**Item 1.01. Entry into a Material Definitive Agreement.**

On October 27, 2017, Owens Corning (the Company) entered into two loan agreements associated with its proposed acquisition (the Acquisition) of the entire capital stock of Parry I Holding AB, the owner of Paroc Group Oy (Paroc). Paroc is a leading producer of mineral wool for building and technical insulation products and solutions in Europe.

These agreements included (1) a Term Loan Agreement between the Company, as borrower, the lenders signatory thereto and JPMorgan Chase Bank, N.A., as administrative agent (the Term Loan Agreement), and (2) a 364-Day Term Loan Agreement between the Company, as borrower, the lenders signatory thereto and JPMorgan Chase Bank, N.A., as administrative agent (the 364-Day Loan Agreement, and together with the Term Loan Agreement, the Loan Agreements). The obligations under the Loan Agreements are guaranteed by certain of the Company's wholly-owned domestic subsidiaries (other than immaterial subsidiaries).

The Term Loan Agreement provides for a term loan facility (the Term Loan Credit Facility) in an aggregate principal amount of \$600 million and the 364-Day Loan Agreement provides for a term loan facility in an aggregate principal amount of \$300 million (the 364-Day Credit Facility, and together with the Term Loan Credit Facility, the Credit Facilities). Borrowings under the Credit Facilities may be used by the Company to finance the Acquisition as well as other general corporate purposes and working capital.

Interest on outstanding indebtedness under the Credit Facilities accrues at a rate equal to, at the Company's option, (1) the highest of (a) JPMorgan Chase Bank, N.A.'s prime rate, (b) the federal funds rate plus 0.50% and (c) except when LIBOR is unavailable, LIBOR plus 1.00%, plus an applicable margin based upon the then applicable corporate credit ratings of the Company, or (2) if available, LIBOR plus an applicable margin based upon the then applicable corporate credit ratings of the Company.

The Credit Facilities contain customary representations and warranties and covenants for agreements of this type, including covenants applicable to the Company and its subsidiaries limiting indebtedness, liens, substantial asset sales and mergers, and other provisions. The Credit Facilities contain customary events of default.

The Term Loan Credit Facility matures on the earlier of three years after funding or the date of acceleration pursuant to its terms. The 364-Day Credit Facility matures on the earlier of October 26, 2018 or the date of acceleration pursuant to its terms.

The lenders under the Loan Agreements and their affiliates have provided investment banking, financial advisory and other services to the Company for customary fees and reimbursement of expenses, and those lenders may continue to do so.

**Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.**

The disclosure under Item 1.01 of this Current Report on Form 8-K regarding the Credit Facilities is incorporated herein by reference.
