### **Item 1.01 Entry into a Material Definitive Agreement.**

On December 5, 2016, certain subsidiaries of Verso Corporation ( Verso ) entered into amendments to their existing Credit Facilities (as defined below) to permit a consolidation and reorganization of Verso s subsidiaries (the Reorganization ). The Reorganization will involve several separate, but related, actions consisting of mergers between subsidiaries to reduce their numbers, the conversion of corporate subsidiaries to limited liability companies, the re-domestication of subsidiaries under Delaware law to provide for a uniform and enlightened regulatory framework, the formation of new holding companies to create separate branches for Verso s paper-making and energy operations, and name changes of subsidiaries to more appropriately reflect the nature of their assets and operations. To facilitate the Reorganization, Verso Paper Finance Holdings LLC ( Holdings ), Verso Paper Holdings LLC (the Borrower ), and certain other Verso subsidiaries entered into (1) an amendment (the ABL Amendment ) to the asset-based revolving credit agreement dated as of July 15, 2016 (the ABL Facility ), among Holdings, the Borrower, the subsidiaries of the Borrower party thereto, the lenders party thereto, and Wells Fargo Bank, National Association, as administrative agent, and (2) an amendment (the Term Loan Amendment and together with the ABL Amendment, the Amendments ) to the senior secured term loan agreement dated as of July 15, 2016 (the Term Loan Facility and, together with the ABL Facility, the Credit Facilities ), among Holdings, the Borrower, the subsidiaries of the Borrower party thereto, the lenders party thereto, and Barclays Bank PLC, as administrative agent and collateral agent. Management believes that the Reorganization, which Verso plans to consummate by the end of the year, will afford greater efficiency and reduced costs in the administration of its subsidiaries.

The foregoing summary of the Amendments does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Amendments, copies of which are filed as Exhibit 10.1 and Exhibit 10.2 to this report and are incorporated herein by reference.

### **Forward-Looking Statements**

In this report, all statements that are not purely historical facts are forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. These forward-looking statements often include words such as believe, expect, project, anticipate, intend, plan, estimate, seek, will, may, would, should, could, forecasts or similar expressions. These statements are not guarantees of results, and actual results could differ materially from those expressed in the forward-looking statements due to a variety of important factors, both positive and negative, that could cause material impacts on Verso s historical or anticipated performance and results. Although Verso believes that in making any such forward-looking statement its expectations are based on reasonable assumptions, any such forward-looking statement involves uncertainties and is qualified in its entirety by reference to the discussion of risk factors under Risk Factors and the discussion under Management s Discussion and Analysis of Financial Condition and Results of Operations in the annual reports on Form 10-K and the quarterly reports on Form 10-Q filed by Verso as well as the following important factors, among others, that could cause actual results to differ materially from those projected in such forward-looking statements: the ability of Verso to realize the expected benefits of the Reorganization and the ability of Borrower to comply with the covenants under the Credit Facilities. New factors emerge from time to time, and it is not possible for Verso to predict all of them, nor can it assess the impact of each such factor or the extent to which any factor, or combination of factors, may cause results to differ materially from those contained in any forward-looking statement. Verso, therefore, cautions you against relying on these forward-looking statements. All forward-looking statements attributable to Verso or persons acting on Verso s behalf are expressly qualified in their entirety by the foregoing cautionary statements. All such statements speak only as of the date made, and Verso undertakes no obligation to update or revise publicly any forward-looking statements, whether as a result of new information, future events or otherwise.
