**Item 1.01. Entry into a Material Definitive Agreement.**

**Extension of the Agreement for the Restructuring of the YRC Worldwide Inc. Operating Companies**

On February 7, 2014, YRC Inc. (d/b/a YRC Freight), USF Holland Inc. (Holland), New Penn Motor Express, Inc. (New Penn), USF Reddaway Inc. (Reddaway), collectively with YRC Freight, Holland and New Penn, the Employer, and each a wholly owned operating subsidiary of YRC Worldwide Inc. (the Company) and the Teamsters National Freight Industry Negotiating Committee (TNFINC) of the International Brotherhood of Teamsters (the Teamsters or the Union) entered into the Extension of the Agreement for the Restructuring of the YRC Worldwide Inc. Operating Companies (the Agreement). The Agreement went into effect on February 9, 2014. Holland, New Penn and Reddaway are referred to herein as the Regional Carriers. The Company had previously announced that its Teamster employee membership had voted to ratify the Agreement and TNFINC had certified the voting results ratifying the Agreement on January 27, 2014 and January 28, 2014, respectively.

The Agreement extends the term of the Teamsters collective bargaining agreements and prior Memorandum of Understandings by approximately five years, to March 31, 2019. The Agreement also provides that the Employer will pay eligible employees \$750 lump sum bonuses in 2014 and 2015, in lieu of hourly wage increases, and provides that in 2016, 2017 and 2018, their wages will be increased annually by \$.40/hr subject to potential reductions. Under the terms of the Agreement, beginning in 2016, the Employer's employees will be eligible for profit sharing bonuses of up to 3% of their W-2 earnings. Such profit sharing bonus calculations and payments will be separate for YRC Freight and the Regional Carriers and be payable based on the respective performance of each (on a combined basis for the Regional Carriers). Pursuant to the Agreement, certain of the Employer's employees hired into clerical and other non-Commercial Driver License positions (except for mechanics) will have a top pay rate of \$18.00/hr.

The Agreement also provides Employer contributions to the applicable health and welfare funds may increase by up to \$.35/hr on January 1, 2015, \$.50/hr on August 1, 2015, and \$1.00/hr on each of August 1 of 2016, 2017 and 2018, respectively, as required to maintain health and welfare benefit levels. Under the Agreement, the Employer's pension fund and 401(k) plan contributions remain at current levels, although that rate may increase beginning in 2016 if the applicable health and welfare fund requires less than a certain threshold amount to maintain health and welfare benefits. Pursuant to the Agreement, in no event will annual health and pension fund contribution rate increases exceed \$1.00/hr combined in 2016, 2017 and 2018. Also, under the terms of the Agreement, vacation earned beginning in 2014 and continuing through 2017 will be paid at a reduced amount. The Agreement further provides for a uniform attendance policy that is designed to reduce employee absenteeism.

The Agreement also provides that YRC Freight will have the ability to use third party carriers to provide service in certain circumstances up to a certain number of miles. Under the terms of the Agreement, the Employer may not purchase any union or non-union regular route common carrier without the prior approval of the Union.

The foregoing description of the Agreement does not purport to be complete, and is qualified in its entirety by reference to the full text of the Agreement, a copy of which is filed as Exhibit 10.1 to this current Report on Form 8-K and is incorporated herein by reference.

**Forward-Looking Statements**

*This Current Report on Form 8-K contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. The words will, would, anticipate, expect, believe, intend and similar expressions are intended to identify forward-looking statements. Forward-looking statements are inherently uncertain and are subject to significant business, economic, competitive, regulatory and other risks, uncertainties and contingencies, known and unknown, many of which are beyond the Company's control. It is important to note that the overall results of the Company's refinancing strategy will be determined by a number of factors, including (among others) those risk factors that are*

*from time to time included in the Company's reports filed with the SEC, including the Company's reports on Forms 10-K and 10-Q.*

**Item 9.01. Financial Statements and Exhibits.**
