Item 5. Interest of Named Experts and Counsel

Not applicable.

Item 6. Indemnification of Directors and Officers.

Reference is made to the provisions of Delaware General Corporation Law (DGCL), Article V of the Amended and Restated Bylaws of Registrant (the Bylaws) and Article X of the Amended and Restated Certificate of Incorporation of Registrant.

Registrant is a Delaware corporation subject to the applicable indemnification provisions of the DGCL. Section 145 of the DGCL provides for the indemnification, under certain circumstances, of persons who are or were directors, officers, employees or agents of a corporation, or are or were serving at the request of a corporation in such a capacity with another business organization or entity, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement in actions, suits or proceedings, whether civil, criminal, administrative, or investigative, brought or threatened against or involving such persons because of such person's service in any such capacity. In the case of actions brought by or in the right of a corporation, Section 145 provides for indemnification of expenses (including attorneys' fees) if the person seeking indemnification acted in good faith and in a manner that such person reasonably believed to be in or not opposed to the best interests of the corporation; provided, however, that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged liable to the corporation unless, upon a determination by the Court of Chancery or the court in which such action or suit was brought, despite the adjudication of liability but in view of all the circumstances of the case, such person is reasonably and fairly entitled to indemnity for such expenses.

The Bylaws provide that any person who was or is made a party or who is threatened to be made a party to or is otherwise involved in any action, suit or proceeding, whether civil, criminal, administrative, arbitrative or investigative (a proceeding) by reason of the fact that such person is or was a director or an officer of Registrant, while serving as a director or officer of Registrant, or is or was serving at the request of Registrant as a director, officer, employee or agent of another corporation or of a partnership, joint venture, trust or other enterprise, including service with respect to an employee benefit plan, whether the basis of such proceeding is alleged action in an official capacity as a director, officer, employee or agent or in any other capacity while serving as a director, officer, employee or agent, shall be indemnified and held harmless by Registrant to the fullest extent authorized by the DGCL against all expense, liability and loss (including attorneys' fees, judgments, fines, ERISA excise taxes or penalties and amounts paid in settlement) reasonably incurred or suffered by such person in connection with such proceeding, provided that, except under limited circumstances with respect to proceedings to enforce rights to indemnification, Registrant shall indemnify any such person in connection with a proceeding (or part thereof) initiated by such person only if such proceeding (or part thereof) was authorized in the first instance by the Board of Directors of Registrant.

The Bylaws further provide that the right to indemnification as set forth in the Bylaws includes the right to be paid by Registrant the expenses (including attorneys' fees) incurred in defending any such proceeding in advance of its final disposition (an advancement of expenses); provided, however, that if the DGCL requires an advancement of expenses incurred by such person in his or her capacity as a director or officer (and not in any other capacity in which service was or is rendered by such person, including, without limitation, service to an employee benefit plan) shall be made only upon delivery to Registrant of an undertaking (hereinafter, an undertaking), by or on behalf of such person, to repay

all amounts so advanced if it shall ultimately be determined by final judicial decision from which there is no further right to appeal that such person is not entitled to be indemnified for such expenses under the Bylaws or otherwise.

The Bylaws further provide that Registrant may, to the extent authorized from time to time by the Board of Directors, grant rights to indemnification and to the advancement of expenses to any employee or agent of Registrant to the fullest extent of the provisions of Article V of the Bylaws with respect to the indemnification and advancement of expenses of directors and officers of Registrant.

The Amended and Restated Certificate of Incorporation of Registrant provides that no director shall be personally liable to Registrant or its stockholders for monetary damages in breach of fiduciary duty as a director other than liability (i) for any breach of the director's duty of loyalty to Registrant or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) for any payment of a dividend or approval of a stock repurchase that is illegal under Section 174 of the DGCL; or (iv) for any transaction from which the director derived an improper personal benefit. If the DGCL is amended to authorize corporate action further eliminating or limiting the personal liability of directors, then the liability of a director will automatically be deemed eliminated and limited to the fullest extent permitted by the DGCL as so amended.

Registrant has purchased and intends to maintain insurance on its behalf and on behalf of any person who is or was a director or officer against any loss arising from any claim asserted against him or her and incurred by him or her in that capacity, subject to certain exclusions and limits of the amount of coverage.

The above discussions of Section 145 of the DGCL and of Registrant's Amended and Restated Certificate of Incorporation and Bylaws are not intended to be exhaustive and each is respectively qualified in its entirety by reference to the applicable statute and Registrant's Amended and Restated Certificate of Incorporation and Bylaws.
