Item 1.01 Entry into a Material Definitive Agreement.

On September 30, 2014, Zebra Technologies Corporation (Zebra) entered into a note purchase agreement (the Purchase Agreement) with Morgan Stanley & Co. LLC, as representative of the several initial purchasers named therein (the Initial Purchasers), pursuant to which such Initial Purchasers agreed to purchase \$1.05 billion in aggregate principal amount of Zebra s 7/4% Senior Notes due 2022 (the Notes), subject to the terms and conditions set forth in the Purchase Agreement. The sale of the Notes is expected to be completed on October 15, 2014, subject to customary closing conditions.

The Purchase Agreement contains customary representations and warranties of the parties, as well as indemnification and contribution provisions whereby Zebra, on the one hand, and the Initial Purchasers, on the other hand, have agreed to indemnify each other against certain liabilities. The Purchase Agreement may be terminated under certain circumstances, including in the event that Zebra fails to satisfy the closing conditions set forth therein or upon the occurrence of certain trading and market conditions.

The foregoing description of the Purchase Agreement does not purport to be complete and is qualified in its entirety by reference to the Purchase Agreement filed hereto as Exhibit 10.1, which is incorporated herein by reference.

The Notes and related guarantees have not been registered under the Securities Act or the securities laws of any other jurisdiction, and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements. The offering and sale of the Notes and related guarantees will be made only to qualified institutional buyers in accordance with Rule 144A under the Securities Act and to non-U.S. persons in accordance with Regulation S under the Securities Act.
