**Section 2 Financial Information**

**Item 2.02 Results of Operations and Financial Condition.**

Fox Factory Holding Corp. ( Fox ), a subsidiary of Compass Group Diversified Holdings LLC and Compass Diversified Holdings (NYSE: CODI), today filed with the Securities and Exchange Commission Amendment No. 2 to its registration statement on Form S-1 (the Amendment ). The Amendment contains a section entitled Prospectus Summary Recent Developments (the Recent Developments Section ), which discloses selected preliminary, unaudited consolidated financial data of Fox as of June 30, 2013 and for the three months ended June 30, 2013.

As such financial data include a financial measure that is not calculated in accordance with generally accepted accounting principles in the United States ( GAAP ), the Recent Developments Section cross-references another section entitled Summary consolidated financial data Non-GAAP financial measures (the Cross-Referenced Section ) for a definition of, and reasons to include, such non-GAAP measure.

From time to time we may publicly disclose certain non-GAAP financial measures in the course of our investor presentations, earnings releases, earnings conference calls or other venues. A non-GAAP financial measure is a numerical measure of historical or future performance, financial position or cash flow that excludes amounts, or is subject to adjustments that effectively exclude amounts, included in the most directly comparable measure calculated and presented in accordance with GAAP in our financial statements, and vice versa for measures that include amounts, or are subject to adjustments that effectively include amounts, that are excluded from the most directly comparable measure as calculated and presented.

Non-GAAP financial measures are provided as additional information to investors in order to provide them with an alternative method for assessing our financial condition and operating results. These measures are not meant to be a substitute for GAAP, and may be different from or otherwise inconsistent with non-GAAP financial measures used by other companies.

A copy of the Recent Developments Section is furnished with this report as Exhibit 99.1. The relevant portion of the Cross-Referenced Section is also furnished with this report as Exhibit 99.2.
