## **Forward Looking Statements**

Some of the statements in this communication are forward-looking statements (or forward-looking information) within the meaning of applicable U.S. and Canadian securities laws. These include statements using the words believe, target, outlook, may, will, should, could, estimate, continue, expect, intend, plan, predict, potential, project and anticipate, and similar statements which do not describe the present or provide information about the past. There is no guarantee that the expected events or expected results will actually occur. Such statements reflect the current views of management of Mitel and are subject to a number of risks and uncertainties. These statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, operational and other factors. Any changes in these assumptions or other factors could cause actual results to differ materially from current expectations. All forward-looking statements attributable to Mitel or Polycom, or persons acting on either of their behalf, are expressly qualified in their entirety by the cautionary statements set forth in this paragraph. Undue reliance should not be placed on such statements. In addition, material risks that could cause actual results to differ from forward-looking statements include: the inherent uncertainty associated with financial or other projections; the integration of Mitel and Polycom and the ability to recognize the anticipated benefits from the combination of Mitel and Polycom; the ability to obtain required regulatory approvals for the transaction, the timing of obtaining such approvals and the risk that such approvals may result in the imposition of conditions that could adversely affect the expected benefits of the transaction; the risk that the conditions to the transaction are not satisfied on a timely basis or at all and the failure of the transaction to close for any other reason; risks relating to the value of the Mitel common shares to be issued in connection with the transaction; the anticipated size of the markets and continued demand for Mitel and Polycom products and services, the impact of competitive products and pricing and disruption to Mitel's and Polycom's respective businesses that could result from the announcement of the transaction; access to available financing on a timely basis and on reasonable terms, including the refinancing of Mitel and Polycom debt to fund the cash portion of the consideration in connection with the transaction; the integration of Mavenir and the ability to recognize the anticipated benefits from the acquisition of Mavenir; Mitel's ability to achieve or sustain profitability in the future; fluctuations in quarterly and annual revenues and operating results; fluctuations in foreign exchange rates; current and ongoing global economic instability, political unrest and related sanctions; intense competition; reliance on channel partners for a significant component of sales; dependence upon a small number of outside contract manufacturers to manufacture products; and, Mitel's ability to successfully implement and achieve its business strategies, including its growth of the company through acquisitions and the integration of recently acquired businesses and realization of synergies, including the pending acquisition of Polycom. Additional risks are described under the heading "Risk Factors" in Mitel's Annual Report on Form 10-K for the year ended December 31, 2015 and in Mitel's Quarterly Report on Form 10-Q for the quarter ended March 31, 2016 filed with the U.S. Securities and Exchange Commission (the "SEC") and Canadian securities regulatory authorities on February 29, 2016 and May 5, 2016, respectively, and in Polycom's Annual Report on Form 10-K for the year ended December 31, 2015 and in Polycom's Quarterly Report on Form 10-Q for the quarter ended March 31, 2016 filed with the SEC on February 29, 2016 and April 28, 2016, respectively. Forward-looking statements speak only as of the date they are made. Except as required by law, neither Mitel nor Polycom has any intention or obligation to update or to publicly announce the results of any revisions to any of the forward-looking statements to reflect actual results, future events or developments, changes in assumptions or changes in other factors affecting the forward-looking statements.

## **No Offer or Solicitation**

This communication is not intended to and does not constitute an offer to sell or the solicitation of an offer to subscribe for or buy or an invitation to purchase or subscribe for any securities or the solicitation of any vote or approval in any jurisdiction, nor shall there be any sale, issuance or transfer of securities in any jurisdiction in contravention of applicable law.

## **Important Information for Investors**

In connection with the proposed transaction between Mitel and Polycom, Mitel has filed with the SEC a registration statement on Form S-4 that includes a Proxy Statement of Polycom that also constitutes a Prospectus of Mitel (the Proxy Statement/Prospectus ). Mitel will also prepare a proxy circular in accordance with applicable Canadian securities and corporate law (the Proxy Circular ). **Mitel Solidifies Investment in 5G Connectivity Initiative**

Helps Launch Ranzure Networks With Participation in Seed Round of Funding

New company focused on next generation customized wireless service to support Internet of Things and billions of devices

Leverages Mitel Mobile technology to deliver cloud-based platform enabling wireless connectivity of 5G networks

Market projected to reach \$247 billion in ten years\*

Mitel® (Nasdaq:MITL) (TSX:MNW), a global leader in real-time business, cloud and mobile communications, has solidified its 5G program, announced earlier this year, with participation in the initial round of funding of the newly created Ranzure Networks. With \$7.6M in a seed round of funding from Mitel and other investors, including LiveOak Venture Partners, Ranzure Networks will license Mitel Mobile technology in the area of Evolved Packet Core to support service providers as they build 5G networks for the Internet of Things. Worldwide 5G service revenue, driven by emerging mobile and cloud technologies, is projected to reach \$247 billion in the next ten years\*.

Ranzure Networks founders include well known serial mobile entrepreneur Pardeep Kohli, former Mavenir CEO, and established mobile innovator Ashok Khuntia, former Mavenir EVP, Engineering. BG Kumar, President, Mitel Mobile will take a seat on the Board.

**Quotes**

The days of rigid, proprietary hardware solutions are over and the migration to 5G provides opportunity for innovation, said Pardeep Kohli, President and CEO, Ranzure Networks Inc. We believe that satisfying varying needs of billions of devices now requires a flexible Radio Access Network that is easy to deploy, operate and customize to meet the needs of each device. Ranzure will bring flexible cloud technologies to radio access networks.

The pace of mobile adoption and innovation is unrelenting. At the same time our 4G mobile business is growing at record levels, we can already see the exciting opportunity for 5G to take services even further in the future, said Rich McBee, CEO, Mitel. Our investment in Ranzure Networks enables Mitel to keep tight focus on the immediate needs of our current mobile customers and positions us to capitalize on the 5G market opportunity as it evolves and emerges.

Most online content is now being accessed through wireless devices but wireless access networks have not kept up with the consumer needs, said Venu Shamapant, General
