NEWS RELEASE

**SHAW EXTENDS DIVIDEND REINVESTMENT PLAN
TO RESIDENTS OF THE UNITED STATES**

Calgary, Alberta (December 16, 2016) Shaw Communications Inc. (Shaw) announced today that its eligible shareholders who are residents of the United States can now enroll their Class A Participating Shares (Class A Shares) and Class B Non-Voting Participating Shares (Class B Shares) in its dividend reinvestment plan (Plan). Since its launch in 2008 the Plan was available only to shareholders who were residents of Canada.

The Plan provides a convenient way for Plan participants to reinvest cash dividends paid on their Class A Shares and/or Class B Shares to purchase additional Class B Shares without brokerage commissions, fees or transaction costs.

On each dividend payment date, cash dividends payable on a participant's Class A Shares and/or Class B Shares are paid by Shaw to CST Trust Company, Shaw's registrar and transfer agent which serves as agent under the plan (Plan Agent). The Plan Agent uses those funds (less any withholdings under applicable tax laws) to purchase Class B Shares. At Shaw's election, the Class B Shares purchased by the Plan Agent are either Class B Shares newly issued by Shaw (Treasury) or outstanding Class B Shares purchased through the facilities of the Toronto Stock Exchange. Shaw currently elects to issue Class B Shares from Treasury at a 2% discount to the market price set in accordance with the terms of the Plan.

Dividends to be reinvested under the Plan for participants who are not residents of Canada will be subject to withholdings under applicable tax laws and, accordingly, the amount reinvested under the Plan for those participants will be reduced by the amount of such withholdings.

Information on the Plan can be obtained from the Plan Agent by accessing its website at www.canstockta.com.
