Proxy Statement

For the Annual Meeting of Stockholders

to be Held on June 8, 2015

General

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors (the Board of Directors or the Board) of CareTrust REIT, Inc., a Maryland corporation, for use at the annual meeting of stockholders to be held at the Company's offices located at 905 Calle Amanecer, Suite 300, San Clemente, California 92673, at 9:00 a.m. PDT, on Monday, June 8, 2015 (the Annual Meeting). When used in this Proxy Statement, the terms we, us, our, or the Company refer to CareTrust REIT, Inc. and its subsidiaries unless the context requires otherwise.

We intend to mail the Notice of Internet Availability of Proxy Materials, or Internet Availability Notice, to our stockholders that have not requested a paper copy of this proxy statement and accompanying proxy card on or about April 28, 2015.

At the Annual Meeting, the stockholders of the Company will be asked to vote on two proposals. Proposal 1 is to elect one director, Mr. Allen C. Barbieri, to serve on our Board of Directors. Proposal 2 is to ratify the selection of Ernst & Young LLP (E&Y) as the independent registered public accounting firm for the Company for the year ending December 31, 2015.

Your vote is very important. Whether or not you plan to attend the Annual Meeting in person, you should vote by using one of the methods described in the proxy materials. You may vote your shares at the annual meeting in person or by proxy, by submitting your proxy to the Company via the Internet or telephone as described in the proxy materials or, if you elected to receive printed copies of the proxy materials, by mail. If your shares are not registered directly in your name (e.g. you hold your shares in a brokerage account or through a bank or other holder of record), you may vote by following the instructions detailed on the notice or voting instruction form you receive from your broker or other nominee.

Any stockholder who executes and delivers a proxy has the right to revoke it any time before it is exercised by delivering to the Secretary of the Company an instrument revoking such proxy or by delivery of a duly executed proxy bearing a later date, or by attending the Annual Meeting and voting in person. Subject to revocation, the proxy holders will vote all shares represented by a properly executed proxy received in time for the Annual Meeting in accordance with the instructions on the proxy. If no instruction is specified with respect to a matter to be acted upon, the shares represented by the proxy will be voted **FOR** the proposal in accordance with the recommendation of the Board of Directors.

The expenses of preparing, assembling, printing and mailing the Internet Availability Notice, this Proxy Statement and the materials used in the solicitation of proxies will be borne by the Company. Proxies will be solicited through

the Internet and the mail and may be solicited by our officers, directors and employees in person or by telephone, email. Our officers, directors and employees will not receive additional compensation for any such solicitation efforts. We do not anticipate paying any compensation to any other party for the solicitation of proxies but may reimburse brokerage firms and others for their reasonable expenses in forwarding solicitation material to beneficial owners. The Company may retain the services of a proxy solicitation firm if, in the Board's view, it is deemed necessary or advisable. Although the Company does not currently expect to retain such a firm, it estimates that the fees of any such firm retained by the Company could be up to \$50,000 plus out-of-pocket expenses, all of which would be paid by the Company.

Record Date and Quorum Requirements

April 15, 2015 has been fixed as the record date (the **Record Date**) for the determination of stockholders entitled to notice of and to vote at the Annual Meeting. As of the Record Date, 31,565,227 shares of the Company's common stock, par value \$0.01 per share (the **Common Stock**), were issued and outstanding. Each outstanding share of Common Stock will be entitled to one vote, and all shares of Common Stock will vote as a single class, with respect to all matters submitted to a vote of the stockholders at the Annual Meeting.

In order to constitute a quorum for the conduct of business at the Annual Meeting, a majority of the issued and outstanding shares of the Common Stock entitled to vote at the Annual Meeting must be represented, either in person or by proxy, at the Annual Meeting. Withheld votes, abstentions and broker non-votes will be counted as present and entitled to vote for purposes of determining the existence of a quorum, but will not be counted as votes cast. A broker non-vote occurs when a broker has not received voting instructions from the beneficial owner of shares held in street name and the broker does not have discretionary authority to vote uninstructed shares on non-routine matters.

Required Vote

The election of Mr. Barbieri requires the affirmative vote of a plurality of the shares of Common Stock present in person or represented by proxy and entitled to vote at the Annual Meeting. Proposal 2, the ratification of E&Y as our independent registered public accounting firm, will require the affirmative vote of a majority of the outstanding shares of Common Stock present in person or represented by proxy and entitled to vote at the Annual Meeting. Abstentions and broker non-votes will have no effect on the election of Mr. Barbieri as a director, so long as a plurality of shareholders vote in favor of his election. In determining whether Proposal 2 has received the requisite number of affirmative votes, abstentions will be counted as shares entitled to vote and will have the same effect as votes against the proposal. Broker non-votes, however, will be treated as not entitled to vote for purposes of determining approval of Proposal 2 and will not be counted as votes for or against Proposal 2. Unless instructed to the contrary, the shares represented by proxies will be voted FOR the election of Mr. Barbieri. Properly executed, unrevoked proxies will be voted **FOR** Proposal 2 unless a vote against or abstention with respect to such proposal is specifically indicated in the proxy.

Additional Information Regarding the Internet Availability of Our Proxy Materials

We are pleased to take advantage of SEC rules that allow companies to furnish their proxy materials over the Internet. Accordingly, we have sent or will send an Internet Availability Notice regarding the availability of our proxy materials and our Annual Report on Form 10-K for the fiscal year ended December 31, 2014 (our **Annual Report**), including instructions on how to access such materials electronically and how to request paper copies thereof, to our stockholders that did not request paper copies of such materials. In addition, stockholders may elect to receive our proxy materials on an ongoing basis in printed form or electronically by going to www.proxyvote.com and following the instructions. A stockholder's election to receive proxy materials in printed form or electronically will remain in effect until the stockholder terminates it.

Please note that you cannot vote your shares by filling out and returning the Internet Availability Notice. The Internet Availability Notice does, however, include instructions on how to vote your shares.

If your shares are registered directly in your name with our transfer agent, you are considered, with respect to those shares, the stockholder of record. In that case, either the Internet Availability Notice or printed copies of our proxy materials, including the Notice of Annual Meeting, this proxy statement and our Annual Report, have been sent directly to you.

Edgar Filing: CareTrust REIT, Inc. - Form DEF 14A

If your shares are held in a brokerage account or by a bank or other holder of record, you are considered the beneficial owner of shares held in street name. In such case, either a notice similar to the Internet Availability

Notice or printed copies of our proxy materials, including the Notice of Annual Meeting, this proxy statement and our Annual Report, should have been provided (or otherwise made available) to you by the broker, bank or other holder of record who is considered, with respect to those shares, the stockholder of record. On the recommendation of the Nominating and Corporate Governance Committee of our Board of Directors, our Board of Directors, including its independent directors, selected and approved Mr. Allen C. Mr. Barbieri has agreed to serve as a director if elected. Management has no reason to believe that Mr. Barbieri will be unavailable to serve. In the event Mr. Barbieri is unable to serve or declines to serve at the time of the Annual Meeting, the persons named in the enclosed proxy may exercise discretionary authority to vote upon a substitute nominee selected by our Board of Directors. Unless otherwise instructed, the proxy holders will vote the proxies received by them FOR the nominee. Only one nominee may be voted upon for election as a director at the Annual Meeting.

Affirmative Determinations Regarding Director and Nominee Independence

Our Board of Directors has determined that each of the following individuals satisfies the requirements to serve as an independent director as such term is defined in Rule 5605(a)(2) of the NASDAQ Stock Market Rules: Messrs. David G. Lindahl, Gary B. Sabin, Jon D. Kline and Allen C. Barbieri. In this Proxy Statement, the aforementioned directors are referred to individually as an Independent Director and collectively as the Independent Directors. The Independent Directors intend to meet in executive sessions at which only Independent Directors will be present in conjunction with each regularly scheduled meeting of the Board of Directors.

Board Leadership Structure

The Board does not have a policy regarding the separation of the roles of Chief Executive Officer and Chairman of the Board, as the Board believes it is in the best interests of the Company to make that determination based upon the position and direction of the Company and the membership of the Board. The Board has determined that having the Company's current Chief Executive Officer serve as Chairman makes the best use of the Chief Executive Officer's extensive knowledge of the Company and its industry, as well as fostering greater communication between the Company's management and the Board.

Meetings and Committees of the Board of Directors

During the year ended December 31, 2014, our Board of Directors met five times. Each member of the Board attended at least 75 percent of the meetings of our Board and the meetings of any of our Board committees on which they served. Our Board of Directors and its committees also acted by way of unanimous written consent during the year ended December 31, 2014.

Although we do not have a formal policy regarding attendance by members of our Board of Directors at our Annual Meeting of Stockholders, we encourage our directors to attend. We anticipate that at least a majority of our Board of Directors will attend the Annual Meeting.

Our Board of Directors has an audit committee, a compensation committee and a nominating and corporate governance committee. Each such committee has a written charter, a copy of which is posted on our web site at

www.caretrustreit.com under the Investors Corporate Governance section. The compensation committee, the audit committee and the Board of Directors may meet, at times, without management present.

Table of Contents

Compensation Committee. Our compensation committee currently consists of Messrs. David G. Lindahl, Gary B. Sabin and Jon D. Kline. David G. Lindahl serves as chairman of the compensation committee. Sabin qualifies as an audit committee financial expert as that term is defined in the rules and regulations established by the SEC. This designation is a disclosure requirement of the SEC related to Jon D. Kline's and Gary B. Sabin's experience and understanding with respect to certain accounting and auditing matters. The designation does not impose on Jon D. Kline or Gary B. Sabin any duties, obligations or liability that are greater than those generally imposed as a member of our audit committee and our Board of Directors, and such designation as an audit committee financial expert pursuant to this SEC requirement does not affect the duties, obligations or liability of any other member of our audit committee or Board of Directors. The primary functions of this committee include, among other things, to:

determine the appointment, compensation and retention and to provide oversight of the work of our independent registered public accounting firm;

review and approve in advance all permitted non-audit engagements and relationships between us and our independent registered public accounting firm;

Representatives of our independent registered public accounting firm and our internal financial personnel regularly meet privately with and have unrestricted access to the audit committee.

Nominating and Corporate Governance Committee. Our nominating and corporate governance committee currently consists of Messrs. David G. Lindahl, Gary B. Sabin and Jon D. Kline. Gary B. Sabin serves as the chairman of the nominating and corporate governance committee. Each member of the nominating and corporate governance committee meets the independence requirements set forth in the NASDAQ listing requirements and the nominating and corporate governance committee charter. Our nominating and corporate governance committee held one meeting in 2014. The primary responsibilities of the nominating and corporate governance committee are to, among other things:

assist in identifying, recruiting and evaluating individuals qualified to become members of our Board of Directors, consistent with criteria approved by our Board of Directors and the nominating and corporate governance committee;

recommend to our Board of Directors individuals qualified to serve as directors and on committees of our Board of Directors;

advise our Board of Directors with respect to board composition, procedures and committees;

recommend to our Board of Directors certain corporate governance matters and practices; and

conduct an annual self-evaluation for our Board of Directors.

Board Role in Risk Oversight

Our Board of Directors is responsible for overseeing the Company's management of risk. The Board strives to effectively oversee the Company's enterprise-wide risk management in a way that balances managing risks while enhancing the long-term value of the Company for the benefit of the stockholders. The Board of Directors understands that its focus on effective risk oversight is critical to setting the Company's tone and culture towards effective risk management. To administer its oversight function, the Board seeks to understand the Company's risk philosophy by having discussions with management to establish a mutual understanding of the Company's overall appetite for risk. Our Board of Directors maintains an active dialogue with management about existing risk management processes and how management identifies, assesses and manages the Company's most significant risk exposures. Our Board expects frequent updates from management about the Company's most significant risks so as to enable it to evaluate whether management is responding appropriately.

Table of Contents

Our Board relies on each of its committees to help oversee the risk management responsibilities relating to the functions performed by such committees. Our audit committee periodically discusses with management the Company's major financial risk exposures and the steps management has taken to monitor and control such exposures, including the Company's risk assessment and risk management policies. Our compensation committee helps the Board to identify the Company's exposure to any risks potentially created by our compensation programs and practices. Our nominating and corporate governance committee oversees risks relating to the Company's corporate compliance programs and assists the Board and management in promoting an organizational culture that encourages commitment to ethical conduct and a commitment to compliance with the law. Each of these committees is required to make regular reports of its actions and any recommendations to the Board, including recommendations to assist the Board with its overall risk oversight function.

The Company's Director Nomination Process

As indicated above, our nominating and corporate governance committee oversees the director nomination process. This committee is responsible for assisting the Board of Directors in establishing minimum qualifications for director nominees, including qualities and skills that members of our Board of Directors are expected to possess. Under our nominating and corporate governance committee charter, which is available at our website at www.caretrustreit.com, these criteria include the candidate's knowledge, experience, skills, expertise and diversity. Our nominating and corporate governance committee identifies and evaluates individuals qualified to become members of our Board of Directors. Our nominating and corporate governance committee then recommends that our Board of Directors select the director nominees for the election at the next annual meeting of stockholders, or to fill vacancies on our Board of Directors occurring between annual meetings of our stockholders.

Although we do not have a formal diversity policy, we believe it is important to have an appropriate mix of diversity for the optimal functionality of the Board of Directors. Our nominating and corporate governance committee charter requires that the governance committee consider each candidate's qualities and skills and our nominating and corporate governance committee considers each candidate's background, diversity, ability, judgment, skills and experience in the context of the needs and current make up of the Board of Directors when evaluating director nominees. The Board of Directors believes it is important for each member of the Board of Directors to possess skills and knowledge in the areas of leadership of large, complex organizations, finance, strategic planning, legal, government relations and relevant industries, especially the healthcare real estate industry. PROPOSAL 2: APPROVAL OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

We are asking the stockholders to ratify the selection of Ernst & Young LLP as our independent registered public accounting firm for the year ending December 31, 2015. The affirmative vote of a majority of the common stock having voting power present in person or represented by proxy and entitled to vote will be required to ratify the selection of E&Y.

Stockholders are not required to ratify the appointment of E&Y as our independent registered public accounting firm. However, we are submitting the appointment for ratification as a matter of good corporate practice. If stockholders fail to ratify the appointment, the audit committee will consider whether or not to retain E&Y. Even if the appointment is ratified, the audit committee may direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and our stockholders.

Representatives of E&Y will be present at the Annual Meeting, will have the opportunity to make a statement if they desire to do so, and will be available to respond to appropriate questions.

E&Y was the independent registered public accounting firm for the Company for fiscal year 2014.

Deloitte & Touche LLP (Deloitte) was the independent registered public accounting firm of Ensign Properties, the predecessor of the Company, for fiscal years 2013 and 2012. Ensign Properties refers to the carve-out business of (i) the entities that own the skilled nursing, assisted living and independent living facilities that the Company owns following its Spin-Off from Ensign and (ii) the operations of the three independent living facilities that the Company operates following the Spin-Off. As previously disclosed, on June 20, 2014, the Audit Committee approved the dismissal of Deloitte as our prior independent registered public accounting firm. Deloitte's engagement as our independent registered public accounting firm with respect to the audit of our combined financial statements as of and for the year ended December 31, 2013 ended effective immediately upon the Company's filing of its Form 8-K with the SEC on June 26, 2014.

The audit reports of Deloitte on our combined financial statements as of and for the fiscal years ended December 31, 2013 and 2012 did not contain any adverse opinion or a disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope, or accounting principles.

During the two fiscal years ended December 31, 2013 and 2012, and during the subsequent interim period through June 20, 2014, (1) there were no disagreements with Deloitte on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure that, if not resolved to Deloitte's satisfaction, would have caused Deloitte to make reference in connection with its reports on the financial statements of the Company or Ensign Properties for such periods and (2) there were no reportable events as defined in Item 304(a)(1)(v) of Regulation S-K.

During the fiscal years ended December 31, 2013 and 2012, and during the subsequent interim period through June 20, 2014, neither we nor anyone on our behalf consulted with E&Y regarding either (1) the application of accounting principles to a specified transaction, whether completed or proposed, or the type of audit opinion that might be rendered on the financial statements of the Company or Ensign Properties, and no written report or oral advice was provided to us that E&Y concluded was an important factor considered by us in reaching a decision as to the accounting, auditing or financial reporting issue or (2) any matter that was the subject of a disagreement or reportable event as defined in Regulation S-K, Item 304(a)(1)(iv) and Item 304(a)(1)(v), respectively.

Edgar Filing: CareTrust REIT, Inc. - Form DEF 14A

In accordance with Item 304(a)(3) of Regulation S-K, we previously provided Deloitte with a copy of the above disclosures and requested that Deloitte furnish a letter addressed to the SEC stating whether it agrees with the statements made above. A copy of such letter is filed as Exhibit 16.1 to our Form 8-K filed with the SEC on June 26, 2014.

AUDIT COMMITTEE REPORT

Our audit committee has reviewed and discussed with our management our audited consolidated and combined financial statements and the establishment and maintenance of internal controls over financial reporting and has discussed with our independent registered public accounting firm the matters required to be discussed by Professional Standards Vol. 1. AU Section 380, as adopted by the Public Company Accounting Oversight Board in Rule 3200T, and Rule 2-07 of Regulation S-X (Communication with Audit Committees).

Our audit committee has received the written disclosures and the letter from our independent registered public accounting firm required by PCAOB Ethics and Independence Rule 3526 (Communication with Audit Committees Concerning Independence).

Our audit committee has also considered whether the provision of non-audit services provided to us by our independent registered public accounting firm is compatible with maintaining its independence and has discussed with the auditors such auditors independence.

Based on its review, our audit committee recommended to our Board of Directors that the audited financial statements for the Company's year ended December 31, 2014 be included in our Annual Report for its year ended December 31, 2014, which was filed on February 11, 2015.

Table of Contents**EXECUTIVE COMPENSATION**

We are an emerging growth company, as defined in the Jumpstart Our Business Startups Act enacted in April 2012. As an emerging growth company, we are providing compensation information pursuant to the reduced disclosure obligations applicable to emerging growth companies, and are relying on exemptions from the requirements of holding a nonbinding advisory vote on executive compensation and stockholder approval of any golden parachute payments not previously approved.

Named Executive Officers

Our named executive officers for our 2014 fiscal year, who consist of our principal executive officer and the two other most highly compensated executive officers, are:

Gregory K. Stapley, Chief Executive Officer;

William M. Wagner, Chief Financial Officer; and

David M. Sedgwick, Vice President, Operations.

Introduction

Prior to June 1, 2014, the Company was a wholly-owned subsidiary of Ensign. On June 1, 2014, Ensign completed the separation of its healthcare business and its real estate business into two separate and independent publicly traded companies through the distribution of all of the outstanding shares of common stock of CareTrust to Ensign stockholders on a pro rata basis (the Spin-Off). Effective with the Spin-Off, our named executive officers that held management positions at Ensign or its subsidiaries resigned from such positions and have since been solely employed by the Company. After the Spin-Off, the Company began trading on the NASDAQ Global Select Market under the symbol CTRE as an independent public company. Prior to the Spin-Off, the cash compensation of our named executive officers was determined by Ensign's executive management or its board of directors and the equity compensation of our named executive officers was determined by Ensign's compensation committee at the recommendation of Ensign's executive management. Accordingly, the compensation paid to our named executive officers for fiscal year 2014 is not necessarily indicative of how we will compensate our named executive officers in future years.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Since January 1, 2014, there has not been, nor is there any proposed transaction in which we were or will be a party or in which we were or will be a participant, involving an amount that exceeded or will exceed \$120,000 and in which any director, executive officer, beneficial owner of more than 5% of any class of our voting securities, or any member of the immediate family of any of the foregoing persons had or will have a direct or indirect material interest, other than the compensation arrangements and other agreements and transactions which are described in Executive Compensation and the transactions described below.

Procedures for Approval of Related Person Transactions

Our Board of Directors has adopted a policy regarding the approval of any related person transaction, which is any transaction or series of transactions in which we or any of our subsidiaries is or are to be a participant, the amount involved exceeds \$120,000, and a related person (as defined under SEC rules) has a direct or indirect material interest. Under the policy, a related person is required to promptly disclose to our Chief Financial Officer any proposed related person transaction and all material facts about the proposed transaction. Our Chief Financial Officer would then assess and promptly communicate that information to our audit committee. Based on our audit committee's consideration of all of the relevant facts and circumstances, our audit committee will decide whether or not to approve such transaction and will generally approve only those transactions that are in, or are not inconsistent with, the best interests of CareTrust. If we become aware of an existing related person transaction that has not been pre-approved under this policy, the transaction will be referred to our audit committee, which will evaluate all options available, including ratification, revision or termination of such transaction. Our policy requires any director who may be interested in a related person transaction to recuse himself or herself from any consideration of such related person transaction. As a result of Mr. Christensen's service on our Board of Directors, transactions between Ensign and CareTrust that exceeded the \$120,000 threshold during the term of his service were subject to our policy regarding related party transactions, and required Mr. Christensen to recuse himself from consideration of such transactions.

Relationship between Ensign and CareTrust

On June 1, 2014, Ensign completed the separation of its healthcare business and its real estate business into two separate and independent publicly traded companies through the distribution of all of the outstanding shares of common stock of CareTrust to Ensign stockholders on a pro rata basis. Ensign stockholders received one share of CareTrust common stock for each share of Ensign common stock held at the close of business on May 22, 2014, the record date for the Spin-Off. The Spin-Off was effective from and after June 1, 2014, with all of the outstanding shares of our common stock distributed to Ensign stockholders on a pro rata basis on June 2, 2014.

To govern their relationship after the Spin-Off, Ensign and CareTrust entered into: (1) the Separation and Distribution Agreement, dated May 23, 2014 (the Separation and Distribution Agreement); (2) the Ensign Master Leases, dated May 30, 2014 (the Ensign Master Leases); (3) the Opportunities Agreement, dated May 30, 2014 (the Opportunities Agreement); (4) the Tax Matters Agreement, dated May 30, 2014 (the Tax Matters Agreement); (5) the Transition Services Agreement, dated May 30, 2014 (the Transition Services Agreement); and (6) the Employee Matters Agreement, dated May 30, 2014 (the Employees Matters Agreement). For a summary of the material terms of the foregoing agreements, see Our Relationship with Ensign after the Spin-Off. Transactions pursuant to these agreements are pre-approved under our policy regarding related party transactions.

Family Relationships

David M. Sedgwick is the brother-in-law of Gregory K. Stapley. Mr. Sedgwick has served as our Vice President of Operations since June 1, 2014. See [Executive Officers](#) and [Executive Compensation](#) for further information regarding Mr. Sedgwick.

OUR RELATIONSHIP WITH ENSIGN FOLLOWING THE SPIN-OFF

The Separation and Distribution Agreement provides for a full and complete release and discharge of all liabilities existing or arising from any acts or events occurring or failing to occur or alleged to have occurred or to have failed to occur or any conditions existing or alleged to have existed at or before the separation, between Ensign and us, except as expressly set forth in the Separation and Distribution Agreement.

The Separation and Distribution Agreement provides that (1) we will indemnify Ensign and its affiliates and each of their respective current and former directors, officers, agents and employees against any and all losses relating to (a) liabilities arising out of our real estate business, (b) any breach by us of any provision of the Separation and Distribution Agreement or any ancillary agreement, and (c) any untrue statement or alleged untrue statement of a material fact or omission or alleged omission to state a material fact required to be stated therein or necessary to make the statements therein not misleading, with respect to information contained or incorporated by reference in our registration statement on Form 10, the information statement filed as Exhibit 99.1 thereto, or the offering memorandum related to the private offering of \$260.0 million aggregate principal amount of 5.875% Senior Notes due 2021 issued by CTR Partnership, L.P., our wholly owned subsidiary, and CareTrust Capital Corp. (other than information regarding Ensign provided to us by Ensign for inclusion therein), and (2) that Ensign will indemnify us and our affiliates and each of our respective current and former directors, officers, agents and employees against any and all losses relating to (a) liabilities arising out of the Ensign healthcare business, (b) any breach by Ensign of any provision of the Separation and Distribution Agreement or any ancillary agreement, and (c) any untrue statement or alleged untrue statement of a material fact or omission or alleged omission to state a material fact required to be stated therein or necessary to make the statements therein not misleading, with respect to information contained or incorporated by reference in our registration statement on Form 10 (solely with respect to information regarding Ensign provided to us by Ensign for inclusion therein).

The Separation and Distribution Agreement also establishes dispute resolution procedures with respect to claims subject to indemnification and related matters.

Indemnification with respect to taxes and employee benefits is governed by the Tax Matters Agreement and the Employee Matters Agreement, respectively.

Ensign Master Leases

Ensign leases substantially all of the properties that we own pursuant to the Ensign Master Leases. The Ensign Master Leases consist of eight leases, each with its own pool of properties, that have varying maturities and diversity in property geography. Under each Ensign Master Lease, our individual subsidiaries that own the properties subject to such Ensign Master Lease are the landlords, and the individual subsidiaries of Ensign that operate those properties are

the tenants (collectively, the Ensign Tenants). Ensign guarantees the obligations of the Ensign Tenants under the Ensign Master Leases. A default by an Ensign Tenant under an Ensign Master Lease with respect to any property will entitle us to exercise our remedies under such Ensign Master Lease as to

all properties covered by such Ensign Master Lease as though all such properties were in default. In addition, each Ensign Master Lease with the Ensign Tenants contains cross-default provisions that will result in a default under all of the Ensign Master Leases if a default occurs under any Ensign Master Lease.

The following table sets forth the property type and geographic location of the properties subject to each Ensign Master Lease:

The following description of the Ensign Master Leases does not purport to be complete, but contains a summary of certain material provisions of the Ensign Master Leases.

Term and Renewals

The Ensign Master Leases provide for the lease of land, buildings, structures and other improvements on the land, easements and similar appurtenances to the land and improvements relating to the operation of the leased properties, and certain personal property owned by us and used in the operation of the leased properties.

The Ensign Master Leases provide for initial terms in excess of ten years with staggered expiration dates and no purchase options. At the option of the Ensign Tenants and subject to certain conditions being satisfied, each Ensign Master Lease may be extended for up to either two or three five-year renewal terms beyond the initial term, on the same terms and conditions. If the Ensign Tenants elect to renew the term of an Ensign Master Lease, the renewal will be effective as to all, but not less than all, of the leased property then subject to the Ensign Master Lease.

The following table sets forth the expiration date for each Ensign Master Lease:

	Master Lease 1	Master Lease 2	Master Lease 3	Master Lease 4	Master Lease 5	Master Lease 6	Master Lease 7	Master Lease 8
Year of expiration	2026	2027	2028	2029	2030	2031	2032	2034

- 22 -

Table of Contents

Ensign Master Leases 1-5 have three extension options of five years each and Ensign Master Leases 6-8 have two extension options of five years each. Extension of the term of any of the Ensign Master Leases is subject to the following conditions: (1) no event of default under any of the Ensign Master Leases having occurred and being continuing, and (2) the Ensign Tenants providing timely notice of their intent to renew. The term of the Ensign Master Leases is subject to termination prior to the expiration of the then current term upon default by the Ensign Tenants in their obligations, if not cured within any applicable cure periods set forth in the Ensign Master Leases.

The Ensign Tenants do not have the ability to terminate their obligations under an Ensign Master Lease prior to its expiration without our consent. If an Ensign Master Lease is terminated prior to its expiration other than with our consent, the Ensign Tenants may be liable for damages and incur charges such as continued payment of rent through the end of the lease term and maintenance and repair costs for the leased property.

Rental Amounts and Escalators

Each Ensign Master Lease is a triple-net lease. Accordingly, in addition to rent, the Ensign Tenants are required to pay the following:

all impositions and taxes levied on or with respect to the leased properties (other than taxes on our income);

all utilities and other services necessary or appropriate for the leased properties and the business conducted thereon;

all insurance required in connection with the leased properties and the business conducted on the leased properties;

all facility maintenance and repair costs; and

all fees in connection with any licenses or authorizations necessary or appropriate for the leased properties and the business conducted thereon.

The rent is a fixed component that was initially set near the time of the Spin-Off. The annual revenues from the Ensign Master Leases are \$56.0 million during each of the first two years of the Ensign Master Leases, which results in a lease coverage ratio of approximately 1.91x based on the adjusted net operating income (ANOI) from the leased properties for the 12 months ended September 30, 2014 (calculated assuming that all of the leased properties were owned for the full 12-month period). A management fee equal to five percent of gross revenues is included as a reduction to ANOI. Commencing in the third year under the Ensign Master Leases, the annual revenues from the Ensign Master Leases will be escalated annually by an amount equal to the product of (1) the lesser of the percentage change in the Consumer Price Index (but not less than zero) or 2.5%, and (2) the prior year's rent.

The initial annualized rent for each Ensign Master Lease is as follows:

Master Lease 1	Master Lease 2	Master Lease 3	Master Lease 4	Master Lease 5	Master Lease 6	Master Lease 7	Master Lease 8
\$6,257,808	\$5,552,501	\$7,150,823	\$5,317,983	\$5,680,413	\$6,475,985	\$8,664,488	\$10,900,000

Maintenance, Capital Expenditures and Alterations

The Ensign Tenants are required to make all expenditures reasonably necessary to maintain the leased property in good appearance, repair and condition. The Ensign Tenants are required to maintain all personal property located at the leased properties in good repair and condition as is necessary to operate all the leased property in compliance with applicable legal, insurance and licensing requirements. If the Ensign Tenants elect to

Table of Contents

make additional improvements to a leased property above and beyond the maintenance expenditures, we will finance such additional capital expenditures upon the Ensign Tenants' request, subject to satisfaction of certain conditions, up to an aggregate amount of 20% of our initial investment in such property, and the rent will increase based on the amount financed.

Alterations (other than certain pre-approved alterations, which include non-structural alterations costing \$250,000 or less that (a) do not decrease the value of the property, (b) do not adversely affect the exterior appearance of the property, and (c) are consistent in terms of style, quality and workmanship to the property) are permitted only with our consent. Prior to commencing any alterations, the Ensign Tenants are required to provide us with copies of detailed plans, specifications, permits, licenses and other information as we shall request.

Use of the Leased Property

Each Ensign Master Lease requires that the Ensign Tenants utilize the leased property solely for the operation of a healthcare facility and related uses as specified in the Ensign Master Leases. The Ensign Tenants are responsible for maintaining or causing to be maintained all licenses, certificates and permits necessary for the leased properties to comply with various regulations.

Events of Default

Under each Ensign Master Lease, an Event of Default is deemed to occur upon certain events, including:

the failure by the Ensign Tenants to pay rent or other amounts when due or within certain grace or cure periods of the due date;

the revocation or termination of any license or other authorization that would have a material adverse effect on the operation of any property, the voluntary cessation of operations at any property, the sale or transfer of any portion of a license or other authorization, or the use of any property other than for the operation of a healthcare facility;

any material suspension, limitation or restriction placed upon the Ensign Tenants, any license or other authorization, any property or the operations at any property, which is not cured within any applicable grace period;

the occurrence of a default under another agreement between us and the Ensign Tenants or our respective subsidiaries, which is not cured within any applicable grace period;

the occurrence of a default under any other lease, guaranty, loan or financing agreement by Ensign or its subsidiaries, which is not cured within any applicable grace period;

certain events of bankruptcy, insolvency or liquidation with respect to Ensign or its subsidiaries or any levy upon or attachment of an Ensign Tenant's interest in the premises;

the breach by the Ensign Tenants or Ensign of a representation or warranty in the Ensign Master Leases or any guaranty in a manner which would impair the Ensign Tenants' ability to perform their obligations under the Ensign Master Leases; and

the failure by the Ensign Tenants to maintain the premises and insurance coverage thereon or otherwise to comply with the covenants set forth in the Ensign Master Lease when due or within any applicable cure period.

Remedies for an Event of Default

Upon an Event of Default under an Ensign Master Lease, we may (at our option) exercise certain remedies, including:

sue for specific performance of any covenant;

Table of Contents

enter any property, terminate such Ensign Master Lease, dispossess the Ensign Tenant from any property and/or collect monetary damages by reason of the Ensign Tenant's breach (including the acceleration of all rent which would have accrued after such termination);

elect to leave such Ensign Master Lease in place and sue for rent and any other monetary damages;

relet any property to any tenant for such term, rent, conditions and uses as we may determine;

exercise available remedies under related Ensign Master Leases in accordance with the cross-default provisions of each Ensign Master Lease; and

seek any and all other rights and remedies available under law or in equity.

Notwithstanding the foregoing, under certain circumstances our damage remedies may be limited by contractual provisions designed to procure classification of the Ensign Master Lease as operating leases under Accounting Standards Codification 840, Leases.

Assignment and Subletting

Except as noted below, each Ensign Master Lease provides that the Ensign Tenants may not sublease, assign, encumber or otherwise transfer or dispose of the Ensign Master Leases or any leased property, including by virtue of a change of control of Ensign or the Ensign Tenants, or engage a management company without our consent.

Each Ensign Master Lease also provides that the Ensign Tenants may assign the Ensign Master Lease or sublease any leased property to an affiliate, subject to our reasonable approval of the transfer documents and the satisfaction of certain conditions. Upon any such assignment or transfer to an affiliate of the Ensign Tenants, Ensign must guarantee the affiliate's obligations under the Ensign Master Lease and the prior Ensign Tenant will not be released from its obligations under the applicable Ensign Master Lease.

New Opportunities

Generally, neither we nor Ensign or the Ensign Tenants is prohibited from developing, redeveloping, expanding, purchasing, building or operating facilities. However, Ensign, the Ensign Tenants and their respective affiliates are not able to move any patients or staff from any property in our portfolio to any property outside of our portfolio to the detriment of any of the properties in our portfolio (except as required for medically appropriate reasons) during the term of the Ensign Master Lease and for one year thereafter.

Licenses/Successor Lessee Provisions

Licenses and all other authorizations necessary to operate the facilities that are subject to an Ensign Master Lease are procured and maintained by the Ensign Tenants pursuant to the terms of the Ensign Master Lease. Each Ensign Master Lease requires the Ensign Tenants to transfer, to the extent permitted by law, licenses and all other authorizations at the expiration or earlier termination of the Ensign Master Lease to a successor lessee at no material cost to us or the transferee.

Opportunities Agreement

Under the Opportunities Agreement, for a period of one year following the Spin-Off, Ensign and its affiliates, including the Ensign Tenants, will provide us with, subject to certain exceptions, the right to match any offer from a third party to finance the acquisition or development of any healthcare or senior-living facility by Ensign or any of its affiliates, including the Ensign Tenants. In addition, Ensign will have, subject to certain exceptions, a right to either purchase and operate, or lease and operate, the facilities included in any portfolio of five or fewer healthcare or senior living facilities presented to us during the first year following the Spin-Off;

- 25 -

Table of Contents

provided that the portfolio is not subject to an existing lease with an operator or manager that has a remaining term of more than one year, and is not presented to us by or on behalf of another operator seeking lease or other financing. If Ensign elects to lease and operate such a property or portfolio, the lease would be on substantially the same terms as the Ensign Master Lease.

Tax Matters Agreement

The Tax Matters Agreement governs our and Ensign's respective rights, responsibilities and obligations with respect to taxes (including taxes arising in the ordinary course of business and taxes, if any, incurred as a result of any failure of the Spin-Off and certain related transactions to qualify as tax-free for U.S. federal income tax purposes), tax attributes, tax returns, tax contests and certain other tax matters.

In addition, the Tax Matters Agreement imposes certain restrictions on us and our subsidiaries (including restrictions on share issuances, business combinations, sales of assets and similar transactions) that are designed to preserve the tax-free status of the Spin-Off and certain related transactions. The Tax Matters Agreement provides special rules allocating tax liabilities in the event the Spin-Off, together with certain related transactions, was not tax-free. In general, under the Tax Matters Agreement, each party is expected to be responsible for any taxes imposed on Ensign that arise from the failure of the Spin-Off and certain related transactions to qualify as a tax-free transaction for U.S. federal income tax purposes under Sections 368(a)(1)(D) and 355 of the Code and certain other relevant provisions of the Code to the extent that the failure to qualify is attributable to actions, events, or transactions relating to such party's respective stock, assets or business, or a breach of the relevant representations or covenants made by that party in the Tax Matters Agreement.

The Tax Matters Agreement also sets forth our and Ensign's obligations as to the filing of tax returns, the administration of tax contests and assistance and cooperation on tax matters.

Transition Services Agreement

Pursuant to the Transition Services Agreement, Ensign agreed to provide us with certain administrative and support services on a transitional basis for a period of up to one year (subject to an option, at our election, to extend certain services for up to one additional year). The transition services include, among other support services, accounting services, financial systems conversion support, human resources support, legal and compliance services and information systems services. The fees charged to us for transition services furnished pursuant to the Transition Services Agreement will approximate the actual cost incurred by Ensign in providing the transition services to us for the relevant period. The Transition Services Agreement provides that we have the right to terminate a transition service after an agreed notice period, generally thirty days. The Transition Services Agreement also contains provisions under which Ensign will generally agree to indemnify us for all losses incurred by us resulting from Ensign's gross negligence, willful misconduct or material breach of the Transition Services Agreement, but Ensign's aggregate indemnification obligation may not exceed the total amount paid by us for services under the Transition Services Agreement.

Employee Matters Agreement

The Employee Matters Agreement governs Ensign's and CareTrust's respective compensation and employee benefit obligations with respect to the current and former employees of each company, and generally allocates liabilities and responsibilities relating to employee compensation and benefit plans and programs.

Ensign equity awards at the time of the Spin-Off were treated in accordance with the existing Ensign equity plans as follows:

Restricted Stock. Awards of restricted Ensign common stock were treated in the same manner as other shares of Ensign common stock. Holders of restricted Ensign common stock awards will be entitled to an additional share of restricted CareTrust common stock for each share of restricted Ensign common stock held.

Table of Contents

Stock Options. No changes were made with respect to Ensign options, other than equitable adjustments required by the terms of Ensign's existing equity plans.

In addition, the Employee Matters Agreement sets forth the general principles relating to employee matters, including with respect to the assignment of employees and the transfer of employees from Ensign to CareTrust, the assumption and retention of liabilities and related assets, the provision of benefits following the Spin-Off, employee service credit and related matters.
