**Item 7.01 Regulation FD.**

On May 11, 2011, we filed an action (the Blackshere Litigation ) in the U.S. District Court for the Northern District of West Virginia against EQT Corporation. The defendant filed with the Court an answer and counterclaim wherein it claimed to hold title to the natural gas within and underlying the Blackshere Lease. On November 26, 2012, the Court granted our motion for summary judgment and denied the defendant's motions for declaratory judgment and summary judgment. On February 25, 2014, the United States Court of Appeals for the Fourth Circuit in Richmond Virginia affirmed the summary judgment. The time period for EQT Corporation to appeal this decision has passed, so this judgment has become final and the Company has secured quiet title to the Blackshere Lease

On June 12, 2013, EQT Production Company filed a quiet title action against us in the Circuit Court of Wetzel County, West Virginia. The action relates to a 1,314 acre lease in Wetzel County, West Virginia known as the Robinson lease. On February 28, 2014, the presiding Judge issued an order granting a motion to stay this case pending appeal of the Blackshere Litigation.

On July 18, 2013, we filed a quiet title action in the U.S. District Court for the Northern District of West Virginia against EQT Production Company regarding the same Robinson lease described above. Since the Robinson and the Blackshere leases were acquired in the same assignment and have the same leasehold chain, we believe that we will be granted a judgement granting us quiet title to the Robinson lease.
