements. These statements are not guarantees of future performance and are subject to certain risks, uncertainties and assumptions that are difficult to forecast. Actual results may differ materially from those expressed or forecasted in these forward-looking statements. The areas in which there is risk and uncertainty are further described in documents that G&W files from time to time with the Securities and Exchange Commission, which contain additional important factors that could cause actual results to differ from current expectations and from the forward-looking statements contained herein. Readers of this document are cautioned that the forward-looking statements are not guarantees of future performance and G&W s actual results or developments may differ materially from the expectations expressed in the forward-looking statements.
