PROXY STATEMENT

For the Annual Meeting of Shareholders to be held on October 22, 2014

SOLICITATION

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of SPARTON CORPORATION, an Ohio corporation (the Company), of proxies for use at the 2014 Annual Meeting of Shareholders of the Company (the Annual Meeting) to be held at 425 North Martingale Road, Schaumburg, Illinois 60173-2213, at the 425 Executive Conference Center on Wednesday, October 22, 2014, at 10:00 a.m., Local Time, and at any and all adjournments thereof. The cost of solicitation will be paid by the Company. The Company has not retained a proxy solicitor to assist with the solicitation of proxies but retains the right to do so. Officers and employees of the Company and its subsidiaries may solicit proxies personally, by telephone, facsimile or other means, without additional compensation. This Proxy Statement and the form of proxy card are expected to be mailed to shareholders on or about September 25, 2014.

At the meeting, the Company's shareholders will act upon five proposals. The first proposal is the election of six directors, each to serve for a one-year term until the annual meeting held in the year 2015 and the election and qualification of their successors. The second proposal is the ratification of the appointment of independent registered public accountants by an advisory vote. The third proposal is the approval of the compensation of the Named Executive Officers (defined below) by an advisory vote. The fourth proposal is the approval of an amendment to the Company's Amended and Restated Code of Regulations, as amended to date (Code of Regulations) to provide that the state and federal courts located within the State of Ohio will be the exclusive jurisdiction for certain legal actions. The fifth proposal is the re-approval of the material terms of the performance goals specified in the Sparton Corporation 2010 Long-Term Stock Incentive Plan. The proposals are described in more detail in this Proxy Statement.

OUTSTANDING STOCK AND VOTING RIGHTS

In accordance with the Code of Regulations of the Company, the Board of Directors has fixed the close of business on September 12, 2014 as the record date for determination of shareholders entitled to notice of, and to vote at, the Annual Meeting. Only shareholders of record on that date will be entitled to vote. As of the record date for the Annual Meeting, the Company had outstanding 10,129,031 shares of common stock, each entitled to vote at the Annual Meeting. Votes cast at the meeting and votes submitted by proxy are counted by the inspectors of the election, who are appointed by the Company.

Voting by Proxy

If a shareholder is a corporation or partnership, the accompanying proxy card should be signed in the full corporate or partnership name by a duly authorized person. If the proxy card is signed pursuant to a power of attorney or by an executor, administrator, trustee or guardian, the signer's full title should be given and a certificate or other evidence of appointment should be furnished.

You can vote in one of three ways. You can vote by mail, you can authorize the voting of your shares over the Internet or you can vote in person at the Annual Meeting. Your proxy may be solicited up to the date and time of the meeting.

Table of Contents

Voting by Mail

If you choose to vote by mail, you may vote by completing and signing the proxy card that accompanies this Proxy Statement and promptly mailing it in the enclosed postage-prepaid envelope. You do not need to put a stamp on the enclosed envelope if you mail it in the United States. The shares you own will be voted according to the instructions on the proxy card you mail. If you return the proxy card, but do not give any instructions on a particular matter described in this Proxy Statement, the shares you own will be voted in accordance with the recommendations of the Company's Board of Directors. If you choose to vote by mail, your duly signed proxy card must be received by 11:59 p.m., Central Standard Time, on October 21, 2014.

Voting by Internet

If you choose to vote over the Internet, instructions for a shareholder of record to vote by the Internet are set forth on the enclosed proxy card. The Internet voting procedures are designed to authenticate votes cast by use of a personal identification number that appears on the proxy card. These procedures allow shareholders to appoint a proxy to vote their shares and to confirm that their instructions have been properly recorded. If you vote over the Internet, you do not have to mail in your proxy card, but your vote must be received by 11:59 p.m. Central Standard Time on October 21, 2014.

Voting 401(k) Plan Shares

If you participate in the Company's 401(k) retirement savings plan (the "401(k) Plan") and hold shares in your plan account, you may give voting instructions as to the number of shares credited to your account as of the record date. You may provide voting instructions (or a change or revocation in voting instructions) to the plan trustee, SunTrust Banks, Inc. ("SunTrust"), through any of the voting methods described above, except that you may not vote your plan shares in person at the Annual Meeting. Only the trustee of the 401(k) Plan, SunTrust, may vote your plan shares. Your voting instructions (or change or revocation in voting instructions) must be received before 11:59 p.m. Central Standard Time on October 21, 2014.

Shares Held in Street Name

If you are not the record holder of the shares you own because they are held in "street name" by a bank or brokerage firm, your bank or brokerage firm is required to vote your shares according to your instructions. In order to vote your shares, you will need to follow the directions your bank or brokerage firm provides you. Many banks and brokerage firms also offer the option of voting over the Internet or by telephone, instructions for which would be provided by your bank or brokerage firm on your vote instruction form. Under the rules of The New York Stock Exchange ("NYSE"), if you do not give instructions to your brokerage firm, it may still be able to vote your shares with respect to certain "discretionary" items that are deemed by the NYSE to be routine (e.g., the ratification of the appointment of independent registered public accountants), but it will not be allowed to vote your shares with respect to certain "non-discretionary" items. If you do not provide voting instructions to your broker with respect to non-discretionary items such as election of directors, amendment to the Company's Code of Regulations, re-approval of the material terms of the performance goals under the 2010 LTIP (defined below), and the advisory vote on the compensation of Named Executive Officers, your shares will not be voted for any such proposal. In such case, the shares will be treated as "broker non-votes."

Revocation and How Shares are Voted if No Instructions are Provided

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before it is voted. Proxies may be revoked by (i) filing a written notice of revocation with the Chairman or Secretary of the Company, at or before the Annual Meeting, (ii) duly executing a subsequent proxy relating to the same shares and delivering it to the Chairman or Secretary of the Company either signed and returned by mail or transmitted using the Internet procedures at or before the Annual Meeting subject to deadlines set forth above or

Table of Contents

(iii) attending the Annual Meeting and voting in person with adequate notification (although attendance at the Annual Meeting will not in and of itself constitute a revocation of a proxy). Unless revoked, the shares represented by the enclosed proxy will be voted at the meeting in accordance with any specification made thereon, if the proxy is returned properly executed and delivered in time for voting in accordance with the deadlines set forth above.

Unless otherwise specified, the proxy will be voted FOR the election of the six director nominees, FOR the ratification of the appointment of independent registered public accountants, FOR approval of the compensation of the Named Executive Officers and FOR approval of the amendment to the Company's Code of Regulations.

Quorum and Vote Required

At all meetings of shareholders, including the Annual Meeting, the holders of record of a majority of the outstanding voting shares of the Company, present in person or by proxy, constitutes a quorum for the transaction of business.

In accordance with the Company's Second Amended Articles of Incorporation, and with respect to Proposal 1, a director nominee must receive, in an uncontested election of directors, a greater number of votes cast FOR his or her election than AGAINST his or her election. Under our governing documents and Ohio law, an incumbent director who is not re-elected will continue in office as a holdover director until his or her successor is elected by a subsequent shareholder vote, or his or her earlier resignation, removal from office or death. In order to address holdover terms for any incumbent directors who fail to be re-elected under our majority vote standard, our Corporate Governance Guidelines provide that if a director nominee does not receive a majority affirmative vote, he or she will promptly offer his or her resignation as a director to the Board of Directors. Within ninety (90) days, the Board of Directors will decide, after taking into account the recommendation of the Nominating and Corporate Governance Committee (in each case excluding the nominee(s) in question), whether to accept the resignation. The Nominating and Corporate Governance Committee and the Board of Directors may consider any relevant factors in deciding whether to accept a director's resignation. The Board of Directors explanation of its decision shall be promptly disclosed in a filing with the Securities and Exchange Commission (SEC).

With respect to Proposal 2, the ratification of the appointment of the independent registered public accountant requires the affirmative vote of a majority of the shares entitled to vote thereon and present in person or represented by proxy at the Annual Meeting.

With respect to Proposal 3, the approval of the compensation of the Named Executive Officers requires the affirmative vote of a majority of the shares entitled to vote thereon and present in person or represented by proxy at the Annual Meeting.

With respect to Proposal 4, the approval of the amendment to the Company's Code of Regulations requires the affirmative vote of a majority of the shares entitled to vote thereon and present in person or represented by proxy at the Annual Meeting.

With respect to Proposal 5, the re-approval of the material terms of the performance goals specified in the 2010 LTIP requires the affirmative vote of a majority of the shares entitled to vote thereon and present in person or represented by proxy at the Annual Meeting.

Broker non-votes and abstentions are not counted for purposes of any of the proposals, other than Proposals 4 and 5, for which abstentions are counted and have the effect of a negative vote against the Proposal. Proposals 2 and 3 are advisory in nature and not binding, although the Board will carefully consider the shareholder votes.

Other Matters

Management does not intend to present, and does not know of anyone who intends to present, any matters at the meeting to be acted upon by the shareholders not referred to in the Notice and this Proxy Statement. If any other matters should properly come before the meeting, it is the intention of the persons named in the proxy to vote in accordance with their judgment on such matters.

CORPORATE GOVERNANCE AND BOARD MATTERS

Director Independence

Independence criteria and determination

The listing requirements under Section 303A.01 of the NYSE Listed Company Manual (the Manual) provide that a majority of the members of a listed company's board of directors must be independent. The question of independence is determined with respect to every director pursuant to standards set forth in the Manual. The Manual also requires that certain committees be composed entirely of independent directors. The committees covered by this requirement are the Audit, Compensation, and Nominating and Corporate Governance Committees. Based upon the standards set forth in the Manual, as of the date of this Proxy Statement, six of the Board's seven members, being more than a majority of the Board, are independent. All current members of the Audit, Compensation, and Nominating and Corporate Governance Committees are independent in that those directors do not have a material relationship with the Company directly or as a partner, shareholder or affiliate of an entity that has a relationship with the Company.

In making such determinations, the Board considered (i) whether a director had, within the last three years, any of the relationships under Section 303A.02(b) of the Manual with the Company that would disqualify a director from being considered independent, (ii) whether the director had any disclosable transaction or relationship with the Company under Item 404 of Regulation S-K of the Securities Exchange Act of 1934, as amended (Exchange Act), which relates to transactions and relationships between directors and their affiliates, on the one hand, and the Company and its affiliates (including management), on the other, and (iii) the factors suggested in the NYSE's Commentary to Section 303A.02, such as commercial, industrial, banking, consulting, legal, accounting, charitable or familial relationships, among other relationships, or other interactions with management that do not meet the absolute thresholds under Section 303A.02 or Item 404(a) but which, nonetheless, could reflect upon a director's independence from management. In considering the materiality of any transactions or relationships that do not require disqualification under Section 303A.02(b), the Board considered the materiality of the transaction or relationship to the director, the director's business organization and the Company and whether the relationship between (i) the director's business organization and the Company, (ii) the director and the Company and (iii) the director and his or her business organization interfered with the relevant director's business judgment.

Based on the foregoing, the Company has determined that the following directors are independent: James D. Fast, Joseph J. Hartnett, Charles R. Kummeth, David P. Molfenter, Douglas R. Schrank, and James R. Swartwout. Mr. Schrank will not stand for re-election at the Annual Meeting.

Meetings of Independent Directors

The independent directors schedule meetings in executive sessions without the presence of the Company's management. The Chairman presides over the sessions during the year.

The independent directors met 4 times during the last fiscal year.

Shareholder Communication with Independent Directors

Shareholders wishing to communicate directly with the independent directors may send correspondence addressed as follows:

Table of Contents**Board Leadership Structure and Board and Committee Information*****Chairman***

Mr. James R. Swartwout has been elected by the directors as the Chairman. The Chairman provides leadership to enhance the Board's effectiveness, presides over meetings of the directors, and serves as a liaison between the Board and management. The Chairman is responsible for determining when to hold, and who shall preside over, executive sessions held by the independent directors. If a shareholder, employee, or third party prefers not to communicate directly with the entire Board of Directors or management, communications may be sent to the Chairman, in care of the Corporate Secretary, using the above address.

Board and Committee Structure

As of the date of this Proxy Statement, the Company's Board of Directors consists of six independent directors, including the Chairman of the Board, Mr. Swartwout, and one non-independent director, Mr. Cary B. Wood, the President and Chief Executive Officer of the Company. The Board has established three committees, being the Audit, Compensation, and Nominating and Corporate Governance Committees, as further described below. Each of the committees is comprised solely of independent directors, and each committee has a different chair. The Company believes that its predominantly independent Board, mixed with the experience of its non-independent director, constitutes a leadership structure that is most appropriate for the Company and its shareholders.

The Board of Directors had 7 meetings during fiscal year 2014.

Audit Committee

The Audit Committee met 5 times during fiscal year 2014 and is comprised of Messrs. Douglas R. Schrank (Chairman), Joseph J. Hartnett and James R. Swartwout. The Audit Committee operates under a written charter and oversees auditing, financial reporting and internal control matters regarding accounting and financial controls. It also selects the firm that the Company retains as its independent registered public accountants and recommends the ratification of their selection by the shareholders. The Audit Committee consults with the independent registered public accountants and oversees their audit and other work. The Audit Committee also consults with the Chairman of the Board, President and Chief Executive Officer, and Chief Financial Officer and oversees those individuals who review the Company's internal controls and compliance with policies. Each member of the Audit Committee is independent, as defined under the NYSE listing standards.

Each of Mr. Hartnett and Mr. Schrank, in addition to being independent, qualifies as an audit committee financial expert as defined in the SEC Regulation S-K, Item 407(d)(5)(ii). Mr. Hartnett's relevant financial experience includes that he is a licensed Certified Public Accountant in the State of Illinois since 1982, and has advised multiple boards and audit committees with respect to accounting matters. Mr. Hartnett has a B.S. in Accounting from the University of Illinois - Chicago, served with Grant Thornton LLP from 1980 to 2000, and was an audit partner with Grant Thornton LLP from 1992 to 2000. Mr. Hartnett served as the Chief Financial

Officer of U.S. Robotics Corporation, an Internet communications products company. Mr. Schrank's relevant financial experience includes that he was licensed as a Certified Public Accountant in the State of Minnesota in 1973 and prior to retirement served as the Chief Financial Officer of multiple companies, including a multinational publicly traded pharmaceutical company. Further, Mr. Schrank received a Master of Business Administration from the University of Michigan in 1972. For additional detail, see *Director Biographies* below at page 11 describing the members of the Board of Directors and their respective experience, qualifications, attributes and skills.

The independent registered public accountants have access to the Audit Committee without any other members of management being present. The Audit Committee met with management and the independent registered public accountants before the announcement of earnings each quarter. The Audit Committee also met with the independent registered public accountants without management present on 5 occasions during fiscal year 2014. The Audit Committee also reviewed the annual consolidated financial statements and annual report on Form 10-K and the Audit Committee report in this Proxy Statement before each was filed with the SEC.

Compensation Committee

The Compensation Committee held 16 meetings during fiscal year 2014. The Compensation Committee is comprised of Messrs. David P. Molfenter (Chairman), James D. Fast and Charles R. Kummeth, and it monitors the remuneration, including restricted stock and stock options, for the Company's management, including the Named Executive Officers.

The Compensation Committee may delegate its authority to subcommittees consisting of independent directors and may be assisted on compensation matters by members of the Company's staff. The Compensation Committee (the Committee) may, as needed, employ compensation consultants to assist the Committee with the Committee's determination of the amount and/or form of executive compensation. See page 33 below under the heading *Role of the Compensation Consultant* for discussion regarding the Compensation Committee's use of consultants. The compensation philosophy, the compensation components, and their application as described in the Compensation Discussion and Analysis, which appears below, are generally employed by the Compensation Committee in connection with the compensation for all of the executive officers of the Company.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee, which is comprised of Messrs. James D. Fast (Chairman), Charles R. Kummeth and David P. Molfenter, held 6 meetings during fiscal year 2014. The Nominating and Corporate Governance Committee reviews corporate governance documents, and reviews the makeup of the existing Board of Directors and the tenure of its members, consistent with appropriate principles of corporate governance and applicable regulations, and reviews and recommends director remuneration to the full Board of Directors. The Nominating and Corporate Governance Committee also receives candidate resumes, and considers and recommends candidates for election to the Board consistent with the needs of the Company, regulatory requirements, and the qualifications of the candidates. The Nominating and Corporate Governance Committee has implemented a formal process for consideration of candidates, which is described under *Director Qualifications* below.

Board Role in Risk Oversight

The Board is ultimately responsible for oversight of risk management. As part of the risk management process, the Company's management team, through its Risk Management Committee, is responsible for identifying and monitoring potential risks facing the Company. The Risk Management Committee's Chairman will rotate annually and various business departments report potential risks to the Chairman on a periodic basis. The Chairman of the Risk Management Committee reviews such potential risks with the Committee and counsel and reports its determinations to the Board. The Company believes that reviewing risk at the business department level by the Risk Management Committee, as reported to the Board of Directors, provides the Board of Directors with a comprehensive and detailed overview of enterprise risk.

Table of Contents

The Audit Committee is charged with reviewing the adequacy and effectiveness of the accounting and financial controls, including the Company's systems to monitor, assess and manage financial, business, legal and compliance risk.

Further, the Board believes that the roles of Chief Executive Officer and Chairman of the Board of Directors should be separated and therefore two different individuals serve as the Company's Chief Executive Officer and Chairman. Mr. Cary B. Wood serves as the Company's Chief Executive Officer and Mr. James R. Swartwout serves as the Chairman of the Company's Board of Directors.

The Company's risk structure allows the Company's independent directors to exercise effective oversight of the actions of management, led by Mr. Cary B. Wood as Chief Executive Officer and President, in identifying risks and implementing effective risk management policies and controls.

Corporate Governance Guidelines and Charters

The Board of Directors has adopted Corporate Governance Guidelines applicable to the Company. The Nominating and Corporate Governance Committee reviews the Guidelines annually to determine whether to recommend changes to the Board of Directors to reflect new laws, rules and regulations and developing governance practices. The Guidelines address several key areas of corporate governance, including the Company's governance philosophy, director responsibilities, Board composition, Board meetings and committees, director independence, and director compensation. The Guidelines are available on the Company's website, www.sparton.com.

In addition to the Guidelines, the Board adopted charters for the Compensation, Audit and Nominating and Corporate Governance Committees addressing corporate governance issues. These charters address issues such as independence of the committee members, committee organization and powers, member qualifications, duties and responsibilities, and corporate governance.

As of June 30, 2014, all members of the Audit, Compensation, and Nominating and Corporate Governance Committees were independent directors. Copies of the charters for each of these committees are located on the Company's website, www.sparton.com. The Company continues to develop and refine its corporate governance policies and practices and their place within the committee structure of the Board of Directors.

The Board has determined that maintaining an Executive Committee as a standing committee is not necessary, in part due to the smaller size of the Board. The Board will continue to review whether or not it is appropriate to re-establish an Executive Committee in the future.

Code of Business Conduct and Ethics

The Company's Code of Business Conduct and Ethics sets forth the Company's corporate values. The Code of Business Conduct and Ethics governs the actions and working relationships of the Company's employees, officers and directors, and sets forth the standard of conduct of the Company's business at the highest ethical level and in compliance with all applicable laws and regulations.

To the extent any waiver is granted with respect to the Code of Business Conduct and Ethics that requires disclosure under applicable SEC rules, such waiver will also be posted on the Company's website, as will any amendment that may be adopted from time to time.

Additionally, the Company has established the following statement of its Corporate Values :

We demand performance excellence in all that we do.

We demand integrity of ourselves, our products, and our services.

Table of Contents

We foster growth and success in an environment of teamwork, collaboration, empowerment, and accountability.

We develop long term, trusting relationships to ensure mutually profitable growth.

We will maintain a safe and environmentally sound workplace.

We will be good corporate citizens in the communities in which we reside.

Whistleblower Provisions

It is the Company's policy to encourage its employees and other persons to disclose improper activities, and to address complaints alleging acts of reprisal or intimidation resulting from disclosure of improper activities. Individuals wishing to report improper activities may call the Company's Whistleblower service at 1-800-488-1933 (from within the United States) or 1-800-4818 (from Vietnam). Activities may be reported anonymously if desired.

Director Attendance at Meetings

All directors attended at least 75% of the aggregate total number of meetings of the Board and committees on which they serve during fiscal year 2014. In addition, the directors are expected to attend the Annual Meeting. At the Company's 2013 Annual Meeting of the Shareholders, all of the directors serving at that time were in attendance. Pursuant to our Corporate Governance Guidelines our directors are encouraged to attend director education programs on an annual basis.

Director Qualifications

The Nominating and Corporate Governance Committee is responsible for reviewing with the Board of Directors, from time to time, the appropriate qualities, skills and characteristics desired for members of the Board of Directors in the context of the current make-up of the Board. This assessment includes consideration of the following summary of qualifications that the Nominating and Corporate Governance Committee believes must be met by all directors, as well as the following considerations for the composition of the Board of Directors as a whole:

Essential Qualities

Relevant and substantial business experience, with an understanding of what is involved in leading a company

Sound business instincts and judgment, with the ability to make informed and strategic decisions

Professional and personal reputation and integrity consistent with the Company's Code of Business Conduct and Ethics

Commitment and availability to the Company to perform necessary and desired duties, with the ability to accept accountability for their role in decisions of the Board of Directors

Genuine interest in the Company, its business, and its people, with a willingness to remain committed over a period of several years

Board Composition Considerations

Multiple directors with specific experience and knowledge of the risks and challenges unique to the industries in which the Company operates

Visionaries with the ability to lead, manage change, and assist in the continued growth of the Company

The Board considers diversity, including cognitive and experiential diversity, of director nominees to be desirable to achieve balanced deliberation; however the Company does not have a formal written diversity policy. These and other factors are considered by the Board of Directors in selection of director nominees.

Process for Identifying and Evaluating Director Nominees

The Board of Directors is responsible for selecting director candidates. The Board of Directors delegates the identification, recruitment and recommendation of director nominees to the Nominating and Corporate Governance Committee, with the expectation that other members of the Board of Directors and management will be requested to take part in the process as appropriate.

When it is determined by the Board of Directors that a new director or nominee is to be recruited, the Nominating and Corporate Governance Committee undertakes a candidate selection process. The Committee maintains a selection criteria document, which has been approved by the Board of Directors and which the Committee reviews regularly to ensure that it is applicable. The criteria include both general criteria that all candidates must meet and specific criteria regarding skill or background that are desirable to the Board of Directors. The Nominating and Corporate Governance Committee, with the counsel of the full Board of Directors, determines which specific background should be represented in the candidate. The criteria are then given to a professional recruiter who specializes in board placements and a search is commenced. Potential candidates known to existing directors or suggested by shareholders who are believed to meet the criteria may be suggested to the recruiting agency for inclusion in the initial pool of candidates. Once candidates have been identified, the Nominating and Corporate Governance Committee confirms that the candidates meet all of the qualifications for director nominees established by the Nominating and Corporate Governance Committee. Based on the results of an evaluation process, the Nominating and Corporate Governance Committee recommends candidates for the Board's approval as director nominees for election to the Board of Directors. The Nominating and Corporate Governance Committee also recommends candidates for the Board's appointments to the committees of the Board.

Procedure for Recommendation of Director Nominees by Shareholders

The Nominating and Corporate Governance Committee will consider director candidates who are recommended by shareholders of the Company. As required by Article I, Section 10 of the Company's Code of Regulations, to recommend a nominee, a shareholder should write to the Company's Corporate Secretary at 425 N. Martingale Road, Suite 2050, Schaumburg, Illinois 60173-2213. Under the current Code of Regulations, to be considered by the Nominating and Corporate Governance Committee for nomination and inclusion in the Company's Proxy Statement for its Annual Meeting of Shareholders, a shareholder recommendation for a director must be received by the Company's Secretary no later than 120 days nor more than 240 days prior to the one year anniversary of the preceding Annual Meeting.

Any recommendation must include (i) all information relating to such nominee that is required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of directors under Rule 14a-11 of the Exchange Act or in a contested election pursuant to Section 14 of the Exchange Act and the rules and regulations promulgated thereunder (including such person's written consent to

Table of Contents

being named in the proxy statement as a nominee and to serving as a director if elected); (ii) a description of all direct and indirect compensation and other material monetary agreements, arrangements and understandings during the past three years, and any other material relationships, between or among such shareholder and beneficial owner, if any, and their respective affiliates and associates, or others acting in concert therewith, on the one hand, and each proposed nominee, and his or her respective affiliates and associates, or others acting in concert therewith, on the other hand, including without limitation all information that would be required to be disclosed pursuant to Rule 404 promulgated under Regulation S-K; (iii) a representation of the shareholder that he or she intends to appear at the annual meeting to bring such nomination or other business before the annual meeting; and (iv) such other information as may reasonably be required by the Board of Directors as described in the Company's proxy statement for the preceding year's annual meeting. The Company may require any proposed nominee to furnish such other information as may reasonably be required by the Company to determine the eligibility of such proposed nominee to serve as an independent director of the Company or that could be material to a reasonable shareholder's understanding of the independence, or lack thereof, of such nominee.

Further information regarding shareholder recommendation of director candidates is contained in the Nominating and Corporate Governance Committee Charter, which is available at the Company's website at www.sparton.com.

Assuming the appropriate information is provided for candidates submitted by shareholders, the Nominating and Corporate Governance Committee will evaluate those candidates by following the same process, and applying the same criteria, as for candidates submitted by members of the Board of Directors. All director nominees recommended for election at the Annual Meeting are current members of the Board of Directors.

Shareholder Communications Policy

Shareholders should communicate with the Board of Directors by sending a letter to the Sparton Corporation Board of Directors, c/o the Corporate Secretary, 425 N. Martingale Road, Suite 2050, Schaumburg, Illinois 60173-2213. The Corporate Secretary will receive the correspondence and forward it to the director or directors to whom the communication is directed, unless the communication is unduly hostile, threatening, harassing, illegal, not reasonably related to the Company or its business, or similarly inappropriate. The Corporate Secretary has the authority to discard or disregard any inappropriate communications (other than a proposal submitted pursuant to Rule 14a-8 under the Exchange Act, or any communication made in connection with such a proposal) or to take other appropriate actions with respect to any such inappropriate communications. In addition, the Corporate Secretary is authorized to forward communications that are clearly more appropriately addressed by other departments, such as customer service or accounting, to the appropriate department. The foregoing instructions by the directors to the Corporate Secretary are subject to change by the directors. Additionally, all communications are available to any director who wishes to review them.

PROPOSAL 1
ELECTION OF DIRECTORS

Director Nominees

Messrs. James D. Fast, Joseph J. Hartnett, Charles R. Kummeth, David P. Molfenter, James R. Swartwout and Cary B. Wood, current directors whose terms of office expire at the Annual Meeting, are nominees for election to a one year term expiring in 2015 and the election and qualification of their successors. The nominations were made by the Nominating and Corporate Governance Committee and approved by the Board of Directors.

Our Code of Regulations provides that our Board of Directors will consist of not less than six members, but our Board is authorized to fix and change the actual number of our directors from time to time.

We currently have seven members on our Board of Directors. However, given the announcement by Douglas R. Schrank that he does not plan to stand for re-election at the Company's Annual Meeting, there will only be six members serving on our Board. The Board has commenced a search for a suitable replacement director; however, the process is not expected to be completed prior to the Annual Meeting. Accordingly, the Board has fixed the minimum number of members of directors of the Board at six and intends to increase the minimum number to seven once a candidate is selected.

It is believed that all six nominees are, and will be at the time of the Annual Meeting, available for election; and, if elected, will serve. Each of the nominees has consented to being named a nominee in this Proxy Statement and has agreed to serve as a director, if elected at the Annual Meeting. However, in the event one or more of them is or should become unavailable, or should decline to serve, it is intended that the proxies will be voted for the balance of the nominees and for such substitute nominee or nominees as the Board of Directors may in its discretion select.

Vote Required for Approval

Each share of common stock is entitled to one vote for each of the six director positions being filled at the Annual Meeting. In order to elect a nominee as a director of the Company, he or she must receive a greater number of votes cast FOR his or her election than AGAINST his or her election. Shares not voted at the Annual Meeting, whether by abstention, broker non-vote, or otherwise, will have no effect on the election of directors. See Outstanding Stock and Voting Rights Quorum and Vote Required at page 3 for additional information.

Board Recommendations

The Board of Directors recommends a vote FOR the election of each of the six nominees, James D. Fast, Joseph J. Hartnett, Charles R. Kummeth, David P. Molfenter, James R. Swartwout and Cary B. Wood.

Unless otherwise directed by marking the accompanying proxy, the proxy holders named therein will vote FOR the election of the six nominees.

Table of Contents**PROPOSAL 2****RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS****Relationship with Independent Registered Public Accountants**

The Audit Committee appoints the independent registered public accounting firm to serve as the Company's independent registered public accountant. BDO USA, LLP (BDO USA) is currently the independent registered public accountant for the Company. In addition to performing the audit of the Company's consolidated financial statements, BDO USA provided various other services during fiscal year 2014. The Audit Committee has considered the provision of all non-audit services performed by BDO USA during fiscal year 2014 with respect to maintaining auditor independence. The Audit Committee reviewed and pre-approved all professional services requested of, and performed by, BDO USA. The aggregate fees billed for fiscal year 2014 and 2013 for each of the following categories of services are set forth below.

Pursuant to the Pre-Approval Policy, the Audit Committee annually reviews and pre-approves the services that may be provided by the independent registered public accountant, and such services are considered approved through the next annual review. The Audit Committee revises the list of pre-approved services from time to time based on subsequent determinations. The Audit Committee may delegate pre-approval authority to its Chairman. The Chairman shall report any pre-approval decisions to the Audit Committee at its next scheduled meeting. The Pre-Approval Policy for audit and non-audit services is available on the Company's website at www.sparton.com.

In 2014, it was determined by the Audit Committee that audit-related and other services provided and the fees paid for those services were consistent with maintaining the independence of BDO USA.

Vote Required for Approval

At a meeting on August 19, 2014, the Audit Committee of the Board of Directors took action to recommend the appointment of the accounting firm of BDO USA as the independent registered public accountants for the Company for the fiscal year ending June 30, 2015 and, on August 20, 2014, the Board of Directors approved such appointment. The Board of Directors is asking the shareholders to ratify the appointment of BDO USA.

PROPOSAL 3

ADVISORY VOTE ON NAMED EXECUTIVE OFFICER COMPENSATION

The Company has designed its executive compensation program to attract, motivate, retain and reward its senior management in order to achieve the Company's corporate objectives and increase value for our shareholders. The Company believes that its compensation policies and procedures are centered on a pay-for-performance philosophy and are aligned with the long-term interests of our shareholders.

The Company is presenting the following proposal, which gives each shareholder the opportunity to have a voice and endorse or not endorse the Company's executive compensation paid to our Named Executive Officers by voting for or against the following resolution:

RESOLVED, that the compensation paid to the Company's Named Executive Officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis and related compensation tables and the narrative discussion, is hereby approved.

As discussed in the Compensation Discussion and Analysis contained in this Proxy Statement, the Compensation Committee of the Board of Directors believes that the executive compensation for fiscal year 2014 is justified by the performance of the Company in a very competitive environment, is reasonable and is the result of a carefully considered approach.

In deciding how to vote on this Proposal, the Company urges you to consider the various factors regarding compensation matters as discussed in the Compensation Discussion and Analysis. Your vote is not intended to address any specific item of compensation, but rather the overall compensation of our Named Executive Officers and the compensation policies and practices described in this Proxy Statement.

Because your vote is advisory, it will not be binding upon the Board of Directors. However, our Board values your opinion and the Board of Directors and the Compensation Committee will take into account the outcome of the vote when considering future executive compensation arrangements.

Vote Required for Approval

Approval of the proposal requires the affirmative vote of a majority of the shares of our common stock present in person or represented by proxy and entitled to be voted on the proposal at the Annual Meeting. Broker non-votes and abstentions are not counted for purposes of this Proposal.

Board Recommendation

The Board recommends a vote FOR approval of the compensation of the Company's Named Executive Officers as set forth in Proposal 3.

PROPOSAL 4

**VOTE TO APPROVE AMENDMENT TO COMPANY S AMENDED AND
RESTATED CODE OF REGULATIONS**

The Board of Directors has approved and recommends your approval of an amendment to the Company s Code of Regulations to add a new provision which would provide that, unless the Company consents in writing to the selection of an alternative forum, the state and federal courts of the State of Ohio will be the sole and exclusive forum for (1) any derivative action or proceeding brought on behalf of the Company, (2) any direct action brought by a shareholder asserting a claim of breach of a fiduciary duty owed by any director, officer or other employee of the Company to the Company or the Company s shareholders, (3) any direct action brought by a shareholder asserting a claim against the Company or any of its directors, officers or other employees alleging a violation of Corporate Matters, or (4) any direct action brought by a shareholder asserting a claim against the Company governed by the internal affairs doctrine in all cases subject to the court having personal jurisdiction over the indispensable parties named as defendants. Corporate Matters means the Corporation Law of the Ohio Revised Code, the Company s Second Amended Articles of Incorporation, as amended, the Code of Regulations, and the bylaws. Through its diverse business, the Company has operations at locations in many different states. Plaintiffs seeking to bring claims against the Company for the matters to which the proposed amendment relates could use the Company s diverse operations to bring duplicative suits in multiple jurisdictions, or to choose a forum state that may not apply Ohio law to the Company s internal affairs in the same manner as the state and federal courts the State of Ohio would be expected to do so. The Board believes that Ohio courts are best suited to address disputes involving the Company given that the Company is incorporated in Ohio, operates a facility in Ohio, and the Ohio courts have expertise in matters involving Ohio law. Although some plaintiffs might prefer to litigate matters in a forum outside of Ohio because another court may be viewed as being more convenient and/or favorable to them, the Board believes that the benefits to the Company and its shareholders, including more efficient litigation, outweigh these concerns. The Ohio courts have expertise in dealing with Ohio corporate law issues and are the most familiar with the application of Ohio law to the matters that could be brought before them. In addition, adoption of this amendment helps to reduce the risk that the Company could be involved in duplicative litigation in more than one forum, as well as the risk that the outcome of cases in multiple forums could be inconsistent even though each forum purports to follow Ohio law. This amendment still gives the Board the flexibility to consent to an alternative forum in instances when the Board deems it appropriate.

The Board of Directors is aware of certain other potential burdens and disadvantages to shareholders in connection with the adoption of an exclusive forum clause, including that plaintiffs who wish to file actions in multiple jurisdictions against the Company and/or its directors, officers and/or employees to increase the settlement value of their actions by increasing the Company s costs to defend against multiple actions would prefer to be able to file actions in multiple jurisdictions. It is also possible that the exclusive forum clause could reduce the likelihood of litigation against the Company and its directors, officers and employees, which litigation may be in pursuit of matters beneficial to the Company and its shareholders if successful. Lastly, the Board of Directors is aware that certain proxy advisors and institutional holders may not support the adoption of an exclusive forum clause unless it can be shown that the Company has already suffered material harm as a result of multiple actions in different jurisdictions regarding the same matter.

However, the Company and the Board of Directors has reviewed these potential burdens and disadvantages and believes that the adoption of the exclusive forum clause is in the best interests of the Company and its shareholders. The Company and the Board of Directors have maintained strong governance standards based on best practices, many of which are described in this Proxy Statement. Accordingly, from a governance perspective the Board of Directors believes that it is more beneficial to the Company and its shareholders to take preventative action before the Company and shareholders are harmed by the practice of actions being filed in plaintiff s favorite jurisdiction or multiple jurisdictions.

Table of Contents

If approved, this provision would require that state courts in which applicable claims are asserted in contravention of the proposed amendment be willing to enforce its terms. It cannot be assured that all state courts will determine such a provision to be enforceable or will be willing to force the transfer of such proceedings to the Ohio courts.

The proposed amendment would amend the Code of Regulations of the Company to add a new Article VII, the full text of which is attached hereto as Appendix A. You should read Appendix A in its entirety before making a decision as to how to vote your shares in connection with Proposal 4.

Vote Required for Approval

Approval of the proposal requires the affirmative vote of a majority of the shares of our common stock present in person or represented by proxy and entitled to be voted on the proposal at the Annual Meeting. Broker non-votes are not counted for purposes of this Proposal. Abstentions will be counted and will have the effect of a negative vote against the Proposal.

Board Recommendation

The Board recommends a vote FOR approval of the amendment to the Company's Amended and Restated Code of Regulations as set forth in Proposal 4.

LONG-TERM STOCK INCENTIVE PLAN**

Background

The Sparton Corporation 2010 Long-Term Stock Incentive Plan was approved by the Board and by the Company's shareholders at the 2009 Annual Meeting of Shareholders, and was amended effective as of June 24, 2010 to modify the definition of Change of Control and effective as of September 1, 2014 to allow for the deferral of the payment of certain awards or grants (as so amended, the 2010 LTIP). The provisions of the 2010 LTIP are intended to ensure that the tax deductibility of payments under the 2010 LTIP is not limited by Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code).

Shareholders are being asked to re-approve the material terms of the performance goals that are a part of the 2010 LTIP so that the Company may deduct from its U.S. Federal corporate income taxes the full amount of any incentive awards paid under the 2010 LTIP that otherwise qualify as qualified performance-based compensation under Section 162(m) of the Code (the Section 162(m) Re-approval). There has been no change to the material terms of the performance goals from those previously approved by shareholders. The Board and the Compensation Committee have re-approved the material terms of the performance goals, subject to approval by shareholders. The material terms will become effective upon Section 162(m) Re-approval. If Section 162(m) Re-approval is not received from shareholders at the Annual Meeting, while performance-based awards could still be granted, the Company would not be able to deduct compensation in excess of \$1 million to Covered Employees for federal income tax purposes.

If Section 162(m) Re-approval occurs, the Compensation Committee intends that any performance-based grants under the 2010 LTIP will be designed to satisfy the requirements of Section 162(m) of the Code to permit the deduction for tax purposes of the full amount of such awards.

Shareholders are not being asked to approve any amendments to the 2010 LTIP or to approve the 2010 LTIP itself under this proposal, but are only asked to re-approve the performance measures included in the plan for compliance with Section 162(m) of the Code.

Reasons for Proposal

Under Section 162(m) of the Code, compensation in excess of \$1 million paid in any one year to a public corporation's covered employees who are employed by the corporation at year-end will generally not be deductible for federal income tax purposes unless the compensation is considered qualified performance-based compensation under Section 162(m) of the Code (or another exemption is met, including, but not limited to, instances when options are granted with an exercise or base price at least equal to 100 percent of the fair market value of the stock as of the grant date). Covered employees include the Chief Executive Officer and the four other most highly compensated executive officers as of the last day of the taxable year other than the Chief Executive Officer whose compensation for the taxable year is required to be reported to shareholders (collectively, the Covered Employees).

In order to qualify as qualified performance-based compensation, among other requirements, Section 162(m) of the Code requires that shareholders approve the material terms of the performance goals every five years if the Compensation Committee has the authority to change the targets under a performance goal. The Company has not obtained Section 162(m) Re-approval since the approval of the 2010 LTIP at the 2009 Annual Meeting of Shareholders. Thus, shareholders are being asked to re-approve the materials terms of the performance goals in order for performance-based awards (as described below) made subsequent to October 28, 2014 (five years following shareholder approval of the 2010 LTIP) to be exempt from the \$1 million deduction limitation under

Table of Contents

Section 162(m) of the Code. If the shareholders re-approve the material terms of the performance goals at the Annual Meeting pursuant to Section 162(m) of the Code, then performance-based awards granted to Covered Employees following such shareholder re-approval can be designed to be Section 162(m) compliant awards.

The rules and regulations promulgated under Section 162(m) of the Code are subject to change from time to time, sometimes with retroactive effect. There can be no guarantee, therefore, that amounts potentially subject to the Section 162(m) limitations will be treated by the Internal Revenue Service as qualified performance-based compensation under Section 162(m) of the Code and/or deductible by the Company. A number of requirements must be met under Section 162(m) of the Code in order for particular compensation to so qualify for the exception such that there can be no assurance that qualified performance-based compensation under the 2010 LTIP will be fully deductible under all circumstances.

Section 162(m) Re-approval contemplates no changes to the material terms of the performance goals from those previously approved by shareholders. In accordance with Section 162(m) of the Code, the material terms include the employees eligible to receive compensation; a description of the business criteria on which the performance goal is based; and either the maximum amount of compensation that could be paid to any employee or the formula used to calculate the amount of compensation to be paid to the employee if the performance goal is attained (except that, in the case of a formula based, in whole or in part, on a percentage of salary or base pay, the maximum dollar amount of compensation that could be paid to the employee must be disclosed). The material terms of the performance goals of the 2010 LTIP are summarized below in this Proposal 5.

Eligible Participants

Any directors, officers and employees of the Company and its subsidiaries and affiliates, as well as prospective officers and employees who have accepted offers of employment, may be selected by the Compensation Committee to become participants in the 2010 LTIP. Presently, the Company estimates that approximately fourteen employees, including the Named Executive Officers, are eligible to receive awards each year under the 2010 LTIP.

Types of Awards Under the Plan

The Compensation Committee may grant stock options, stock appreciation rights, restricted stock, restricted stock units, performance awards and other stock-based awards under the 2010 LTIP.

Stock Options

The Compensation Committee may grant stock options qualifying as incentive stock options under the Code (ISOs) and non-qualified stock options. The term of each stock option will be fixed by the Compensation Committee, but may not exceed ten (10) years. The exercise price for each stock option will also be fixed by the Compensation Committee, but may not be less than the fair market value of the Company's common stock on the date of grant. ISOs may only be granted to officers and employees of the Company and corporations connected to it by chains of ownership of voting power representing fifty percent (50%) or more of the total outstanding voting power of all classes of stock of the lower-tier entity. Stock options will vest and become exercisable as determined by the Compensation Committee.

An option holder may pay the exercise price of an option in cash, through tender of shares already owned by the option holder, by pledging the proceeds from the sale of shares in connection with the exercise of the option, or by any combination of these methods.

Restricted Stock

The Compensation Committee may also award restricted stock, that is, shares of the Company's common stock, the vesting and transferability of which is subject to such requirements as the Compensation Committee may

Table of Contents

determine. These requirements may include continued services for a specified period and/or achievement of performance goals. At the discretion of the Compensation Committee, the recipient of restricted stock will be entitled to vote the shares and receive dividends and other distributions, although the Compensation Committee may make any and all dividends and other distributions with respect to restricted stock subject to the same or different vesting conditions as the restricted stock.

Restricted Stock Units

The Compensation Committee may also award restricted stock units, that is, grants representing a specified number of hypothetical shares of the Company's common stock, the vesting of which is subject to such requirements as the Compensation Committee may determine. These requirements may include continued services for a specified period and/or achievement of performance goals. Upon or after vesting, restricted stock units will be settled in cash or shares of the Company's common stock or a combination, as determined by the Compensation Committee. A participant to whom restricted stock units are granted will not have any rights as a shareholder with respect to the units, unless and until they are settled in shares of the Company's common stock, although at the discretion of the Compensation Committee, the recipient of a restricted stock unit award may be entitled to a dividend equivalent right.

Stock Appreciation Rights

The Compensation Committee may grant stock appreciation rights (SARs), with such terms and conditions as are determined by the Compensation Committee. Exercise of a SAR entitles a participant to receive an amount equal to the difference between the fair market value of one share of common stock on the date the SAR is exercised and the grant price, as the case may be, times the number of shares with respect to which the SAR is exercised. The Compensation Committee has discretion to determine whether any SAR will be settled in cash, shares or a combination thereof. SARs expire no more than ten years after the date they are granted.

Performance Awards

Performance awards may be denominated or payable in cash, shares of common stock (including, without limitation, shares of restricted stock), other securities, other awards, or other property. Performance awards confer on the award recipient the right to receive a dollar amount or number of shares upon the attainment of performance measures during a performance period, as established by the Compensation Committee.

Other Stock-Based Awards

Other stock-based awards may be denominated or payable in, valued in whole or in part by reference to, or otherwise based on or related to, shares of common stock of the Company (including, without limitation, securities convertible into shares of common stock), as the Compensation Committee deems consistent with the purpose of the 2010 LTIP. They also may be subject to such additional terms and conditions, including performance measures, not inconsistent with the provisions of the 2010 LTIP, as determined by the Compensation Committee.

Shares Available Under the 2010 LTIP

The maximum number of shares of the Company's common stock that will be available under the 2010 LTIP is 1,000,000. To the extent that any award is forfeited, terminates, expires or lapses without exercise or settlement, the shares subject to such awards forfeited or not delivered as a result thereof shall again be available for awards under the 2010 LTIP. As of June 30, 2014, a total of 499,099 shares were available under the 2010 LTIP.

In the event of (i) a stock dividend, stock split, reverse stock split, share combination, or recapitalization or similar event affecting the capital structure of the Company or (ii) a merger, consolidation, acquisition of

Table of Contents

property or shares, separation, spinoff, reorganization, stock rights offering, liquidation, disaffiliation, or similar event affecting the Company or any of its subsidiaries, the Compensation Committee or the Board of Directors shall make such substitutions or adjustments as it deems appropriate and equitable to (A) the aggregate number and kind of shares or other securities reserved for issuance and delivery under the 2010 LTIP, (B) the various maximum limitations set forth above upon certain types of awards and upon the grants to individuals of certain types of awards, (C) the number and kind of shares or other securities subject to outstanding awards, and (D) the exercise price of outstanding options and stock appreciation rights. Any such adjustment is required to be made in a manner that would be consistent with Section 409A of the Code.

Performance Goals

Section 162(m) of the Code generally places a \$1,000,000 annual limit on a company's tax deduction for compensation paid to a public company's chief executive officer and the other four highest paid officers named in its proxy statement. This limit does not apply to compensation that satisfies the applicable requirements for the performance-based compensation exception (referred to in this proposal as the performance exception), including approval by shareholders of the material terms of the compensation. The approval in 2009 of the 2010 LTIP by the Company's shareholders satisfied and the Section 162(m) Re-approval will continue to satisfy this shareholder approval requirement, and grants under the 2010 LTIP are intended to satisfy the requirements for the performance exception.

The 2010 LTIP incorporates the provisions required so that stock options and SARs will be qualified performance-based awards. These provisions include allowing such stock options and SARs to be granted only by the Compensation Committee, and requiring that their exercise price be not less than the fair market value of the Company's common stock on the date of grant. Therefore, it is expected that all stock options and SARs granted under the 2010 LTIP that are subject to performance goals will qualify for the performance exception. In addition, the 2010 LTIP gives the Compensation Committee the ability to grant restricted stock, restricted stock units and performance-based awards designed to be qualified performance-based awards.

These qualified performance-based awards must be subject to the achievement of performance goals based upon the attainment of specified levels of one or more of the following measures: (a) earnings per share, (b) return measures (including, but not limited to, return on assets, equity or sales), (c) net income (before or after taxes), (d) cash flow (including, but not limited to, operating cash flow and free cash flow), (e) cash flow return on investments, which equals net cash flows divided by owner's equity, (f) earnings before or after taxes, interest, depreciation and/or amortization, (g) internal rate of return or increase in net present value, (h) gross revenues, (i) gross margins or (j) stock price (including, but not limited to, growth measures and total shareholder return). Performance measures may be absolute in their terms or measured against or in relationship to other companies comparably, similarly or otherwise situated and may be based on or adjusted for any other objective goals, events, or occurrences established by the Compensation Committee for a performance period. Such performance measures may be particular to a line of business, subsidiary or other unit or may be based on the performance of the Company generally.

Performance measures may be adjusted by the Compensation Committee in its sole discretion to eliminate the unbudgeted effects of charges for restructurings, charges for discontinued operations, charges for extraordinary items and other unusual or non-recurring items of loss or expense, merger related charges, cumulative effect of accounting changes, the unbudgeted financial impact of any acquisition or divestiture made during the applicable performance period, and any direct or indirect change in the federal corporate tax rate affecting the performance period, each as defined by generally accepted accounting principles and identified in the audited financial statements, notes to the audited financial statements, management's discussion and analysis or other Company filings with the SEC.

In granting qualified performance-based awards other than stock options and SARs, the Compensation Committee must establish the applicable performance measures within the time allowed by the performance

Table of Contents

exception and at a time when achievement of the goals is substantially uncertain, and it must certify the achievement of those goals before the vesting or payment of the qualified performance-based awards. In addition, in order to assure that qualified performance-based awards in fact qualify for the performance exception, the 2010 LTIP provides that (1) except in the event of death, disability, or other events permitted by the performance exception, the achievement of the applicable performance goals may not be waived, and (2) awards may not be amended, and the Compensation Committee may not exercise discretionary authority, in a way that would cause the awards to cease to qualify for the performance exemption.

As one of the factors in its decisions regarding grants under and administration of the 2010 LTIP, the Compensation Committee will consider the anticipated effects of Section 162(m) of the Code. These effects will depend upon a number of factors, including not only whether the grants qualify for the performance exception, but also the timing of executives' vesting in or exercise of previously granted equity awards and receipt of other compensation. Furthermore, interpretations of and changes in the tax laws and other factors beyond the Compensation Committee's control may also affect the deductibility of compensation. For these and other reasons, the Compensation Committee may make grants that do not qualify for the performance exception, and the Company's tax deductions for those grants may be limited or eliminated as a result of the application of Section 162(m) of the Code. Further, if grants vest or are paid on an accelerated basis upon a change in control or a subsequent termination of employment, some or all of the value of that acceleration may be considered an excess parachute payment under Section 280G of the Code, which would result in the imposition of a twenty percent (20%) federal excise tax on the recipients of the excess parachute payments and a loss of the Company's deduction for the excess parachute payments.

Summary of Other Principal Terms of the 2010 LTIP

Attached to this Proxy Statement as [Appendix B](#) is a summary of the principal terms of the 2010 LTIP, other than the terms addressed above, and other related information. The summary is qualified in its entirety by reference to the full text of the 2010 LTIP, which attached to this Proxy Statement as [Appendix C](#).

Our Business

General

The Company is a provider of design, development, and manufacturing services for complex electromechanical devices, as well as sophisticated engineered products complimentary to the same electromechanical value stream. The Company serves the Medical & Biotechnology, Military & Aerospace and Industrial & Commercial markets through three reportable business segments; Medical Device (*Medical*), Complex Systems (*CS*) and Defense & Security Systems (*DSS*).

All of the Company's facilities are certified to one or more of the ISO/AS standards, including ISO 9001, AS9100 or ISO 13485, with most having additional certifications based on the needs of the customers they serve. The Company's products and services include offerings for Original Equipment Manufacturers (*OEM*) and Emerging Technology (*ET*) customers that utilize microprocessor-based systems which include transducers, printed circuit boards and assemblies, sensors, and electromechanical components, as well as development and design engineering services relating to these product sales. Sparton also develops and manufactures sonobuoys, anti-submarine warfare (*ASW*) devices used by the United States Navy and other free-world countries. Many of the physical and technical attributes in the production of sonobuoys are similar to those required in the production of the Company's other electrical and electromechanical products and assemblies.

Medical Segment

Medical segment operations are comprised of contract design, manufacturing, and aftermarket repair and refurbishment of sophisticated medical and biotechnology devices and sub-assemblies. Customers include industry leaders, emerging technologies companies and start-ups. In manufacturing devices for its customers, this business unit follows specific design and manufacturing processes to assure product reliability and safety in accordance with Food and Drug Administration (*FDA*) guidelines and approvals. This group specializes in technologies, systems and processes required by medical OEM and ET customers primarily in the diagnostic, therapeutic, surgical and laboratory device segments of the medical and biotechnology marketplaces. The Medical segment also includes some non-medical customers.

Complex Systems Segment

Complex Systems segment operations are comprised of manufacturing and aftermarket repair and refurbishment of sophisticated printed circuit card assemblies, sub-assemblies, full product assemblies, and cable/wire harnesses. Customers include military and aerospace, as well as industrial and commercial OEM's. In manufacturing for its customers, this segment adheres to very strict military and aerospace specifications in addition to product and process certifications. Customers are primarily engaged in applications that include: flight controls, industrial and military control systems, cockpit displays, fuel system controls, secure communications, early warning detection, security systems, satellite communications, and audio. The CS segment also includes some medical customers.

Table of Contents

DSS Segment

Defense & Security segment operations are comprised of design, development and production of products for both domestic and foreign defense as well as commercial needs. Sparton designs and manufactures anti-submarine warfare (ASW) devices known as sonobuoys for the U.S. Navy and foreign governments that meet Department of State licensing requirements. This segment also performs an engineering development function for the United States military and prime defense contractors for advanced technologies ultimately leading to future defense products as well as replacements for existing products. The sonobuoy product line is built to stringent military specifications. These products are restricted by International Tariff and Arms Regulations (ITAR) and qualified by the U.S. Navy, which limits opportunities for competition. Sparton is also a provider of ruggedized flat panel display systems for military panel PC workstations, air traffic control and industrial applications. Ruggedized displays are manufactured for prime contractors to specific military grade specifications. Additionally, this business unit internally develops and markets commercial products for underwater acoustics and microelectromechanical (MEMS)-based inertial measurement.

2014 Compensation Committee and Governance Highlights

We maintain comprehensive governance standards based on best practices, including the oversight of our executive compensation policies and practices. The following policies and practices were in effect during 2014:

- We recently revised our charter to ensure continued compliance with the new NYSE and SEC rules with respect to the independence of members of our Committee, the retention and oversight of the work of any

Table of Contents

compensation consultant, independent legal counsel, or other advisor retained by our Committee and any conflict of interest with respect to such consultant, legal counsel or other advisor. Our Committee charter already included many of the requirements of the new rules.

We maintain a majority vote for the election of the directors in uncontested elections (and require tender of resignation by any incumbent director who is not re-elected) and plurality voting in any election that is contested.

Our leadership structure consists of a Chairman of the Board, a separate CEO, and strong independent Board committee chairs.

Our Committee retained an independent compensation consultant, Meridian, which performs no other consulting or other services for us.

Our Committee is comprised solely of independent directors.

Our Committee conducts an annual review and approval of our compensation strategy, including a review of our compensation-related risk profile, to ensure that our compensation-related risks are not reasonably likely to have a material adverse effect on us.

We maintain a claw-back policy that provides that, in connection with any restatement of our financial statements due to material non-compliance with financial reporting requirements, it is our policy to require forfeiture by current and former executive officers of incentive based compensation in accordance with applicable laws, rules and regulations.

Consideration of Last Year's Say On Pay Vote.

Following our annual meeting of shareholders in November 2013, the Committee reviewed the results of the shareholder advisory vote on executive compensation that was held at the meeting with respect to the fiscal year 2013 compensation of the Named Executive Officers. 99.6% percent of the votes cast (excluding abstentions) were voted in support of the compensation of our Named Executive Officers set forth in the Compensation Discussion and Analysis, the summary compensation table and the related compensation tables and narratives in last year's proxy statement.

After considering the results of the 2013 Say On Pay vote, which indicate that our shareholders overwhelmingly approve of our methodology for establishing compensation, as well as the other factors considered in determining executive compensation as described in this Compensation Discussion and Analysis, the Committee was encouraged to continue its practices in determining executive compensation.

Specific Compensation and Corporate Governance Policies and Practices

Our compensation philosophy and related governance features are complemented by several specific policies and practices that are designed to align our executive compensation with long-term shareholder interests, including:

We have stock ownership guidelines for our executive officers, including the Named Executive Officers, and members of our Board. Each of the Named Executive Officers and each of the members of our Board has met his individual stock ownership level under the guidelines in effect for fiscal year 2014, except for Mr. Madlock, who joined the Company during fiscal 2009, and Mr. Schlei, who was appointed during fiscal 2013. The guidelines were revised in June of 2014, as described at page 35 below.

We have a policy prohibiting all employees, including Named Executive Officers, and members of our Board from engaging in any hedging transactions with respect to our equity securities held by them.

Edgar Filing: SPARTON CORP - Form DEF 14A

Under our Insider Trading Policy, certain of our employees and consultants, including executive officers, and members of our Board are prohibited from pledging shares of our capital stock without first obtaining pre-clearance of the transaction from the compliance officer.

Our Executive Officers, including the Named Executive Officers, receive minimal perquisites or other personal benefits.

Key Features of Our 2014 Executive Compensation Program

What We Do

Align CEO Pay with Company Performance:

Our CEO's direct compensation is aligned with revenue growth and profitability (other than base salary).

Review Named Executive Officer Pay against Peers' Executive Officer Pay:

A reputable executive compensation consultant, Meridian, was engaged to provide the Committee with broad market-based compensation data of peer group companies based on Committee-selected criteria to permit the Committee to analyze whether the total compensation of the Named Executive Officers is competitive.

Use Long-Term Incentives to Link a Significant Portion of All Current Named Executive Officer Pay to Company Performance:

35% of pay for our Named Executive Officers is linked to our long term Valuation Index relating to vesting of awards granted under our 2010 LTIP. The components and calculations of this index correlate directly to the profitability growth of the Company. The Deferred Compensation Plan adopted in fiscal 2014 permits participants to defer certain aspects of their compensation, creating additional incentive to focus on long-term planning.

Balance Short-Term and Long-Term Incentives:

The incentive programs provide an appropriate balance of annual and long-term incentives and include multiple measures of financial performance.

Cap Short Term Incentive Awards:

Awards under our annual Short Term Incentive Plan are capped at 200% of target.

What We Don't Do

Determine Named Executive Officer Pay based only on External Market Compensation Data:

The Committee and Board have approved compensation for our Named Executive Officers both above and below the external market consensus data points. These decisions are individually based upon job scope, job performance, years of related work experience, annual company performance, and our talent attraction and retention strategies.

No Hedging of Company Stock:

Our Named Executive Officers are prohibited from hedging their company stock.

No Tax Gross Ups:

We do not provide tax reimbursements unless they are provided pursuant to our standard relocation practices.

Mitigate Excessive Risk-taking Behaviors by Named Executive Officers:

Our executive compensation program includes features that reduce the possibility of our Named Executive Officers, either individually or as a group, making excessively risky business decisions that

could maximize short-term results at the expense of long-term value.

Require Named Executive Officers to Maintain Stock Ownership

Under our guidelines, the Chief Executive Officer of the Company must attain stock ownership equal to 300% of base salary and the other Named Executive Officers must attain stock ownership equal to 150% of base salary, in each case within 5 years of LTIP eligibility.

Authorize the Board to Recoup Executive Compensation:

In connection with any restatement of the Company's financial statements due to material noncompliance by the Company with any financial reporting requirements under applicable securities laws, it is the policy of the Board of Directors to require forfeiture by current and former executive officers of incentive based compensation in accordance with applicable laws, rules and regulations.

Compensation Philosophy and Objectives

Guiding Principles

Our compensation philosophy has the objective of fair, competitive and performance-based compensation of our management team, including the Named Executive Officers. We believe that the total compensation of management should be aligned with our performance. While the specific programs may be modified from year to year, our compensation philosophy is consistent in aligning compensation to the attainment of our corporate strategy. The Committee seeks to reward performance with cost-effective compensation that aligns employee efforts with our corporate strategy through adherence to the following compensation policies:

Total compensation should strengthen the relationship between pay and performance by including and emphasizing variable, at-risk compensation that is dependent on achieving specific corporate, business function, and/or individual performance goals.

An element of pay should be long-term incentives to align management interests with those of our shareholders.

An element of pay should also be short-term incentives to reward performance in the subject fiscal year based on achievement of our annual performance goals.

Total compensation opportunities should enhance our ability to attract, retain and develop knowledgeable and experienced executives.

Total compensation should be competitive in the marketplace based on a review of similarly sized manufacturers and identified peer companies and the comparable compensation paid to executives of such similarly sized manufacturers and peer companies. Our overall compensation philosophy is generally to pay our employees, including Named Executive Officers, competitively based on market consensus data and commensurate with our performance. The market consensus data includes information such as salary reports for the manufacturing industry generally and specifically for peer companies. The Committee and Board, with input from management, use the market consensus data points to determine what fair and reasonable compensation would be based on our performance. The Committee also consults with management, and outside accounting and legal advisors as appropriate. The Committee and Board have approved compensation to our management both above and below the market consensus data points. See the narrative discussion beginning at page 35 below for a detailed discussion of our long-term and short-term incentive plans.

Importance of Our Corporate Values

The Sparton Corporate Values guide us in fulfilling our responsibilities to our customers, employees, communities, and shareholders.

Sparton Corporate Values

Performance Excellence: We demand performance excellence in all that we do.

Integrity: We demand integrity of ourselves, our products, and our services.

Teamwork & Accountability: We foster growth and success in an environment of teamwork, collaboration, empowerment, and accountability.

Growth: We develop long term, trusting relationships to ensure mutually profitable growth.

Safety: We will maintain a safe and environmentally sound workplace.

Citizenship: We will be good corporate citizens in the communities in which we reside.

In assessing our Named Executed Officers' contributions to Sparton's performance, the Committee not only looks to results-oriented measures of performance, but also considers how those results were achieved — whether

Table of Contents

the decisions and actions leading to the results were consistent with the values embodied in our Corporate Values and the long-term impact of a Named Executive Officer's decisions. Corporate Values-based behavior is not something that can be precisely measured; thus, there is no formula for how Corporate Values-based behavior can, or will, impact an executive's compensation. The Committee and the CEO use their judgment and experience to evaluate whether an executive's actions were aligned with our Corporate Values.

How We Make Compensation Decisions

Role of the Compensation Committee

The Committee is comprised of three independent directors, as defined under the rules of the NYSE. The Committee is responsible for the review and approval of all aspects of our executive compensation program. Among its duties, the Committee is responsible for formulating the compensation recommendations for our CEO and non-CEO executive officers. The recommendation of the Committee must be approved, with respect to the CEO, by the independent directors of the Board, and with respect to the non-CEO executive officers, by the full Board. In addition, the Committee:

- Reviews our incentive and compensation plans and programs;

- Evaluates annually the CEO's and non-Executive Officers' compensation levels and payouts against various financial and non-financial measures.

The Committee is supported in its work by our CEO, our Vice President of Corporate Human Resources, and Compensation Consultants, as described below.

The Committee's charter, which sets out its duties and responsibilities and addresses other matters, can be found on our website at www.sparton.com.

Role of the Chief Executive Officer

Each year our CEO makes recommendations with respect to the compensation of our non-CEO Executive Officers and our Committee reviews these recommendations with the CEO and the Vice President of Corporate Human Resources. The CEO's recommendations are based upon his assessment of each Executive Officer's performance, the performance of the individual Executive Officer's respective business or function, and employee retention considerations. Our Committee reviews the CEO's recommendations, and approves any compensation changes affecting our Executive Officers as it determines in its sole discretion. Our CEO does not play any role with respect to any matter affecting his own compensation.

Role of the Compensation Consultant

During 2014, the Committee retained Meridian, approved its compensation, determined the nature and scope of its services, evaluated its performance, and had the authority to terminate its engagement. Meridian provided no other services to the Company.

During 2014 Meridian performed the following specific services which were customized based on parameters not developed by Meridian and about which Meridian did not provide the Committee or the Company with advice.

- Provided us with a list of potential peer companies utilizing our 8 digit Global Industry Classification Standard (GICS) codes, annual revenue, and market cap.

- Provided us with benchmarking for adjustments to both the type of equity awarded under the 2010 LTIP and management stock ownership guidelines.

Edgar Filing: SPARTON CORP - Form DEF 14A

Provided clarification of evolving SEC and NYSE regulations on executive compensation.

Peer Companies

Our executive compensation package is designed to be competitive in the market and commensurate with our performance. In making compensation decisions, we analyze executive compensation paid at selected peer companies. Meridian provided our Committee with a list of potential peer companies based on their 8 digit GICS codes, revenue, and market cap. The Committee reviewed this list and then selected the peer companies it believes are most comparable to us. The Committee then requested that Meridian provide it with compensation information, including incentive awards, from such peer companies. The annual revenues of the peer companies during their most recent fiscal year ranged from \$140 million to \$743 million, with the median revenue being \$302 million. Our annual revenue for fiscal year 2014 is \$336 million.

The Committee uses the data obtained from Meridian, proxy statements of peer companies, and broad-based market driven compensation surveys published from time to time by national human resources consulting firms, together with other information, to assist it in determining the compensation of the Named Executive Officers. The Committee does not target compensation to any specific percentile paid by such peer or other companies, but rather considers compensation of peer and such other companies as one of the factors in making compensation decisions. As noted, the Committee approves compensation to the Named Executive Officers both above and below market consensus data points.

For 2014 executive compensation, our peer companies were:

Elements of Compensation

The key elements of our executive compensation program are base salary, short-term (annual) incentive and long-term (multi-year) incentive compensation. These elements are addressed separately below.

The Committee does not exclusively use mathematical formulas to determine compensation. In setting each element of compensation, the Committee considers all elements of an executive's total compensation package, including base salary, incentive compensation, and the value of benefits.

Table of Contents

The following table includes various elements of our executive compensation program, the primary purpose of each element, form of compensation for each element and primary actions taken in fiscal year 2014.

Element	Primary Purpose	Form of Compensation
Base Salary	To provide base compensation for the day to day performance of job responsibilities	Cash
Short-Term Incentives	To reward performance during the current fiscal year based on the achievement of annual performance goals	Cash (STIP, described under <i>STIP Generally</i> , on page 35 below)
Bonuses	To reward individual performance based on evaluation by, and in discretion of, the Committee	Cash
Long-Term Incentives	To reward improvement in our long term performance, thereby aligning with the financial interests of our shareholders	Stock-based compensation, e.g., options, restricted stock awards and restricted stock units (2001 SIP and 2010 LTIP, described under <i>2001 SIP and 2010 LTIP</i> , on page 38 below)
Other Executive Benefits	To provide a broad-based executive compensation program for executive attraction, retention, retirement and health	Retirement programs, health and welfare programs, employee benefit plans, change of control provisions, programs and arrangements generally available to all employees and limited perquisites (on page 40 below).

The following is a narrative description of each of the key elements of our executive compensation programs.

Base Salaries

A competitive base salary provides the foundation for a total compensation package required to attract, retain, and motivate executive officers and other members of management, including the Named Executive Officers, in alignment with our business strategies. The Committee reviews the proposed annual base salaries for executive officers and management (including the Named Executive Officers other than the Chief Executive Officer) with the Chief Executive Officer and the Vice President, Corporate Human Resources, and with modifications considered appropriate, provides a recommendation to the Board for its approval. The Committee independently reviews and sets base salary for the Chief Executive Officer, subject to the approval of the independent members of the Board of Directors.

Base salaries are initially premised upon the responsibilities of each Named Executive Officer and may be further adjusted based on market consensus surveys and related data, including individual experience levels and performance judgments as to the past and expected future contributions of the applicable Named Executive Officer. The Committee reviews each Named Executive Officer's base salary annually.

Short-Term Incentives***STIP Generally.***

On June 26, 2009, the Board of Directors approved and adopted the Sparton Short-Term Incentive Plan (the "STIP"). The STIP did not require shareholder approval. The purpose of the STIP is to increase shareholder value and ensure our success by motivating participants to achieve all defined financial and operating goals and

Table of Contents

strategic objectives of the business in line with our corporate strategy. The STIP is further intended to attract and retain key employees essential to the success of the business and to provide competitive compensation programs consistent with market competitive pay practices.

The Committee has been appointed by the Board of Directors to administer the STIP. The Committee, with the approval of the Board of Directors, annually selects our executive or key employees, including our President and Chief Executive Officer, Chief Financial Officer and Named Executive Officers to be participants in the STIP. The first annual performance period for which awards under the STIP were made was fiscal year 2010.

The Board of Directors, in its sole discretion, may amend or terminate the STIP, or any part thereof, at any time and for any reason. The amendment, suspension or termination of the STIP will not, without the consent of the participant, alter or impair any rights or obligations under any actual incentive award previously earned by such participant. No award may be granted during any period of suspension or after termination of the STIP. The STIP will remain in effect until terminated.

As discussed above, our overall compensation philosophy, including with respect to awards under the STIP, is generally to pay our employees competitively based on market consensus data, and commensurate with our performance which is aligned to achieve our corporate strategy. Working together, the Committee along with the Chief Executive Officer and the Vice President, Corporate Human Resources, reviews the individual incentive plans and awards to be made to executives and key employees under the STIP (other than the Chief Executive Officer, whose awards are only reviewed by the Committee, and the Vice President, Corporate Human Resources, whose awards are only reviewed by the Chief Executive Officer and the Committee). The recommendations of the Committee are subject to approval of the Board of Directors.

How Awards Are Determined Under The STIP.

The Committee, subject to approval by the Board of Directors, establishes an individual target award for each participant equal to a percentage of such participant's salary. The Chief Executive Officer (other than with respect to himself) and the Vice President, Corporate Human Resources, recommend, and the Committee, in its sole discretion, considers, determines and approves the performance goals and objectives applicable to any actual incentive award. The performance goals and objectives are driven by achievement of our corporate strategy and may be on the basis of any performance factors the Committee determines relevant, including individual, business unit or Company-wide performance. Failure to meet the performance goals and objectives of the annual performance period will result in the participant's failure to earn the actual incentive award, except as otherwise determined by the Committee. Actual incentive award payments will be determined, based on verified achievement levels of established performance goals and objectives for the annual performance period, by the Committee and approved by the Board of Directors.

For each annual performance period, the Committee, subject to approval by the Board of Directors, establishes an incentive award pool (the STIP Pool) based on achievement of the financial objectives. Payment of each actual incentive award is made as soon as practicable as determined by the Committee after the completion of the independent audit and filing of the Annual Report on Form 10-K for the annual performance period during which the actual performance award was earned. Unless otherwise determined by the Committee, to receive payment of an actual incentive award, a participant must be employed by us or any affiliate on the last day of the annual performance period, and, subject to certain exceptions in the event of a participant's death or disability, on the date of payment of the actual incentive award. Actual incentive awards are paid from the incentive award pool in cash in a single lump sum. The Committee may, in its sole discretion, grant an award for an extraordinary individual contribution which substantially benefits us but is not reflected in the achievement of a participant's individual goals.

Table of Contents2014 STIP Awards.

The Committee, with the approval of the Board of Directors, selected 71 key employees, including the Named Executive Officers, to be participants in the STIP for the annual performance period ending June 30, 2014 and established target awards for that period in line with our corporate strategy based on EBITDA and Net Sales (each term as defined below) and personal objectives, the funding for which came from the STIP Pool. The individual target award percentages for these participants ranged from 10% to 85% of a participant's base salary. These components were weighted separately for each participant. Awards were payable on a graduated scale ranging from a threshold of 50% of the target award for each component up to a maximum of 200% of the target award for that component, subject to availability of funds under the STIP Pool. No award for a component was payable if performance was below the threshold. The STIP Pool for fiscal year 2014 was set at \$2,219,133, assuming achievement of 100% of the target financial objective described under *Target for Objectives under the STIP*, below.

Target Awards as a Percentage of Base Salary under the STIP. The following table sets forth the target awards for each of the Named Executive Officers as a percentage of their base salaries for fiscal year 2014:

Fiscal Year 2015 STIP Awards

On August 20, 2014, the Board of Directors approved financial targets for awards for fiscal year 2015 under the STIP for the Named Executive Officers. The awards are based on achieving targets for EBITDA and Net Sales for fiscal year 2015. The STIP Pool for fiscal year 2015 was set at \$2,704,169, assuming achievement of 100% of the targets. Additional detail regarding such awards, including actual awards in fiscal year 2015, will be included in the next annual proxy statement.

Bonuses.

The Committee may recommend bonuses in addition to or in lieu of bonuses earned under the STIP based on the Committee's evaluation of the individual performance and level of responsibility of the Named Executive Officers and other members of management. In determining discretionary annual incentive bonuses for the Named Executive Officers, the Committee evaluates the Chief Executive Officer's recommendations based on individual performance. The Committee independently evaluates the individual performance of the Chief Executive Officer. The results of those evaluations are used by the Committee to award the bonuses to the Named Executive Officers. The independent directors approved a one-time discretionary bonus in the amount of \$25,000 to the Company's Chief Executive Officer in November of 2013.

Long-Term Incentives

Our long-term incentive program typically involves the grant of restricted stock. During fiscal year 2014, the Committee worked with Meridian to better align the types of equity awarded under the 2010 LTIP with the market, and recommended to the Board of Directors that future awards include a mix of restricted stock units and options. The grants are designed to (i) align the interest of our key employees with our shareholders through the employees' ownership of equity, (ii) accomplish our corporate strategy by requiring the vesting of such awards to be tied to the achievement of certain performance goals, and (iii) encourage the long-term employment of key employees.

In the early part of the fiscal year, the Committee, with input from the Chief Executive Officer and the Vice President, Corporate Human Resources, and after taking into account market consensus data provided by the independent compensation consultant, Meridian, responsibilities and performance of an executive, our consolidated financial projections, and business unit financial projections, recommend, for Board approval, a dollar value award for each executive which will be payable in restricted stock, restricted stock units, or options. The number of shares and/or options to be granted is based on the fair market value of our shares determined two (2) days after the filing of our Form 10-K for such prior fiscal year. The restricted stock units (and previously issued restricted shares) vest in four equal annual installments commencing one year from the date of grant, subject to achievement of certain performance criteria comprising a Valuation Index ("Valuation Index") which is a formula determined by the Committee incorporating various financial metrics.

The Company annually reviews the long-term incentive elements of its compensation package, including the beneficial and detrimental aspects of particular compensation components such as restricted stock awards and stock options, to determine the continuing efficacy of such programs.

2001 SIP and 2010 LTIP.

In keeping with our philosophy of providing a total compensation package that includes long-term incentives, the total compensation package of our key employees, including our Named Executive Officers, may include restricted stock, stock options, restricted stock units and/or cash under the Sparton Corporation Stock Incentive Plan, as amended in October 2001 (the "2001 SIP") or the Sparton Corporation 2010 Long-Term Stock Incentive Plan, as amended (the "2010 LTIP"). As of October 2011, we are no longer permitted to make new awards under the 2001 SIP. On August 20, 2014, the Board of Directors approved an amendment to the 2010 LTIP to permit awards of restricted stock units.

Table of Contents

The total number of shares that may be awarded under the 2010 LTIP is 1,000,000 shares of common stock, 499,099 of which remain available for awards as of June 30, 2014. To the extent that any award is forfeited, terminates, expires or lapses without exercise or settlement under the 2010 LTIP, the shares subject to such awards forfeited or not delivered as a result thereof will again be available for awards under the 2010 LTIP.

During fiscal year 2014, we granted 85,958 shares of restricted stock under the 2010 LTIP to our key employees, including our Named Executive Officers (the 2014 Grants). See the *Summary Compensation Table* on page 42 for a description of the restricted stock awarded to Named Executive Officers in fiscal year 2014. The shares vest in four equal annual installments, with the first installment commencing one year after the awards are made. Of the restricted stock awards that were granted in fiscal years 2010, 2012, 2013 and 2014 under the 2010 LTIP and the 2001 SIP, as of June 30, 2014, 226,308 of those shares have vested. The awards are performance based in that vesting is dependent upon achievement of the Valuation Index. In order for the recipient's shares to vest, he or she must be an employee when the Annual Report on Form 10-K is filed for the applicable year. See footnote 1 at page 51 below under *Table Potential Payments upon Termination or Change in Control*, for a description of acceleration of vesting under the 2001 SIP and 2010 LTIP upon a termination or change in control as determined at the discretion of the Committee.

The Valuation Index is based on a formula determined by the Committee in consultation with Meridian which incorporates various financial metrics which the Committee believes are critical to improving our long term enterprise value and increasing shareholder value, including EBITDA, cash, outstanding debt, dividends, and the weighted average of outstanding shares of our common stock. The target Valuation Index increases in each of the four annual vesting periods based on a growth rate determined by the Committee. Should we fail to achieve the required Valuation Index in any of the respective periods, the awards allow for vesting in subsequent years should we achieve certain future Valuation Index targets.

We designed the Valuation Index growth rates to reflect an aggressive, but reasonably achievable, increase in enterprise value over the previous fiscal year. Based upon the fiscal year 2014 financial results and resulting Valuation Index calculations, the following vesting has occurred in the LTIP program:

- 2010 Valuation Index was achieved resulting in the vesting of the fourth installment of the awards that were granted in fiscal year 2010.
- 2012 Valuation Index was achieved resulting in the vesting of the third installment of the awards that were granted in fiscal year 2012.
- 2013 Valuation Index was achieved resulting in the vesting of the first and second installment of the awards granted that were granted in fiscal year 2013 (note, however, that the first installment did not vest in fiscal year 2013 due to the failure to achieve the Valuation Index in fiscal year 2013).
- 2014 Valuation Index was achieved resulting in the vesting of the first installment of the awards that were granted in fiscal year 2014.

Fiscal Year 2015 Awards under the 2010 LTIP

On August 20, 2014, the Board of Directors approved the issuance of restricted stock awards to the Named Executive Officers and other officers for fiscal year 2015 under the 2010 LTIP, which awards will be granted two days after the filing of the Company's Form 10-K for fiscal year 2014. The total dollar value of the awards is approximately \$2,696,350 and the terms of such awards are substantially similar to the terms of the 2014 Grants, except that the awards will include a mix of stock options and restricted stock units (rather than restricted stock only). The amount of shares awarded to each Named Executive Officer will be based on the market value of the Company's stock as of the date of grant. Additional detail regarding such awards, including actual awards in fiscal year 2015, will be included in the next annual proxy statement.

Allocation of Compensation Components.

We use a balanced approach in compensating company executives, combining fixed and performance-based compensation, annual and long-term compensation, and cash and equity compensation. The Committee determines the appropriate balance, as approved by the Board of Directors, based upon careful consideration, including consideration of market consensus data provided by independent compensation consultants. We do not have a specific policy for allocation of compensation components. The following chart sets forth the allocation of compensation components for the Named Executive Officers for fiscal year 2014, using fixed salary, incentive components at target, and grant date fair values of restricted stock as of June 30, 2014:

For fiscal year 2014, 58% of the compensation components for the Named Executive Officers (other than the Chief Executive Officer) were variable and tied to performance.

Post-Employment Compensation

Retirement Plans

We maintain a 401(k) plan that is available to substantially all U.S. employees of the Company, including Named Executive Officers. The Company also maintains a defined benefit plan, however, participation in the plan was frozen effective April 1, 2009. None of the Named Executive Officers are participants in our defined benefit plan as it was frozen prior to the time that they would have become eligible to participate.

Severance and Change in Control Arrangements

To enable us to offer competitive total compensation packages to our executive officers, as well as to ensure the on-going retention of these individuals when considering potential takeovers that may create uncertainty as to their future employment with us, we offer certain post-employment payments and benefits to our executive officers, including the Named Executive Officers, upon the occurrence of certain specified events.

A more detailed discussion of the retirement plans and severance and change in control arrangements are discussed under **Other Benefit Plans** and **Employment Agreements and Potential Payments Upon Termination or Change in Control** below.

Table of Contents

Perquisites and Other Personal Benefits

We do not currently provide our executive officers, including the Named Executive Officers, with perquisites or other personal benefits including vehicle allowances except for tuition reimbursement to the CEO. These are disclosed in the 2014 Summary Compensation Table set forth below. We do not provide tax reimbursement or any other tax payments to any of our executive officers other than those pursuant to our standard relocation practices.

Other Compensation Policies

In addition to the other components of our executive compensation program, we maintain the compensation policies described below. These policies are consistent with evolving best practices.

Stock Ownership Guidelines

In fiscal year 2014, the Board of Directors approved target unrestricted common stock ownership guidelines for management, including Named Executive Officers, as follows: (i) the Chief Executive Officer must attain stock ownership equal to 300% of base salary within five years after eligibility under the LTIP; (ii) the other Named Executive Officers must attain stock ownership equal to 150% of base salary within five years after eligibility under the LTIP; and (iii) the other executive officers must attain stock ownership equal to 100% of base salary (until such time, 50% of all new stock grants, net of voluntary stock forfeitures, must be retained by the applicable executive officer). If any Named Executive Officer's target is not met within five years, 50% of such Named Executive Officer's payment under the STIP will be paid in common stock until the target is met. Prior to approval of such targets, the target was 250% of base salary in excess of \$100,000, to be attained within five years.

Policies on Hedging and Pledging

Under our Insider Trading Policy, all employees, including Named Executive Officers and members of our Board are prohibited in engagement in any hedging transactions with respect to our securities. Also under our Insider Trading Policy certain of our employees and consultants, including executive officers, and members of our Board are prohibited from pledging shares of our securities without first obtaining pre-clearance from our Compliance Officer.

Clawback Policy

In connection with any restatement of the Company's financial statements due to material noncompliance by the Company with any financial reporting requirements under applicable securities laws, it is the policy of the Board of Directors to require forfeiture by current and former executive officers of incentive-based compensation in accordance with applicable laws, rules and regulations.

Further, under the 2010 LTIP, an award of restricted stock or options may be cancelled or suspended under certain circumstances, including: (1) commission of fraud, embezzlement or a felony; (2) disclosure of confidential information or trade secrets; (3) termination for cause; (4) active engagement in a business that competes with the Company, a subsidiary or an affiliate; and (5) engaging in conduct that adversely affects the Company, a subsidiary or an affiliate.

Impact of Tax Policies

Deductibility of Executive Compensation

It is our policy to structure and administer our long-term incentive compensation plans for our Named Executive Officers to maximize the tax deductibility of the payments as performance-based compensation under Section 162(m) to the extent practicable. In 2014, all such performance-based compensation was deductible to the Company. The Committee may provide compensation that is not tax deductible to the Company if it determines that such action is appropriate.

Table of Contents**Compensation Committee Report**

The Compensation Committee has reviewed and discussed with management the Compensation Discussion and Analysis section of this Proxy Statement (the "CD&A") for the fiscal year ended June 30, 2014, which appears above. Based on the review and discussions referred to in the preceding sentence, the Compensation Committee recommended to the Board of Directors that the CD&A be included in this Proxy Statement and be incorporated by reference in the Company's Annual Report on Form 10-K for the fiscal year ended June 30, 2014.

Table of Contents**Other Benefit Plans*****401(k) Retirement Plan***

The Company maintains a 401(k) Plan that is available to substantially all U.S. employees of the Company. The Company matches 50% of each participant's voluntary contribution up to 6% of the participant's compensation and: (i) for contributions prior to January 1, 2011, a participant will vest ratably over a 5-year period in the matching contributions and (ii) for contributions as of and after January 1, 2011, the participant vests immediately in the matching contributions. At the election of the participant, both employer and employee contributions may be invested in any of the available investment options under the plan, which election options include the Company's common stock.

Qualified Defined Benefit Plan

The pension plan is a defined benefit plan covering substantially all U.S. employees of the Company that were eligible employees prior to the date that participation in the plan was frozen (described below). In fiscal year 2013, the Company made contributions to the pension plan in the aggregate amount of \$0.2 million in order to satisfy funding requirements. Effective April 1, 2009, the Company notified employees that it would freeze participation and the accrual of benefits in the plan. The Named Executive Officers are not participants in the Company's defined benefit plan because participation and the accrual of benefits were frozen as of April 1, 2009, prior to the time that they would have become eligible to participate.

Deferred Compensation Plans or Agreements

Effective January 1, 2014, the Company has established a Deferred Compensation Plan, as amended, which permits selected individuals to defer certain types of compensation (Eligible Pay Types). The plan applies to selected employees, members of the Board of Directors and members of committees established by the Board of Directors. The following chart lists the Eligible Pay Types from which participants can elect to defer compensation. The chart also summarizes what percentage of each Eligible Pay Type a participant can defer for each year.

Eligible Pay Type	Maximum Deferral Percentage
Base Salary	80%
Annual Bonus	80%
Annual Commissions	80%
Director Fees	100%
401(k) Refund	100%
Restricted Stock Units	100%

Once an individual is permitted to participate in the plan, the individual is permitted to elect how much, if any, of the Eligible Pay Types listed above will be deferred. Deferrals are only made prospectively. As amounts are deferred, participants may direct how those deferred amounts are invested. The investment choices are substantially similar to those options available under the 401(k) plan.

The plan may, but is not required to, purchase life insurance to fund the deferred compensation. The life insurance would have a cash value that could be used to pay benefits that otherwise would come out of the Company's general assets. If life insurance is obtained, it would be used to provide the compensation participants would receive on a future date. The investment choices are not altered by the purchase or failure to purchase a life insurance policy.

The amounts deferred under the plan remain subject to the general claims of creditors of the Company. In general, the Company tracks the amounts deferred and the investments directed by participants for accounting purposes and is not required to put aside assets or actually make the selected investment.

Employment Agreements and Potential Payments upon Termination or Change in Control

In June 2012 and August 2012, the Board of Directors, upon recommendation of the Compensation Committee, authorized management to review and amend the employment agreements of the Company executives reporting directly to the Chief Executive Officer and the General Managers of each of the Company's business units, including the Named Executive Officers, with respect to severance packages. Any such amendments could include the following, based on a review of the facts and circumstances of each such employee (including the applicable compensation package payable to the employee): (i) up to nine months' severance, (ii) certain COBRA costs, and (iii) outplacement program support not to exceed \$25,000 (all subject to the individual executing an appropriate and comprehensive release, including non-disparagement, non-compete, and non-solicitation). The amended severance packages for the Named Executive Officers (other than the Chief Executive Officer, whose severance package was not amended) are included in the description of their employment agreements below, which amended packages also include severance upon a change in control if the Named Executive Officer is terminated within a year after a change in control.

The following is a brief summary of employment agreements of Named Executive Officers and potential payments upon termination or change in control:

Cary B. Wood

Mr. Wood's current employment agreement remains effective until October 31, 2014. On June 30, 2014 a new employment agreement, effective October 31, 2014, was entered into between the Company and Mr. Wood.

2011 Employment Agreement

On August 24, 2011 the Company entered into an employment agreement with Mr. Wood whereby Mr. Wood will continue to serve as the President and Chief Executive Officer of the Company. Mr. Wood's employment agreement provides for a three year term commencing on October 31, 2011. Under the terms of the employment agreement, Mr. Wood receives an annual base salary of \$465,000. In addition, Mr. Wood is eligible to receive an annual bonus to the same extent and on the same terms that such a bonus is generally provided by the Company from time to time to the Company's other officers, but commensurate with his position and with annual threshold, target and maximum payment opportunities of not less than 42.5%, 85% and 170% of base salary, respectively. Mr. Wood is entitled to employee benefits no less favorable than those generally provided to other executives of the Company, including but not limited to nineteen days paid vacation, health, disability and life insurance, and participation in the Company's 401(k) plan. Mr. Wood is eligible for awards under the Company's long-term incentive program to the same extent and on the same terms as those awards are generally provided by the Company from time to time to its other officers, as determined by the Compensation Committee of the Board of Directors, but commensurate with his position with the Company. The compensation payable to Mr. Wood under the employment agreement is subject to recovery (i.e., clawback) pursuant to policies established by the Board of Directors of the Company and consistent with applicable federal laws.

Upon termination by the Company of Mr. Wood's employment without Cause (defined below) or upon termination by Mr. Wood for Good Reason (defined below), Mr. Wood would be entitled to receive: (i) payment of base salary for eighteen months after such termination (payable monthly), (ii) his performance bonus for the applicable period, subject to pro rata reduction for the applicable portion of the performance period, if his employment is terminated prior to the last day of an annual performance period relating to a performance bonus and at least six months after the first day of the annual performance period, and (iii) payment of premiums for up to eighteen months of COBRA continuation coverage for Mr. Wood and his dependents. The Company's failure to offer to extend the term of the employment agreement for at least one year on substantially the same terms at least sixty days before the end of the term will be deemed a termination without Cause and Mr. Wood would be

Table of Contents

entitled to the foregoing payments. The Company's obligation to make the foregoing payments is subject to Mr. Wood's execution of a full release of claims related to his employment with the Company and/or his termination or resignation (other than his right to indemnification under the employment agreement for losses in connection with his employment by the Company and/or service as an officer or director of the Company). The Company's obligation to continue to make payments under (i) and (iii) of this paragraph are subject to Mr. Wood's assistance with certain claims and compliance with his agreements regarding confidentiality, non-disparagement, non-competition and non-solicitation (described below).

Cause means: (i) Mr. Wood's failure or refusal to materially perform his duties and responsibilities, or the failure of Mr. Wood to devote substantially all of his business time and attention exclusively to the business and affairs of the Company in accordance with the terms of the employment agreement; (ii) the willful misappropriation of the funds or property of the Company; (iii) use of alcohol, to the extent that such use interferes with the performance of Mr. Wood's obligations under this Agreement, continuing after written warning, or use of illegal drugs, with or without previous warning; (iv) conviction of, or plea of guilty or no contest, to a felony or of any crime involving moral turpitude, dishonesty, theft, unethical or unlawful conduct; (v) a material breach by Mr. Wood of the employment agreement or any other written agreement between Mr. Wood and the Company; (vi) a material failure by Mr. Wood to comply with the Company's written policies or rules adopted by the Board or an authorized committee thereof; or (vii) the commission by Mr. Wood of any willful or intentional act which could reasonably be expected to injure the reputation, business or business relationships of the Company or which could reasonably be expected to bring Mr. Wood or the Company into disrepute, or the commission of any act which is a breach of Mr. Wood's fiduciary duties to the Company. For any termination pursuant to (i), (v), or (vi) above, the Company must first give written notice of the breach to Mr. Wood, and if the breach is susceptible to a cure, the Company must give Mr. Wood a reasonable opportunity to promptly (within 30 days) cure the breach.

Good Reason means (1) a material change by the Company in Mr. Wood's authority, duties or responsibilities which would cause Mr. Wood's position with the Company to become of materially less responsibility and importance; including but not limited to the removal of Mr. Wood from his position as President and/or Chief Executive Officer, or his removal from the Board, or, (2) the Company otherwise materially breaches this Agreement, provided that (a) Mr. Wood must provide written notice to the Company of the Good Reason no more than ninety days after the initial existence of the Good Reason, and (b) the Company is afforded thirty days to remedy the material change or breach, and (c) Mr. Wood terminates within one-hundred-fifty days following the initial existence of any Good Reason. Notwithstanding, the occurrence of the events described in clauses (i) and (ii) below will not constitute a material breach of the employment agreement and will not constitute a material change by the Company in Mr. Wood's authority, duties or responsibilities which would cause Mr. Wood's position with the Company to become of materially less responsibility and importance: (i) responsibility for one or more of the Company's or its affiliates' operations is delegated to a person or persons (each, a Delegate Officer) by the Board or the Chief Executive Officer, regardless of whether Mr. Wood at one time performed some or all of the job responsibilities assigned to such Delegate Officer, provided that such Delegate Officer reports, directly or indirectly, to Mr. Wood, and (ii) the size of the Company including its affiliates changes.

Mr. Wood may voluntarily terminate his employment at any time and for any reason with at least thirty days written notice to the Company (provided that the Company may accelerate the date of termination under such circumstances). Upon such voluntary termination without Good Reason or a termination by the Company of Mr. Wood for Cause, Mr. Wood would only be entitled to receive his base salary through the date of termination. Upon Mr. Wood's termination or resignation, all rights to unvested stock, options or incentive grants and bonuses will be forfeited except as otherwise provided in the employment agreement or applicable award agreement or plan.

Mr. Wood's agreement contains standard confidentiality and non-disparagement provisions for the benefit of the Company. Mr. Wood is restricted from competing with the Company or soliciting employees, customers or suppliers during the term of the agreement and for a period of eighteen months thereafter.

2014 Employment Agreement

The 2014 employment agreement was signed on June 30, 2014 and is effective October 31, 2014. Except for the effective date and the two provisions described in this paragraph, the terms of the 2011 employment agreement summarized above remain in effect in the 2014 employment agreement. First, Mr. Wood's base salary will be increased to \$575,000. Second, the definition of "Good Reason" was revised to include if Mr. Wood ceases to be the Company's principal executive officer for proxy reporting purposes during any period the Company is required to file a proxy statement under federal securities law.

Mark Schlei

Effective November 8, 2012, the Company entered into an employment agreement with Mark Schlei. Mr. Schlei's employment with the Company terminated on September 11, 2014 and his employment agreement terminated as of such date. The agreement currently provides for: (i) at-will employment, (ii) a current annual base salary of \$278,100, subject to annual review by the Chief Executive Officer, (iii) eligibility for a performance bonus of 40% of Mr. Schlei's annual salary provided that certain target objectives set by the Chief Executive Officer are attained, (iv) eligibility for participation in the LTIP, (v) a grant of 15,000 shares of restricted common stock under the LTIP, (vi) eligibility for participation in the Company's employee benefit plans that are offered to salaried employees including, without limitation, health insurance, disability, participation in the Company's 401(k) plan and any applicable incentive program, (vii) certain severance detailed below, and (viii) covenants not to compete or solicit employees or customers for 18 months following termination or disclose proprietary information. The compensation payable to Mr. Schlei under the employment agreement is subject to recovery (i.e., clawback) pursuant to policies established by the Board of Directors of the Company and consistent with applicable federal laws.

If Mr. Schlei's employment is terminated for any reason other than "just cause" (as defined below), death or disability, or if his employment is involuntary terminated within twelve months of a Change in Control (as defined below), his employment agreement provides that the Company will pay Mr. Schlei severance equal to nine months' salary (or twelve months' salary in connection with a Change in Control), payable over a period of nine months (or twelve months in connection with Change in Control) as a part of the Company's standard payroll, nine months of COBRA premiums (or twelve months in connection with a Change in Control), and outplacement services in an amount not to exceed \$25,000, subject to Mr. Schlei's delivery of a signed release of claims and the return of all property in Mr. Schlei's possession or control that belongs to the Company.

Under Mr. Schlei's employment agreement, "just cause" means any of the following: (i) gross negligence; (ii) the commission of any willful or intentional act which could reasonably be expected to injure the reputation, business, or business relationships of the Company or which could reasonably be expected to bring Mr. Schlei or the Company into disrepute, or the commission of any act which is a breach of Mr. Schlei's fiduciary duties to the Company; (iii) conviction or commission or the entry of a guilty plea or pleas of no contest to any felony, or to any other crime involving moral turpitude, dishonesty, theft, unethical or unlawful conduct; (iv) breach of applicable confidentiality, non-solicitation or non-competition provisions; (v) unsatisfactory performance; (vi) breach of any material provision of the Company's Code of Business Conduct and Ethics or other policies and procedures; (vii) use of alcohol or drugs to the extent such use adversely affects his ability to perform his duties or adversely affects the business reputation of Mr. Schlei or the Company; (viii) use of illegal drugs; or (ix) failure or refusal to substantially perform his duties and responsibilities to the Company.

Under Mr. Schlei's employment agreement, "Change in Control" means: (i) any one person, or more than one person acting as a group, acquires ownership of stock of the Company that, together with stock held by such person or group, constitutes more than fifty percent of the total fair market value or total voting power of the stock of the Company; (ii) any one person, or more than one person acting as a group, acquires (or has acquired during any twelve month period) ownership of stock of the Company possessing thirty percent or more of the total voting power of the stock of the Company; (iii) a majority of the members of the Board of Directors is replaced during any twelve month period by directors whose appointment is not endorsed by a majority of the members of the Board of Directors before the date of appointment or election; or (iv) any one person, or more than one person acting as group, acquires (or has acquired during any twelve month period) assets from the

Table of Contents**Donald Pearson**

Effective September 15, 2014, the Company entered into an employment agreement with Donald Pearson, who will serve as the company's Chief Financial Officer.

The employment agreement is for at-will employment without a set term. Under the terms of the employment agreement, the Company will pay Mr. Pearson an annual base salary of \$380,000. In addition, Mr. Pearson is eligible to receive an annual bonus of not less than 60% of his annual salary, based upon the STIP program, provided certain target objectives have been attained. Mr. Pearson's employment may be terminated: (i) by the Company or Mr. Pearson at any time for any reason; (ii) by the Company for just cause (as defined below); (iii) by Mr. Pearson for good reason (as defined below); and (iv) by the Company upon the death or disability of Mr. Pearson. Just cause means any of the following: (a) gross negligence; (b) the commission by Mr. Pearson of any willful or intentional act which could reasonably be expected to injure the reputation, business or business relationships of the Corporation or which could reasonably be expected to bring Mr. Pearson or the Corporation into disrepute, or the commission of any act which is a breach of Mr. Pearson's fiduciary duties to the Corporation; (c) conviction or commission of or the entry of a guilty plea or pleas of no contest to any felony, or to any other crime involving moral turpitude, dishonesty, theft, unethical or unlawful conduct; (d) breach of applicable confidentiality, nonsolicitation or noncompetition provisions to which he is subject, including such provisions under this Agreement; (e) a breach of any material provision of the Corporation's Code of Business Conduct and Ethics or other policies and procedures; (f) use of alcohol or drugs to the extent such use adversely affects Mr. Pearson's ability to perform his duties or adversely affects the business reputation of Mr. Pearson or the Corporation; (g) use of illegal drugs; or (h) failure or refusal to substantially perform Executive's duties and responsibilities to the Corporation as reasonably determined from time to time by the CEO. Good reason means the occurrence of any of the following: (a) a material change in Mr. Pearson's authority, duties or responsibilities (other than temporarily while disabled or otherwise incapacitated) which would cause Mr. Pearson's position to become of materially less responsibility and importance, including, but not limited to, the removal of Mr. Pearson from his position as CFO, or Mr. Pearson ceases to be a principal financial officer for proxy reporting purposes during any period in which the Corporation is required to file a proxy under the federal securities laws; or (b) the Corporation otherwise materially breaches this Agreement, provided that (i) Mr. Pearson shall provide written notice to the Corporation of the good reason in (a) or (b) above no more than ninety (90) days after the initial existence of the good reason, and (ii) the Corporation is afforded thirty (30) days to remedy the material change or breach, and (iii) if the Corporation fails to cure, Mr. Pearson terminates within one-hundred-fifty (150) days following the initial existence of any good reason. If the Company terminates Mr. Pearson's employment for any reason other than just cause, death, or disability, or if Mr. Pearson terminates his employment for good reason, the Company will: (i) pay Mr. Pearson the bonus described in the preceding sentence if the termination is after the end of a performance period and prior to payment of a performance bonus; (ii) pay Mr. Pearson severance in an amount equal to twelve (12) months of his current salary; (iii) if Mr. Pearson's date of termination occurs prior to the last day of an annual performance period relating to a performance bonus and at least six months after the first day of such annual performance period, pay Mr. Pearson such bonus amount, subject to pro rata reduction for the portion of the performance period following the date of termination; (iv) pay Mr. Pearson twelve (12) months of COBRA premiums for medical insurance for Mr. Pearson and/or his dependents if he so elects; and (v) pay for outplacement services for Mr. Pearson in an amount not to exceed \$25,000. In order to receive such benefits Mr. Pearson must enter into a customary separation and release agreement.

Pursuant to the terms of the employment agreement, Mr. Pearson will be eligible to participate in the 2010 LTIP with an annual grant target award of \$400,000. - (1) The restricted stock awards awarded to date under the 2010 LTIP, including the awards to the Named Executive Officers in fiscal years 2010, 2012, 2013 and 2014, provide that the awards automatically become fully vested upon a Change in Control. Under the 2010 LTIP,

Table of Contents

upon termination of employment (as determined under criteria established by the Compensation Committee, including upon death or disability) or upon a Change in Control, the Compensation Committee may in its discretion waive any remaining restrictions applicable to any of the restricted stock issued to the Named Executive Officers. Under the 2010 LTIP, Change in Control means: (i) any one person, or more than one person acting as a group, acquires ownership of stock of the Company that, together with stock held by such person or group, constitutes more than fifty percent of the total fair market value or total voting power of the stock of the Company; (ii) any one person, or more than one person acting as a group, acquires (or has acquired during any twelve month period) ownership of stock of the company possessing thirty percent or more of the total voting power of the stock of the Company; (iii) a majority of the members of the Board of Directors is replaced during any twelve month period by directors whose appointment is not endorsed by a majority of the members of the Board of Directors before the date of appointment or election; or (iv) any one person, or more than one person acting as a group, acquires (or has acquired during any twelve month period) assets from the Company that have a total gross fair market value equal to or more than forty percent of the total gross fair market value of all of the assets of the Company immediately before such acquisition or acquisitions.

Under the 2001 SIP, restricted stock and stock options awarded vest and cease to be restricted in connection with a Change in Control (as defined under the 2001 SIP, see below), unless provisions are made in connection with the Change in Control for the continuance of the 2001 SIP and the assumption of or the substitution for the award covering the stock of a successor employer corporation, or a parent or subsidiary thereof, with appropriate adjustments as to the number and kind of shares and prices. Change in Control under the 2001 SIP means the first to occur of any one of the following events: (i) any person, as such term is used in Sections 13(d) and 14(d)(2) of the Exchange Act, other than the Company or a subsidiary, or a trustee of an employee benefit plan sponsored solely by the Company or a subsidiary is or becomes, other than by purchase from the Company, the beneficial owner (as such term is defined in Rule 13d-3 under the Act), directly or indirectly, of shares of common stock or other securities of the Company representing twenty percent or more of the combined voting power of the Company's then outstanding voting securities, excluding any such beneficial holders as of the effective date of the 2001 SIP, (ii) during any period of two consecutive years, individuals who at the beginning of such period were members of the Board of Directors cease for any reason to constitute at least a majority of the Board of Directors, unless each new director was nominated or elected by a vote of at least two-thirds of the directors then still in office who were directors at the beginning of the period, or (iii) any other event or series of events which, notwithstanding any provision of the 2001 SIP, is determined by the Board of Directors to constitute a Change in Control of the Company for purposes of the 2001 SIP.

The amounts reflect acceleration of vesting of all restricted stock awards of the Named Executive Officers under the 2001 SIP and the 2010 LTIP upon a Change in Control. The values are based on the closing market price of the Company's common stock as of June 30, 2014, being \$27.74 per share.

- (2) The potential payments to Mr. Wood are payable upon termination by the Company without Cause or upon resignation by Mr. Wood for Good Reason, as such terms are defined above under the description of Mr. Wood's employment agreement on page 46. The amount includes: (i) monthly salary payable for eighteen months after termination; (ii) a pro rata performance bonus at target (which is payable only if Mr. Wood is terminated or resigns prior to the last day of the annual performance period and at least six months after the first day of such annual performance period); and (iii) payment of COBRA premiums for up to eighteen months.
- (3) The potential payment to Messrs. Schlei, Madlock, Osborne and Korwin are only payable if the Company terminates employment for any reason other than just cause (as such term is defined above under the respective description of their employment agreements at pages 48, 49, 50 and 51), death or disability. The amount includes nine months' salary payable over nine months as part of the Company standard payroll (twelve months for a Change in Control), nine months of COBRA premiums (twelve months for a Change in Control), and up to \$25,000 for outplacement services. Mr. Schlei's employment with the Company terminated on September 11, 2014.

Target Stock Ownership for Management

In fiscal year 2015, the Board of Directors approved target unrestricted common stock ownership guidelines for management, including Named Executive Officers, as follows: (i) the Chief Executive Officer must attain stock ownership equal to 300% of base salary within five years after eligibility under the LTIP; (ii) the other Named Executive Officers must attain stock ownership equal to 150% of base salary within five years after eligibility under the LTIP; and (iii) the other executive officers must attain stock ownership equal to 100% of base salary (until such time, 50% of all new stock grants, net of voluntary stock forfeitures, must be retained by the applicable executive officer). If any Named Executive Officer's target is not met within five years, 50% of such Named Executive Officer's payment under the STIP will be paid in common stock until the target is met. Prior to approval of such targets, the target was 250% of base salary in excess of \$100,000 to be attained within five

years. The stock ownership guidelines for our Named Executive Officers and their actual ownership levels as of June 30, 2014 under the guidelines in effect prior to June 2014 are set forth in the graph below:

Monitoring Risks Related to Compensation Policies and Practices

Our Compensation Committee and our Board believes that our compensation programs are appropriately designed to attract and retain talent and properly incentivize our employees. We have compared our compensation policies and programs to those of other similar companies in making our determination. Our Compensation Committee and Board are aware that if the programs are not carefully designed, the programs could incentivize executives to take imprudent business risks. Although our programs are generally based on pay-for-performance and provide incentive-based compensation, our programs also include mitigation factors to help ensure that our employees and executives are not incentivized to take risks that could adversely affect our business. We believe that the following features of our compensation program help to mitigate risks:

Oversight by the Compensation Committee and the Board and frequent reporting on compensation matters by management to the Compensation Committee and the Board;

A large portion of each employee's compensation is base salary, so we do not believe our employees are dependent on achieving high incentive compensation to satisfy their basic financial needs (see page 40 under *Allocation of Compensation Components* for the percentages that each element of compensation bears to total compensation);

Careful consideration of plan targets and final payout amounts with targets focusing on reportable financial metrics;

Significant ownership goals by key executives in our common stock;

Inclusion of both short-term (such as incentive pay based upon the profitability and financial health of the Company) and long-term goals (such as using restricted stock and vesting over time based upon achieving specific performance goals);

Providing for a mixture of both cash and equity-based compensation;

The short-term incentive opportunities under the STIP are capped at two times the applicable target;

The measures for both the short-term and long-term incentive plans are aligned with achievable operating and strategic plans for the Company, and the payouts at threshold, target and maximum are at reasonable

Table of Contents

levels such that management is not incentivized to achieve short-term goals that are adverse to the long-term well-being of the Company;

The long-term incentive opportunities under the Company's LTIP are based upon achieving specific measurable performance goals over time (i.e., the participants do not receive the benefit of the awards simply by virtue of employment with the Company);

We have adopted a clawback policy in accordance with applicable laws and regulations (see a description under *Clawback Policy*, on page 41).

After review of our various compensation policies and programs, the Company does not believe that its compensation policies and practices create risks that are reasonably likely to have a material adverse effect on the Company.

Director Compensation

General

At the beginning of fiscal 2014, total annual compensation payable to the independent directors was as follows: (i) to the independent directors other than the Chairman, \$45,000, being \$17,500 in cash payable quarterly and \$27,500 as an annual stock grant; (ii) to the Chairman, \$80,000, being \$43,500 in cash payable quarterly and \$36,500 as an annual stock grant.

In addition, directors serving on Board committees are paid \$900 for each regularly scheduled committee meeting, other than the Audit Committee, for which each member is paid \$1,100 for each regularly scheduled meeting. The higher Audit Committee fees reflect the additional time the committee spends on Company matters. An annual retainer in the amount of \$10,000, \$6,000 and \$6,000 is paid in quarterly installments to the Chairman of each of the Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee, respectively.

The Nominating & Corporate Governance Committee recommended and, on August 21, 2013, the Board approved, an increase in director compensation effective November 14, 2013, as follows: (i) to the independent directors other than the Chairman, \$70,000, being \$30,000 in cash payable quarterly and \$40,000 as an annual stock grant; (ii) to the Chairman, \$130,000, being \$65,000 in cash payable quarterly and \$65,000 as an annual stock grant. The increases in director compensation were based on the Committee's review of data published by the National Association of Corporate Directors (NACD) regarding director compensation.

The Nominating & Corporate Governance Committee recommended and, on August 20, 2014, the Board approved, an increase in director compensation effective October 23, 2014, as follows: (i) to the independent directors other than the Chairman, \$85,000, being \$40,000 in cash payable quarterly and \$45,000 as an annual stock grant; (ii) to the Chairman, \$140,000, being \$70,000 in cash payable quarterly and \$70,000 as an annual stock grant. The increases in director compensation were based on the Committee's review of data published by the NACD regarding director compensation and were instituted to bring the compensation paid to directors in line with the NACD statistics.

The number of shares of stock granted pursuant to the annual stock grant to independent directors is determined based on fair market value two (2) days after the later of: (i) the date of the annual shareholder meeting and (ii) the date of the earnings release for the first quarter. The annual stock grants for fiscal year 2013 were granted under the 2010 LTIP and are described in the *Director Compensation* table below.

Target Stock Ownership for Directors

In addition to the compensation described above, under guidelines approved by the Board, the directors are required to achieve a Company common stock ownership target, within five years, of a market value of three times the annual board retainer (consisting of cash and the value of stock grants). The target ownership includes shares paid as a portion of the Board retainer. All of our directors have achieved the target.

SUMMARY OF CERTAIN TERMS OF THE

SPARTON CORPORATION 2010 LONG-TERM STOCK INCENTIVE PLAN

The following summarizes the material features of the 2010 LTIP, other than those described under Proposal 5, above, and is qualified in its entirety by reference to the full text of the 2010 LTIP, which attached to this Proxy Statement as Appendix C.

Plan Benefits

Because awards under the 2010 LTIP are discretionary, no future awards are determinable at this time.

Market Value of Common Stock

On September 12, 2014, the latest practicable date the information was available prior to the printing and mailing of this Proxy Statement, the closing price of a share of the Company's common stock on the NYSE was \$26.79.

Administration of the 2010 LTIP

The 2010 LTIP is administered by the Compensation Committee of the Board of Directors, or such other committee of members of the Board of Directors as the Board may designate from time to time. The Compensation Committee is required to have at least two members who qualify as non-employee directors.

The Compensation Committee is authorized to (a) construe and interpret the 2010 LTIP, the rules and regulations under the 2010 LTIP, and all grants under the 2010 LTIP, (b) adopt, amend and rescind rules and procedures relating to the administration of the 2010 LTIP as, in its opinion, may be advisable in the administration of the 2010 LTIP, and (c) except as provided in the 2010 LTIP, make all other determinations deemed necessary or advisable under the 2010 LTIP. The Compensation Committee may, except to the extent prohibited by applicable law or the listing standards of the NYSE, allocate all or any portion of its responsibilities and powers to any one or more of its members or to any other person or persons selected by it, including, without limitation, the Company's Chief Executive Officer. However, the Compensation Committee may not delegate its responsibilities and powers if such delegation would cause an award made to an individual subject to Section 16 of the Exchange Act not to qualify for an exemption from Section 16(b) of the Exchange Act. In addition, it may not delegate its authority with respect to qualified performance-based grants, except to the extent permitted by the performance exception under Section 162(m) of the Code discussed above under Proposal 5.

Amounts of Options

Because options under the 2010 LTIP are discretionary, no future specific grants are determinable at this time.

Cancellation or Suspension of Awards

The Compensation Committee may cancel all or any portion of any award, whether or not vested or deferred, as set forth below. Upon cancellation, the award recipient shall forfeit the award and any benefits attributable to such canceled award or portion thereof. The Compensation Committee may cancel an award if, in its sole discretion, the Compensation Committee determines in good faith that the award recipient has done any of the following: (i) committed a felony; (ii) committed fraud; (iii) embezzled; (iv) disclosed confidential

Table of Contents

information or trade secrets; (v) was terminated for cause; (vi) engaged in any activity in competition with the business of the Company or any subsidiary or affiliate of the Company; or (vii) engaged in conduct that adversely affected the Company. The Director Corporate Human Resources, or such other person designated from time to time by the Chief Executive Officer of the Company, shall have the power and authority to suspend all or any portion of any award if that delegate makes in good faith the determination described in the preceding sentence. Any such suspension of an award shall remain in effect until the suspension shall be presented to and acted on by the Compensation Committee at its next meeting.

Transferability of Awards

Awards under the 2010 LTIP will be non-transferable except by will or pursuant to the laws of intestacy.

Termination and Amendment of the Plan

The Compensation Committee or the Board of Directors may amend, alter, or discontinue the 2010 LTIP, but no amendment, alteration or discontinuation shall be made which would materially impair the rights of an award recipient with respect to a previously granted award without such award recipient's consent, except such an amendment made to comply with applicable law, including, without limitation, Section 409A of the Code, stock exchange rules or accounting rules. In addition, no such amendment shall be made without the approval of the Company's shareholders to the extent such approval is required by applicable law or the listing standards of the applicable stock exchange. The Compensation Committee may unilaterally amend the terms of any award previously granted, but no such amendment shall cause a qualified performance-based award to cease to qualify for the exemption under Section 162(m) of the Code or, without the award recipient's consent, materially impair the rights of any award recipient with respect to an award, except such an amendment made to cause the 2010 LTIP or award to comply with applicable law, stock exchange rules or accounting rules.

Tax Withholding

Participants are required to pay to the Company, or make arrangements satisfactory to the Company regarding the payment of, any taxes that are required to be withheld with respect to grants under the 2010 LTIP. Unless otherwise determined by the Company, the legally required minimum withholding obligations may be settled with shares of the Company's common stock, including shares that are part of the grant that gives rise to the withholding requirement.

Summary of Federal Income Tax Consequences

A summary of the federal income tax consequences to individuals who receive stock options under the 2010 LTIP, and to the Company as a consequence of granting options, is set forth below. The discussion is based upon interpretations of the relevant tax laws in effect as of September 2014. The Company does not intend for the summary to constitute tax advice to any recipient of an award under the 2010 LTIP or to any other person. Each individual should seek tax advice with respect to the consequences of participating in the 2010 LTIP from his or her personal tax advisor.

Non-qualified Stock Options

An award recipient will not be subject to tax at the time a non-qualified stock option is granted, and no tax deduction is then available to the Company. Upon the exercise of a non-qualified stock option, an amount equal to the difference between the exercise price and the fair market value of the shares acquired on the date of exercise will be included in the holder's ordinary income, and the Company will generally be entitled to deduct the same amount. Upon disposition of shares acquired upon exercise, appreciation or depreciation after the date of exercise will generally be treated by the award recipient as either capital gain or capital loss.

Table of Contents

Incentive Stock Options (ISOs)

An award recipient will not be subject to regular income tax at the time an ISO is granted or exercised, and no tax deduction is then available to the Company; however, the recipient may be subject to the alternative minimum tax on the excess of the fair market value of the shares received upon exercise of the ISO over the exercise price. Upon disposition of the shares acquired upon exercise of an ISO, capital gain or capital loss will generally be recognized in an amount equal to the difference between the sale price and the exercise price, as long as the recipient has not disposed of the shares within two years after the date of grant or within one year after the date of exercise and has been employed by the Company at all times from the grant date until the date three months before the date of exercise (one year in the case of permanent disability). If the recipient disposes of the shares without satisfying both the holding period and employment requirements, the recipient will recognize ordinary income at the time of the disposition equal to the excess of the amount realized over the exercise price but, in the case of a failure to satisfy the holding period requirement, not more than the excess of the fair market value of the shares on the date the ISO is exercised over the exercise price, with any remaining gain or loss being treated as capital. The Company is not entitled to a tax deduction upon either the exercise of an ISO or upon disposition of the shares acquired pursuant to such exercise, except to the extent that the recipient recognizes ordinary income on disposition of the shares.

Tax Law Affecting Deferred Compensation

It is the current intention of the Company that no grants under the 2010 LTIP will be subject to Section 409A of the Code. However, any such grant that is made by the Company will comply in all respects with Section 409A of the Code.

Effective Date

The 2010 LTIP was effective as of October 28, 2009, the date it was approved by the shareholders. It will terminate on the tenth (10th) anniversary of that date, unless earlier terminated in accordance with its provisions. Awards outstanding as of the date of termination of the 2010 LTIP shall not be affected or impaired by the termination.

SECTION 3

STOCK SUBJECT TO THE PLAN

A. Plan Maximums. The maximum number of Shares that may be delivered pursuant to Awards under the Plan shall be One Million (1,000,000). Shares subject to an Award under the Plan may be authorized and unissued Shares or treasury Shares.

B. Rules for Calculating Shares Delivered. Any Shares covered by an Award that has been granted shall be counted as used under the Plan as of the Date of Grant. To the extent that any Award is forfeited, or any Option or Stock Appreciation Right terminates, expires or lapses without being exercised, the Shares subject to such Awards not delivered as a result thereof shall again be available for Awards under the Plan. The following Shares, however, may not again be made available for issuance in respect of Awards under this Plan: (i) Shares not issued or delivered as a result of the net settlement of an outstanding Stock Appreciation Right; (ii) Shares used to pay the exercise price or withholding taxes related to an outstanding Award; or (iii) Shares repurchased by the Corporation on the open market with the proceeds of an Option exercise price to settle an Option.

C. Adjustment Provision. In the event of (i) a stock dividend, stock split, reverse stock split, share combination, or recapitalization or similar event affecting the capital structure of the Corporation (each, a Share Change), or (ii) a merger, consolidation, acquisition of property or shares, separation, spinoff, reorganization, stock rights offering, liquidation, Disaffiliation, or similar event affecting the Corporation or any of its Subsidiaries (each, a Corporate Transaction), the Committee or the Board shall make appropriate substitutions or adjustments to (A) the aggregate number and kind of Shares or other securities reserved for issuance and delivery under the Plan, (B) the maximum limitation set forth in Section 3(A) upon certain types of Awards and upon the grants to individuals of certain types of Awards, (C) the number and kind of Shares or other securities subject to outstanding Awards, and (D) the exercise price of outstanding Options and Stock Appreciation Rights, provided that the aggregate exercise price or aggregate grant price of the Options or Stock Appreciation Rights is not less than the aggregate exercise price or aggregate grant price before the Corporate Transaction. In the case of Corporate Transactions, such adjustments may include, without limitation, (1) the cancellation of outstanding Awards in exchange for payments of cash, property or a combination thereof having an aggregate value equal to the value of such Awards, as determined by the Committee or the Board in its sole discretion (it being understood that in the case of a Corporate Transaction with respect to which stockholders of Common Stock receive consideration other than publicly traded equity securities of the ultimate surviving entity, any such determination by the Committee that the value of an Option or Stock Appreciation Right shall for this purpose be deemed to equal the excess, if any, of the value of the consideration being paid for each Share pursuant to such Corporate Transaction over the exercise price of such Option or Stock Appreciation Right shall conclusively be deemed valid); (2) the substitution of other property (including, without limitation, cash or other securities of the Corporation and securities of entities other than the Corporation) for the Shares subject to outstanding Awards; and (3) in connection with any Disaffiliation, arranging for the assumption of Awards, or replacement of Awards with new awards based on other property or other securities (including, without limitation, other securities of the Corporation and securities of entities other than the Corporation), by the affected Subsidiary, Affiliate, or division or by the entity that controls such Subsidiary, Affiliate, or division following such Disaffiliation (as well as any corresponding adjustments to Awards that remain based upon Corporation securities). Any such adjustments shall be made in a manner that (i) with respect to Awards that are not considered to be deferred

Table of Contents

compensation within the meaning of Section 409A of the Code as of immediately prior to such adjustment, would not cause such Awards to become deferred compensation subject to Section 409A of the Code and (ii) with respect to Awards that are considered deferred compensation within the meaning of Section 409A of the Code, would not cause such Awards to be non-compliant with the requirements of Section 409A of the Code.

SECTION 4

ADMINISTRATION

A. Committee. The Plan shall be administered by the Committee. In addition to any implied powers and duties that may be needed to carry out the provisions of the Plan, the Committee shall have all the powers vested in it by the terms of the Plan, including the following authority, with approval of the Board the Committee may: select Eligible Individuals; make Awards; and determine the type, size, terms and timing of Awards (which need not be uniform). The Committee may also accelerate the vesting of Awards, including upon the occurrence of a Change of Control of the Corporation or an Award Recipient's Termination of Employment; prescribe the form of the Award Agreement; modify, amend or adjust the terms and conditions of any Award, subject to Sections 7 and 10; adopt, alter and repeal such administrative rules, guidelines and practices governing the Plan as it shall from time to time deem advisable; interpret the terms and provisions of the Plan and any Award issued under the Plan (and any Award Agreement relating thereto); and make any other determinations it believes necessary or advisable in connection with the administration of the Plan; correct any defect, supply any omission or reconcile any inconsistency in the Plan or in any Award Agreement; establish any blackout period that the Committee in its sole discretion deems necessary or advisable; and otherwise administer the Plan.

B. Procedures. Determinations of the Committee shall be made by a majority vote of its members at a meeting at which a quorum is present or pursuant to a unanimous written consent of its members. A majority of the members of the Committee shall constitute a quorum. Subject to Section 7(D), any authority granted to the Committee may also be exercised by the full Board. To the extent that any permitted action taken by the Board conflicts with action taken by the Committee, the Board action shall control. The Committee may authorize any one or more of its members, or any officer of the Corporation, to execute and deliver documents on behalf of the Committee.

Except to the extent prohibited by applicable law or the applicable rules of a stock exchange, the Committee may (i) allocate all or any portion of its responsibilities and powers to any one or more of its members and/or (ii) delegate all or any part of its responsibilities and powers to any person or persons selected by it, provided that, the Committee may not delegate its responsibilities and powers if such delegation would cause an Award made to an individual subject to Section 16 of the Exchange Act not to qualify for an exemption from Section 16(b) of the Exchange Act or cause an Award intended to be a Qualified Performance-Based Award not to qualify for, or to cease to qualify for, the Section 162(m) Exemption. Any such allocation or delegation may be revoked by the Committee at any time.

All decisions made by the Committee (or any person or persons to whom the Committee has allocated or delegated all or any portion of its responsibilities and powers in accordance with this Plan) shall be final and binding on all persons, including the Corporation, its Affiliates, Subsidiaries, stockholders, Eligible Individuals, Award Recipients, Beneficiaries and other interested parties.

C. Discretion of the Committee. Subject to Section 6(G), any determination made by the Committee or by an appropriately delegated officer pursuant to delegated authority under the provisions of the Plan with respect to any Award shall be made in the sole discretion of the Committee or such delegate at the time of the grant of the Award or, unless in contravention of any express term of the Plan, at any time thereafter. All decisions made by the Committee or any appropriately delegated officer pursuant to the provisions of the Plan shall be final and binding on all persons, including the Corporation, Award Recipients and Eligible Individuals.

Table of Contents

D. Cancellation or Suspension of Awards. The Committee may cancel all or any portion of any Award, whether or not vested or deferred, as set forth below in this Section 4(D). Upon cancellation, the Award Recipient shall forfeit the Award and any benefits attributable to such canceled Award or portion thereof. The Committee may cancel an Award if, in its sole discretion, the Committee determines in good faith that the Award Recipient has done any of the following: (i) committed a felony; (ii) committed fraud; (iii) embezzled; (iv) disclosed confidential information or trade secrets; (v) was terminated for Cause; (vi) engaged in any activity in competition with the business of the Corporation or any Subsidiary or Affiliate of the Corporation; or (vii) engaged in conduct that adversely affected the Corporation. The Director Corporate Human Resources, or such other person designated from time to time by the Chief Executive Officer of the Corporation (the Delegate), shall have the power and authority to suspend all or any portion of any Award if the Delegate makes in good faith the determination described in the preceding sentence. Any such suspension of an Award shall remain in effect until the suspension shall be presented to and acted on by the Committee at its next meeting.

SECTION 5

ELIGIBILITY

Awards may only be made to Eligible Individuals.

SECTION 6

AWARDS

A. Options. The Committee may grant Options to Eligible Individuals in accordance with the provisions of this subsection subject to such additional terms and conditions, not inconsistent with the provisions of the Plan, as the Committee shall determine to be appropriate.

1. Exercise Price. The exercise price per Share of an Option shall be determined by the Committee; provided, however, that such exercise price shall not be less than 100% of the Fair Market Value of a Share on the Date of Grant of such Option, and such exercise price may not be decreased during the Term of the Option except pursuant to an adjustment in accordance with Section 3(C).

2. Option Term. The Term of each Option shall be fixed by the Committee and the maximum Term of each Option shall be ten (10) years.

The Committee shall determine the time or times at which an Option may be exercised, and the manner in which (including, without limitation, cash, Shares, other securities, other Awards or other property, or any combination thereof, having a Fair Market Value on the exercise date equal to the relevant exercise price) payment of the exercise price with respect thereto may be made, or deemed to have been made. The Committee may authorize the use of cashless exercise of an Option that is legally permissible.

4. Employment Status. Except as provided in paragraphs (a) through (d) below or as may otherwise be provided by the Committee (either at the time of grant of an Option or thereafter), an Award Recipient's Options and Stock Appreciation Rights shall be immediately forfeited upon his or her Termination of Employment.

a. Retirement. An Award Recipient's Retirement shall not affect any Option outstanding as of the Termination of Employment due to Retirement other than those granted in the calendar year of Retirement. All Options outstanding as of the Termination of Employment due to Retirement other than those granted in the calendar year of such Termination of Employment shall continue to vest pursuant to the vesting schedule applicable to such Options, and any vested Options outstanding as of

Table of Contents

the Termination of Employment due to Retirement (including any ISO held by an Award Recipient who is not Disabled) shall continue in full force and effect for the remainder of the Term of the Option. All Options granted in the calendar year of Termination of Employment due to Retirement that have not otherwise vested as of such termination shall terminate upon the date of Retirement.

b. Disability. Upon the cessation of the Award Recipient's employment or service as a director due to Disability, any Option held by such individual that was exercisable immediately before the Termination of Employment due to Disability shall continue to be exercisable until the earlier of (i) the third anniversary of the Award Recipient's Termination of Employment (or, in the case of any ISO held by an Award Recipient who is Disabled, the first anniversary of the Award Recipient's Termination of Employment) and (ii) the expiration of the Term of the Option.

c. Death. Upon the Award Recipient's death (whether during his or her employment or service as a director with the Corporation or an Affiliate or during any otherwise applicable post-termination exercise period, which in the case of an ISO, shall not exceed three (3) months), any Option held by such individual that was exercisable immediately before the Termination of Employment shall continue to be exercisable by the Beneficiary(ies) of the decedent, until the earlier of (i) the first anniversary of the date of the Award Recipient's death and (ii) the expiration of the Term of the Option.

d. Other Terminations of Employment. Upon the Award Recipient's Termination of Employment for any reason other than Retirement, Disability, death or for Cause, any Option held by such individual that was exercisable immediately before the Termination of Employment shall continue to be exercisable until the earlier of (i) the expiration of the three-month period following the Award Recipient's Termination of Employment and (ii) the expiration of the Term of the Option.

e. Extension or Reduction of Exercise Period. In any of the foregoing circumstances, subject to Section 8, the Committee may extend or shorten the exercise period, but may not extend any such period beyond the Term of the Option as originally established (or, insofar as this paragraph relates to Stock Appreciation Rights, the Term of the SAR Award as originally established). Further, with respect to ISOs, as a condition of any such extension, the holder shall be required to deliver to the Corporation a release which provides that such individual will hold the Corporation and/or Affiliates harmless with respect to any adverse tax consequences the individual may suffer by reason of any such extension.

B. Stock Appreciation Right Awards. The Committee may grant Stock Appreciation Rights to Eligible Individuals in accordance with the provisions of this subsection subject to such additional terms and conditions, not inconsistent with the provisions of the Plan, as the Committee shall determine to be appropriate. The Term of each SAR Award shall be fixed by the Committee and the maximum Term of each SAR Award shall be ten (10) years. A Stock Appreciation Right granted under the Plan shall confer on the Award Recipient a right to receive upon exercise thereof the excess (if any) of (i) the Fair Market Value of one Share on the date of exercise over (ii) the grant price of the Stock Appreciation Right Award as specified by the Committee, which price shall not be less than 100% of the Fair Market Value of one Share on the Date of Grant of the Stock Appreciation Right. Subject to the terms of the Plan, the Committee shall determine the grant price, Term, manner of exercise, dates of exercise, methods of settlement (cash, Shares or a combination thereof) and any other terms and conditions of any SAR Award. The Committee may impose such conditions or restrictions on the exercise of any SAR Award as it may deem appropriate. Except as otherwise provided by the Committee or in an Award Agreement, any SAR Award must be exercised during the period of the Award Recipient's employment or service as a director with the Corporation or Affiliate, provided that the provisions of Section 6(A)(4)(a)-(e) hereof shall apply for purposes of determining the exercise period in the event of the Award Recipient's Retirement, Disability, death or other Termination of Employment.

C. Restricted Stock Awards. The Committee may make Restricted Stock Awards to Eligible Individuals in accordance with the provisions of this subsection subject to such additional terms and conditions not inconsistent with the provisions of the Plan as the Committee shall determine to be appropriate.

1. Nature of Restrictions. Restricted Stock Awards shall be subject to such restrictions, including Performance Measures, as the Committee may impose (including, without limitation, any limitation on the right to vote a Share of Restricted Stock or the right to receive any dividend or other right or property with respect thereto), which restrictions may lapse separately or in combination at such time or times, in such installments or otherwise as the Committee may deem appropriate. Subject to the Committee's authority under Section 6(C)(3) below, the minimum Restriction Period with respect to a Restricted Stock Award that is subject to restrictions that are Performance Measures shall be one (1) year, and the minimum Restriction Period with respect to a Restricted Stock Award that is subject to restrictions that are not Performance Measures shall be three (3) years. The Committee may, as of the Date of Grant, designate an Award of Restricted Stock that is subject to Performance Measures as a Qualified Performance-Based Award.

2. Stock Certificates. Restricted Stock Awards granted under the Plan shall be evidenced by the issuance of a stock certificate(s), which shall be held by the Corporation. Such certificate(s) shall be registered in the name of the Award Recipient and shall bear an appropriate legend which refers to the restrictions applicable to such Restricted Stock Award. Alternatively, shares of Restricted Stock under the Plan may be recorded in book entry form.

3. Forfeiture; Delivery of Shares. Except as may be otherwise provided in an Award Agreement, upon an Award Recipient's Termination of Employment (as determined under criteria established by the Committee) during the applicable Restriction Period, all Shares of Restricted Stock shall be immediately forfeited and revert to the Corporation; provided, however, that the Committee may waive, in whole or in part, any or all remaining restrictions applicable to the Restricted Stock Award. Shares comprising any Restricted Stock Award held by the Corporation that are no longer subject to restrictions shall be delivered to the Award Recipient (or his or her Beneficiary) promptly after the applicable restrictions lapse or are waived.

D. Restricted Stock Unit Awards. The Committee may grant Awards of Restricted Stock Units to Eligible Individuals, subject to Section 8 hereof and such other terms and conditions, not inconsistent with the provisions of the Plan, as the Committee shall determine to be appropriate. A Restricted Stock Unit shall represent an unfunded, unsecured right to receive one Share or cash equal to the Fair Market Value of a Share.

1. Nature of Restrictions. Restricted Stock Unit Awards shall be subject to such restrictions, including Performance Measures, as the Committee may impose, which restrictions may lapse separately or in combination at such time or times, in such installments or otherwise as the Committee may deem appropriate. Subject to the Committee's authority under Section 6(D)(3) below, the minimum Restriction Period with respect to a Restricted Stock Unit Award that is subject to restrictions that are Performance Measures shall be one (1) year, and the minimum Restriction Period with respect to a Restricted Stock Unit Award that is subject to restrictions that are not Performance Measures shall be three (3) years. The Committee may, as of the Date of Grant, designate an Award of Restricted Stock as a Qualified Performance-Based Award.

2. Rights as a Stockholder. An Eligible Individual to whom Restricted Stock Units are granted shall not have any rights of a stockholder of the Corporation with respect to the Share represented by the Restricted Stock Unit Award. If so determined by the Committee, in its sole and absolute discretion, Restricted Stock Units may include a dividend equivalent right, pursuant to which the Award Recipient will either receive cash amounts (either paid currently or on a contingent basis) equivalent to the dividends and other distributions payable with respect to the number of Shares represented by the Restricted Stock Units, or additional Restricted Stock Units with a Fair Market Value equal to such dividends and other distributions,

as specified in the Award Agreement. Dividend equivalent rights that the Committee determines are subject to Section 409A of the Code shall be paid or settled in accordance with Section 8 hereof.

3. Forfeiture/Settlement. Except as may be otherwise provided in an Award Agreement, upon an Award Recipient's Termination of Employment (as determined under criteria established by the Committee) during the applicable Restriction Period, all Restricted Stock Units shall be immediately forfeited; provided, however, that the Committee may waive, in whole or in part, any or all remaining vesting requirements or restrictions applicable to the Restricted Stock Unit Award. Subject to Section 11(D) hereof, an Award of Restricted Stock Units shall be settled in Shares as and when the Restricted Stock Units vest or at a later time permitted under Section 8 hereof and specified by the Committee in the Award Agreement.

E. Performance Awards. The Committee may grant Performance Awards (designated as Qualified Performance-Based Awards or not) to Eligible Individuals in accordance with the provisions of this Section 6(E), subject to Section 8 hereof and such additional terms and conditions, not inconsistent with the provisions of the Plan, as the Committee shall determine to be appropriate. A Performance Award granted under the Plan (i) may be denominated or payable in cash, Shares (including, without limitation, Restricted Shares), other securities, other Awards, or other property, and (ii) shall confer on the Award Recipient the right to receive a dollar amount or number of Shares upon the attainment of Performance Measures during any Performance Period, as established by the Committee. Subject to the terms of the Plan and any applicable Award Agreement, the Performance Measures to be achieved during any Performance Period, the length of any Performance Period and the amount of any payment or number of Shares in respect of a Performance Award shall be determined by the Committee.

F. Other Stock-Based Awards. The Committee may grant Other Stock-Based Awards to Eligible Individuals in accordance with the provisions of this Section 6(F), subject to Section 8 hereof and such other additional terms and conditions, including Performance Measures, not inconsistent with the provisions of the Plan, as the Committee shall determine. Other Stock-Based Awards may be denominated or payable in, valued in whole or in part by reference to, or otherwise based on or related to, Shares (including, without limitation, securities convertible into Shares), as are deemed by the Committee to be consistent with the purpose of the Plan.

G. General. Except as otherwise specified in the Plan or an applicable Award Agreement, the following provisions shall apply to Awards granted under the Plan:

1. Consideration for Awards. Other than the payment of the exercise price or grant price in connection with the exercise of an Option or Stock Appreciation Right, Awards shall be made without monetary consideration or for such minimal monetary consideration as may be required by applicable law. In no event may any Option or Stock Appreciation Right granted under this Plan be amended, other than pursuant to Section 3(C), to decrease the exercise or grant price thereof, be cancelled in conjunction with the grant of any new Option or Stock Appreciation Right with a lower exercise or grant price, or otherwise be subject to any action that would be treated, for accounting purposes, as a repricing of such Option or Stock Appreciation Right, unless such amendment, cancellation, or action is approved by the Corporation's stockholders.

2. Forms of Payment under Awards. Subject to the terms of the Plan and of any applicable Award Agreement, payments or transfers of Shares to be made by the Corporation or an Affiliate upon the grant, exercise or satisfaction of an Award may be made in such form or forms as the Committee shall determine (including, without limitation, cash, Shares, other securities, other Awards or other property or any combination thereof), and may be made in a single payment or transfer, or in installments, and may be made upon vesting or such later date permitted under Section 8 hereof and specified in the applicable Award Agreement, and, in each case, in accordance with rules and procedures established by the Committee. Such rules and procedures may include, without limitation, provisions for the payment or crediting of reasonable interest on installment or deferred payments.

3. Limits on Transfer of Awards. No Award and no right under any such Award shall be transferable by an Award Recipient otherwise than by will or by the laws of intestacy; provided, however, that, an Award Recipient may, in the manner established by the Committee, designate a Beneficiary to exercise the rights of the Award Recipient and to receive any property distributable with respect to any Award upon the death of the Award Recipient. Each Award or right under any Award shall be exercisable during the Award Recipient's lifetime only by the Award Recipient or, if permissible under applicable law, by the Award Recipient's guardian or legal representative. No Award or right under any such Award may be pledged, alienated, attached or otherwise encumbered, and any purported pledge, alienation, attachment or encumbrance thereof shall be void and unenforceable against the Corporation or any Affiliate.

4. Term of Awards. Subject to any specific provisions of the Plan, the term of each Award shall be for such period as may be determined by the Committee.

5. Securities Law Restrictions. All certificates for Shares or other securities delivered under the Plan pursuant to any Award or the exercise thereof shall be subject to such restrictions as the Committee may deem advisable under the Plan, or the rules, regulations and other requirements of the Securities and Exchange Commission, the New York Stock Exchange, any other exchange on which Shares may be eligible to be traded or any applicable federal or state securities laws, and the Committee may cause a legend or legends to be placed on any such certificates to make appropriate reference to such restrictions.

6. Deferring Awards. Under no circumstances may an Award Recipient elect to defer, until a time or times later than the exercise of an Option or a Stock Appreciation Right or the settlement or distribution of Shares or cash in respect of other Awards, receipt of all or a portion of the Shares or cash subject to such Award, or dividends and dividend equivalents payable thereon.

SECTION 7

QUALIFIED PERFORMANCE-BASED AWARDS

A. Section 162(m) Exemption. The provisions of this Plan are intended to ensure that all Options and Stock Appreciation Rights granted hereunder to any Award Recipient who is or may be a covered employee (within the meaning of Section 162(m)(3) of the Code) in the tax year in which such Option or Stock Appreciation Right is expected to be deductible to the Corporation qualify for the Section 162(m) Exemption, and all such Awards shall therefore be considered Qualified Performance-Based Awards and this Plan shall be interpreted and operated consistent with that intention (including, without limitation, to require that all such Awards be granted by a committee composed solely of members who satisfy the requirements for being outside directors for purposes of the Section 162(m) Exemption (Outside Directors)). When granting any Award other than an Option or Stock Appreciation Right, the Committee may designate such Award as a Qualified Performance-Based Award, based upon a determination that (i) the recipient is or may be a covered employee (within the meaning of Section 162(m)(3) of the Code) with respect to such Award, and (ii) the Committee wishes such Award to qualify for the Section 162(m) Exemption, and the terms of any such Award (and of the grant thereof) shall be consistent with such designation (including, without limitation, that all such Awards be granted by a committee composed solely of Outside Directors).

B. Limitation on Amendment. Each Qualified Performance-Based Award (other than an Option or Stock Appreciation Right) shall be earned, vested and payable (as applicable) only upon the achievement of one or more Performance Measures, together with the satisfaction of any other conditions, such as continued employment, as the Committee may determine to be appropriate, and no Qualified Performance-Based Award may be amended, nor may the Committee exercise any discretionary authority it may otherwise have under this Plan with respect to a Qualified Performance-Based Award, in any manner that would cause the Qualified Performance-Based Award to cease to qualify for the Section 162(m) Exemption; provided, however, that (i) the Committee may provide, either in connection with the grant of the applicable Award or by amendment thereafter, that achievement of such Performance Measure will be waived upon the death or Disability of the Award Recipient (or under any other circumstance with respect to which the existence of such possible waiver will not

cause the Award to fail to qualify for the Section 162(m) Exemption), and (ii) any rights to vesting or accelerated payment on a Change of Control shall apply notwithstanding this Section 7(B).

C. Maximum Cash Award. For purposes of the Section 162(m) Exemption, the maximum amount of compensation payable with respect to an Award granted under the Plan to any Award Recipient who is a covered employee (as defined in Section 162(m) of the Code) that is denominated as a dollar amount will not exceed \$5,000,000 for any calendar year.

D. Limitation on Action by the Full Board. The full Board shall not be permitted to exercise authority granted to the Committee to the extent that the grant or exercise of such authority would cause an Award designated as a Qualified Performance-Based Award not to qualify for, or to cease to qualify for, the Section 162(m) Exemption.

SECTION 8

SECTION 409A OF THE CODE

It is the intention of the Corporation that no Award shall be deferred compensation subject to Section 409A of the Code, unless and to the extent that the Committee specifically determines otherwise, and the Plan and the terms and conditions of all Awards shall be interpreted accordingly. If the Committee determines that an Award is subject to Section 409A of the Code, then the Award shall be paid or settled only upon the Award Recipient's death, Disability, or Separation from Service, or upon a Change of Control, or upon such date(s) or pursuant to a schedule designated by the Committee, as specified in the applicable Award Agreement, subject to the following provisions:

1. Delay for Specified Employees. Notwithstanding any provision of this Plan or the terms of an Award Agreement to the contrary, an Award that is granted to a Specified Employee and that is to be paid or settled upon such Specified Employee's Separation from Service shall not be paid or settled prior to the earlier of (i) the first day of the seventh (7th) month following the date of such Specified Employee's Separation from Service or (ii) the Specified Employee's death.

2. Distribution in the Event of Income Inclusion Under Code Section 409A. If an Award fails to meet the requirements of Section 409A of the Code, the Award Recipient may receive payment in connection with the Award before the Award would otherwise be paid, provided, however, that the amount paid to the Award Recipient shall not exceed the lesser of: (i) the amount payable under such Award, or (ii) the amount to be reported pursuant to Section 409A of the Code on the applicable Form W-2 (or Form 1099) as taxable income to the Award Recipient.

3. Distribution Necessary to Satisfy Applicable Tax Withholding. If the Corporation is required to withhold amounts to pay the Award Recipient's portion of the Federal Insurance Contributions Act (FICA) tax imposed under Code Sections 3101, 3121(a) or 3121(v)(2) with respect to an amount that is or will be paid to the Award Recipient under the Award before the amount otherwise would be paid, the Committee may withhold an amount equal to the lesser of: (i) the amount payable under such Award, or (ii) the aggregate of the FICA taxes imposed and the income tax withholding related to such amount.

4. Delay in Payments Subject to Code Section 162(m). In the event the Corporation reasonably anticipates that the payment of benefits under an Award would result in the loss of the Corporation's Federal income tax deduction with respect to such payment due to the application of Code Section 162(m), the Committee may delay the payment of all such benefits under the Award until (i) the first taxable year in which the Corporation reasonably anticipates, or should reasonably anticipate, that if the payment were made during such year, the deduction of such payment would not be barred by application of Code Section 162(m) or (ii) during the period beginning with the date of the Award Recipient's Separation from Service (or, for Specified Employees, the date which is six (6) months after the date of the Award Recipient's Separation from Service) and ending on the later of (A) the last day of the taxable year of the

Corporation which includes such date or (B) the 15th day of the third month following the date of the Award Recipient's Separation from Service (or, for Specified Employees, the date which is six (6) months after the date of the Award Recipient's Separation from Service).

5. Delay for Payments in Violation of Federal Securities Laws or Other Applicable Law. In the event the Corporation reasonably anticipates that the payment of benefits under an Award would violate Federal securities laws or other applicable law, the Committee may delay the payment until the earliest date at which the Corporation reasonably anticipates that making of such payment would not cause such violation.

6. Delay for Insolvency or Compelling Business Reasons. In the event the Corporation determines that the making of any payment of benefits on the date specified under an Award would jeopardize the ability of the Corporation to continue as a going concern, the Committee may delay the payment of benefits until the first calendar year in which the Corporation notifies the Committee that the payment of benefits would not have such effect.

7. Administrative Delay in Payment. In the case of administrative necessity, the payment of benefits under an Award may be delayed up to the later of the last day of the calendar year in which payment would otherwise be made or the 15th day of the third calendar month following the date on which payment would otherwise be made. Further, if, as a result of events beyond the control of the Award Recipient (or following the Award Recipient's death, the Award Recipient's Beneficiary), it is not administratively practicable to calculate the amount of benefits due to the Award Recipient as of the date on which payment would otherwise be made, the payment may be delayed until the first calendar year in which calculation of the amount is administratively practicable.

8. No Award Recipient Election. Notwithstanding the foregoing provisions, if the period during which payment of benefits under an Award will be made occurs, or will occur, in two calendar years, the Award Recipient shall not be permitted to elect the calendar year in which the payment shall be made.

SECTION 9

WITHHOLDING OF TAXES

The Corporation will, if required by applicable law, withhold the minimum statutory amount of Federal, state and/or local withholding taxes no later than the date as of which an amount first becomes includible in the gross income of an Award Recipient for Federal, state, local or foreign income or employment or other tax. Unless otherwise provided in the applicable Award Agreement, each Award Recipient may satisfy any such tax withholding obligation by any of the following means, or by a combination of such means: (i) a cash payment; (ii) by delivery to the Corpo
