Item 1.01 Entry into a Material Definitive Agreement.

Merger Agreement

On January 28, 2014, Fluidigm Corporation, a Delaware corporation (Fluidigm), entered into an Agreement and Plan of Merger (the Merger Agreement) by and among Fluidigm, DVS Sciences, Inc., a Delaware corporation (DVS US), Dawid Merger Sub, Inc., a Delaware corporation and a wholly-owned subsidiary of Fluidigm (Merger Sub), and Shareholder Representative Services LLC, a Colorado limited liability company, as stockholder representative. Under the Merger Agreement, on the terms and subject to the satisfaction of the conditions set forth therein, Merger Sub will be merged with and into DVS US (the Merger). DVS US will survive the Merger and become a wholly-owned subsidiary of Fluidigm. DVS Sciences Inc., a Canadian corporation and wholly-owned subsidiary of DVS US, is not a party to the Merger and will continue as a wholly-owned subsidiary of DVS US.

Under the terms of the Merger Agreement, upon consummation of the Merger, all outstanding shares of capital stock of DVS US will be cancelled and converted into the right to receive merger consideration with a value equal to approximately \$207.5 million in the aggregate, subject to certain adjustments specified in the Merger Agreement (the Merger Consideration). Subject to certain adjustments specified in the Merger Agreement, approximately \$125.0 million of the Merger Consideration payable to DVS US stockholders will be payable in cash. Approximately \$82.5 million of the Merger Consideration will be comprised of a number of shares of Fluidigm s authorized common stock (Fluidigm Common Stock) determined based on the volume weighted average closing price of Fluidigm Common Stock during the five trading days ending on the third trading day before the closing of the Merger, *provided that* the applicable number of shares will be determined within a collar of 10% above or 10% below the volume weighted average closing price of Fluidigm Common Stock during the five trading days ending on the trading day immediately prior to the signing of the Merger Agreement.

Under the terms of the Merger Agreement, Fluidigm will assume all stock options, both vested and unvested, and all unvested shares of restricted stock of DVS US that are outstanding immediately prior to the effective time of the Merger, other than stock options and shares of unvested restricted stock that are held by non-continuing employees and other service providers of DVS US and its subsidiary. Such assumed options and unvested restricted stock of DVS US will be exercisable for, or be converted into, shares of Fluidigm Common Stock, as the case may be, pursuant to an exchange ratio specified in the Merger Agreement.

The Merger Agreement contains customary representations, warranties and covenants of DVS US. The Merger Agreement also provides that the stockholders of DVS US will indemnify Fluidigm and its affiliated parties for certain matters as specified in the Merger Agreement. Approximately 50% of the aggregate number of shares of Fluidigm Common Stock issuable in connection with the Merger will be placed into an escrow to secure the indemnification obligations of DVS US s stockholders. Of the aggregate number of shares placed into escrow, approximately one-half will secure indemnification obligations for losses arising out of inaccuracies in, or breaches of, representations, warranties and covenants of DVS US under the Merger Agreement as well as pre-closing taxes of DVS US and its subsidiaries, appraisal claims of DVS US stockholders, and certain other matters, and approximately one-half will secure indemnification obligations for losses arising out of specific indemnities under the Merger Agreement. One-half of the total escrowed shares, apportioned equally between the separate escrowed amounts, will be released 13 months from the closing of the Merger (less any amounts to satisfy pending claims), and the remaining escrowed shares of Fluidigm Common Stock will be released 18 months from the closing of the Merger (less any amounts to satisfy pending claims).

The Merger Agreement contains customary closing conditions, including the requisite consent to the adoption of the Merger by DVS US s stockholders, which has already been obtained, and the consummation of an underwritten public offering of Fluidigm s convertible senior notes due 2034.

about Fluidigm or DVS US. In particular, the assertions embodied in the representations and warranties contained in the Merger Agreement are qualified by information in confidential disclosure schedules provided by DVS US to Fluidigm, and by Fluidigm to DVS US, in connection with the signing of the Merger Agreement. These confidential disclosure schedules contain information that modifies, qualifies and creates exceptions to the representations and warranties set forth in the Merger Agreement. Moreover, certain representations and warranties in the Merger Agreement were used for the purpose of allocating risk between Fluidigm and DVS US rather than establishing matters as facts. Accordingly, you should not rely on the representations and warranties in the merger agreement as characterizations of the actual state of facts about DVS US or Fluidigm. The Merger Agreement is filed herewith as Exhibit 2.1 to this report and is incorporated by reference herein.

On January 29, 2014, Fluidigm and DVS US issued a joint press release announcing that the parties had entered into a Merger Agreement. A copy of the press release is attached hereto as Exhibit 99.1 to this report.

Business Financing Modification Agreement

On January 29, 2014, Fluidigm entered into a Business Financing Modification Agreement (the Modification Agreement) with Bridge Bank, National Association (Bridge Bank), effective as of January 29, 2014. The Modification Agreement amends the Business Financing Agreement between Fluidigm and Bridge Bank, dated December 16, 2010, as amended (together with the Modification Agreement, the Business Financing Agreement).

The Modification Agreement, among other things, (i) permits Fluidigm to issue convertible senior notes in a principal amount of up to \$220 million, and (ii) provides Bridge Bank s consent to Fluidigm s acquisition of DVS US. Except to the extent specifically amended pursuant to the Modification Agreement, the Business Financing Agreement remains in full force and effect.

The foregoing description of the Modification Agreement is qualified in its entirety by reference to the full text of the Modification Agreement, which is filed herewith as Exhibit 10.1 and incorporated by reference herein.

Item 3.02. Unregistered Sales of Equity Securities.

The information contained in Item 1.01 is hereby incorporated into this Item 3.02. In accordance with the Merger Agreement, a portion of the consideration to be delivered to the former stockholders of DVS US consists of shares of Fluidigm Common Stock. These shares of Fluidigm Common Stock will be issued pursuant to exemptions from registration provided by Section 4(a)(2) and/or Regulation S of the Securities Act of 1933, as amended.

Item 8.01 Other Events.

On January 29, 2014, Fluidigm issued a press release announcing an offering of convertible senior notes due 2034 in an underwritten public offering. A copy of the press release is attached as Exhibit 99.2 to this report and is incorporated by reference herein.
