Sierra Wireless Acquisition of Numerex Corp. August 2, 2017

Cautionary Note Regarding Forward-Looking Statements Certain statements and information in this presentation constitute forward-looking statements or forward-looking information within the meaning of the U.S. Private Securities Litigation Reform Act of 1995 and Canadian securities laws (“forward-looking statements”) including, but not limited to, statements and information regarding the benefits of the transaction, the combined company’s future business prospects, performance and growth program, revenues and the expectation that the acquisition will be accretive approximately one year after the closing of the transaction. Forward-looking statements: Typically include words and phrases about the future such as “outlook”, “will”, “may”, “estimates”, “intends”, “believes”, “plans”, “anticipates” “expects”. Are not promises or guarantees of future performance. They represent our current expectations and assumptions and may change significantly. While we may elect to update forward-looking statements at some point in the future, we specifically disclaim any obligation to update the forward-looking statements provided to reflect any change in our expectations or any change in events, conditions or circumstances on which any such statement is based. Therefore, you should not rely on these forward-looking statements as representing our views as of any date subsequent to today. Many factors could cause actual future events to differ materially from the forward-looking statements in this presentation, including but not limited to: (i) the risk that the transaction may not be completed in a timely manner or at all, which may adversely affect our business and the price of our common shares, (ii) the failure to satisfy the conditions to the consummation of the transaction, including the adoption of the merger agreement by the shareholders of Numerex and the receipt of certain governmental and regulatory approvals, (iii) the occurrence of any event, change or other circumstance that could give rise to the termination of the merger agreement, (iv) the effect of the announcement or pendency of the transaction on our business relationships, operating results, and business generally, (v) risks related to diverting management’s attention from our ongoing business operations, (vi) the risk that the expected synergies and value creation from the transaction will not be realized, or will not be realized within the expected time period, (vii) the outcome of any legal proceedings that may be instituted against either company related to the merger agreement or the transaction, (viii) our ability to successfully integrate Numerex’s operations, product lines, and technology within the expected time-line or at all, and (ix) our ability to implement our plans, forecasts, and other expectations with respect to Numerex’s business after the completion of the proposed merger and realize additional opportunities for growth and innovation. The foregoing list of factors is not exclusive. Additional risk factors are discussed in our Annual Information Form and Management’s Discussion and Analysis of Financial Condition and Results of Operations, which may be found on SEDAR at [www.sedar.com](http://www.sedar.com) and on EDGAR at [www.sec.gov](http://www.sec.gov) and in our other regulatory filings with the Securities and Exchange Commission in the United States and the Provincial Securities Commissions in Canada.

**LEGAL DISCLAIMER No Offer or Solicitation** This presentation is not intended to and does not constitute an offer to sell or the solicitation of an offer to buy, sell or solicit any securities or any proxy, vote or approval, nor shall there be any sale of securities in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction. No offer of securities shall be deemed to be made except by means of a prospectus meeting the requirements of Section 10 of the Securities Act of 1933, as amended. This presentation may be deemed to be solicitation material in respect of the proposed acquisition of Numerex by Sierra Wireless.
