During the quarter, the Company booked \$2.8 billion in new contract wins, extensions and renewals for a book to bill of 107%, bringing the last twelve months total bookings to \$9.3 billion, or 101% of revenue. At the end of June 2013, the Company's backlog of signed orders stood at \$18.7 billion, up \$5.1 billion compared with the same period last year and up \$728 million sequentially.

As we approach the first anniversary of our Logica merger, I am very pleased with the continued strengthening of our business performance and the ongoing progress we are making with respect to implementing our integration plan. We delivered significant margin expansion, accelerating our EPS accretion before acquisition-related and integration costs, above our original 25-30% commitment, said Michael E. Roach, President and Chief Executive Officer. Bookings in the quarter were solid, reflecting our focus on business development through increasing client awareness of our expanded and enhanced value-proposition.

During the quarter, net debt was reduced by \$41.3 million to \$2.87 billion, representing a net debt to capitalization of 41.1% at the end of June 2013. At the end of Q3-2013, the Company had approximately \$1.2 billion in available cash and unused credit facilities.
