Item 1.01 Entry into a Material Definitive Agreement.

On September 30, 2015, Genesee & Wyoming Inc. (G&W or the Company) entered into Amendment No. 1 (the Amendment Agreement) to the Second Amended and Restated Senior Secured Syndicated Facility Agreement, dated as of March 20, 2015, among the Company, RP Acquisition Company Two, Quebec Gatineau Railway Inc., Genesee & Wyoming Australia Pty Ltd, Rotterdam Rail Feeding B.V., ERS Railways B.V., GWI UK Acquisition Company Limited, Bank of America, N.A., as administrative agent and co-lead arranger and co-bookrunning manager, J.P. Morgan Securities LLC, Citigroup Global Markets Inc. and The Bank of Tokyo-Mitsubishi UFJ, Ltd., as co-lead arrangers, co-bookrunning managers and co-syndication agents, Morgan Stanley Senior Funding, Inc., Sumitomo Mitsui Banking Corporation, TD Bank, N.A. and Wells Fargo Bank, National Association, as co-documentation agents, and the lenders and certain guarantors party thereto from time to time (as amended by the Amendment Agreement, the Credit Agreement).

The Amendment Agreement increases the maximum leverage ratios with which the Company must maintain compliance and delays the pace of the stepdowns in leverage ratio-based covenant levels. The Amendment Agreement adds a senior secured leverage ratio covenant that requires the Company to comply with maximum ratios of senior secured indebtedness, subject, if applicable, to netting of certain cash and cash equivalents of the Company, to EBITDA for the applicable periods set forth in the Amendment Agreement, which ratios range from a level of 4.50 to 1.00 for periods ending on or before June 30, 2016 and step down over time to a level of 3.50 to 1.00 for the periods ending on June 30, 2018 and thereafter. In addition, the Amendment Agreement establishes a maximum total leverage ratio covenant fixed at 4.50 to 1.00 for the term of the Credit Agreement.

The Amendment Agreement also permits the Company, subject to certain limitations, to repurchase shares of common stock with a value of up to \$300 million during the period commencing on the date of the Amendment Agreement and ending on the maturity date under the Credit Agreement. The repurchases are subject to limitations requiring the Company's total leverage ratio to not exceed 4.00 to 1.00 and the Company to maintain at least \$150 million of liquidity, in each case, on a pro forma basis. If the Company's total leverage ratio after giving effect to such repurchases on a pro forma basis would be less than 3.00 to 1.00, then the applicable share repurchase cap and liquidity restriction do not apply, but other restrictions and limitations may apply. Following the approval of the Amendment Agreement by the Board of Directors (the Board) of G&W on September 29, 2015, the Board authorized the repurchase of up to \$300 million of G&W common stock, as described in more detail under Item 8.01 of this Current Report on Form 8-K.

The Amendment Agreement further provides for a 1.25% and 2.25% margin for floating rate and offered rate loans, respectively, under the Credit Agreement, if the Company's total leverage ratio is greater than or equal to 4.00 to 1.00. No other changes to the applicable margins for loans under the Credit Agreement were made pursuant to the Amendment Agreement.

Certain of the parties to the Amendment Agreement, or their affiliates, have provided, and may in the future from time to time provide, certain commercial and investment banking, financial advisory and other services in the ordinary course of business for the Company and its affiliates, for which they have in the past and may in the future receive customary fees and commissions.

The foregoing description does not purport to be complete and is qualified in its entirety by reference to the full text of the Amendment Agreement, filed as Exhibit 10.1 hereto and incorporated herein by reference.

Messrs. Neupaver and Pyne will stand for election by the stockholders at the Company's 2016 Annual Meeting of Stockholders.

On September 28, 2015, the Company issued a press release announcing the new directors and upcoming Board changes. A copy of the press release is filed as Exhibit 99.1 hereto and incorporated herein by reference.

Repurchases may occur from time to time in the open market, including under 10b5-1 plans, or in privately negotiated transactions. G&W expects to evaluate opportunistic share repurchases alongside its traditional investment opportunities and would make such repurchases subject to market conditions, other corporate factors and final review by a newly-created Capital Sub-Committee of the Board.
