Director Independence; Leadership Structure

Our Board currently consists of one member, Terry McEwen. Mr. McEwen also serves as our sole executive officer. Mr. McEwen is not independent, as that term is defined in Section 5605 of the NASDAQ Marketplace Rules. We believe that upon Mr. McEwen's resignation as sole executive officer, he will be independent, as that term is defined in Section 5605 of the NASDAQ Marketplace Rules. We further believe that upon their appointment, David Kaufman, Anubhav Saxena and Adam Hartung will be independent, and Tejune Kang will not be independent, as that term is defined in Section 5605 of the NASDAQ Marketplace Rules.

We do not separate the roles of Chief Executive Officer and Chairman of the Board because Mr. McEwen is our sole director and executive officer.

Committees of the Board

We only have one member of our Board and do not have a separately designated audit, compensation or nominating committee of our Board. The functions customarily delegated to these committees are performed by our full Board. We are a listed company under SEC rules and for purposes of the NASDAQ listed company standards currently in effect and are therefore required to have separate committees comprised of independent directors. As such, we are not currently in compliance with this requirement.

Although the Board does not have an audit committee, for certain purposes of the rules and regulations of the SEC and in accordance with the Sarbanes-Oxley Act of 2002, our Board is deemed to be its audit committee and, as such, functions as an audit committee and performs some of the same functions as an audit committee including:

(i) selection and oversight of our independent accountant; (ii) establishing procedures for the receipt, retention and treatment of complaints regarding accounting, internal controls and auditing matters; and (iii) engaging outside advisors. Our Board has determined that Mr. McEwen is an audit committee financial expert within the meaning of the rules and regulations of the SEC. Our Board has further determined that each of its members is able to read and understand fundamental financial statements and has substantial business experience that results in that member's financial sophistication. Accordingly, our Board believes that each of its members have the sufficient knowledge and experience necessary to fulfill the duties and obligations that an audit committee would have.

We anticipate that the Board will form committees and adopt related committee charters following the Closing, in compliance with NASDAQ listing standards, including an audit committee, corporate governance and nominations committee and compensation committee.

Shareholder Communications

Our Board of Directors does not currently provide a process for shareholders to send communications to our Board of Directors.

Meetings of the Board of Directors; Board Compensation

Our Board did not hold any meetings during 2013, but acted by written consents in lieu of meetings, when necessary, during 2013. We did not hold an annual meeting of security holders during 2013. Mr. McEwen is entitled to receive \$50,000 per annum. No other compensation was paid to our directors for attendance at any meetings during 2013. Directors are reimbursed for out-of-pocket expenses incurred in furtherance of our business.

Prior to the consummation of the Merger, the Company agrees to compensate Mr. McEwen for his services in overseeing the Merger and acting as the Company's interim Chairman & CEO: (1) a monthly management fee of \$15,000, beginning in June when the Company's former Board of Directors voted to have Mr. McEwen serve as the Company's sole director and CEO; (2) on June 30, 2014, Mr. McEwen shall be paid a fee of \$12,500 for his service as a board member during the second quarter of 2014; (3) a management fee of \$15,000 for the month of July shall be paid on July 1, 2014; (4) if the merger is consummated on or before July 31, 2014, Mr. McEwen shall receive a one-time bonus of \$15,000, in addition to his monthly fee for July; (5) if the Merger is consummated in August 2014, Mr. McEwen is due the monthly fee payment for the month of August; (6) if the Merger is consummated on or before August 15, 2014, Mr. McEwen shall receive a one-time bonus of \$15,000.

We expect to establish a director compensation program comparable to that of companies of similar size and complexity. It is expected that a committee of our board of directors will recommend director compensation levels to the full board of directors, which will set the compensation based on those recommendations. We expect that a committee of our board of directors will review and report to the board of directors on the director compensation program on a regular basis and that the committee will likely retain an outside advisor to assist in its review and report on the program.

Section 16 Compliance

Section 16(a) of the Exchange Act requires that our executive officers and directors, and persons who own more than ten percent (10%) of a registered class of our equity securities, file reports of ownership and changes in ownership with the SEC.
