Item 7.01. Regulation FD Disclosure.

In connection with the Exchange Offers and Consent Solicitations (as defined in Item 8.01 below), Kansas City Southern (the Company) is disclosing under Item 7.01 of this Current Report on Form 8-K the following information:

Revolving Credit Facility

As of November 9, 2015, commitments have been provided by certain financial institutions for a new \$800.0 million revolving credit facility of the Company (the KCS Revolving Credit Facility). The Company expects to enter into the KCS Revolving Credit Facility on the settlement date of the Exchange Offers with certain of its domestic subsidiaries named therein as guarantors, the various financial institutions and other persons from time to time parties thereto as lenders and/or issuing banks (the Lenders) and Bank of America, N.A., as administrative agent for the Lenders (Agent). However, effectiveness of the KCS Revolving Credit Facility is conditioned upon the consummation of the Exchange Offers and Consent Solicitations upon the terms and conditions as set forth in the offering memorandum and certain other conditions required under the credit agreement governing the KCS Revolving Credit Facility. Upon effectiveness of the KCS Revolving Credit Facility, the commitments of the lenders under the existing revolving credit facilities of each of The Kansas City Southern Railway Company (KCSR) and Kansas City Southern de México, S.A. de C.V. (KCSM) will be terminated, all guaranties thereunder will be released, all liens thereunder (if any) will be discharged and all indebtedness and other obligations outstanding thereunder will be repaid in full.

The KCS Revolving Credit Facility will provide the Company with a five-year \$800 million revolving credit facility consisting of (i) a revolving facility in an amount up to \$800 million and (ii) a standby letter of credit facility in an amount up to \$25 million which shall constitute usage under the revolving facility.

The outstanding principal balance of loans under the KCS Revolving Credit Facility will bear interest at floating rates. At the Company's option, the loans will bear interest at a rate equal to (i) Eurodollar Rate (to be defined in the credit agreement governing the KCS Revolving Credit Facility) plus the applicable margin (which, depending on the Company's credit ratings, will be between 1.125% to 2.00%) (the Applicable Margin) or (ii) the Base Rate (to be defined as the highest of (a) the federal funds rate plus $\frac{1}{2}$ of 1%, (b) the Bank of America prime rate and (c) one-month Eurodollar Rate plus 1.00%) plus the Applicable Margin; provided that, with respect to the loans under the KCS Revolving Credit Facility, Eurodollar Rate shall at no time be less than zero.

Each guarantor will guarantee repayment of the amounts due under the KCS Revolving Credit Facility.

The Company will give certain representations and warranties that are customary for credit agreements of this type. The KCS Revolving Credit Facility will also contain affirmative and negative covenants that are customary for credit agreements of this type, including financial maintenance covenants related to a leverage ratio and an interest coverage ratio (each to be defined in the credit agreement governing the KCS Revolving Credit Facility).

Events of default under the KCS Revolving Credit Facility will be customary for transactions of this type and will include, without limitation, non-payment of obligations, breach of any representation or warranty, non-performance of covenants and obligations, default on other indebtedness, certain judgments rendered, change of control, bankruptcy or insolvency events, customary ERISA defaults and the revocation, termination, abrogation, appropriation or repudiation of the Concession Title (to be defined in the credit agreement governing the KCS Revolving Credit Facility). The occurrence of an event of default could result in the termination of the commitments and the acceleration of the repayment of any outstanding principal balance of the KCS Revolving Credit Facility.

Commercial Paper Program

The Company expects to enter into agreements on the settlement date of the Exchange Offers to establish a new \$800.0 million commercial paper program (the KCS Commercial Paper Program), which will serve as the Company's primary means of short-term funding. The KCS Revolving Credit Facility will serve as a backstop for the KCS Commercial Paper Program. Upon entry into the KCS Commercial Paper Program, KCSR's and KCSM's existing commercial paper programs will be terminated.

Pursuant to General Instruction B.2 of Form 8-K and Securities and Exchange Commission Release No. 33-8176, the information contained in this Item 7.01 shall not be deemed filed for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended, is not subject to the liabilities of that section and is not deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, except as shall be expressly set forth by specific reference in such a filing.

Item 8.01. Other Events.

On November 9, 2015, the Company issued a press release announcing the commencement of offers to exchange (the Exchange Offers) any and all outstanding notes of certain series issued by its wholly-owned subsidiaries KCSR and KCSM (collectively, the Existing Notes) for new notes to be issued by the Company (collectively, the KCS Notes) and cash.

In addition, the Company also announced the commencement of consent solicitations, on behalf of KCSR or KCSM, as applicable (the Consent Solicitations), relating to proposed amendments to eliminate (i) covenants in the indentures governing the applicable Existing Notes with respect to (a) liens, (b) changes of control, (c) additional guarantors, (d) reports and (e) to the extent described therein, consolidations, mergers and sales of assets and (ii) all events of default with respect to the applicable Existing Notes, other than events of default relating to the failure to pay principal of (or premium, if any, on) and interest on such Existing Notes and the enforceability of the guarantees (if any).

A copy of the press release is attached hereto as Exhibit 99.1 and incorporated herein by reference.
