At the meeting, our stockholders will vote on proposals to (1) elect five directors to serve on our Board of Directors for a one-year term; (2) conduct an advisory vote to approve the compensation of our named executive officers; and (3) ratify the selection of BDO USA, LLP as our independent auditor for 2015. The proposals are set forth in the accompanying Notice of 2015 Annual Meeting of Stockholders and are described in more detail in this Proxy Statement. QUESTIONS AND ANSWERS ABOUT THE 2015 ANNUAL MEETING OF STOCKHOLDERS

What is the purpose of the 2015 annual meeting?

At the 2015 annual meeting, stockholders will act upon the following matters:

1. To elect five directors to serve on our Board of Directors for a one-year term;
2. To conduct an advisory vote to approve the compensation of our named executive officers; and
3. To ratify the selection of BDO USA, LLP as our independent auditor for 2015.

Stockholders also will transact any other business, not known or determined at the time of this proxy solicitation, that properly comes before the 2015 annual meeting of stockholders, although our Board of Directors knows of no such other business to be presented.

Who is entitled to vote?

Only stockholders of record at the close of business on April 24, 2015, the record date for the 2015 annual meeting, are entitled to receive notice of the 2015 annual meeting and to vote the shares of common stock that they held on that date at the 2015 annual meeting. Each outstanding share of common stock entitles its holder to cast one vote on each matter to be voted on at the 2015 annual meeting.

Am I entitled to vote if my shares are held in street name?

If you are the beneficial owner of shares held in street name by a brokerage firm, bank, or other nominee, such entity, as the record holder of the shares, is required to vote the shares in accordance with your instructions. If you do not give instructions to your nominee, it will nevertheless be entitled to vote your shares on discretionary items but will not be permitted to do so on non-discretionary items. Proposals 1 and 2 are non-discretionary items for which a nominee will not have discretion to vote in the absence of voting instructions from you. However, Proposal 3 is a discretionary item on which your nominee will be entitled to vote your shares even in the absence of instructions from you.

What constitutes a quorum?

The presence at the 2015 annual meeting, in person or by proxy, of the holders of a majority of the shares of common stock outstanding on the record date will constitute a quorum.

As of March 31, 2015, there were 185,972,159 shares of common stock outstanding. Shares held by stockholders present at the 2015 annual meeting in person or represented by proxy who elect to abstain from voting nonetheless will be included in the calculation of the number of shares considered present at the 2015 annual meeting.

What happens if a quorum is not present at the 2015 annual meeting?

If a quorum is not present at the scheduled time of the meeting, the holders of a majority of the shares of common stock present in person or represented by proxy at the meeting may adjourn the meeting to another place, date, or time until a quorum is present. The place, date, and time of the adjourned meeting will be announced when the adjournment is taken, and no other notice will be given unless the adjournment is for more than thirty days, or if after the adjournment a new record date is fixed for the adjourned meeting.

Table of Contents

How do I vote?

If you complete and properly sign the accompanying proxy card and return it to us, the proxy holders named on the proxy card will vote your shares as you direct. If you are a registered stockholder and attend the 2015 annual meeting, you may deliver your completed proxy card or vote in person at the 2015 annual meeting. If you hold your shares in a brokerage account or in street name and you wish to vote at the 2015 annual meeting, you will need to obtain a proxy from the broker or other nominee who holds your shares.

Can I change my vote after I return my proxy card?

Yes. Even after you have submitted your proxy card, you may change your vote at any time before the proxy is exercised by filing with the Secretary either a notice of revocation or a duly executed proxy card bearing a later date. If you are a street name stockholder, you must contact your broker or other nominee and follow its instructions if you wish to change your vote. The powers of the proxy holders will be suspended if you attend the 2015 annual meeting in person and so request, although your attendance at the 2015 annual meeting will not by itself revoke a previously granted proxy.

What are the Board's recommendations?

Our Board of Directors unanimously recommends that you vote:

1. **FOR** the election of five directors to serve on our Board of Directors for a one-year term;
2. **FOR** the advisory vote to approve the compensation of our named executive officers; and
3. **FOR** ratification of the selection of BDO USA, LLP as our independent auditor for 2015.

What happens if I do not specify how my shares are to be voted?

If you submit a proxy but do not indicate any voting instructions, your shares will be voted **FOR** each of Proposals 1 through 3.

Will any other business be conducted at the 2015 annual meeting?

As of the date hereof, our Board of Directors knows of no business that will be presented at the annual meeting other than the proposals described in this Proxy Statement. If any other business is properly brought before the 2015 annual meeting, the proxy holders will vote your shares in accordance with their best judgment.

What vote is required to approve each item?

1. The director nominees will be elected to serve on our Board of Directors for a term of one year if they receive a plurality of the votes cast on the shares of common stock present in person or represented by proxy at the 2015 annual meeting and entitled to vote on the subject matter. This

means that the director nominees will be elected if they receive more votes than any other person at the 2015 annual meeting. If you vote to **Withhold Authority** with respect to the election of one or more director nominees, your shares of common stock will not be voted with respect to the person or persons indicated, although they will be counted for the purpose of determining whether there is a quorum at the meeting.

Table of Contents

2. The advisory vote to approve the compensation of our named executive officers will be approved if a majority of the shares of common stock present in person or represented by proxy at the 2015 annual meeting and entitled to vote on the subject matter are voted in favor of the proposal.

3. The selection of BDO USA, LLP as our independent auditor for 2015 will be ratified if a majority of the shares of common stock present in person or represented by proxy at the meeting and entitled to vote on the subject matter are voted in favor of the proposal.

How will Abstentions and Broker Non-Votes be Treated?

You do not have the option of abstaining from voting on Proposal 1, but you may abstain from voting on Proposals 2 and 3. With respect to Proposal 1, because the directors are elected by a plurality vote, an abstention will have no effect on the outcome of the vote and, therefore, is not offered as a voting option on the proposal. In the case of an abstention on Proposals 2 and 3, your shares of common stock would be included in the number of shares of common stock considered present at the meeting for the purpose of determining whether there is a quorum. Because your shares of common stock would be voted but not in favor of Proposals 2 and 3, your abstention would have the same effect as a negative vote in determining the outcome of the vote on the proposal.

Broker non-votes occur when a brokerage firm, bank, or other nominee does not vote shares that it holds in street name on behalf of the beneficial owner because the beneficial owner has not provided voting instructions to the nominee with respect to a non-discretionary item. Proposals 1 and 2 are non-discretionary items for which a nominee will not have discretion to vote in the absence of voting instructions from you. However, Proposal 3 is a discretionary item on which your nominee will be entitled to vote your shares of common stock even in the absence of instructions from you. Accordingly, it is possible for there to be broker non-votes with respect to Proposals 1 and 2, but there will not be broker non-votes with regard to Proposal 3. In the case of a broker non-vote, your shares of common stock would be included in the number of shares of common stock considered present at the meeting for the purpose of determining whether there is a quorum. A broker non-vote, being shares of common stock not entitled to vote, would not have any effect on the outcome of the vote on Proposals 1 and 2.

Section 16(a) Beneficial Ownership Reporting Compliance

The federal securities laws require our directors and executive officers and persons who beneficially own more than 10% of a registered class of our equity securities to file with the Securities and Exchange Commission (the SEC) initial reports of ownership and reports of changes in ownership of our securities. Based solely on our review of the copies of these forms received by us or representations from reporting persons, we believe that SEC beneficial ownership reporting requirements for 2014 were met.

CORPORATE GOVERNANCE

Board Leadership Structure

Our Board of Directors consists of five members, H. Craig Dees, Timothy C. Scott, Jan E. Koe, Kelly M. McMasters and Alfred E. Smith, IV. Dr. Dees, who is our Chief Executive Officer, serves as chairman of our Board of Directors. Three members of our Board of Directors, Mr. Koe, Dr. McMasters and Mr. Smith, are considered independent under the independence standards of the NYSE MKT.

We believe that the leadership structure of our Board of Directors is appropriate given that we have only four employees. In addition, our entire Board of Directors is responsible for our risk oversight function due to the fact that we have only four employees, two of whom are members of our Board of Directors.

Board of Directors and Committees

Our Board of Directors met two times and took action by unanimous written consent eighteen times during 2014. Each member of our Board of Directors attended more than 75% of the total number of meetings of our Board of Directors and its committees on which he served during 2014. Members of our Board of Directors are encouraged to attend the 2015 annual meeting of stockholders. A majority of the members of our Board of Directors attended the 2014 annual meeting of stockholders either in person or via telephone conference.

We have three standing committees: audit committee; compensation committee; and corporate governance and nominating committee (the nominating committee). The members of the audit committee, compensation committee and nominating committee are independent pursuant to the NYSE MKT listing standards and applicable SEC rules. We believe that all members of our Board of Directors have been and remain qualified to serve on the committees of our Board of Directors and have the experience and knowledge to perform the duties required of the committees.

Audit Committee

The audit committee currently consists of Jan E. Koe, Kelly M. McMasters and Alfred E. Smith, IV, all of whom are independent directors under the listing standards of the NYSE MKT. Alfred E. Smith, IV is the chairman of the compensation committee. The compensation committee met four times during 2014.

The compensation committee's responsibilities include:

review and approve annually the corporate goals and objectives relevant to the Chief Executive Officer, and at least annually, evaluate the Chief Executive Officer's performance in light of these goals and objectives and set the Chief Executive Officer's compensation, including salary, bonus and incentive compensation, based on this evaluation;

determining, or recommending to our Board for determination, the compensation and benefits our executive officers other than the Chief Executive Officer;

reviewing our compensation and benefits plans;

reviewing and recommending to the entire Board of Directors the compensation for members of our Board of Directors; and

other matters that our Board of Directors specifically delegates to the compensation committee from time to time.

The responsibilities of the compensation committee are described in more detail in the section called "Compensation Discussion and Analysis."

Prior to July 2, 2012, each member of our Board of Directors participated in the consideration of the compensation of our directors and executive officers.

Our compensation committee charter is posted on our website at <http://www.pvct.com/CompensationCommitteeCharter.html> and is also available in print to any stockholder or other interested party who makes such a request to the Company's Secretary. Nominating Committee and Director Nominations

The nominating committee currently consists of Jan E. Koe, Kelly M. McMasters and Alfred E. Smith, IV, all of whom are independent directors under the listing standards of the NYSE MKT. Alfred E. Smith, IV is the chairman of the nominating committee. The nominating committee met four times during 2014.

Our Board adopted a written charter for our nominating committee, which is available to our stockholders and other interested parties on our web site at <http://www.pvct.com/NominatingCommitteeCharter.html> and is also available in print to any stockholder or other interested party who makes such a request to the Company's Secretary. The information on our website, however, is not a part of this Proxy Statement.

The nominating committee has the authority and responsibility to:

assist our Board of Directors by identifying and approving the nomination of individuals qualified to serve as members of our Board of Directors;

review the qualifications and performance of incumbent directors to determine whether to recommend them as nominees for reelection;

develop and recommend to our Board of Directors corporate governance policies for the Company;

review periodically the management succession plan of the Company and formally recommend to our Board of Directors as needed, successors to departing executive officers if a vacancy occurs; and

evaluate the performance of our Board of Directors.

Our nominating committee has no set procedures or policy on the selection of nominees or evaluation of stockholder recommendations and will consider these issues on a case-by-case basis. Our nominating committee will consider stockholder recommendations for director nominees that are properly received in accordance with our bylaws and the applicable rules and regulations of the SEC. Our nominating committee screens all potential candidates in the same manner. Our nominating committee's review will typically be based on all information provided with respect to the potential candidate. Our nominating committee has not established specific minimum qualifications that must be met by a nominee for a position on our Board of Directors or specific qualities and skills for a director. Our nominating committee may consider the diversity of qualities and skills of a nominee, but our nominating committee has no formal policy in this regard. COMPENSATION DISCUSSION AND ANALYSIS

The primary objectives of our compensation committee with respect to executive compensation are to attract, retain, and motivate the best possible executive talent. Our focus is to tie short and long-term cash and equity incentives to achievement of measurable corporate and individual performance objectives, and to align our executive officers' incentives with stockholder value creation. To achieve these objectives, our compensation committee has maintained, and continues to develop, compensation plans that tie a substantial portion of executives' overall compensation to our scientific, medical and clinical milestones. Our compensation committee has reviewed these compensation practices and now also takes into consideration commercial and operational performance in addition to our scientific, medical and clinical milestones in determining the amount and types of compensation awarded to our executive officers.

Our compensation committee has a pay-for-performance compensation philosophy, which is intended to bring base salaries and total executive compensation in line to ensure the competitiveness of the compensation packages we provide to our named executive officers. In 2012, we undertook a comprehensive review of our executive compensation practices with respect to compensation of our executive officers, other than base salaries, which remained the same. We undertook this review because we had completed certain scientific, medical and clinical milestones, which was the basis for executive compensation (other than base salaries) until April 30, 2012. As a result of this review and feedback we received from our stockholders with respect to our executive compensation practices, we decided to eliminate the payment of cash bonuses as part of our compensation package for executive officers after April 30, 2012. We determined that any cash bonuses that the compensation committee awards in the future will be made with the consideration of commercial and operational performance milestones, achievement of specific scientific, medical and clinical milestones, as well as peer company compensation data. In 2013 and 2014, we engaged an independent compensation consultant to assist the compensation committee in reviewing our executive officer and director compensation practices, as discussed further below under Compensation Consultant.

We work within the framework of this pay-for-performance philosophy to determine each component of an executive officer's initial compensation package based on numerous factors, including:

the individual's particular background and circumstances, including training and prior relevant work experience;

the individual's role with us and the compensation paid to similar persons in the companies represented in the compensation data that we review;

the demand for individuals with the individual's specific expertise and experience at the time of hire;

performance goals and other expectations for the position;

comparison to other executive officers within our company having similar levels of expertise and experience; and

uniqueness of industry skills.

Our compensation committee has also maintained a quarterly and annual performance management program, under which quarterly and annual performance goals are determined and set forth in writing at the beginning of each quarter or calendar year as necessary and appropriate for the company as a whole. The compensation package components and structure were proposed by management and

Table of Contents

approved by the Board of Directors at the outset of this program's formation. These corporate goals specify the achievement of specific scientific, medical and clinical milestones. The named executive officers propose these quarterly and annual corporate performance goals to the compensation committee for its review and approval. Any annual salary increases, quarterly and annual bonuses, and any quarterly and annual stock option awards granted to our employees are tied to the achievement of these corporate goals, including each individual's contribution to the achievement of specific corporate goals.

Our compensation committee, which is composed solely of independent directors, makes all compensation decisions for our executive officers.

Compensation Consultant

In 2013, to assist the compensation committee in assessing the market competitiveness of our compensation program and establishing executive officer and director compensation for 2014, the compensation committee retained Pearl Meyer & Partners, which is a nationally recognized compensation consulting firm, to:

compile market data and business performance statistics of comparable companies for compensation committee comparison and review;

assist in establishing a peer group of companies;

summarize trends and developments affecting executive compensation;

provide guidance on compensation structure as well as levels of compensation for our executive officers and directors;

review equity compensation grant practices and other topics as requested by the compensation committee; and

report directly to the compensation committee and participate in compensation committee meetings as requested by the compensation committee.

The compensation committee has the sole authority to establish the nature and scope of Pearl Meyer & Partners engagement, to approve Pearl Meyer & Partners' fees and to terminate Pearl Meyer & Partners' engagement. Pearl Meyer & Partners does not provide any services to Provectus other than those requested by the compensation committee with respect to executive and director compensation. Based on these considerations, the compensation committee has determined that the advice it receives from Pearl Meyer & Partners is independent and objective. All of the decisions with respect to determining the amount or form of compensation for our named executive officers and directors are made by the compensation committee and may reflect factors and considerations other than the information and advice provided by Pearl Meyer & Partners.

The compensation committee met with Pearl Meyer & Partners in 2013 to discuss our executive officer and non-employee director compensation. While the compensation committee retained and has met with Pearl Meyer & Partners to provide guidance on compensation structure as well as levels of compensation for our executive officers and directors, the compensation committee has not yet made any changes to our executive officer compensation structure. The compensation committee has, however, made changes to our non-employee director compensation structure, as described below under Director Compensation.

Table of Contents

Compensation Components

The components of our compensation package are as follows:

Base Salary & Employment Agreements

On April 28, 2014, we entered into amended and restated executive employment agreements with each of H. Craig Dees, Ph.D., Peter R. Culpepper, Timothy C. Scott, Ph.D., and Eric A. Wachter, Ph.D., to serve as our Chief Executive Officer, Chief Financial Officer and Chief Operating Officer, President, and Chief Technology Officer, respectively. Each agreement provides that such named executive officer will be employed for a five-year term with automatic one-year renewals unless previously terminated pursuant to the terms of the agreement or either party gives notice that the term will not be extended. Each named executive officer's initial base salary is \$500,000 per year and any increases to such base salary shall be determined by the compensation committee in its sole discretion. Named executive officers are also eligible for annual bonuses and annual equity incentive awards as determined by the compensation committee in its sole discretion. Named executive officers are entitled to reimbursement for all reasonable out-of-pocket expenses incurred during their performance of services under the agreements. Our named executive officers will be entitled to the payments upon termination of their employment, with or without a change of control, as described under the heading "Potential Payments upon Termination or Change in Control" below. The employment agreements for our named executive officers also include non-competition, non-solicitation and confidentiality obligations. Prior to April 28, 2014, each of our named executive officers was a party to an executive employment agreement with substantially similar terms as the agreements entered into on April 28, 2014.

We pay salaries to provide fixed compensation for the daily responsibilities of our named executive officers.

Bonus Awards

Our compensation committee terminated our former longevity bonus policy effective April 30, 2012 as a result of several considerations, including but not limited to feedback we received from our ongoing communications with our stockholders about our executive compensation practices. We did not award any cash bonuses to our named executive officers in 2013 or 2014.

401(k) Profit Sharing Plan and Other Benefits

Our named executive officers participate in our 401(k) Profit Sharing Plan, which was formed in 2010. Contributions to the 401(k) Profit Sharing Plan by us are discretionary. Contributions by us in 2012 totaled approximately \$132,000. Contributions by us in 2013 totaled approximately \$226,000. Contributions by us in 2014 totaled approximately \$320,000. We maintain broad-based benefits that are provided to all employees, including health insurance, life and disability insurance, dental insurance, and a vacation policy that requires a minimum amount of vacation time used but provides for cash compensation in lieu of vacation taken if appropriate.

Long-Term Incentives

We believe that long-term performance is achieved through an ownership culture that encourages long-term participation by our executive officers in equity-based awards. Our Amended and Restated 2002 Stock Plan, or our 2002 Stock Plan, allowed the grant to employees of stock options, restricted stock, and other equity-based awards. The 2002 Stock Plan expired by its terms on April 22, 2012. At the 2012 annual meeting of stockholders, our stockholders approved the 2012 Stock Plan, which replaces the

Table of Contents

2002 Stock Plan. The 2012 Stock Plan allowed the grant to employees of stock options, restricted stock, and other equity-based awards. At the 2014 annual meeting of stockholders, our stockholders approved the Provectus Biopharmaceuticals, Inc. 2014 Equity Compensation Plan (the 2014 Equity Compensation Plan). The 2014 Equity Compensation Plan authorizes our Board of Directors to grant the following types of equity-based awards: (i) options that qualify as incentive stock options within the meaning of Section 422 of the Internal Revenue Code of 1986 (the Code), and (ii) options that do not qualify as incentive stock options under the Code (non-qualified stock options, and collectively with incentive stock options, options). We are authorized to grant options under the 2014 Equity Compensation Plan for up to 20,000,000 shares of our common stock. If any options granted under the 2014 Equity Compensation Plan are forfeited or terminated for any reason, the shares of common stock that were subject to the options will again be available for future distribution under the 2014 Equity Compensation Plan. We no longer issue any awards under the 2012 Stock Plan.

Periodic annual grants of options to all of our employees are approved by our Board of Directors, the timing of which is not coordinated with the public release of nonpublic material information.

Our practice is to make periodic annual stock option awards as part of our overall performance management program. Our Board of Directors believes that stock options provide management with a strong link to long-term corporate performance and the creation of stockholder value. We intend that the periodic annual aggregate cumulative total of these awards will not exceed 10% of our fully diluted outstanding common and preferred shares. As is the case when the amounts of base salary and equity awards are determined, a review of all components of the executive officer's compensation is conducted when determining annual option awards to ensure that an executive officer's total compensation conforms to our overall philosophy and objectives. A pool of options is reserved for members of our Board of Directors to receive their annual grant and the pool of options is only increased for employees when approved by our stockholders.

Potential Payments Upon Termination or Change in Control

Each of the employment agreements for our named executive officers generally provides that in the event that the executive's employment is terminated (i) voluntarily by the executive without Good Reason (as defined in the respective employment agreement) or (ii) by the Company for Cause (as defined in the respective employment agreement), the Company shall pay the executive's compensation only through the last day of the employment period and, except as may otherwise be expressly provided, the Company shall have no further obligation to the executive. In the event that the executive's employment is terminated by the Company other than for Cause (including death or disability), or if the executive voluntarily resigns for Good Reason, for so long as the executive is not in breach of his continuing obligations under the non-competition, non-solicitation and confidentiality restrictions contained in such executive's employment agreement, the Company shall continue to pay the executive (or his estate) an amount equal to his base salary in effect immediately prior to the termination of his employment for a period of 24 months, to be paid in accordance with the Company's regular payroll practices through the end of the fiscal year in which termination occurs and then in one lump sum payable to the executive in the first month of the fiscal year following termination, as well as any prorated bonuses based upon the bonuses paid with regard to the prior fiscal year, plus benefits on a substantially equivalent basis to those which would have been provided to the executive in accordance with the terms of such benefit plans.

Table of Contents

The following table shows the base salary compensation the named executive officers would have received under their employment agreements had a change in control occurred as of December 31, 2014 and had the named executive officers been terminated within six months following such change in control.

Name	Amount
H. Craig Dees, Ph.D.	\$ 1,000,000
Timothy C. Scott, Ph.D.	1,000,000
Eric A. Wachter, Ph.D.	1,000,000
Peter R. Culpepper	1,000,000

Under the terms of our 2014 Equity Compensation Plan, prior to the occurrence of a change in control (as defined in the 2012 Stock Plan), and unless otherwise determined by our Board of Directors, any stock options outstanding on the date such change in control is determined to have occurred that are not yet exercisable and vested on such date shall become fully exercisable and vested. As of December 31, 2014, none of our named executive officers had outstanding unvested stock options.

Consideration and Effect of the Results of the Most Recent Stockholder Advisory Vote on Executive Compensation in Determining Compensation Policies and Decisions

In 2014, our compensation committee reviewed our compensation policies to ensure any bonuses and stock option grants are made with the consideration of commercial and operational performance milestones as well as peer company compensation data, in addition to the achievement of specific scientific, medical and clinical milestones. In determining executive compensation for 2014, our compensation committee considered our stockholders' approval of our executive compensation at our June 16, 2014 Annual Meeting of Stockholders, as well as feedback we have received from ongoing communications with our stockholders. As a result, our compensation committee determined not to pay any bonuses in 2014 and engaged an independent compensation consultant to provide analysis with respect to compensation structure for 2014. We will continue to consider stockholder feedback in the future with respect to both our stockholder advisory votes on executive compensation and informal feedback we receive from our stockholders.

Compensation-Related Risk Assessment

SEC regulations require that we assess our compensation policies and practices and determine whether those policies and practices are reasonably likely to result in a material adverse effect upon Provectus. Based upon a review by our Board of Directors and management of our compensation policies and practices, we have determined that our current compensation policies and practices are not reasonably likely to result in a material adverse effect on us. In reaching this conclusion, we considered the multiple performance metrics in the annual incentive plan, combination of short-term and longer-term incentives, using periodic shareholder approved equity grants, stock ownership guidelines for executive officers, clawback of compensation in event of restatement of financial statements in cases of fraud, and a further review of our compensation policies in the future to maximize stockholder value.

Conclusion

Our compensation policies are designed to retain and motivate our employees; namely, our executive officers, and to ultimately reward them for outstanding individual and corporate performance.

The assumptions used in determining the values of option awards are provided in Note 4 to the Consolidated Financial Statements contained in our Form 10-K for the fiscal year ended December 31, 2014. Drs. Dees and Scott are also members of our Board of Directors. Dr. Wachter served as a member of our Board of Directors until May 14, 2012. The fair value reflected in the Option Awards column for 2012 includes, for Drs. Dees and Scott, compensation for service in 2012 as a director of 50,000 stock options granted at an exercise price of \$0.84 on June 28, 2012. The fair value reflected in the Option Awards column for 2013 includes, for Drs. Dees and Scott, compensation for service in 2013 as a director of 50,000 stock options granted at an exercise price of \$0.67 on August 19, 2013. All the options vested immediately on the date of grant and expire ten years from the date of grant. For purposes of estimating the fair value of each stock option on the date of grant, we utilized the Black-Scholes option-pricing model which totaled \$28,462 in 2013 and \$36,163 in 2012.

Amounts in this column for 2014 are comprised of the following: unused vacation that was paid out in cash (\$57,692 for each named executive officer); and company contributions to our 401(k) plan (\$80,000 for each named executive officer).

- (3) This amount reflects the annual base salary for each of Drs. Scott and Wachter for 2014; however, Dr. Scott had \$33,334 withheld from his salary in 2014, and Dr. Wachter had \$33,333 withheld from his salary in 2014, in connection with the settlement of the Shareholder Derivative Lawsuit discussed below under Other Information Concerning Management Legal Matters.

DIRECTOR COMPENSATION

Two of our five directors, Drs. Dees and Scott, are also full-time employees. As discussed above under the heading COMPENSATION DISCUSSION AND ANALYSIS, they are compensated for their service in those roles. Other than the options received for service as directors prior to 2014, as described below, they are not separately compensated for their service as directors.

Table of Contents

On or around the date of each annual meeting of stockholders, each member of our Board of Directors receives options exercisable for shares of common stock. After consultation and discussion with Pearl Meyer & Partners, our compensation consultants, in 2014, the compensation committee determined to cease the issuance of equity awards to our employee directors. In 2014, each of our non-employee directors received 50,000 options.

Based on Pearl Meyer & Partners' review of our compensation practices, on December 18, 2013, our compensation committee approved a new director compensation structure as follows: (1) on an annual basis, each non-employee director of the Board will receive the following fees as compensation for service as a member of the Board: (i) an annual retainer equal to \$40,000 cash and (ii) an annual stock option grant giving each non-employee director the right to purchase 50,000 shares of our common stock, or such lesser number of shares of our common stock to be determined at a future date in order to comply with Nasdaq requirements with respect to director compensation, which stock options shall vest immediately on the date of grant at a strike price to be determined at the date of grant; (2) each non-employee director who serves as a non-chairman member of any of: (i) the Audit Committee; (ii) the Compensation Committee; or (iii) the Nominating Committee receive an additional annual retainer equal to \$15,000 as compensation for serving as a non-chair member of each such Committee; and (3) each non-employee director who serves as a chairman of any of: (i) the Audit Committee; (ii) the Compensation Committee; or (iii) the Nominating Committee receive an additional annual retainer equal to \$20,000 as compensation for serving as a chairman of each such Committee.

Each of our directors is also reimbursed for expenses incurred in fulfilling his duties as a director, including attending meetings.

(2) A total of 50,000 stock options were granted to both Dr. McMasters and Messrs. Koe and Smith at an exercise price of \$0.88 for each director, which was the fair market price on the date of issuance. The options vested immediately on the date of grant, July 29, 2014, for each director and expire on July 29, 2024 for each director. For purposes of estimating the fair value of each stock option on the date of grant, we utilized the Black-Scholes option-pricing model.

As of December 31, 2014, Dr. McMasters had a total of 350,000 stock options outstanding, Mr. Smith had a total of 200,000 stock options outstanding, and Mr. Koe had a total of 150,000 stock options outstanding.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

During 2014, Dr. McMasters and Messrs. Koe and Smith served as members of the Compensation Committee. None of the members of the compensation committee was or had previously been an officer or employee of the Company or our subsidiaries or had any relationship requiring disclosure pursuant to Item 404 of Regulation S-K. Additionally, during 2014, none of our executive officers was a member of the board of directors, or any committee thereof, of any other entity one of the executive officers of which served as a member of our Board of Directors, or any committee thereof.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Policies and Procedures for Related Person Transactions

We have adopted a written related person transactions policy, pursuant to which our executive officers, directors and principal stockholders, including their immediate family members, are not permitted to enter into a related person transaction with us without the consent of our audit committee. Any request for us to enter into a transaction with an executive officer, director, principal stockholder or any of such persons' immediate family members, other than transactions available to all employees generally or involving less than \$10,000 when aggregated with similar transactions, must be presented to our audit committee for review, consideration and approval, unless the transaction involves an employment or other compensatory arrangement approved by the compensation committee. All of our directors, executive officers and employees are required to report to our audit committee any such related person transaction. In approving or rejecting the proposed agreement, our audit committee will take into account, among other factors it deems appropriate, whether the proposed related person transaction is on terms no less favorable than terms generally available to an unaffiliated third party under the same or similar circumstances, the extent of the person's interest in the transaction and, if applicable, the impact on a director's independence. After consideration of these and other factors, the audit committee may approve or reject the transaction. Consistent with the policy, if we should discover related person transactions that have not been approved, the audit committee will be notified and will determine the appropriate action, including ratification, rescission or amendment of the transaction.

Related Party Transactions

We had no transactions during 2014 that would be required to be disclosed under Item 404(a) of Regulation S-K, and no such transactions are currently proposed for 2015.

PROPOSAL 1

ELECTION OF DIRECTORS

Director Nominees

The persons listed below have been nominated by our Board of Directors to serve as directors for a one-year term expiring at the annual meeting of stockholders occurring in 2016. Each nominee has consented to serve on our Board of Directors. If any nominee were to become unavailable to serve as a director, our Board of Directors may designate a substitute nominee. In that case, the persons named as proxies on the accompanying proxy card will vote for the substitute nominee designated by our Board of Directors.

H. Craig Dees, Ph.D., 63, has served as our Chief Executive Officer and as a member of our board of directors since we acquired Provectus Pharmaceuticals, Inc., a privately held Tennessee corporation (PPI), on April 23, 2002. Before joining us, from 1997 to 2002 he served as senior member of the management team of Photogen Technologies, Inc., including serving as a member of the board of directors of Photogen from 1997 to 2000. PROPOSAL 2

ADVISORY VOTE TO APPROVE THE COMPENSATION OF OUR

NAMED EXECUTIVE OFFICERS

As required pursuant to Section 14A of the Securities Exchange Act, we are submitting for stockholder advisory vote a resolution to approve the compensation paid to our named executive officers, as disclosed pursuant to the compensation disclosure rules of the SEC, including the compensation tables and related compensation discussion and analysis contained in this Proxy Statement.

At our 2011 annual meeting of stockholders, we provided our stockholders with the opportunity to cast an advisory vote to indicate if we should hold an advisory vote on the compensation of our named executive officers every one, two or three years, with our Board of Directors recommending an annual advisory vote. Because our Board of Directors views an annual vote as a good corporate governance practice and because more than 93% of the votes cast on the proposal at the 2011 annual meeting were in favor of an annual advisory vote, we are again asking our stockholders to approve the compensation of our named executive officers, as disclosed pursuant to the compensation disclosure rules of the SEC, including the compensation tables and related compensation discussion and analysis contained in this Proxy Statement.

Accordingly, the following resolution will be submitted for stockholder approval at the annual meeting:

RESOLVED, that the compensation paid to the Company's named executive officers, as disclosed pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the compensation tables and related compensation discussion and analysis contained in this Proxy Statement, is hereby APPROVED.

The advisory vote on the compensation of our named executive officers is non-binding. The approval or disapproval of the resolution approving our executive compensation by our stockholders will not require our Board of Directors to take any action regarding our executive compensation practices. The final decision on the compensation and benefits of our named executive officers and whether, and if so, how, to address stockholder disapproval remains with our Board of Directors.

Our Board of Directors believes that it is in the best position to consider the extensive information and factors necessary to make independent, objective, and competitive compensation recommendations and decisions that are in our best interest and the best interest of our stockholders.

Our Board of Directors values the opinions of our stockholders as expressed through their votes and other communications. Although the resolution is non-binding, our Board of Directors will carefully consider the outcome of the advisory vote to approve the compensation of our named executive officers and those opinions when making future compensation decisions.

The next advisory vote on the compensation of our executive officers will occur at the 2016 annual meeting of stockholders.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE *FOR* THE APPROVAL OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS. Each proxy solicited on behalf of our Board of Directors will be voted *FOR* the approval of the compensation of our named executive officers unless the stockholder instructs otherwise in the proxy.

Even if the selection is ratified, our Board of Directors, in its discretion, may select a different registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of us and our stockholders.

Representatives of BDO USA, LLP are expected to be present at the annual meeting. They will have an opportunity to make a statement if they desire and will be available to respond to appropriate questions from our stockholders.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE *FOR* THE RATIFICATION OF THE SELECTION OF BDO USA, LLP AS OUR INDEPENDENT AUDITOR FOR 2015. Each proxy solicited on behalf of our Board of Directors will be voted *FOR* the ratification of the selection of BDO USA, LLP as our independent auditor for 2015 unless the stockholder instructs otherwise in the proxy. Audit and Non-Audit Services

Our Board of Directors is directly responsible for the appointment, compensation, and oversight of our independent auditor. It is the policy of our Board of Directors to pre-approve all audit and non-audit services provided by our independent registered public accountants. Our Board of Directors has considered whether the provision by BDO USA, LLP of services of the varieties described below is compatible with maintaining the independence of BDO USA, LLP. Our Board of Directors believes the audit and tax services provided to us do not jeopardize the independence of BDO USA, LLP.

The table below sets forth the aggregate fees we paid to BDO USA, LLP for audit and non-audit services provided to us in 2014 and 2013.

Fees	2014	2013
Audit Fees	\$ 211,000	\$ 190,000
Audit-Related Fees		
Tax Fees:	99,800	
All Other Fees		
Total	\$ 310,800	\$ 190,000

In the above table, in accordance with the SEC's definitions and rules, "audit fees" are fees for professional services for the audit of a company's financial statements included in the annual report on Form 10-K, for the review of a

company's financial statements included in the quarterly reports on Form

10-Q, and for services that are normally provided by the accountant in connection with statutory and regulatory filings or engagements; audit-related fees are fees for assurance and related services that are reasonably related to the performance of the audit or review of a company's financial statements; tax fees are fees for tax compliance, tax advice, and tax planning; and all other fees are fees for any services not included in the first three categories.

AUDIT COMMITTEE REPORT

Our audit committee has the responsibilities and powers set forth in its charter, which include the responsibility to assist our Board of Directors in its oversight of our accounting and financial reporting principles and policies and internal audit controls and procedures, the integrity of our financial statements, our compliance with legal and regulatory requirements, the independent auditor's qualifications and independence, and the performance of the independent auditor and our internal audit function. The audit committee is also required to prepare this report to be included in our annual Proxy Statement pursuant to the proxy rules of the SEC.

Management is responsible for the preparation, presentation and integrity of our financial statements and for maintaining appropriate accounting and financial reporting principles and policies and internal controls and procedures to provide for compliance with accounting standards and applicable laws and regulations. The internal auditor is responsible for testing such internal controls and procedures. Our independent registered public accounting firm is responsible for planning and carrying out a proper audit of our annual financial statements, reviews of our quarterly financial statements prior to the filing of each quarterly report on Form 10-Q, and other procedures.

The audit committee reviews our financial reporting process. In this context, the audit committee:

has reviewed and discussed with management the audited financial statements for the year ended December 31, 2014;

has discussed with BDO USA, LLP (BDO USA), our independent registered public accountants, the matters required to be discussed by Auditing Standard No. 16, Communications with Audit Committees, as adopted by the Public Company Accounting Oversight Board; and

has received the written disclosures and the letter from BDO USA required by PCAOB Rule 3526 (Independence Discussions with Audit Committees), as modified or supplemented, and has discussed with BDO USA the independent accountant's independence.

Based on this review and the discussions referred to above, the audit committee recommended that our Board of Directors include the audited financial statements in our Annual Report on Form 10-K for the year ended December 31, 2014, for filing with the SEC. The audit committee has also recommended the reappointment, subject to stockholder ratification, of BDO USA as our independent registered public accountants for 2015.

This report is submitted on behalf of the members of the audit committee and shall not be deemed soliciting material or to be filed with the SEC, nor shall it be incorporated by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that we specifically incorporate this information by reference and shall not otherwise be deemed filed under these Acts.

Legal Matters

Kleba Shareholder Derivative Lawsuit

On January 2, 2013, Glenn Kleba, derivatively on behalf of the Company, filed a shareholder derivative complaint in the Circuit Court for the State of Tennessee, Knox County (the Court), against H. Craig Dees, Timothy C. Scott, Eric A. Wachter, and Peter R. Culpepper (collectively, the Executives), Stuart Fuchs, Kelly M. McMasters, and Alfred E. Smith, IV (collectively, together with

Table of Contents

the Executives, the Individual Defendants), and against the Company as a nominal defendant (the Shareholder Derivative Lawsuit). The Shareholder Derivative Lawsuit alleged (i) breach of fiduciary duties, (ii) waste of corporate assets, and (iii) unjust enrichment, all three claims based on Mr. Kleba's allegations that the defendants authorized and/or accepted stock option awards in violation of the terms of the Company's 2002 Stock Plan (the Plan) by issuing stock options in excess of the amounts authorized under the Plan and delegated to defendant H. Craig Dees the sole authority to grant himself and the other Executives cash bonuses that Mr. Kleba alleges to be excessive.

In April 2013, the Company's Board of Directors appointed a special litigation committee to investigate the allegations of the Shareholder Derivative Complaint and make a determination as to how the matter should be resolved. The special litigation committee conducted its investigation, and proceedings in the case were stayed pending the conclusion of the committee's investigation. The Company has established a reserve of \$100,000 for potential liabilities because such is the amount of the self-insured retention of its insurance policy. On February 21, 2014, an Amended Shareholder Derivative Complaint was filed which added Don B. Dale (Mr. Dale) as a plaintiff.

On March 6, 2014, the Company filed a Joint Notice of Settlement (the Notice of Settlement) in the Shareholder Derivative Lawsuit. In addition to the Company, the parties to the Notice of Settlement are Mr. Kleba, Mr. Dale and the Individual Defendants.

On June 6, 2014, the Company, in its capacity as a nominal defendant, entered into a Stipulated Settlement Agreement and Mutual Release (the Settlement Agreement) in the Shareholder Derivative Lawsuit. In addition to the Company and the Individual Defendants, Plaintiffs Glenn Kleba and Don B. Dale are parties to the Settlement Agreement.

By entering into the Settlement Agreement, the settling parties have resolved the derivative claims to their mutual satisfaction. The Individual Defendants have not admitted the validity of any claims or allegations and the settling plaintiffs have not admitted that any claims or allegations lack merit or foundation. Under the terms of the Settlement Agreement, (i) the Executives each agreed (A) to re-pay to the Company \$2.24 Million of the cash bonuses they each received in 2010 and 2011, which amount equals 70% of such bonuses or an estimate of the after-tax net proceeds to each Executive; provided, however, that subject to certain terms and conditions set forth in the Settlement Agreement, the Executives are entitled to a 2:1 credit such that total actual repayment may be \$1.12 Million each; (B) to reimburse the Company for 25% of the actual costs, net of recovery from any other source, incurred by the Company as a result of the Shareholder Derivative Lawsuit; and (C) to grant to the Company a first priority security interest in 1,000,000 shares of the Company's common stock owned by each such Executive to serve as collateral for the amounts due to the Company under the Settlement Agreement; (ii) Drs. Dees and Scott and Mr. Culpepper agreed to retain incentive stock options for 100,000 shares but forfeited 50% of the nonqualified stock options granted to each such Executive in both 2010 and 2011 under the terms of their respective stock option rescission agreements. The Settlement Agreement also requires that each of the Executives enter into new employment agreements with the Company, which were entered into on April 28, 2014, and that the Company adhere to certain corporate governance principles and processes in the future. Under the Settlement Agreement, Messrs. Fuchs and Smith and Dr. McMasters agreed to pay the Company \$25,000 in cash, subject to reduction by such amount that the Company's insurance carrier pays to the Company on behalf of such defendant pursuant to such defendant's directors and officers liability insurance policy. The Settlement Agreement also provides for an award to plaintiffs' counsel of attorneys' fees and reimbursement of expenses in connection with their role in this litigation, subject to Court approval.

Table of Contents

On July 24, 2014, the Court approved the terms of the proposed Settlement Agreement and awarded \$911,000 to plaintiffs' counsel for attorneys' fees and reimbursement of expenses in connection with their role in the Shareholder Derivative Lawsuit. The payment to plaintiff's counsel was made by the Company during October 2014 and is recorded as other current assets at December 31, 2014. The Company is seeking reimbursement of the full amount from insurance and if the full amount is not received from insurance, the amount remaining will be reimbursed to the Company from the Individual Defendants in equal amounts.

On October 3, 2014, the Settlement Agreement was effective and stock options for Drs. Dees and Scott and Mr. Culpepper were rescinded, totaling 2,800,000. At December 31, 2014, a Gain on Settlement of \$4,178,345, net of discount, was recorded for the total due from the Executives. A Short-term Receivable was recorded for \$733,333 and a Long-term Receivable was recorded for \$3,378,345. A discount for implied interest of \$301,655 was recorded as an offset to the Gain on Settlement in the consolidated statements of operations. \$66,667 was repaid by the Executives as of December 31, 2014. The cash settlement amounts will be repaid to the Company over a period of five years with the first payment due in October 2015 and the final payment is expected to be received by October 3, 2019.

Class Action Lawsuits

On May 27, 2014, Cary Farrah and James H. Harrison, Jr., individually and on behalf of all others similarly situated (the Farrah Case), and on May 29, 2014, each of Paul Jason Chaney, individually and on behalf of all others similarly situated (the Chaney Case), and Jayson Dauphinee, individually and on behalf of all others similarly situated (the Dauphinee Case) (the plaintiffs in the Farrah Case, the Chaney Case and the Dauphinee Case are collectively referred to as the Class Action Plaintiffs), each filed a class action lawsuit in the United States District Court for the Middle District of Tennessee against the Company, H. Craig Dees, Timothy C. Scott and Peter R. Culpepper (the Defendants), alleging violations by the Defendants of Sections 10(b) and 20(a) of the Exchange Act and Rule 10b-5 promulgated thereunder. Specifically, the Class Action Plaintiffs each allege that the Defendants are liable for making false statements and failing to disclose adverse facts known to them about the Company, in connection with the Company's application to the FDA for Breakthrough Therapy Designation (BTD) of the Company's melanoma drug, PV-10, in the Spring of 2014, and the FDA's subsequent denial of the Company's application for BTD.

On July 9, 2014, the Class Action Plaintiffs and the Defendants filed joint motions in the Farrah Case, the Chaney Case and the Dauphinee Case to consolidate the cases and transfer them to United States District Court for the Eastern District of Tennessee. By order dated July 16, 2014, the United States District Court for the Middle District of Tennessee entered an order consolidating the Farrah Case, the Chaney Case and the Dauphinee Case (collectively and, as consolidated, the Class Action Case) and transferred the Class Action Case to the United States District Court for the Eastern District of Tennessee.

On November 26, 2014, the United States District Court for the Eastern District of Tennessee (the Court) entered an order appointing Fawwaz Hamati as the Lead Plaintiff in the Class Action Case, with the Law Firm of Glancy Binkow & Goldberg, LLP as counsel to Lead Plaintiff. On February 3, 2015, the Court entered an order compelling the Lead Plaintiff to file a consolidated amended complaint within 60 days of entry of the order.

On April 6, 2015, the Lead Plaintiff filed a Consolidated Amended Class Action Complaint (the Consolidated Complaint) in the Class Action Case, alleging that Provectus and the other individual defendants made knowingly false representations about the likelihood that PV-10 would be approved as a candidate for BTD, and that such representations caused injury to Lead Plaintiff and other shareholders. The Consolidated Complaint also added Eric Wachter as a named defendant. Pursuant to order of the Court, Provectus must respond to the Consolidated Complaint no later than June 5, 2015.

Table of Contents

The Company intends to defend vigorously against all claims in the Consolidated Complaint. However, in view of the inherent uncertainties of litigation and the early stage of this litigation, the outcome of the Class Action Case cannot be predicted at this time. Likewise, the amount of any potential loss cannot be reasonably estimated. No amounts have been recorded in the consolidated financial statements as the outcome of the Class Action Case cannot be predicted and the amount of any potential loss is not estimable at this time.

Hurtado Shareholder Derivative Lawsuit

On June 4, 2014, Karla Hurtado, derivatively on behalf of the Company, filed a shareholder derivative complaint in the United States District Court for the Middle District of Tennessee against H. Craig Dees, Timothy C. Scott, Jan E. Koe, Kelly M. McMasters, and Alfred E. Smith, IV (collectively, the Individual Defendants), and against the Company as a nominal defendant (the Hurtado Shareholder Derivative Lawsuit). The Hurtado Shareholder Derivative Lawsuit alleges (i) breach of fiduciary duties and (ii) abuse of control, both claims based on Ms. Hurtado's allegations that the Individual Defendants (a) recklessly permitted the Company to make false and misleading disclosures and (b) failed to implement adequate controls and procedures to ensure the accuracy of the Company's disclosures.

On July 25, 2014, the United States District Court for the Middle District of Tennessee entered an order transferring the case to the United States District Court for the Eastern District of Tennessee. On April 9, 2015, the United States District Court for the Eastern District of Tennessee entered an Order staying the Hurtado Shareholder Derivative Lawsuit pending a ruling on the Motion to Dismiss to be filed by Provectus in the Class Action Case.

As a nominal defendant, no relief is sought against the Company itself in the Hurtado Shareholder Derivative Lawsuit.

Montiminy Shareholder Derivative Lawsuit

On October 24, 2014, Paul Montiminy brought a shareholder derivative complaint on behalf of the Company in the United States District Court for the Eastern District of Tennessee (the Montiminy Shareholder Derivative Lawsuit) against H. Craig Dees, Timothy C. Scott, Jan E. Koe, Kelly M. McMasters, and Alfred E. Smith, IV (collectively, the Individual Defendants). Like the Hurtado Shareholder Derivative Lawsuit, the Montiminy Shareholder Derivative Lawsuit alleges (i) breach of fiduciary duties and (ii) gross mismanagement of the assets and business of the Company, both claims based on Mr. Montiminy's allegations that the Individual Defendants recklessly permitted the Company to make certain false and misleading disclosures regarding the likelihood that the Company's melanoma drug, PV-10, would qualify for BTM. As a practical matter, the factual allegations and requested relief in the Montiminy Shareholder Derivative Lawsuit are substantively the same as those in the Hurtado Shareholder Derivative Lawsuit.

On December 29, 2014, the United States District Court for the Eastern District of Tennessee (the Court) entered an order consolidating the Hurtado Shareholder Derivative Lawsuit and the Montiminy Derivative Lawsuit. On April 9, 2015, the United States District Court for the Eastern District of Tennessee entered an Order staying the Hurtado and Montiminy Shareholder Derivative Lawsuits pending a ruling on the Motion to Dismiss to be filed by Provectus in the Class Action Case.

As in the Hurtado Shareholder Derivative Lawsuit, no relief is sought against the Company itself; the action is against the Individual Defendants only.

Scott, Jan E. Koe, Kelly M. McMasters, and Alfred E. Smith, IV (collectively, the Individual Defendants), and against the Company as a nominal defendant (the Foley Shareholder Derivative Lawsuit). The Foley Shareholder Derivative Lawsuit was brought by the same attorney as the Montiminy Shareholder Derivative Lawsuit, Paul Kent Bramlett of Bramlett Law Offices. Other than the difference in the named plaintiff, the complaints in the Foley Shareholder Derivative Lawsuit and the Montiminy Shareholder Derivative Lawsuit are identical. On March 6, 2015, the Chancery Court of Knox County, Tennessee entered an Order staying the Foley Derivative Lawsuit until the United States District Court for the Eastern District of Tennessee issues a ruling on the anticipated motion to dismiss the amended consolidated complaint to be filed in the Class Action Case.

We will not be required to include in our proxy statement any stockholder proposal that does not meet all the requirements for such inclusion established by the SEC's proxy rules and Delaware corporate law.

Other Stockholder Proposals for Presentation at the 2016 Annual Meeting of Stockholders

In addition to the above, our bylaws contain an advance notice provision requiring that, if a stockholder's proposal is to be brought before and considered at the 2016 Annual Meeting of Stockholders, such stockholder must provide timely written notice thereof to our Secretary. In order to be timely, the notice must be delivered to or mailed and received by our Secretary at our principal executive offices not earlier than the close of business on January 1, 2016 and not later than the close of business on January 31, 2016; provided, however, that in the event the date of the 2016 Annual Meeting is more than 30 days before or more than 30 days after the anniversary of the 2015 Annual Meeting, notice by the stockholder to be timely must be so delivered not earlier than the close of business on the 90th day prior to the date of such 2016 Annual Meeting and not later than the close of business on the later of the 60th day prior to the date of such 2016 Annual Meeting or the 10th day following the day on which public announcement of the date of such annual meeting is first made by us. In the event a stockholder proposal intended to be presented for action at the 2016 Annual Meeting is not received timely, then the persons designated as proxies in the proxies solicited by the Board of Directors in connection with the 2016 Annual Meeting will be permitted to use their discretionary voting authority with respect to the proposal, whether or not the proposal is discussed in the Proxy Statement for the 2016 Annual Meeting.
