GRAVITY REPORTS THIRD QUARTER OF 2016 RESULTS

Seoul, South Korea October 28, 2016 GRAVITY Co., Ltd. (NasdaqCM: GRVY) (Gravity or Company), a developer and publisher of online and mobile games based in South Korea, today announced its unaudited financial results for the third quarter ended September 30, 2016, prepared in accordance with generally accepted accounting principles in the United States.

FINANCIAL RESULTS FOR THE THIRD QUARTER OF 2016

Revenues

Revenues for the third quarter ended September 30, 2016 was KRW 15,746 million (US\$ 13,143 thousand), representing a 73.9% increase from KRW 9,057 million for the second quarter ended June 30, 2016 (QoQ) and a 81.6% increase from KRW 8,671 million for the third quarter ended September 30, 2015 (YoY).

Subscription revenues for the third quarter of 2016 were KRW 8,497 million (US\$ 7,093 thousand), representing a 265.8% increase QoQ from KRW 2,323 million and a 332.4% increase YoY from KRW 1,965 million. The increase QoQ and YoY was mainly attributable to increased revenues from *Ragnarok Online* and *Xianjing RO Chuanshuo WEB* in Taiwan. The Company commenced its direct game service of *Ragnarok Online* on June 15, 2016 and launched *Xianjing RO Chuanshuo WEB* on July 13, 2016 in such area.

Royalty and license fee revenues for the third quarter of 2016 were KRW 3,736 million (US\$ 3,119 thousand), representing a 36.4% increase QoQ from KRW 2,738 million and a 35.1% increase YoY from KRW 2,765 million. The increase QoQ was primarily due to increased revenue from *Ragnarok Online* in Thailand, which was partially offset by decreased revenue from *Ragnarok Online* in Japan. The increase YoY was resulted mainly from increased revenues from *Ragnarok Online* in Thailand and Japan. *Ragnarok Online* was relaunched in Thailand by a local licensee on July 13, 2016.

Mobile game and application revenues were KRW 2,170 million (US\$ 1,811 thousand) for the third quarter of 2016, representing a 13.0% decrease QoQ from KRW 2,495 million and a 31.3% decrease YoY from KRW 3,160 million. The decrease QoQ was primarily from decreased revenue from *Ragnarok: Path of Heroes* and the decrease YoY was resulted primarily from decreased revenues from *Ragnarok: Path of Heroes* and *Battle Ship*.

Character merchandising and other revenues were KRW 1,343 million (US\$ 1,120 thousand) for the third quarter of 2016, representing a 10.5% decrease QoQ from KRW 1,501 million and a 72.0% increase YoY from KRW 781 million. The decrease QoQ was primarily due to decreased revenues from web site development and operation service provided for third parties and the increase YoY was mainly due to recognition of deferred revenues occurred from a game development and publishing agreement with a third party, which was executed on March 25, 2016.

Cost of Revenue

Cost of revenue was KRW 6,734 million (US\$ 5,621 thousand) for the third quarter of 2016, representing a 1.6% decrease QoQ from KRW 6,846 million and a 6.3% decrease YoY from KRW 7,185 million. The decrease QoQ was mostly attributable to the decreased salaries, which was partially offset by increased commission paid for game service in Taiwan. The decrease YoY was mostly from decreased amortization of capitalized research and development cost of *Ragnarok Online II*, which had been amortized and fully impaired in December 2015. The decrease YoY, however, was partially offset by increased commission paid for game service in Taiwan.

Operating Expenses

Operating expenses were KRW 5,466 million (US\$ 4,562 thousand) for the third quarter of 2016, representing a 47.1% increase QoQ from KRW 3,717 million and a 32.2% increase YoY from KRW 4,135 million. The increase QoQ and YoY was mainly due to an increase in commission paid and advertising expenses in Taiwan. The increase YoY, however, was partially offset by decreased research and development expenses.

Income before income tax expenses and others

Income before income tax expenses and others was KRW 3,524 million (US\$ 2,942 thousand) for the third quarter of 2016 compared with loss before income tax expenses and others of KRW 1,212 million for the second quarter of 2016 and loss before income tax expenses and others of KRW 2,148 million for the third quarter of 2015.

Net Income

As a result of the foregoing factors, Gravity recorded a net income attributable to parent company of KRW 3,087 million (US\$ 2,577 thousand) for the third quarter of 2016 compared with a net loss attributable to parent company of KRW 1,605 million for the second quarter of 2016 and a net loss attributable to parent company of KRW 2,460 million for the third quarter of 2015.

Liquidity

The balance of cash and cash equivalents and short-term financial instruments was KRW 35,792 million (US\$ 29,877 thousand) as of September 30, 2016.

Note: For convenience purposes only, the KRW amounts are expressed in U.S. dollars at the rate of KRW 1,197.98 to US\$ 1.00, the noon buying rate in effect on September 30, 2016 as quoted by the Federal Reserve Bank of New York.

About GRAVITY Co., Ltd.
