The ratification of the appointment by our audit committee of KPMG LLP to serve as our independent registered public accounting firm for our fiscal year ending December 31, 2018.

Our advance notice by-laws require that our stockholders submit to us, not later than 90 days prior to the first anniversary of the date on which we first mailed our proxy statement to stockholders for our most recent year's annual meeting of stockholders, the information specified in those by-laws regarding any nomination by a stockholder of a candidate for election as a director or any proposal by a stockholder of any other item of stockholder business a stockholder wishes our stockholders to consider at our next forthcoming annual meeting of stockholders. Our board of directors has established the close of business on March 1, 2018 as the record date for the determination of the holders of our Class A common stock and for the determination of the holders of our Class B common stock entitled to notice of, and to vote at, our 2018 Annual Meeting. Unless we otherwise expressly indicate, all of the financial information we include or incorporate by reference in this proxy statement for our 2018 Annual Meeting relates to our 2017 fiscal year. Our 2017 fiscal year began on January 1, 2017 and ended on December 31, 2017.

OUR 2018 ANNUAL MEETING

In accordance with this proxy statement, our board of directors solicits proxies from our stockholders for use in connection with our 2018 Annual Meeting and any adjournment or postponement of our 2018 Annual Meeting. We will hold our 2018 Annual Meeting at 10:00 a.m., local time, on Thursday, April 19, 2018 at the Cameron Estate Inn, 1855 Mansion Lane, Mount Joy, Pennsylvania 17552.

What is the agenda for our 2018 Annual Meeting?

At our 2018 Annual Meeting, our stockholders will consider and act upon the two items of stockholder business we propose as follows:

the election of the four persons our board of directors has nominated to serve as Class B directors, each for a term of three years and until the election of their respective successors and their respective successors take office; and

the ratification of the appointment by our audit committee of KPMG LLP to serve as our independent registered public accounting firm for our fiscal year ending December 31, 2018.

What is the effect of our advance notice by-laws?

Our advance notice by-laws require that a stockholder provide us with a specified period of prior notice of that stockholder's intention to nominate any candidate for election as a Class B director at our 2018 Annual Meeting or to propose any other item of stockholder business for stockholder consideration at our 2018 Annual Meeting.

Our advance notice by-laws establish a date by which a stockholder must submit a stockholder proposal to us with respect to our next forthcoming annual meeting of stockholders. That date in general is 90 days prior to the first anniversary of the mailing date of our proxy solicitation material for our prior year's annual meeting of stockholders. After that date, a stockholder may no longer propose any candidate for election as a director at our next forthcoming annual meeting of stockholders and may no longer propose any other item of stockholder business for consideration and a vote by our stockholders at our next forthcoming annual meeting of stockholders. For our 2018 Annual Meeting, that date was December 17, 2017. For our 2019 annual meeting of stockholders, that date is December 16, 2018. The purpose of our advance notice by-laws is to ensure that we can include in our annual proxy statements, for the information of all of our stockholders, all of the actions we or others propose to present for consideration by our stockholders at our annual meetings of stockholders.

No stockholder has nominated a candidate for election as a Class B director at our 2018 Annual Meeting or proposed the transaction of any other item of stockholder business at our 2018 Annual Meeting. Accordingly, no item of stockholder business other than the two items of stockholder business we describe in our notice of our 2018 Annual Meeting, as well as in this proxy statement, may properly come before our 2018 Annual Meeting or any adjournment or postponement of our 2018 Annual Meeting. As a result, we will not submit any other item of stockholder business, other than procedural matters related to the conduct of our 2018 Annual Meeting, to a vote of our stockholders at our 2018 Annual Meeting.

We are a Delaware corporation. Therefore, the DGCL, our amended and restated certificate of incorporation as currently in effect and our by-laws as currently in effect govern the conduct of business at our annual meetings of

stockholders, our relationships with our stockholders and the relative rights, powers, duties and obligations of us and our stockholders, directors, nominees for directors, officers and employees.

What is the quorum requirement for the conduct of business at our 2018 Annual Meeting?

Our by-laws provide that the presence, in person or by proxy, of not less than a majority of the aggregate voting power of our outstanding shares of Class A common stock and our outstanding shares of Class B common

Table of Contents

stock as of the record date for our 2018 Annual Meeting voting together as a single class constitutes a quorum at our 2018 Annual Meeting. Because Donegal Mutual owns approximately 72% of the combined voting power of our outstanding Class A common stock and our outstanding Class B common stock and all of its shares will be present at our 2018 Annual Meeting, a quorum will be present at our 2018 Annual Meeting. Because a quorum will be present at our 2018 Annual Meeting, our stockholders will have the legal power and authority to conduct the two items of stockholder business at our 2018 Annual Meeting that we describe in our notice of our 2018 Annual Meeting and in this proxy statement.

What is the order of business at our 2018 Annual Meeting?

Our by-laws and applicable provisions of the DGCL govern the organization, conduct of business at and the adjournment or postponement of our 2018 Annual Meeting. Our board of directors has designated Kevin G. Burke, our president and chief executive officer, as the presiding officer of our 2018 Annual Meeting. Mr. Burke will call our 2018 Annual Meeting to order and will conduct the business of our 2018 Annual Meeting, including voting upon the two items of stockholder business upon which our stockholders will vote at our 2018 Annual Meeting. Under our by-laws, no other item of stockholder business may properly come before our 2018 Annual Meeting. Mr. Burke, in his capacity as the presiding officer of our 2018 Annual Meeting, will determine, in his discretion, the order of the items of stockholder business we will conduct at our 2018 Annual Meeting and the procedural manner in which we will conduct the business of our 2018 Annual Meeting.

We have historically conducted the voting on the items of stockholder business we submit for a stockholder vote at our annual meetings of stockholders immediately following the calling to order of our annual meetings and the determination of a quorum by the presiding officer of our annual meetings. We currently intend to follow a substantially similar procedure at our 2018 Annual Meeting. After our stockholders have voted on the two items of stockholder business we describe in this proxy statement, and the inspectors of election our board of directors has appointed have tallied the voting on those two items of stockholder business, Kevin G. Burke, our president and chief executive officer, and Jeffrey D. Miller, our executive vice president and chief financial officer, will then discuss our results of operations for 2017 compared to 2016 and our outlook for 2018. After those remarks, the inspectors of election for our 2018 Annual Meeting will announce the results of the voting on the two items of business on which our stockholders have voted at our 2018 Annual Meeting. Then Messrs. Burke and Miller will, as they deem appropriate in their discretion under then prevailing circumstances, recognize stockholders who wish to ask pertinent questions or make comments.

Who is entitled to notice of, and who may vote at, our 2018 Annual Meeting?

Our board of directors established the close of business on March 1, 2018 as the record date for the determination of the holders of our Class A common stock and the holders of our Class B common stock who are entitled to notice of, and to vote at, our 2018 Annual Meeting. We refer to those eligible stockholders as "stockholders of record" in this proxy statement. Stockholders of record, including persons whom a stockholder of record duly and validly appoints as the proxy of such stockholder of record, may attend, and vote at, our 2018 Annual Meeting.

Each share of our Class A common stock held of record for our 2018 Annual Meeting has the right to cast one-tenth of a vote for each nominee for election as a Class B director at our 2018 Annual Meeting and for the other item of stockholder business we submit to a vote of our stockholders at our 2018 Annual Meeting.

Each share of our Class B common stock held of record for our 2018 Annual Meeting has the right to cast one vote for each nominee for election as a Class B director at our 2018 Annual Meeting and for the other item of stockholder business we submit to a vote of our stockholders at our 2018 Annual Meeting.

We will request valid photographic identification, such as a currently valid driver's license, before we permit a stockholder of record, or a proxy for a stockholder of record, to attend our 2018 Annual Meeting in

person. If you are a beneficial owner, you will also need to bring a copy of your voting instructions card or brokerage statement reflecting your stock ownership as of the record date. We will not permit cameras, recording devices, cell phones and other electronic devices at our 2018 Annual Meeting other than those we operate. Security measures may include bag, metal detector and hand-wand searches.

Even if you currently plan to attend our 2018 Annual Meeting and vote in person, we recommend that you vote by proxy using one of the methods we describe in this proxy statement under "How do you vote the DGI shares you own that are registered in your name?" By using one of those methods of voting, we can then recognize your votes even if you later do not, or cannot, for any reason attend our 2018 Annual Meeting and vote in person.

Computershare, our independent stock transfer agent, has prepared and certified a list of all holders of our Class A common stock and all holders of our Class B common stock outstanding as of the close of business on March 1, 2018, the record date for our 2018 Annual Meeting. If your name appears on that certified list of stockholders, you are a stockholder of record entitled to vote in person or by proxy at our 2018 Annual Meeting. For example, you are a stockholder of record if you received this proxy statement and the related materials for our 2018 Annual Meeting directly from us through our mailing agent and not indirectly from another person who is the record holder of the shares you own beneficially, such as a bank, a brokerage firm or other fiduciary or representative.

Our by-laws, in compliance with the DGCL, provide a stockholder of record an opportunity, subject to that stockholder of record's prior compliance with certain conditions we describe in this proxy statement, during the ten calendar days preceding the date of our 2018 Annual Meeting, to examine, at our principal executive offices in Marietta, Pennsylvania, an alphabetical list of the holders of record for our 2018 Annual Meeting of our Class A common stock and an alphabetical list of the holders of record for our 2018 Annual Meeting of our Class B common stock. We will grant the request of a stockholder of record to make such an examination if:

the stockholder of record makes a written request to make such an examination at our principal executive offices during such 10-day period addressed to Jeffrey D. Miller, our executive vice president and chief financial officer; and

we determine, in our discretion, that the stockholder of record's request to examine our stockholder list is proper and legally relevant to the two items of stockholder business we will conduct at our 2018 Annual Meeting.

If a stockholder of record does not make such a written request to inspect our list of stockholders within the ten-day period we describe above or if we make a determination, in our discretion, that the stockholder of record's request for inspection of our list of stockholders within such ten-day period is not proper or not legally relevant to the two items of stockholder business we will conduct at our 2018 Annual Meeting, we will not permit that stockholder of record to examine the list of the record holders of our Class A common stock and the record holders of our Class B common stock.

If you are the beneficial owner of shares of our Class A common stock or the beneficial owner of shares of our Class B common stock registered in the name of a bank, broker or other fiduciary or representative, which we also refer to in this proxy statement as shares held in "street name," we consider you the beneficial owner of the shares your bank, your broker or your other fiduciary or representative holds for you, and we consider your bank, your broker or your other fiduciary or representative the stockholder of record of your shares. Your bank, your broker or your other fiduciary or representative will send you separately, as the beneficial owner, information describing the procedure for you to vote your shares. You should follow the instructions your bank, your broker or your other fiduciary or

representative provides to you on how to vote your shares held in street name in the manner you determine.

Table of Contents***Which of the items of stockholder business we will conduct at our 2018 Annual Meeting do we consider routine and which do we consider non-routine?***

We will transact two items of stockholder business at our 2018 Annual Meeting. Under applicable regulations, we consider the election of four Class B directors as non-routine and the ratification of the appointment of KPMG LLP to serve as our auditors for our 2018 fiscal year as routine.

Under applicable rules, a record owner who is not also the beneficial owner, such as a broker, has the authority to vote on routine matters, but may not vote on non-routine matters. If you do not give specific voting instructions to the institution that holds your shares with respect to a non-routine matter, the institution will inform the inspectors of election that it does not have authority to vote on that non-routine matter with respect to your shares. This lack of authority is known as a broker non-vote.

What percentage of the aggregate voting power of our outstanding shares of Class A common stock and our outstanding shares of Class B common stock is necessary to approve the items of stockholder business that will come before our 2018 Annual Meeting?***Election of Four Class B Directors***

The four persons our board of directors has nominated for election as Class B directors are the only nominees eligible for election as Class B directors at our 2018 Annual Meeting and any adjournment or postponement of our 2018 Annual Meeting. Our certificate of incorporation and our by-laws do not authorize cumulative voting in the election of our directors. As the DGCL permits and our by-laws provide, we utilize a plurality of the votes cast standard, and not a majority of the outstanding votes cast standard, in determining the election of our directors by our stockholders. Our certificate of incorporation provides that our shares of Class A common stock and our shares of Class B common stock vote together as a single class in the election of our directors. At our 2018 Annual Meeting, our stockholders will elect as Class B directors the four nominees for election as Class B directors who receive the highest number of stockholder votes at our 2018 Annual Meeting. The four persons elected as Class B directors at our 2018 Annual Meeting will serve for a term of three years and until the election of their respective successors and their respective successors take office.

Proposals for			Effect of	Effect of Broker
Your Vote	Voting Options	Vote Required	Abstentions	Non-Votes
Election of four Class B directors	For or Withhold	Majority of votes cast	No effect	No effect
Ratification of Appointment of Independent Public Accounting Firm	For, Against or Abstain	Majority of votes cast	No effect	Brokers have discretion to vote

If you properly submit your proxy and mark ***Withhold Authority*** for the election of some or all of our nominees for election as Class B directors, the proxies we have named will not vote your shares for the election of the nominee or nominees as Class B directors as to whom you have withheld authority. We will count the shares for which you have withheld authority to vote for the election of Class B directors as present at our 2018 Annual Meeting for the purposes of determining whether a quorum is present at our 2018 Annual Meeting. Because Donegal Mutual owns

approximately 72% of the combined voting power of our outstanding Class A common stock and our outstanding Class B common stock and will vote all of its shares for the election of the four nominees for Class B director we name in this proxy statement, our stockholders will elect those Class B nominees (Dennis J. Bixenman, Kevin M. Kraft, Sr., Jon M. Mahan and Richard D. Wampler, II) at our 2018 Annual Meeting to serve as Class B directors for a term of three years and until the election of their respective successors and their respective successors take office.

Ratification of the Appointment by our Audit Committee of KPMG LLP to Serve as our Independent Registered Public Accounting Firm for 2018

Ratification of the appointment by our audit committee of KPMG LLP to serve as our independent registered public accounting firm for our fiscal year ending December 31, 2018 requires the affirmative vote of the holders of a majority of the aggregate voting power of our outstanding shares of Class A common stock and our outstanding shares of Class B common stock, voting together as a single class, present in person or by proxy and entitled to vote at our 2018 Annual Meeting. Because Donegal Mutual owns approximately 72% of the combined voting power of our outstanding Class A common stock and our outstanding Class B common stock and will vote all of its shares for ratification of the appointment by our audit committee of KPMG LLP to serve as our independent registered public accounting firm for 2018, our stockholders will approve the ratification of the appointment by our audit committee of KPMG LLP to serve as our independent registered public accounting firm for 2018 at our 2018 Annual Meeting.

Broker Non-Votes

Broker non-votes are shares brokers or nominees hold of record in their name for which such brokers or nominees do not have discretionary voting power on the item to be voted upon and may not vote on the item because the broker or nominee has not received voting instructions from the beneficial owner of those shares. Broker non-votes, if any, will not affect the presence of a quorum at our 2018 Annual Meeting, other than being treated as votes present, or affect the outcome of any matter we submit to a vote of our stockholders at our 2018 Annual Meeting.

What are the voting rights of our stockholders?

At the close of business on March 1, 2018, we had outstanding:

22,623,231 shares of our Class A common stock, each share of which entitles its holder to cast one-tenth of a vote per share with respect to each matter we submit to a vote of our stockholders at our 2018 Annual Meeting; and

5,576,775 shares of our Class B common stock, each share of which entitles its holder to cast one vote per share with respect to each matter we submit to a vote of our stockholders at our 2018 Annual Meeting.

In summary:

the holders of record of all of our outstanding shares of Class A common stock have the right to cast a total of 2,262,323 votes on each matter we submit to a vote of our stockholders at our 2018 Annual Meeting;

the holders of record of all of our outstanding shares of Class B common stock have the right to cast a total of 5,576,775 votes on each matter we submit to a vote of our stockholders at our 2018 Annual Meeting; and

the holders of record of all of our outstanding shares of Class A common stock and the holders of record of all of our outstanding shares of Class B common stock voting together as a single class have the right to cast a

total of 7,839,098 votes on each matter we submit to a vote of our stockholders at our 2018 Annual Meeting. At the close of business on March 1, 2018, Donegal Mutual owned of record and beneficially 9,851,025 shares, or 43.5%, of our outstanding Class A common stock, and 4,647,339 shares, or 83.3%, of our outstanding Class B common stock. Donegal Mutual therefore has the right to cast votes that constitute approximately 72% of the combined voting power at our 2018 Annual Meeting on each matter we submit to a vote of our stockholders at our 2018 Annual Meeting.

Donegal Mutual has advised us that it will vote all of its shares of our Class A common stock and all of its shares of our Class B common stock at our 2018 Annual Meeting as follows:

for the election of Dennis J. Bixenman, Kevin M. Kraft, Sr., Jon M. Mahan and Richard D. Wampler, II to serve as Class B directors, each for a term of three years and until the election of their respective successors and their respective successors take office; and

for the ratification of the appointment by our audit committee of KPMG LLP to serve as our independent registered public accounting firm for our fiscal year ending December 31, 2018.

As a result, based on the information Donegal Mutual furnished to us as to how Donegal Mutual will vote its shares at our 2018 Annual Meeting and because the shares Donegal Mutual owns constitute approximately 72% of the combined voting power that all of our stockholders may cast at our 2018 Annual Meeting, we anticipate our stockholders will, at our 2018 Annual Meeting:

elect Dennis J. Bixenman, Kevin M. Kraft, Sr., Jon M. Mahan and Richard D. Wampler, II to serve as Class B directors, each for a term of three years and until the election of their respective successors and their respective successors take office; and

If you are not a stockholder of record, but you are a beneficial owner of our Class A common stock or our Class B common stock at the close of business on March 1, 2018, which means that the list of our stockholders of record at the close of business on March 1, 2018 our transfer agent prepared does not include your name but instead the name of the bank, broker or other fiduciary or representative who is the holder of record of your shares, you must either direct the holder of record of your shares to vote your shares on your behalf on the items of stockholder business upon which our stockholders will vote at our 2018 Annual Meeting or you must obtain a form of proxy from your holder of record that you may then vote as if you were the holder of record. Your broker does not have the discretion to vote your shares for the election of four Class B directors.

Your broker, however, does have the discretion to vote your shares on routine matters at our 2018 Annual Meeting. The stockholder ratification of the appointment by our audit committee of KPMG LLP to serve as our independent registered public accounting firm for our fiscal year ending December 31, 2018 is a routine matter as to which your broker may exercise discretionary voting power.

If you are a beneficial owner of our Class A common stock or our Class B common stock and desire to attend our 2018 Annual Meeting and vote the shares you beneficially own at our 2018 Annual Meeting in person, you must obtain a proxy from your holder of record that you may vote as if you were the holder of record and not direct your holder of record how to vote. Your holder of record is generally the bank, broker or other fiduciary or representative who holds your shares in its name on your behalf.

How does our board of directors recommend our stockholders vote at our 2018 Annual Meeting?

Our board of directors unanimously recommends that each of our stockholders complete such stockholder's proxy and vote as follows:

For the ratification of the appointment by our audit committee of KPMG LLP to serve as our independent registered public accounting firm for our fiscal year ending December 31, 2018.

Unless you mark your proxy card to the contrary, the proxies our board of directors has appointed will vote your shares represented by a duly completed proxy as follows:

For the election of the four nominees for Class B directors we name in this proxy statement; and

For the ratification of the appointment by our audit committee of KPMG LLP to serve as our independent registered public accounting firm for our fiscal year ending December 31, 2018.

May you change your vote after you have voted by proxy but before the commencement of voting at our 2018 Annual Meeting?

Section 16(a) Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires that each of our directors, each of our executive officers and any person who owns 10% or more of the outstanding shares of our Class A common stock or 10% or more of the outstanding shares of our Class B common stock file with the SEC initial reports of their ownership of 10% or more of our Class A common stock or 10% or more of our Class B common stock as well as reports of subsequent changes in that ownership. Such persons must also furnish us with copies of all reports they file with the SEC pursuant to Section 16(a). Based solely upon our review of the Section 16(a) filings our executive officers and directors made with the SEC during 2017 and written representations we received with respect to 2017 from our directors and executive officers, we believe that during 2017 all of our directors and executive officers filed all required Section 16(a) reports on a timely basis.

THE RELATIONSHIP OF DONEGAL MUTUAL AND DGI

Introduction

Donegal Mutual and DGI's insurance subsidiaries conduct business together as the Donegal Insurance Group in 22 Mid-Atlantic, Midwestern, New England and Southern states. In addition, Donegal Mutual and its insurance subsidiaries conduct business in four Southwestern states. During 2017, A.M. Best Company reported that the Donegal Insurance Group ranked as the 85th largest property and casualty insurance group in the United States based on its net premiums written in 2016. A.M. Best Company has assigned its rating of A (Excellent) to the Donegal Insurance Group. The Donegal Insurance Group has received an A.M. Best rating of A (Excellent) for the last 25 successive years.

Our Relationship with Donegal Mutual

Since the establishment of Atlantic States as our wholly owned property and casualty insurance company and our downstream insurance holding company system in 1986, Donegal Mutual and Atlantic States have been parties to a proportional reinsurance agreement, or pooling agreement, that became effective October 1, 1986. Under the pooling agreement, Donegal Mutual and Atlantic States pool substantially all of their respective premiums, losses and loss

expenses. The underwriting pool does not include the business Donegal Mutual conducts in four Southwestern states. The underwriting pool homogenizes the risk characteristics of business Donegal Mutual and Atlantic States write directly. Atlantic States receives an allocation of 80% from the underwriting pool and Donegal Mutual receives an allocation of 20%. We do not anticipate any change in the allocation of the underwriting pool between Donegal Mutual and Atlantic States in the future. The business

-11-

Table of Contents

Atlantic States derives from the underwriting pool represents a significant percentage of our total consolidated revenues. However, the percentage of our total consolidated revenues we derive from the underwriting pool has gradually decreased as we have acquired other property and casualty insurance companies that do not participate in the underwriting pool.

Donegal Mutual and our insurance subsidiaries conduct business together as the Donegal Insurance Group, while each entity retains its separate legal and corporate existence. As the Donegal Insurance Group, Donegal Mutual and our insurance subsidiaries share a combined business plan to enhance market penetration and underwriting profitability. As such, Donegal Mutual and our insurance subsidiaries share the same business philosophies, the same management, the same employees and the same facilities and offer the same types of insurance products.

The products Donegal Mutual and our insurance subsidiaries offer are generally complementary, which permits the Donegal Insurance Group to offer a broad range of products in a given market and to expand the Donegal Insurance Group's ability to service an entire personal lines or commercial lines account. Distinctions within the products Donegal Mutual and our insurance subsidiaries offer generally relate to specific risk profiles within similar classes of business, such as preferred tier products versus standard tier products. Donegal Mutual and we do not allocate all of the standard risk gradients to one company. As a result, the underwriting results of the business the individual companies write directly will vary.

Our insurance subsidiaries paid a total of \$13.0 million in dividends to us during 2017. These dividends are one of the sources of the funds we utilized to pay quarterly cash dividends to our stockholders. We paid \$14.8 million in dividends to our stockholders in 2017, of which Donegal Mutual received \$7.8 million based on its ownership of shares of our Class A common stock and shares of our Class B common stock on the respective record dates for the dividends we paid during 2017.

Our Capital Structure

We have two outstanding classes of common stock, our Class A common stock and our Class B common stock.

Our Class A common stock has one-tenth of a vote per share and our Class B common stock has one vote per share. The relative voting power and equity interest of all of the stockholders of DGI at the time of our recapitalization remained constant.

The principal benefit to us from our two-class capital structure is our ability to issue our Class A common stock or securities convertible into or exchangeable for our Class A common stock for financing, acquisition and compensation purposes without materially adversely affecting the relative voting power of any of our stockholders, including Donegal Mutual.

Every holder of our Class A common stock and every holder of our Class B common stock who owns shares of our Class A common stock or our Class B common stock has purchased our Class A common stock or our Class B common stock with the prior knowledge and consistent disclosure by us that Donegal Mutual has, since our formation in 1986, held majority voting control of us and intends to maintain that majority control for the long-term future. Our board of directors believes that Donegal Mutual's majority voting control of us is in our long-term best interests and the long-term best interests of Donegal Mutual.

As a result of a review that occurred in March 2018, both our board of directors and Donegal Mutual's board of directors reaffirmed their respective belief that the Donegal Mutual-DGI structure and the inter-company relationships between Donegal Mutual and DGI and its insurance subsidiaries we describe in this proxy statement continue to be

appropriate for the respective businesses and operations of Donegal Mutual and of DGI and our insurance subsidiaries. Our board of directors reaffirmed in March 2018 that preservation of the

-12-

relationship between Donegal Mutual and us and our status as a public company of which Donegal Mutual owns approximately 72% of the combined voting power of our Class A common stock and our Class B common stock is in the best interests of all of the constituencies that we and Donegal Mutual serve, including:

our stockholders;

the policyholders of our insurance subsidiaries and the policyholders of Donegal Mutual;

Donegal Mutual's employees who provide services to us and our insurance subsidiaries pursuant to a services agreement we describe later in this proxy statement;

the independent insurance agents who represent Donegal Mutual and our insurance subsidiaries; and

the local communities in which Donegal Mutual, we and our insurance subsidiaries maintain offices. We believe our relationships with Donegal Mutual we describe in this proxy statement provide the Donegal Insurance Group with a number of important business benefits, including the following:

facilitating the stable management, consistent underwriting discipline, external growth and long-term profitability of the Donegal Insurance Group;

creating operational and expense synergies given the combined resources and operating efficiencies of the member companies of the Donegal Insurance Group;

providing Donegal Mutual and Atlantic States with a significantly larger underwriting capacity than either company could achieve independently because of the underwriting pool Donegal Mutual and Atlantic States maintain;

enhancing our opportunities to expand by acquisition because of the ability of Donegal Mutual to acquire control of other mutual insurance companies, implement more cost-effective external reinsurance because of our significantly greater size and provide additional experienced management and, thereafter, demutualize those companies and then sell them to us at a fair price or reinsure substantially all of their insurance business and place such reinsured business in the underwriting pool; and

producing more uniform and stable underwriting results for the Donegal Insurance Group than any of the individual member companies could achieve without the relationships we describe in this proxy statement between Donegal Mutual and our insurance subsidiaries.

We refer our stockholders to our Form 10-K Report for our fiscal year ended December 31, 2017 for further information about our business strategies and our relationship with Donegal Mutual.

Our Strategy to Maximize Stockholder Value

A fundamental goal of our board of directors and management is to maximize stockholder value over the long-term. We conduct our operations with this fundamental goal in mind. Our business strategies seek to maximize stockholder value by improving operating efficiencies as well as pursuing internal and external growth in order to enhance the long-term, cost-effectiveness and operating profits of our businesses. Our board of directors and management regularly evaluate our business strategies and concentrate on improving our long-term, sustainable earnings. We focus on:

generating sustainable underwriting profitability by carefully selecting product lines, evaluating individual risks based on historic results, minimizing our exposure to catastrophe-prone areas, analyzing the cost and availability of external reinsurance as well as the levels at which we purchase external reinsurance for the member companies of the Donegal Insurance Group and evaluating claims history on a regular basis to ensure the adequacy of our underwriting guidelines and product pricing;

pursuing profitable growth by organic expansion within the traditional operating territories of our insurance subsidiaries through developing, maintaining and expanding quality independent insurance agency representation;

enhancing the profitability of our insurance subsidiaries through expense reductions and the utilization of technology to increase operating efficiency and effective electronic communication with our agents, policyholders and potential policyholders;

providing responsive and friendly customer and agent service to enable our insurance subsidiaries to attract new policyholders and retain existing policyholders;

maintaining premium rate adequacy to enhance the underwriting profitability of our insurance subsidiaries, while maintaining high levels of retention for their existing books of business, and, at the same time, enhancing their ability to write new business; and

seeking to acquire property and casualty insurance companies or blocks of existing in-force insurance policies that augment the organic growth of our insurance subsidiaries in existing markets and expand our business into adjacent geographic regions.

The Coordinating Committee

Donegal Mutual and we maintain a coordinating committee that consists of two members of our board of directors, neither of whom is a member of Donegal Mutual's board of directors, and two members of Donegal Mutual's board of directors, neither of whom is a member of our board of directors. The purpose of the coordinating committee is to maintain a process for an on-going evaluation of the fairness of the terms of all transactions between Donegal Mutual and its policyholders, on the one hand, and our insurance subsidiaries, us and our stockholders, on the other hand.

Any change to an agreement between Donegal Mutual, on the one hand, and us or any of our insurance subsidiaries, on the other hand, or any new agreement between Donegal Mutual, on the one hand, and us or any of our insurance subsidiaries, on the other hand, is also subject to the applicable provisions of the Pennsylvania Insurance Company Law of 1921, as amended, and the PHCA, as well as the laws of the other states of domicile of our insurance subsidiaries.

The coordinating committee will only approve a new agreement between Donegal Mutual and us or Donegal Mutual and one or more of our insurance subsidiaries or a change in an existing agreement between Donegal Mutual and us or Donegal Mutual and one or more of our insurance subsidiaries if:

both of our members on the coordinating committee determine that the new agreement or the change in an existing agreement is fair and equitable to us and in the best interests of our stockholders; and

both of Donegal Mutual's members on the coordinating committee determine that the new agreement or the change in an existing agreement is fair and equitable to Donegal Mutual and in the best interests of Donegal Mutual's policyholders.

After the coordinating committee approves the new agreement or the change in an existing agreement, our board of directors and Donegal Mutual's board of directors must each approve the new agreement or the change in an existing agreement.

The coordinating committee meets annually during the first two months of each year to review each continuing agreement and each on-going transaction between Donegal Mutual and us or one or more of our insurance subsidiaries, including the various reinsurance agreements between Donegal Mutual and our insurance subsidiaries. The purpose of this annual review is to examine the results of these reinsurance agreements over a period of several years and to determine if the results of the existing agreements between Donegal Mutual and us and our insurance subsidiaries over an extended time period remain fair and equitable to us and our stockholders and fair and equitable to Donegal Mutual and its policyholders or if Donegal Mutual or if we should mutually agree to certain adjustments. In the case of these agreements, the adjustments typically consist of adjustments to the reinsurance premiums, the level at which the reinsurance attaches and the reinsurance reinstatement

Table of Contents

premiums. The intent of any changes is to achieve relative parity between Donegal Mutual, on the one hand, and us or one or more of our insurance subsidiaries, on the other hand, over a period of several years. These agreements are on-going in nature and will continue in effect throughout 2018 in the ordinary course of our business and the business of our insurance subsidiaries and in the ordinary course of the business of Donegal Mutual.

Robert S. Bolinger and Richard D. Wampler, II are our members of the coordinating committee. Certain biographical information about Messrs. Bolinger and Wampler appears later in this proxy statement under the caption Election of Directors. Dennis J. Bixenman and John E. Hiestand serve as Donegal Mutual's members of the coordinating committee. Assuming Mr. Bixenman is elected as a member of our board of directors at our 2018 Annual Meeting, Mr. Bixenman will resign as a member of the Coordinating Committee and Donegal Mutual will appoint a successor member of the Coordinating Committee from among its remaining directors who are not also directors of us. Certain biographical information about Messrs. Bixenman and Hiestand is as follows:

Mr. Bixenman, age 71, has been a director of Donegal Mutual since 2008. Mr. Bixenman retired in 2012. For a number of years prior to his retirement, Mr. Bixenman served as vice president and senior consultant of Williams & Company Consulting, Inc., an environmental and business consulting firm with its headquarters in Sioux City, Iowa. Mr. Bixenman is a certified public accountant with extensive experience in auditing and preparing financial statements. Mr. Bixenman beneficially owns 52,488 shares of our Class A common stock and does not own beneficially any shares of our Class B common stock. As director compensation in 2017, Donegal Mutual paid Mr. Bixenman cash fees of \$75,100 and granted him a restricted stock award of 500 shares of our Class A common stock with a value at the time of issuance in January 2017 of \$8,740. Mr. Bixenman received \$500 in cash fees as compensation from Donegal Mutual for the meeting of the coordinating committee he attended as one of Donegal Mutual's members on the coordinating committee during 2017.

Mr. Hiestand, age 80, has been a director of Donegal Mutual since 1983 and has been a self-employed provider of insurance administrative services for over 20 years. Mr. Hiestand served as a director of Central Savings and Loan Association in Columbia, Pennsylvania from 1982 to 1992. Mr. Hiestand beneficially owns 44,913 shares of our Class A common stock and owns 157 shares of our Class B common stock. As director compensation in 2017, Donegal Mutual paid Mr. Hiestand cash fees of \$72,600 and granted him a restricted stock award of 500 shares of our Class A common stock with a value at the time of issuance in January 2017 of \$8,740. Mr. Hiestand received \$500 in cash fees as compensation from Donegal Mutual for the meeting of the coordinating committee he attended as one of Donegal Mutual's members on the coordinating committee during 2017.

Inter-Company Transactions

Donegal Mutual provides facilities, personnel and other services to us and our insurance subsidiaries pursuant to a services agreement that has been in effect since 1986. Donegal Mutual allocates certain related expenses to Atlantic States in accordance with the relative participation of Donegal Mutual and Atlantic States in the underwriting pool. Our insurance subsidiaries other than Atlantic States reimburse Donegal Mutual for those services for their respective personnel costs and bear their proportionate share of information services costs based on their written insurance premiums compared to the total written insurance premiums of the Donegal Insurance Group. Donegal Mutual's charges for these services totaled \$125.0 million in 2017, compared to \$122.4 million in 2016.

Donegal Mutual and Atlantic States may amend or terminate the pooling agreement, as we describe in an earlier portion of this proxy statement, at the end of any calendar year by mutual agreement, subject to approval by the coordinating committee and approval by the respective boards of directors of Donegal Mutual and Atlantic States. Neither our board of directors nor Donegal Mutual's board of directors contemplates any change in the pooling agreement.

Table of Contents

In addition to the pooling agreement, our insurance subsidiaries, in the ordinary course of their businesses, have various reinsurance agreements with Donegal Mutual that are renewed annually. The coordinating committee reviews these reinsurance agreements annually so as to achieve relative parity between Donegal Mutual and our insurance subsidiaries between the reinsurance premiums Donegal Mutual charges our insurance subsidiaries for the reinsurance and the losses Donegal Mutual incurs under the reinsurance it provides to our insurance subsidiaries over a period of several years. We believe the reinsurance arrangements between Donegal Mutual and our insurance subsidiaries are no less favorable to our insurance subsidiaries than the terms and conditions of reinsurance available to our insurance subsidiaries from independent reinsurers. These reinsurance agreements include the following reinsurance agreements:

Donegal Mutual and Peninsula have a quota-share reinsurance agreement under which Peninsula transfers to Donegal Mutual 100% of the premiums and losses related to the workers' compensation product line Peninsula writes in certain states. Peninsula offers workers' compensation insurance in those states in order to provide the Donegal Insurance Group with an additional pricing tier in those states where any one insurance company may offer only a single pricing tier for workers' compensation insurance.

Donegal Mutual and MICO maintain a quota-share reinsurance agreement that transfers 25% of MICO's business to Donegal Mutual. Because of the reinsurance pooling agreement between Donegal Mutual and Atlantic States, we receive an 80% allocation of the MICO business Donegal Mutual reinsures.

Donegal Mutual has a catastrophic reinsurance agreement with each of Atlantic States, Le Mars and Southern that provides coverage under any one catastrophic occurrence above a set retention, with a combined retention of \$5.0 million for a catastrophic occurrence involving a combination of those companies, up to the amount Donegal Mutual and our insurance subsidiaries retain under catastrophe reinsurance agreements with unaffiliated reinsurers.

Donegal Mutual has a workers' compensation excess of loss reinsurance agreement with each of Southern, Le Mars, Peninsula, Sheboygan Falls and MICO that provides coverage for any application to those subsidiaries of an annual aggregate deductible Donegal Mutual and our insurance subsidiaries retain under a workers' compensation excess of loss reinsurance agreement with unaffiliated reinsurers.

On January 18, 2018, the coordinating committee met and determined that the proposed terms of these reinsurance agreements for 2018 were fair and equitable to our insurance subsidiaries and our stockholders and fair and equitable to Donegal Mutual and its policyholders. Accordingly, the coordinating committee unanimously approved the continuation of the terms of such agreements and transactions, with non-material adjustments, through the next scheduled annual review during the first two months of 2019.

We refer you to Note 3 of the Notes to our Consolidated Financial Statements we include in our 2017 Annual Report for further information about the reinsurance agreements between Donegal Mutual and our insurance subsidiaries. The intent of these catastrophe and excess of loss reinsurance agreements is to lessen the effects of a single large loss, or an accumulation of smaller losses arising from one event, to levels that are appropriate given the size, underwriting profile and surplus capacity of each of our insurance subsidiaries.

The Risk Management Committee

The Donegal Insurance Group maintains a risk management committee that consists of 14 officers of Donegal Mutual, eight of whom are also officers of DGI. The purpose of the risk management committee is to assess and monitor the major strategic, operational, regulatory, informational and external risks that affect the business the Donegal Insurance Group transacts and the internal and external resources of the Donegal Insurance Group for assessing and controlling such risks. The Donegal Insurance Group's risk management committee meets quarterly, and annually evaluates its performance of its responsibilities. The risk management committee submits reports to our board of directors no less frequently than quarterly.

Table of Contents

The responsibilities of the risk management committee on behalf of the Donegal Insurance Group include:

evaluating the effectiveness of the Donegal Insurance Group's assessment and management of the risks that may be material to the Donegal Insurance Group;

developing and recommending policies and procedures relating to risk assessment, risk management and risk reporting;

oversight of our system of disclosure controls and system of internal controls over financial reporting;

complying with applicable legal and regulatory requirements;

assessing the Donegal Insurance Group's risk management, legal compliance and risk-control activities and the adequacy of such activities in identifying, assessing and monitoring the risks that confront the Donegal Insurance Group;

reporting periodically to the respective boards of directors of Donegal Mutual and us; and

analyzing annually the committee's performance of the responsibilities assigned to it.

Our financial reporting, risk management and internal audit areas serve as our primary monitoring and testing functions for our overall policies and procedures for the day-to-day oversight of our risk management systems and controls. This oversight includes identifying, evaluating and addressing risks that may exist at the enterprise, strategic, financial, operational, compliance and reporting levels.

Union Community Bank

We own 48.2% and Donegal Mutual owns 51.8% of DFSC. The sole business of DFSC is the ownership of Union Community Bank, or UCB, a Pennsylvania state-chartered savings bank.

Because DFSC owns UCB, Donegal Mutual and we, as the two owners of DFSC, as well as DFSC, constitute grandfathered unitary savings and loan holding companies regulated under HOLA. The Board of Governors of the Federal Reserve System, or the Board, supervises and regulates grandfathered unitary savings and loan holding companies, including Donegal Mutual, DFSC and us.

No person may acquire control of a grandfathered unitary savings and loan holding company without complying with regulatory requirements under either HOLA, if the acquiror is a company, or the CBCA, which can apply to any kind of acquirer, including an individual. The Board regulations under the CBCA establish a rebuttable presumption of control applicable to any person who wishes to acquire more than 10% of any class of voting security of a grandfathered unitary savings and loan holding company that has a class of voting securities registered under the Exchange Act. We are such an entity.

We do not consolidate the financial statements of DFSC and its wholly owned subsidiary, UCB, with our financial statements.

At December 31, 2017, UCB had total assets of \$567.7 million, total deposits of \$478.4 million and total loans of \$432.1 million. UCB had net income of \$2.9 million for the year ended December 31, 2017, compared to net income of \$2.6 million for the year ended December 31, 2016. Donegal Mutual and UCB are also parties to a customary administrative services agreement. Under this agreement, Donegal Mutual provides various services, principally internal audit, investment, information technology, administrative support, facility and equipment maintenance services and purchasing, to UCB, subject to the overall limitation that the costs Donegal Mutual charges to UCB for these services may not exceed the costs of independent vendors for similar services and further subject to annual maximum cost limitations the administrative services agreement specifies. Donegal Mutual and we also conduct routine banking business with UCB in the ordinary course of business of the Donegal Insurance Group.

CORPORATE GOVERNANCE

Our board of directors maintains corporate governance guidelines to assist the committees of our board of directors in the discharge of their respective responsibilities. Each committee of our board of directors has a written charter that sets forth the purposes, goals and responsibilities of the committee as well as the qualifications for committee membership, procedures for the appointment and replacement of committee members, committee structure and operations and committee reporting to our board of directors. Each of the committees of our board of directors, in its discretion, and at our expense, may retain other advisors, including, but not limited to, legal and financial advisors, to assist the committee in the discharge of the responsibilities of the committee as set forth in its charter. You may view the charters of our executive committee, our audit committee, our nominating committee and our compensation committee on our website at www.donegalgroup.com. The charters of the committees of our board of directors provide our stockholders with a description of the manner in which the committees of our board of directors operate.

The Composition of our Board of Directors

Our by-laws provide that the number of members of our board of directors shall not be less than seven nor more than 12. Our board of directors annually fixes the number of members of our board of directors within these limits, and may increase or decrease the size of our board of directors from time to time. For 2018, our board of directors has fixed the number of members of our board of directors at 11. Our board of directors consists of three classes, with the three-year terms of one of the classes expiring at three successive annual meetings and upon the taking of office by each member of the newly elected class of directors.

We constitute a controlled company under applicable NASDAQ regulations because Donegal Mutual owns more than a majority of the aggregate voting power of the outstanding shares of our Class A common stock and the outstanding shares of our Class B common stock. As a controlled company, we are exempt from a number of NASDAQ corporate governance requirements, including the NASDAQ requirement that a majority of the members of our board of directors be independent.

The composition of our board of directors is, however, subject to the corporate governance rules of the PHCA. The PHCA requires that the board of directors of a Pennsylvania-domiciled insurance company or of a company that controls a Pennsylvania-domiciled insurance company, such as we do, maintain a committee or committees that undertake certain corporate governance responsibilities. The PHCA further requires that the members of these committees be solely directors who are not officers or employees of the Pennsylvania-domiciled insurance company or its holding company and who do not own beneficially a 10% or greater interest in the voting stock of such insurance company or its holding company. We maintain an audit committee, a compensation committee and a nominating committee whose respective memberships satisfy the requirements of the PHCA.

Pursuant to the PHCA, the committees of our board of directors must annually discharge each of the following responsibilities:

the recommendation of the appointment of an independent registered public accounting firm for our insurance company subsidiaries;

the review of the financial condition of our insurance company subsidiaries;

the review of the scope and results of the independent audit and any internal audit of our insurance company subsidiaries;

the nomination of candidates for election as our directors by our stockholders; and

the evaluation of the performance of the principal officers of each of our insurance company subsidiaries and the recommendation to their respective boards of directors as to the selection and compensation of their respective principal officers.

Table of Contents

We expect our directors to attend all meetings of our board of directors, all meetings of the committees of our board of directors on which they serve and all meetings of our stockholders. We further expect our directors to devote the time necessary to fulfill their responsibilities as directors. During 2017, each of our directors attended 75% or more of the total number of meetings of our board of directors and of the meetings of the committees of our board of directors on which that director served with the exception of Mr. Nikolaus, who, because of a medical leave of absence that commenced in October 2017, attended 71% of the total number of meetings of our board of directors and of the committees of our board of directors on which he served. All of the members of our board of directors attended our 2017 annual meeting of stockholders.

The Committees of our Board of Directors

Our board of directors has delegated some of its authority to the following four committees of our board of directors:

the executive committee;

the audit committee;

the nominating committee; and

the compensation committee.

Each of the committees of our board of directors reviews its charter annually.

Our board of directors also maintains a special committee that we discuss elsewhere in this proxy statement.

The following table shows the number of meetings each committee of our board of directors, other than the special committee which did not meet during 2017, held in 2017 and the attendance of the members of those committees at the meetings of the committees on which they served. Mr. Berlucchi and Mrs. Gilmartin did not serve as a member of any of the committees of our board of directors during 2017.

the annual review of the compensation of all of our salaried employees;

The Coordinating Committee

We refer you to The Relationship of Donegal Mutual and DGI The Coordinating Committee for information as to the responsibilities of the coordinating committee and the identity of its members.

The Special Committee

Members: Messrs. Bolinger, Huber, Mahan (Chairman), Moore and Wampler. None of the members of the special committee serves as a director of Donegal Mutual. The special committee operates under a charter our board of directors established, and, from time to time, reviews stockholder proposals and evaluates other matters from the perspective of our stockholders other than Donegal Mutual. The special committee did not meet during 2017.

Table of Contents

The charter of the special committee provides for the following principal responsibilities of the special committee:

evaluate the merits and conditions of stockholder proposals;

evaluate the advisability of recommending to our board of directors acceptance or rejection of stockholder proposals;

present to our board of directors the results of the committee's evaluation of stockholder proposals and its recommendations, including the reasons for its recommendations, with respect to such stockholder proposals; and

undertake such other responsibilities as our board of directors may assign from time to time to the special committee and report to our board of directors with respect to any such other matter.

Compensation Committee Interlocks and Insider Participation

No member of our compensation committee is a former or current officer of Donegal Mutual or us, nor does any member of our compensation committee have any other interlocking relationships, as current SEC rules and regulations define such terms.

Related Person Transactions

We have a written related person transaction policy that governs our audit committee's review and approval or ratification of transactions between us, on the one hand, and a related person, on the other hand. The definition of related person under applicable SEC regulations includes our directors, our executive officers, holders of 5% or more of the outstanding shares of our Class A common stock, holders of 5% or more of the outstanding shares of our Class B common stock and each of the immediate family members of each of those persons. SEC rules and regulations require that we disclose specified information reporting related person transactions that involve in excess of \$120,000 in our annual proxy statements and certain other filings we submit to the SEC.

Our policy applies, in our case, to all transactions with related parties with the exception of those transactions between Donegal Mutual and us or one or more of our insurance subsidiaries because those transactions require the prior approval of our coordinating committee. See "The Relationship of Donegal Mutual and DGI" "The Coordinating Committee" elsewhere in this proxy statement.

Our board of directors has determined that certain types of transactions do not create or involve a direct or indirect material interest on the part of the related person and therefore do not require review or approval under our related person transaction policy. These types of transactions include financial services, including loans, brokerage, banking, insurance, investment advisory or asset management services and other financial services we provide to a related person, if we provide the services in the ordinary course of business, on substantially the same terms as those prevailing for comparable services we provide to unrelated persons and comply with applicable law, including the Sarbanes-Oxley Act of 2002 and Federal Reserve Board Regulation O.

Certain of our directors and executive officers and their family members and certain business organizations associated with them are or have been customers of UCB. All extensions of credit to those persons have been made in the ordinary course of business on substantially the same terms, including interest rates and collateral, as those prevailing at the time in comparable transactions with persons who have no relation to us and did not involve more than the normal risk of collectability or present other unfavorable features.

Our related person transaction policy establishes procedures for our audit committee's prior review of proposed transactions between us and a related person because we recognize that related person transactions can suggest a heightened risk of a potential conflict of interest and could create the appearance of potential impropriety. Our policy requires that the audit committee review all proposed related person transactions and

Table of Contents

determine whether or not to approve the related person transaction. Our audit committee must first approve a related person transaction before we can agree to the related person transaction. In addition, if the related person transaction continues in effect for more than one year, our audit committee must annually approve the continuation of that transaction.

Donald H. Nikolaus, our chairman of the board and a member of our board of directors, is a partner in the law firm of Nikolaus & Hohenadel. Nikolaus & Hohenadel has served as general counsel to Donegal Mutual since 1972 and as our general counsel since 1986, principally in connection with the defense of insurance claims litigation arising in Lancaster, Dauphin and York counties of Pennsylvania. We pay such firm its customary fees for its services. The Donegal Insurance Group paid Nikolaus & Hohenadel legal fees of \$430,745 in 2016 and \$488,815 in 2017.

Frederick W. Dreher, a director of Donegal Mutual since 1996, was a partner in the law firm of Duane Morris LLP from 1970 to 2016 when he retired. Mr. Dreher is now of counsel to that firm. Since 1986, Duane Morris LLP has represented us, our insurance subsidiaries, Donegal Mutual, DFSC and UCB in certain legal matters. We pay Duane Morris LLP its customary fees for its services. The Donegal Insurance Group and DFSC paid Duane Morris LLP legal fees of \$699,330 in 2016 and \$1,071,696 in 2017.

Donegal Mutual and we conduct routine banking transactions with UCB in the ordinary course of our business and on terms and conditions no more favorable to Donegal Mutual or us than the terms and conditions on which UCB offers its banking services to independent third parties. Donegal Mutual and UCB are also parties to a customary administrative services agreement pursuant to which UCB reimburses Donegal Mutual for its costs in providing certain administrative services to UCB.

Our Code of Business Conduct and Ethics and our Internal Audit Department

We follow our code of business conduct and ethics in conducting business with third parties because we believe it is important that we conduct our business with integrity and with the trust of the people with whom we do business. Our code of business conduct and ethics provides guidance to our directors, employees, including our named executive officers, and the independent agents who represent Donegal Mutual and our insurance subsidiaries as they deal with the legal and ethical issues that arise in our business dealings with others. You may view our code of business conduct and ethics on our website at www.donegalgroup.com. If we make any substantive amendments to our code of business conduct and ethics or grant any waiver from a provision of our code of business conduct and ethics to any of our named executive officers or directors, we will promptly disclose the nature of the amendment or waiver on our website.

We also maintain an internal audit department that evaluates our business and financial processes, our management of risk and the efficacy of our financial controls. Our director of internal audit reports no less frequently than quarterly to the audit committee of our board of directors.

Table of Contents**EXECUTIVE COMPENSATION DISCUSSION AND ANALYSIS*****Executive Summary******2017 Performance Review***

The following table depicts our total revenues and our net income for the years ended December 31, 2017 and 2016, and the prices of our Class A common stock and our Class B common stock at December 31, 2017, compared to the same data at December 31, 2016.

	At or For the Year Ended December 31,		
	2017	2016	Increase/ Decrease
Total revenues	\$ 739.0 million	\$ 688.4 million	7.4%
Net income	7.1 million	30.8 million	- 76.9

Class B common stock price	15.22	15.90	- 4.3

Stock Option Grants

On December 21, 2017, we granted stock options to a number of employees of Donegal Mutual and our affiliates, including our named executive officers, and we also granted stock options to our directors and the directors of Donegal Mutual and our affiliates. We granted each of our directors, other than Messrs. Burke and Nikolaus, an option to purchase 4,500 shares of our Class A common stock exercisable for five years that vests in three equal annual cumulative installments commencing on July 1, 2018. We made the stock option grant to Mr. Nikolaus in accordance with the requirements of the employment agreement we and Donegal Mutual have with Mr. Nikolaus. Each stock option is exercisable at a price of \$17.60 per share, which price represented the closing price of our Class A common stock on the day before the date of grant:

Name of Grantee	Number of Shares Purchasable
Kevin G. Burke	24,000
Jeffrey D. Miller	21,000
Donald H. Nikolaus	150,000
Each other named executive officer	18,000

Our Compensation Process

In assessing the performance of our named executive officers in light of the objectives our board of directors establishes, our compensation committee reviews specific achievements associated with each named executive officer's attainment of those objectives, the degree of difficulty in achieving those objectives and the extent to which significant unforeseen obstacles or unfavorable circumstances adversely affected their performance. As part of its oversight of the compensation of our named executive officers, the compensation committee recommended increases in the base salaries of our named executive officers for 2017 that averaged 8.6%, which our compensation committee considered reasonable based on publicly available information from eight insurance companies we informally consider our peer group. The names of those insurance companies are: Cincinnati Financial Corporation, EMC Insurance Group, Inc., The Hanover Insurance Group, Inc., Horace Mann Educators Corporation, RLI Corp., Selective

Insurance Group, Inc., State Auto Financial Corporation and United Fire Group, Inc.

Summary of the 2017 Compensation of our Named Executive Officers

The compensation of our named executive officers in 2017 consisted of three principal elements:

a base salary paid bi-weekly in cash;

an incentive bonus paid in cash following the determination of our underwriting profit for our immediately preceding completed fiscal year; and

long-term incentive compensation in the form of stock options that we granted in December.

-24-

Table of Contents

We paid aggregate incentive bonuses of \$295,000 to our named executive officers in respect of 2017 compared to aggregate incentive bonuses of \$1.6 million in respect of 2016. The decrease in bonuses paid to our named executive officers in 2017 reflects the fact that our results of operations for 2017 were substantially less favorable than our results of operations for 2016 due primarily to adverse weather conditions in 2017. Our named executive officers also participate in our 401(k) plan to which we make contributions on a formula basis. Our named executive officers also receive the health and other insurance benefits we make available to all of our full-time employees.

We believe our 2017 compensation for our officers, including our named executive officers, is fair and reasonable. We implemented our compensation programs to balance risk and reward in our overall business

strategy. Our compensation programs tie a significant percentage of the total compensation of our officers, including our named executive officers, directly to our objective of attaining an underwriting profit each year. Accordingly, we base our annual incentive compensation awards on our underwriting results. As a result, our named executive officers evaluate carefully the risks we underwrite because a reduction in our underwriting profitability would adversely affect the annual incentive bonus compensation of our named executive officers. Finally, our incentive compensation programs for our named executive officers do not guarantee compensation to our named executive officers.

We believe that the elements of our compensation programs as we describe them in this proxy statement establish that we have the appropriate mix of risk versus benefit to align effectively the interests of our named executive officers with the interests of our stockholders, and that our incentive compensation programs do contribute to the enhancement of the long-term value of an investment in our common stock and do not create incentives or disincentives that may materially affect risk taking or are reasonably likely to have a material adverse effect on us. For example, our named executive officers only realize a gain from the stock options we grant to them as compensation if the price of our Class A common stock increases above the exercise price of the options subsequently to the date of grant of the option and net of the income taxes our named executive officers would incur upon exercise of the stock options.

Director Compensation

Our objectives for our director compensation are to attract qualified individuals to serve on our board of directors and to align the interests of our directors with the interests of our stockholders. Our board of directors determines the form and amount of director compensation after its review of recommendations by the compensation committee of our board of directors. Our compensation committee reviews our director compensation program annually to confirm that the compensation of the members of our board of directors remains competitive and comparable to the compensation practices of our peer group and to make recommendations to our board of directors that our compensation committee believes are appropriate.

Under our equity incentive plan for directors, each of our directors and each director of Donegal Mutual who is not also one of our directors receives an annual restricted stock award of 500 shares of our Class A common stock. We grant the award to each director as of the first business day of each year, provided the director served as a member of our board of directors or as a member of the board of directors of Donegal Mutual during any portion of the preceding year. Each of our directors and each of the directors of Donegal Mutual is also eligible to receive non-qualified options to purchase shares of our Class A common stock in an amount our board of directors determines on the date of grant.

On December 21, 2017, we granted each of our directors, and each director of Donegal Mutual who was not also a member of our board of directors, a non-qualified stock option to purchase 4,500 shares of our Class A common stock at an exercise price of \$17.60 per share. Each option is exercisable until December 21, 2022. Donegal Mutual reimburses us for the cost of the restricted stock awards we grant to those directors of Donegal Mutual who do not also serve as members of our board of directors.

In addition to the compensation we describe in the two preceding tables, we reimburse our directors for any out-of-pocket expenses they reasonably incur in connection with attendance at meetings of our board of directors, meetings of committees of our board of directors and meetings of our stockholders upon presentation of appropriate vouchers for such expenses.

Our Compensation Philosophy and Risk Management Considerations

Our compensation committee, meeting separately and, on occasion, jointly with the compensation committee of Donegal Mutual, oversees our compensation and benefit plans and policies with respect to the compensation of our executive officers, including our named executive officers. The oversight by our compensation committee of our compensation process includes reviewing and recommending for approval by our board of directors equity-based incentive awards to our executive officers and all other compensation decisions relating to our executive officers.

The primary objectives of our compensation programs for our executive officers, as determined by our compensation committee, are to:

Attract and retain talented and dedicated executive officers who contribute to our growth, development and profitability and encourage the retention of our executive officers.

We believe we achieved this objective because we have employed three of our seven named executive officers we include in our summary compensation table in this proxy statement continuously for the entire 31-year period of our existence, and we have employed our other four named executive officers for 30, 24, 17 and 17 years, respectively.

Motivate our executive officers to achieve our strategic business objectives and reward them upon their achievement of those objectives.

-29-

Table of Contents

We believe we achieved this objective through the compound rate of growth in our total revenues, which was 7.5% for the five years ended December 31, 2017, and through the compound rate of growth in our book value plus the cumulative dividends of our Class A common stock and our Class B common stock, which was 5.8% for the five years ended December 31, 2017.

Provide long-term compensation to our executive officers that rewards them for sustained financial and operating performance and leadership excellence.

We believe our stock option grants and restricted stock awards appropriately reward our executive officers for sustained financial and operating leadership and performance.

To achieve the above objectives, we compensate our executive officers through a combination of base salary, annual cash bonuses, based principally on our underwriting results, and long-term equity compensation in the form of stock options.

Our compensation committee believes that our underwriting results-based bonus plan and our performance-based equity ownership programs create incentives that result in the creation of long-term stockholder value as well as creating incentives for our executive officers, including our named executive officers, to remain with us for the long-term. We have utilized the following elements of our compensation programs to promote the creation of long-term stockholder value without creating conditions that could lead to the taking of excessive risk by our executive officers:

The financial measures we use to determine the bonuses of our executive officers are metrics our compensation committee believes promote long-term stockholder value. These measures include our underwriting profitability, our return on equity and our growth in net premiums written. Our compensation committee sets limits on these bonus payments that encourage success without encouraging excessive risk-taking or short-term results.

We grant stock options that are exercisable for five years from the date of grant at the closing price of our Class A common stock on the date of grant. Our compensation committee believes such stock options encourage our executive officers to attain sustained long-term performance.

We do not reduce the exercise price of stock options if the price of our Class A common stock subsequently declines below the exercise price of the stock options unless we first obtain stockholder approval. However, we do adjust the exercise price of previously granted stock options to reflect recapitalizations, stock or extraordinary dividends, stock splits, mergers, spin-offs and similar events as the applicable stock compensation plan permits.

At our 2017 annual meeting of stockholders, in order to comply with a SEC rule, our stockholders voted to submit the compensation of our named executive officers to a non-binding advisory vote of our stockholders once every three years. Our stockholders voted to approve the compensation of our named executive officers, on a non-binding advisory basis, at our 2017 annual meeting of stockholders by a total of

6,990,228 votes FOR,

63,338 votes AGAINST and

8,239 votes ABSTAIN with 270,913 broker non-votes.

We will submit the compensation of our named executive officers for approval, on a non-binding advisory basis, by our stockholders at our 2020 annual meeting of stockholders.

In addition to the consideration by the compensation committee of the individual fulfillment by each of our named executive officers of such officer's duties, responsibilities and individual performance, our compensation committee also considers teamwork, development of less senior employees for whom that named executive officer has primary responsibility, time in position, internal equity among our named executive officers and their ability to collaborate and communicate effectively with our other executive officers.

Table of Contents

Our compensation committee believes that, on an overall basis, our named executive officers achieved the targets our board of directors established for our named executive officers for 2017 as set forth in our management-prepared business plan for 2017.

We believe the specific compensation decisions we made for each of our named executive officers in 2017 appropriately reflect our financial and operational performance in 2017 and the relative success of that named executive officer in meeting the target our business plan outlined for those named executive officers in each such officer's primary areas of responsibility. Our compensation committee also evaluates the achievement by our named executive officers of our overall corporate objectives, and the contribution of each of our named executive officers to those achievements.

Employment and Change-of-Control Agreements

Donegal Mutual and we maintain employment agreements and change-of-control agreements with our named executive officers, including Kevin G. Burke, our chief executive officer, and Donald H. Nikolaus, the chief executive officer of Donegal Mutual.

Employment and Change-of-Control Agreements with Mr. Burke

The initial term of the employment agreement is three years; however, such term automatically extends on each anniversary of the effective date of the employment agreement for an additional one-year period, so that, on each anniversary date of the effective date of the employment agreement with Mr. Burke, his employment agreement will have a remaining term of three years unless either Mr. Burke or the respective boards of directors of Donegal Mutual or us provide not less than 90 days advance notice that the automatic extension will terminate upon the next succeeding extension date of the employment agreement.

Mr. Burke has the right to receive an annual base salary in the amount the compensation committee of Donegal Mutual and we recommend and our board of directors and the board of directors of Donegal Mutual each respectively approve from time to time, but in no event less than the minimum amount stated in Mr. Burke's employment agreement.

Mr. Burke has the right to participate in our annual executive incentive bonus plans and the benefit plans in which all of our other executive officers participate.

The employment agreement contains customary provisions relating to vacations, disability, death, indemnification and confidentiality.

The employment agreement includes certain rights to terminate the employment agreement and, upon the occurrence of certain events, such as a change-of-control, the right to receive severance payments, as Mr. Burke's employment agreement provides.

Employment and Change-of-Control Agreements with Mr. Nikolaus

The employment and change-of-control agreements Donegal Mutual and we entered into with Mr. Nikolaus on July 29, 2011 provide for an initial term of employment of five years. On each anniversary date of the effective date of that employment agreement, the term automatically extends for an additional one-year period, so that on each anniversary date of the effective date, the employment agreement will have a remaining term of five years unless either Mr. Nikolaus or our board of directors provides not less than six months advance notice that the automatic extension of the employment agreement will terminate as of the next succeeding anniversary of the effective date.

-31-

Table of Contents

A summary of the other principal terms of the employment agreement Donegal Mutual and we maintain with Mr. Nikolaus is as follows:

Mr. Nikolaus has the right to receive an annual base salary of such amount as our compensation committee and the compensation committee of Donegal Mutual jointly recommend and as their boards of directors approve from time to time but in no event less than \$575,000 per year.

Mr. Nikolaus has the right to participate in our annual executive incentive bonus plans and the benefit plans in which all of our other executive officers participate.

Subject to any required stockholder approval, Mr. Nikolaus has the right to receive an annual grant of non-qualified stock options to purchase not less than 150,000 shares of our Class A common stock at a price per share equal to the closing price of our Class A common stock on the day before the date of each annual grant. Each option vests in three equal annual installments and remains exercisable for a term of five years from the date of grant. In 2017, we granted Mr. Nikolaus an option, subject to the foregoing terms, to purchase 150,000 shares of our Class A common stock at an exercise price of \$17.60 per share, which was the closing price of our Class A common stock on the day before the date of that grant.

The employment agreement includes customary provisions relating to vacations, illness, death, indemnification, confidentiality and non-competition.

The employment agreement includes certain rights for either Mr. Nikolaus or us to terminate the employment agreement and, upon the occurrence of certain events, such as a change-of-control, the right of Mr. Nikolaus to receive severance payments as Mr. Nikolaus' employment agreement provides.

Consulting Agreement with Mr. Nikolaus

Upon the retirement of Mr. Nikolaus or his termination of his employment under the employment agreement for other than cause, his death, his permanent disability or his termination of the employment agreement for good reason, as the employment agreement defines each of those terms, the term of the consulting agreement Donegal Mutual and we have with Mr. Nikolaus will commence and continue for a period of five years from its date of commencement.

A summary of the principal terms of the consulting agreement Donegal Mutual and we maintain with Mr. Nikolaus is as follows:

Donegal Mutual and we have agreed to retain Mr. Nikolaus to provide consulting services to us and our respective boards of directors in connection with our general operations, our merger and acquisition activities, participation in meetings and other activities of the Insurance Federation of Pennsylvania and such other projects and assignments as to which Mr. Nikolaus, Donegal Mutual and we mutually agree from time to time.

Mr. Nikolaus status under the consulting agreement will be that of an employee of Donegal Mutual and DGI.

The consulting agreement provides that Mr. Nikolaus will receive all employee benefits we provide to our senior executive officers and such benefits as became fully vested while Mr. Nikolaus served as our chief executive officer pursuant to his employment agreement with Donegal Mutual and us.

Under the consulting agreement, Donegal Mutual and we will pay Mr. Nikolaus annual compensation in an amount equal to 50% of his base salary, as defined in his employment agreement, for our most recently completed fiscal year before the year in which the consulting agreement becomes effective, but in no event less than \$600,000 per year, plus such discretionary incentive payments as our respective boards of directors may jointly authorize from time to time.

The consulting agreement includes customary provisions relating to vacations, disability, death, indemnification, confidentiality and non-competition.

-32-

Table of Contents

The consulting agreement includes certain rights for either Mr. Nikolaus or us to terminate the consulting agreement and for Mr. Nikolaus to receive certain payments upon such termination as Mr. Nikolaus consulting agreement provides.

Upon termination of his employment and consulting agreements, Mr. Nikolaus has the right to receive payments under a April 2014 supplemental executive retirement agreement with Donegal Mutual, under which DGI has no obligations.

Employment and Change-of-Control Agreements with our Named Executive Officers Other Than Mr. Burke and Mr. Nikolaus

The respective employment agreements among Donegal Mutual, us and Messrs. Greenya, Miller, Pandey, Shenk and Wagner, who collectively constitute our other named executive officers (our Other Executive Officers), contain provisions similar to those included in the employment agreement among Mr. Nikolaus, Donegal Mutual and us, except as follows:

The initial term of the employment agreements among our Other Executive Officers, Donegal Mutual and us is three years; however, such term automatically extends on each anniversary of the effective date of the employment agreements for an additional one-year period, so that, on each anniversary date of the effective date of the employment agreement of each Other Executive Officer, each employment agreement will have a remaining term of three years unless either the Other Executive Officer or the respective boards of directors of Donegal Mutual or us provide not less than 90 days advance notice that the automatic extension will terminate upon the next succeeding extension date of the employment agreement.

We and Donegal Mutual have agreed to pay our Other Executive Officers an annual base salary in the amount our compensation committees of Donegal Mutual and we recommend and our board of directors and the board of directors of Donegal Mutual each respectively approve from time to time, but in no event less than minimum amounts generally stated within the employment agreements of those Other Executive Officers.

The employment agreements contain customary provisions relating to vacations, disability, death, indemnification and confidentiality.

The employment agreements include certain rights to terminate the employment agreements and, upon the occurrence of certain events, such as a change-of-control, the right to receive severance payments, as the respective employment agreements provide.

Potential Payments to our Named Executive Officers upon Termination or a Change-of-Control

If we or Donegal Mutual terminate the employment of one of our named executive officers, or a Change-of-Control (as defined below) of DGI occurs and the employment of the named executive officer subsequently terminates on an involuntary basis, the named executive officer would be entitled to receive certain payments and benefits from us. The table below shows the estimated payments and benefits in connection with the following events based upon the assumptions we state below:

Voluntary Termination includes the voluntary resignation of a named executive officer.

Involuntary-for-Cause Termination includes a termination of the employment of a named executive officer for reasons such as violation of certain policies or for certain performance-related issues.

Involuntary Termination includes a termination of the employment of a named executive officer other than for cause, but not including a termination related to a Change-of-Control of DGI. Terminations due to death or disability result in substantially the same treatment as an Involuntary Termination.

Table of Contents

Change-of-Control of DGI, as defined in the employment agreements we have entered into with each of our named executive officers, includes the occurrence of one of the types of transaction (a Transaction) we describe below:

the acquisition of shares of our Class A common stock and our Class B common stock by any person or group in a Transaction or series of Transactions that result in such person or group directly or indirectly first owning more than 25% of the aggregate voting power of our Class A common stock and our Class B common stock taken as a single class; or

the consummation of a Transaction after which the holders of our outstanding voting capital stock taken as a single class immediately prior to the consummation of the Transaction do not collectively own 60% or more of the aggregate voting power of the entity surviving such Transaction immediately after the consummation of such Transaction; or

the sale, lease, exchange or other transfer in a Transaction or series of Transactions of all or substantially all of our assets, but excluding therefrom the sale and re-investment of our consolidated investment portfolio; or

as the result of or in connection with any cash tender offer or exchange offer, merger or Transaction, sale of assets or contested election of directors or any combination of the foregoing Transactions; or

a change of control of Donegal Mutual as such term is defined in the PHCA; or

the persons who constituted a majority of the members of the respective boards of directors of us or Donegal Mutual on July 29, 2011 and persons whose election as members of their respective boards received the approval of such members then still in office or whose subsequent election had been so approved prior to the date of a Transaction, but before the occurrence of an event that constitutes a Change-of-Control, no longer constitute such a majority of the boards of directors of us or Donegal Mutual then in office.

A Transaction constituting a Change-of-Control of DGI shall only be deemed to have occurred upon the closing of the Transaction.

The employment agreements provide generally that if the employment of a named executive officer terminates within 180 days after a Change-of-Control of DGI either by us without Cause, or by the named executive officer for Good Reason, in both cases, as defined in the employment agreements, then the named executive officer will be entitled to receive an amount equal to the sum of:

the executive's base salary accrued through the date the termination of the executive's employment becomes effective;

any incentive compensation we have the obligation to pay to the executive pursuant to our employment agreement with that named executive officer;

any amounts payable under any of the benefit plans Donegal Mutual or we maintain in accordance with the terms of such plans;

any amount in respect of excise taxes we have the obligation to pay to that named executive officer under our employment agreement with such officer;

an amount equal to the aggregate premiums that that named executive officer would have to pay to maintain in effect throughout the period from the date of termination of that named executive officer's employment through the remainder of the term of that executive's employment agreement had the named executive officer remained employed, assuming no increase in insurance premium rates and the same medical, health, disability and life insurance coverage we provided to that named executive officer immediately prior to the date of such termination; and

the named executive officer's annual base salary as of the effective date of termination of the employment of the named executive officer and any incentive we paid to the named executive officer during our most

Table of Contents

recently completed fiscal year before such termination for a period of three years as a severance payment, payable in 36 equal consecutive monthly installments, commencing with the date of the termination of the employment of that named executive officer.

We will make these payments, provided the timing of such payments could be postponed to the extent required to comply with the requirements of Section 409A of the Internal Revenue Code of 1986, as amended (the Code).

General Assumptions

We set forth in the table below a description of the payments and benefits that we would provide to our named executive officers related to each employment termination event or a Change-of-Control of DGI as of December 31, 2017. We also discuss below the basis upon which we calculated the payments and benefits. Except as we note below, these amounts are the incremental or enhanced amounts that a named executive officer would receive that are greater than those that we would have provided to employees generally under the same circumstances. The amounts we disclose below are estimates only and are based on various assumptions we discuss below. The actual amounts we would provide can be determined only at the time that an employment termination event occurs.

The table below assumes that:

a Change-of-Control of DGI occurred on December 31, 2017 under the terms of various plans and agreements unrelated to the employment agreements, regardless of a termination of employment;

the employment of each named executive officer terminated on December 31, 2017 due to each termination event, including termination within 180 days after a Change-of-Control of DGI, as the employment agreements contemplate; and

values related to outstanding stock options reflect the market value of our Class A common stock of \$17.30 per share, the last reported price of our Class A common stock on the NASDAQ Global Market System on December 29, 2017.

Limitations on the Deductibility of Compensation

Section 162(m) of the Code generally does not allow us to deduct annual compensation we pay to any of our named executive officers that is in excess of \$1.0 million for federal income tax purposes.

Although our compensation committee is aware of the Section 162(m) limitation, our compensation committee believes that it is equally important to maintain flexibility and the competitive effectiveness of the compensation of our named executive officers. Our compensation committee may, therefore, from time to time, authorize compensation agreements or plans that would not be deductible for federal income tax purposes if our compensation committee believes it is in our best interests and in the best interests of our stockholders to do so.

Our Cash Incentive Bonus Plan

For a number of years, we have had a cash incentive bonus plan for our officers, including our named executive officers. We determine the amount, if any, available for the award of these bonuses pursuant to a formula that we base on our annual underwriting results and the achievement by our named executive officers of other financial performance goals of the Donegal Insurance Group. The formula operates as follows:

We first determine the base underwriting income, if any, that the Donegal Insurance Group realized for the year;

We then adjust that base underwriting income, if any, by adding back the amount the Donegal Insurance Group accrued during the year for bonuses to our officers, and make a formula-based adjustment to limit the impact of any catastrophe losses and guaranty fund assessments on the base underwriting income, if any, the Donegal Insurance Group experienced for the year;

We then adjust the amount so determined based on variable plan-specified percentages of the growth in net premiums written of the Donegal Insurance Group for the year as specified in our bonus plan;

We then multiply the amount so determined by a percentage we base on the return on equity of the Donegal Insurance Group for the year;

We then multiply the amount so determined by a predetermined factor, and the resulting amount constitutes the executive incentive compensation pool for the applicable year;

If the surplus of the Donegal Insurance Group for the year is below the amount our bonus plan specifies, we reduce the executive incentive compensation pool by 50%; and

Our compensation committee then allocates that executive incentive compensation pool among our officers, including our named executive officers, on a discretionary basis.

Other Aspects of our Compensation Philosophy

Other Benefits

We provide our named executive officers with the same employee benefits that all of our other employees receive under our broad-based benefit plans. These plans provide for health benefits, life insurance and other customary welfare benefits.

Perquisites

We do not provide our named executive officers with any retirement, welfare plan benefits or other perquisites that we do not provide to all of our other employees other than as we disclose in this proxy statement.

Table of Contents***Summary Compensation Table***

The following table shows the compensation we paid during 2017, 2016 and 2015 for services rendered in all capacities to our chief executive officer, our chief financial officer and our five other most highly compensated executive officers. We refer to these officers, whom we name in the table below, as our named executive officers. Since 2011, we have maintained employment agreements with all of our executive officers, including our named executive officers. We refer you to "Employment and Change-of-Control Agreements" elsewhere in this proxy statement for a description of those employment agreements. We do not provide any of our named executive officers with restricted stock awards, non-equity incentive plan compensation, deferred compensation or pension benefits with the exception of three of our named executive officers who receive an annual restricted stock award of 500 shares of our Class A common stock as part of their compensation for serving as members of our board of directors or Donegal Mutual's board of directors.

Based on the compensation we paid to our named executive officers in 2017, their salaries accounted for 74.2% of their total compensation in 2017 and their performance-based compensation for 6.7% of their total compensation in 2017.

- (2) We show the option awards at an estimated grant date fair value, which we calculated by using an option pricing model. Further, the options are subject to a vesting schedule, and the estimated value obtained from the option pricing model does not represent actual value based upon trading prices of our Class A common stock at the grant date. See Note 13 to our Consolidated Financial Statements included in our 2017 Annual Report for information on the accounting treatment and calculation of the grant date fair value of these stock options.

In the case of Mr. Nikolaus, the total shown includes directors and committee meeting fees of \$85,200 and a matching 401(k) plan contribution of \$16,050 paid during 2017. In the case of Messrs. Grants of Plan-Based Awards

During 2017, we granted non-qualified options to purchase shares of our Class A common stock at an exercise price of \$17.60 per share to our named executive officers as set forth in the following table. At the close of business on the day before the date on which we granted the options, the closing market price per share of our Class A common stock was \$17.60.

Stock Incentive Plans

We have an equity incentive plan for our employees and an equity incentive plan for our directors. Under these plans, our board of directors, upon the recommendation of its compensation committee, may grant options to purchase our Class A common stock and, in the case of our directors, restricted stock awards as well as stock options. Grants under the plans can take the form of incentive stock options, non-qualified stock options, stock units and other stock-based awards. With the exception of an annual fixed restricted stock award of Class A shares we have issued to our directors and to the directors of Donegal Mutual who do not also serve as our directors, all of our incentive compensation grants have been stock options. The purpose of the plans is to provide long-term incentive awards to our employees and directors as a means to attract, motivate, retain and reward talented and experienced persons.

At December 31, 2017, we had reserved 859,168 shares of our Class A common stock for future grants under our equity incentive plan for employees and 114,833 shares of our Class A common stock for future grants under our equity incentive plan for directors. If any shares we have reserved for issuance upon the exercise of an option are not issued for any reason, we may again grant options to purchase those shares.

If the number and kind of shares available for grants and options under our plans and the exercise price of outstanding options were to change by reason of a merger, consolidation, reorganization, stock split, stock dividend or other event affecting the number of outstanding shares of our Class A common stock, the plans provide for an automatic adjustment in the kinds of shares and the price per share to reflect any increase or decrease in the number of, change in kind of or change in value of shares to preclude the enlargement or dilution of rights and benefits under the plans. Unless we otherwise provide in an individual option or employment agreement, unvested options do not automatically accelerate in the event we enter into a business combination or we sell all or substantially all of our assets. The vesting

of stock options accelerates upon death or permanent disability of the holder of the options. In the event of disability, stock options are exercisable within three years from the earlier of the date of termination of employment due to disability or the original expiration date of the option. In the event of death, options must be exercised within the earlier of three years from the date of death or the original expiration date of the option.

Table of Contents

Our board of directors, upon the recommendation of its compensation committee, has:

the authority to determine the persons eligible to receive an option or restricted stock grant, the number of shares subject to each option or restricted stock award, the exercise price of each option, the vesting schedule, the circumstances in which the vesting of options or restricted stock awards may accelerate and any extension of the period for exercise; and

the authority to determine any matter relating to options or restricted stock awards granted under our stock incentive plans.

Our board of directors has the authority to suspend, amend or terminate our stock incentive plans, except as would adversely affect the rights of persons holding outstanding awards under such plans without the consent of such persons.

(1) We calculate the value our named executive officers realized on vesting of restricted stock awards based upon the closing price of our Class A common stock on NASDAQ on the vesting date.

Pension Benefits

None of our named executive officers participated in or had an account balance in qualified or non-qualified defined benefit plans that we sponsored in 2015, 2016 or 2017, and we contemplate none for 2018.

Non-Qualified Deferred Compensation

None of our named executive officers participated in or had an account balance in non-qualified deferred compensation plans or other deferred compensation plans that we maintained in 2015, 2016 or 2017, and we contemplate no such plans for 2018.

Limitation of Liability and Indemnification

Our certificate of incorporation includes a provision that limits, to the maximum extent Delaware law permits, the liability of our directors and officers to us and to our stockholders for money damages except for liability resulting from:

actual receipt of an improper benefit or profit in money, property or services; or

active and deliberate dishonesty established by a final judgment as being material to the cause of action. This limitation does not, however, apply to violations of the federal securities laws, nor does it limit the availability of non-monetary relief in any action or proceeding.

Our certificate of incorporation and by-laws obligate us, to the maximum extent Delaware law permits, to indemnify any person who is or was a party, or is threatened to be made a party, to any threatened or pending action, suit or proceeding by reason of the fact that such person is serving or served as one of our directors or officers, or, while one of our directors or officers, is serving or served as, at our request, as a director or officer of another entity. Insofar as indemnification for liabilities arising under the federal securities laws may be permitted to our officers and directors pursuant to the foregoing provisions, we understand that, in the opinion of the SEC, such indemnification is against public policy as expressed in such laws and is unenforceable.

In addition, our certificate of incorporation and by-laws permit us, at our expense, to purchase and maintain insurance to protect us, Donegal Mutual and any of our or their subsidiaries' directors, officers or employees against any liability of any character asserted against or incurred by us, Donegal Mutual or any such director,

Table of Contents

officer or employee or arising out of any such person's corporate status, whether or not we would have the power to indemnify such person against such liability under Delaware law or Pennsylvania law, as the case may be. We also maintain, and intend to continue to maintain, liability insurance that covers our officers and directors as well as the officers and directors of Donegal Mutual and the directors and officers of our subsidiaries and the subsidiaries of Donegal Mutual.

Pay Ratio Disclosure

We believe the compensation of our executive officers must be internally consistent and equitable in order to motivate our employees to seek to create stockholder value. We have a commitment to internal pay equity, and our compensation committee monitors the relationship between the compensation of our executive officers and the compensation of our other employees. Our compensation committee reviewed a comparison of the compensation of our chief executive officer (base salary, incentive pay and stock option awards) to the compensation (base salary, incentive pay and stock option awards) of all of our employees in 2017. For 2017, the median of the annual total compensation of all of our employees, excluding the compensation of our chief executive officer, was \$63,860, and the annual total compensation of our chief executive officer in 2017 was \$581,440. Thus, the ratio of the annual total compensation of our chief executive officer in 2017 to the median of the annual total compensation in 2017 of all of our other employees was 9.1 to 1.

We calculated the ratio of the annual total compensation of our chief executive officer to the annual total compensation of our median employee in accordance with applicable SEC regulations. We identified our median employee compensation by examining the total cash compensation in 2017 of all of our employees whom we employed on December 31, 2017, the last day of our 2017 payroll year, excluding our chief executive officer. We included all employees, whether employed on a full-time basis or a part-time basis on that date. We did not make any assumptions, adjustments or estimates with respect to our annual total compensation in 2017. In computing our median annual employee compensation, we used the same methodology we use for determining the compensation of our named executive officers set forth in the 2017 Summary Compensation Table elsewhere in this proxy statement. We did not annualize the compensation of any full-time employees whom we did not employ for all of 2017.

Joint Report of the Compensation Committees of Donegal Mutual and DGI

The compensation committee of our board of directors held a joint meeting with the compensation committee of the board of directors of Donegal Mutual on March 8, 2018. The compensation committees reviewed and discussed the compensation discussion and analysis that appears in this proxy statement under the caption "Executive Compensation Discussion and Analysis."

Based on the review and discussion by our compensation committee with management and the joint meeting with the members of our compensation committee and the compensation committee of Donegal Mutual, the members of our compensation committee then held a separate meeting at which our compensation committee reviewed our results relative to our corporate objectives for 2017. Our compensation committee then reviewed the individual performance of our named executive officers.

Table of Contents

Our compensation committee recommended to our board of directors that our board of directors approve the inclusion of the compensation discussion and analysis set forth in this proxy statement under the caption "Executive Compensation Discussion and Analysis" for filing with the SEC and the incorporation by reference of such compensation discussion and analysis in our Annual Report on Form 10-K for the year ended December 31, 2017 for filing with the SEC.

PROPOSAL 1

ELECTION OF DIRECTORS

Introduction

The DGCL, the PHCA and our by-laws govern the election of our directors by our stockholders. Because Donegal Mutual has owned more than a majority of the aggregate voting power of our outstanding shares of common stock since our formation in 1986, Donegal Mutual has had the ability to control the election of all of our directors and has voted every year since 1986 to elect as our directors the candidates nominated by our nominating committee and board of directors. Donegal Mutual has advised us in writing that it will also do so at our 2018 Annual Meeting.

Since 1986, our board of directors has reviewed our relationship with Donegal Mutual on an annual basis. As a result of the most recent such review, our board of directors concluded unanimously that the continuation of our historical relationships with Donegal Mutual are in our best interests and the best interests of our stockholders, including our stockholders other than Donegal Mutual.

The following discussion summarizes the process the nominating committee of our board of directors follows in connection with the nomination of candidates for election as directors by our stockholders and their taking of office.

Nominations

Our by-laws provide that:

our board of directors shall annually appoint a nominating committee that consists of not less than two directors who are not officers or employees of Donegal Mutual or us and who do not own beneficially 10% or more of our Class A common stock or our Class B common stock; and

our nominating committee shall, prior to each annual meeting of stockholders, determine and nominate candidates for election by our stockholders as directors to succeed the class of directors whose terms of office will expire upon the election of directors of that class at that year's annual meeting of stockholders and their taking of office.

In accordance with our by-laws, on April 20, 2017 our board of directors appointed a nominating committee consisting of Robert S. Bolinger, Kevin M. Kraft, Sr., Jon M. Mahan and Richard D. Wampler, II. Neither Mr. Bolinger, Mr. Kraft, Mr. Mahan nor Mr. Wampler is an officer or employee of Donegal Mutual or us or a beneficial owner of a 10% or greater interest in our Class A common stock or a 10% or greater interest in our Class B common stock.

Our Director Nominating Procedures

Any stockholder may nominate a candidate for election as director at any annual meeting of our stockholders provided the stockholder complies with the advance notice provisions and other applicable provisions of our by-laws. We describe those procedures under "Stockholder Proposals" elsewhere in this proxy statement. Our nominating committee may also consider candidates our management proposes. We do not use executive search firms to identify director candidates.

With the exception of applicable regulations of the SEC, the listing application standards of NASDAQ and the requirements of the PHCA, our nominating committee does not have any specific, minimum qualifications for the nomination of a candidate for election as one of our directors. Our nominating committee may take into account such factors as it deems appropriate. These factors include the judgment, skill, diversity and business experience of the candidate, the interplay of the candidate's experience with the experience of the other members of our board of directors and the extent to which the candidate would contribute to the overall effectiveness and collective experience of our board of directors.

Table of Contents

Our nominating committee and our board of directors considers, at a minimum, the following factors on a non-exclusive basis in identifying and evaluating potential new director candidates, including any stockholder nominee, or the continued service of our current directors:

The professional experience of a candidate for election as a director. A candidate should have a record of accomplishments and have recognized achievements in the candidate's field of employment.

Whether the candidate serves as a member of Donegal Mutual's board of directors.

The education, expertise and experience of the candidate, and the candidate's ability to offer advice and guidance to our chief executive officer based on that candidate's education, expertise and experience.

The candidate's possession of high personal and professional ethics, integrity and values, as well as a demonstrated record of cooperative interaction with the board of directors and senior management of other companies for which the candidate serves as a director.

A candidate should be inquisitive and objective, and have the ability to exercise practical and sound business judgment and think independently.

The ability of the candidate to devote sufficient time to carrying out effectively his or her duties and responsibilities as one of our directors.

A candidate should have a history of engagement in his or her principal position of not less than five years during which the candidate has demonstrated the candidate's ability to work effectively with others. We seek qualified candidates who, taken together, represent a diversity of skills, backgrounds and experience, including ethnic background, gender, geographic and professional experience. Our nominating committee assesses the areas of expertise and functional skills that would assist us in rounding out the existing collective strengths of our board of directors.

Because Donegal Mutual has maintained majority voting control of us since our formation in 1986, a majority of our board of directors since 1986 has at all times included that number of directors who also serve as members of the board of directors of Donegal Mutual as is sufficient to constitute a majority of the members of our board of directors. The number of Donegal Mutual-designated members who serve on our board of directors has ranged from six of eight directors in 1986 to six of 11 directors in 2017. The number of Donegal Mutual directors who also serve on our board of directors will remain at six of 11 directors following our 2018 Annual Meeting. It is our intent and the intent of Donegal Mutual to maintain that number of Donegal Mutual directors who also serve on our board of directors as constitutes a majority of our board of directors as long as Donegal Mutual continues to own more than a majority of the aggregate voting power of our two outstanding classes of common stock.

Subject to Donegal Mutual's maintenance of its designees as a majority of the members of our board of directors in nominating candidates for election as members of our board of directors, the nominating committee of our board of directors takes into account the relative diversity of our policyholders and our stockholders. The nominating committee does not discriminate against any director candidate on the basis of race, color, religion, sex, national origin, age, ancestry or disability.

The Role of the Nominating Committee of our Board of Directors

Our nominating committee met on March 1, 2018 to evaluate the performance and qualifications of the four incumbent Class B members of our board of directors whose terms will expire upon the election of their successors at our 2018 Annual Meeting and the taking of office by their successors. After considering the performance and qualifications of the four incumbent Class B members of our board of directors during their past service on our board of directors, our nominating committee nominated three of our incumbent Class B directors named below for reelection to a new term as Class B directors and nominated Dennis J. Bixenman to serve as a candidate for election as a Class B director to succeed Mr. Nikolaus who is on a medical leave of absence that

commenced in September 2017. On March 8, 2018, our board of directors met and accepted the report of our nominating committee and approved the nomination by our nominating committee of the four nominees for election as Class B directors at our 2018 Annual Meeting.

Our Nominees for Election as Class B Directors at our 2018 Annual Meeting

Our board of directors currently has 11 members and consists of four Class A directors, four Class B directors and three Class C directors. We elect each director of each class for a three-year term and until the director's successor takes office. The current three-year terms of our Class B directors expire at our 2018 Annual Meeting and upon the election and taking of office by their successors. The current three-year terms of our Class C directors next expire at our 2019 annual meeting of stockholders and upon the election and taking of office by their successors, and the current three-year terms of our Class A directors next expire at our 2020 annual meeting of stockholders and upon the election and taking of office by their successors. We believe our nominees for election as Class B directors possess the experience and qualifications to provide sound guidance and oversight to our senior executive management.

We will elect four Class B directors at our 2018 Annual Meeting. Unless you have marked your proxy card to the contrary, we have instructed the proxies named on your proxy card to vote for the election of the four nominees for Class B directors we name in this proxy statement.

If any of the named nominees for Class B director becomes unavailable for any reason, our board of directors will designate a substitute nominee. Our board of directors believes each nominee will be able to serve if elected. A majority of our board of directors may fill any vacancy that occurs in our board of directors for any reason until the expiration of the term of the class of directors in which the vacancy has occurred.

The names of our four nominees for election as Class B directors, and our Class C directors and our Class A directors who will continue in office after our 2018 Annual Meeting until the expiration of their respective terms and the election and taking of office of their respective successors, together with certain information regarding them, are as follows:

Jack L. Hess	70	2011	2020

Our board of directors recommends you vote FOR the election of the four nominees for Class B directors we name above.

Mr. Berlucchi has been president and chief executive officer of Auburn Memorial Hospital, Auburn, New York since 2007. We believe the experience of Mr. Berlucchi as the chief executive officer of a major hospital system qualifies him to serve as a member of our board of directors.

Mr. Bixenman, age 71, has been a director of Donegal Mutual since 2008. Mr. Bixenman retired in 2012. For a number of years prior to his retirement, Mr. Bixenman served as vice president and senior consultant of Williams & Company Consulting, Inc., an environmental and business consulting firm with its headquarters in Sioux City, Iowa. Mr. Bixenman is a certified public accountant with extensive experience in auditing and preparing financial statements. We believe Mr. Bixenman's background and financial accounting expertise qualifies Mr. Bixenman to serve on our board of directors.

Mr. Bolinger retired in 2001 as chief executive officer of Susquehanna Bancshares, Inc., a position he held from 1982 to 2001. From 2000 to 2002, Mr. Bolinger served as chairman of the board of directors of Susquehanna Bancshares, Inc. We believe Mr. Bolinger's experience as the chief executive officer of a major financial institution qualifies him to serve on our board of directors.

Mr. Burke has served as our president and chief executive officer since 2015 and as one of our directors since October 2016. He has served as executive vice president, chief operating officer and a director of Donegal Mutual since 2014. He served as senior vice president of human resources of Donegal Mutual and us from 2005 to 2014 and as vice president of human resources of Donegal Mutual and us from 2001 to 2005. We believe Mr. Burke's leadership and experience in these positions with Donegal Mutual and us qualifies him to serve on our board of directors.

Mrs. Gilmartin was an employee of Associated Donegal Insurance Brokers from 1969 until her retirement in February 2013. That agency has no affiliation with us, except that Associated Donegal Insurance Brokers receives insurance commissions in the ordinary course of business from our insurance subsidiaries and Donegal Mutual in accordance with their standard commission schedules and agency contracts. Mrs. Gilmartin has been a Donegal Mutual director for 37 years and provides valuable input to maintain and enhance the relationships between Donegal Mutual and us and our respective insurance agents. Mrs. Gilmartin, who has been a registered insurance agent for over 50 years, helps provide us and our insurance subsidiaries with insight into the concerns of agents. We believe the long experience of Mrs. Gilmartin as an insurance agent and her long association as one of our directors qualifies her to serve on our board of directors.

Mr. Hess, a certified public accountant for more than 40 years, retired as a partner of Bertz, Hess & Co., LLP on December 31, 2015. He was a partner of that firm and a predecessor firm since 1982. Mr. Hess is managing partner of Hempland Associates, a real estate investment partnership based in Lancaster County, Pennsylvania. Mr. Hess has

been a director of Donegal Mutual since 2009, a director of us since 2011, a director of Conestoga Title Insurance Company, a subsidiary of Donegal Mutual, since 2006 and a director of UCB since 2015. Mr. Hess' background brings significant auditing and tax expertise to our board of directors as well as experienced business management skills and significant standing in the Lancaster, Pennsylvania business community, which we believe qualifies Mr. Hess to serve on our board of directors.

Mr. Huber practiced for over 35 years as a certified public accountant with the Lancaster, Pennsylvania-based public accounting firm of Trout, Ebersole & Groff, LLP, for which he served as managing partner from 1998 to 2010. He retired from that firm in 2012. He served as a director of Union National Financial Corporation and Union National Community Bank from 2006 until 2011. Since DFSC acquired Union National Financial Corporation in 2011, Mr. Huber has served as a director and chairman of the audit committee of the board of directors of UCB. We believe the experience of Mr. Huber as the managing partner of a major regional public accounting firm and his experience as a director of UCB and the predecessor of UCB qualify Mr. Huber to serve on our board of directors.

Mr. Kraft has served as a director since December 2009. Mr. Kraft has been the chief executive officer of Clyde W. Kraft Funeral Home, Columbia, Pennsylvania since 1995. Mr. Kraft is also registered as an insurance agent with the Pennsylvania Department of Insurance. Mr. Kraft currently serves on the board of directors of a Lancaster County-based water utility, Conestoga Title Insurance Company and UCB. Mr. Kraft has been a director of Donegal Mutual since 2003. We believe Mr. Kraft's experience with financial institutions qualifies him to continue to serve as a member of our board of directors.

Mr. Mahan has been a managing director in the Investment Banking Division of Stifel Nicolaus & Company, Incorporated since 2005. Mr. Mahan specializes in corporate finance with a focus on mergers and acquisitions, and has experience with a variety of corporate transactions involving mergers and acquisitions. Mr. Mahan's expertise benefits our analysis of acquisition opportunities and makes him a desirable member of our board of directors.

Mr. Moore has served as a managing director of Lima One Capital, LLC, a specialty finance company that originates and finances first mortgages to real estate investors with respect to non-owner occupied investment properties throughout the United States, since June 2017. Lima One Capital, LLC is an affiliate of Promontory MortgagePath, which Mr. Moore joined in December 2016. From October 2014 to December 2016, Mr. Moore was an executive vice president of FirstKey Mortgage, LLC, a subsidiary of Cerberus. Mr. Moore served as a managing director in the securities unit of the Royal Bank of Scotland from October 2012 to October 2014. From March 2010 until October 2012, Mr. Moore served as senior vice president, Strategic Investment Group, of The Federal Home Loan Mortgage Corporation. We believe the experience of Mr. Moore in mortgage securities and financial businesses amply qualifies him to serve as a member of our board of directors.

Mr. Wampler is a certified public accountant and served as a principal of the accounting firm of Brown Schultz Sheridan & Fritz from 1998 to 2005. For 28 prior years, Mr. Wampler was a partner in the accounting firm of KPMG LLP. His practice focused on property and casualty insurance companies. We believe Mr. Wampler's background and financial expertise qualifies Mr. Wampler to serve on our board of directors and assist us in our analysis of statutory accounting principles as well as generally accepted accounting principles and in analyzing and maintaining internal controls over financial reporting.

Six of our 11 current directors also serve as directors of Donegal Mutual with which we have a variety of inter-company agreements providing for, among other things, the pooling of Atlantic States' underwriting results with those of Donegal Mutual, reinsurance and expense-sharing. See "The Relationship of Donegal Mutual and DGI" elsewhere in this proxy statement. After the election of the nominees for Class B director we name in this proxy statement, six of our 11 directors will continue to serve as directors of Donegal Mutual. We believe our board membership appropriately represents our public stockholders, who collectively owned approximately 28% of the aggregate voting power of our outstanding shares of our Class A common stock and our outstanding shares of our Class B common stock at March 1, 2018, and Donegal Mutual, which owned approximately 72% of the aggregate voting power of our outstanding shares of our Class A common stock and our outstanding shares of our Class B common stock at March 1, 2018.

*Our board of directors unanimously recommends that you vote **FOR** the election of our four nominees to serve as Class B director for a term of three years and until the election of their respective successors and their respective successors take office.*

PROPOSAL 2

**RATIFICATION OF THE APPOINTMENT BY OUR AUDIT COMMITTEE OF
KPMG LLP TO SERVE AS OUR INDEPENDENT REGISTERED PUBLIC
ACCOUNTING FIRM FOR 2018**

Our audit committee has appointed KPMG LLP to serve as our independent registered public accounting firm for our fiscal year ending December 31, 2018. Although our by-laws do not require that we submit our audit committee's appointment of KPMG LLP to our stockholders for ratification, we do so as a matter of appropriate corporate governance.

Representatives of KPMG LLP will attend our 2018 Annual Meeting and will respond to appropriate questions. The KPMG LLP representatives will also be able to make a statement during our 2018 Annual Meeting if any of them determines to do so.

Our board of directors recommends that you vote FOR the ratification of our audit committee's appointment of KPMG LLP to serve as our independent registered public accounting firm for our fiscal year ending December 31, 2018.

Even if our stockholders ratify the appointment of KPMG LLP, our audit committee, in its discretion, may appoint a different independent registered public accounting firm at any time during 2018 if our audit committee determines that such a change would be in our best interests and in the best interests of our stockholders.

AUDIT AND NON-AUDIT FEES

Our audit committee approves the fees and other significant compensation we pay to our independent registered public accounting firm for the preparation and issuance of an audit report, including an opinion, or related work incidental to the opinion. Before making its determination with respect to the appointment of a public accounting firm, our audit committee carefully considers the qualifications and competence of the independent registered public accounting firm. For KPMG LLP, this process has included a review of its performance in prior years, its processes for maintaining independence, the results of its most recent internal quality control review or inspection by the Public Company Accounting Oversight Board (United States) (the PCAOB), the key members of KPMG LLP's audit engagement team, its approach to resolving significant accounting and auditing matters, including consultation with KPMG LLP's national office, as well as KPMG LLP's reputation for integrity and competence in auditing and accounting. Our audit committee also approves all auditing services and permitted non-audit services, including the fees and terms for such services, to be performed for us by our independent registered public accounting firm, subject to the de minimis exceptions for non-audit services described in the Exchange Act. Our audit committee delegates to our audit committee chairman pre-approval authority for non-audit services up to \$25,000 subject to subsequent approval by our audit committee at its next scheduled meeting.

Our audit committee reviewed and discussed with KPMG LLP the following fees for services KPMG LLP rendered to us during 2016 and 2017 and considered whether KPMG LLP's performance of any non-audit services was incompatible with the independence of KPMG LLP.

Audit Fees. We incurred fees of KPMG LLP in connection with the audit of our annual consolidated and statutory financial statements for 2016 and 2017, the reviews of our consolidated financial statements in our Form 10-Q quarterly reports during those years and the services KPMG LLP performed on our behalf in connection with filings of registration statements and offerings. The fees we paid KPMG LLP for our fiscal years ended December 31, 2016 and 2017 were \$843,500 and \$860,150, respectively.

Audit-Related Fees. During our fiscal year ended December 31, 2017, we did not pay KPMG LLP any audit-related fees. For our fiscal year ended December 31, 2016, we paid KPMG LLP audit-related fees of \$22,000 in connection with agreed-upon procedures KPMG LLP performed in assisting us and the

Michigan Catastrophic Claims Association (the MCCA) in evaluating the compliance of MICO with annual assessment reporting requirements for the MCCA s fiscal years ended June 30, 2014, 2015 and 2016.

Tax Fees. We did not pay any tax fees to KPMG LLP during our fiscal years ended December 31, 2016 or 2017.

All Other Fees. We did not pay KPMG LLP any fees for other services during our fiscal years ended December 31, 2016 or 2017.

Report of Our Audit Committee

Our audit committee performs its responsibilities in accordance with the Exchange Act. Each of the members of our audit committee satisfies the independence and financial literacy requirements under applicable Exchange Act rules. Our board of directors believes that all five members of our audit committee, Robert S. Bolinger, Jack L. Hess, Barry C. Huber, Jon M. Mahan and Richard D. Wampler, II, each satisfy the financial expertise requirements and have the requisite experience the SEC s rules establish. Our audit committee operates pursuant to a written charter. You may view the full text of our audit committee s charter on our website at www.donegalgroup.com. Our audit committee reviews and reassesses the adequacy of its charter on an annual basis.

As provided in its charter, our audit committee undertakes the following primary responsibilities:

the selection of, appointment of, determination of funding for, compensation of, retention of and oversight of the work of our independent registered public accounting firm and the review of its qualifications and independence;

the approval, in advance, of all auditing services and all non-audit services to be performed by our independent registered public accounting firm;

the oversight of our accounting and financial reporting processes, including the overview of our financial reports and the reports of our internal audit staff;

the establishment of procedures for the receipt, retention and treatment of complaints we receive regarding accounting, internal accounting controls or auditing matters; and

the responsibility for reviewing reports and disclosures of all related person transactions. See Related Person Transactions elsewhere in this proxy statement.

Our senior executive officers who have primary responsibility for the accuracy and completeness of our financial statements and our reporting processes, including our systems of internal control, have advised the members of our audit committee that our financial statements were prepared in accordance with accounting principles generally accepted in the United States, or GAAP.

Our audit committee met 11 times during 2017. Our audit committee schedules its meetings in order to have sufficient time to devote appropriate attention to all of its responsibilities. When it deems it appropriate, our audit committee holds meetings with our independent registered public accounting firm and with our internal auditors in executive sessions at which our senior executive officers are not present.

The members of our audit committee rely, without independent verification, on the information and representations our senior executive officers provide to them and on the representations our independent registered public accounting firm makes to them. As a result, you should not construe the oversight that our audit committee provides as establishing an independent basis for a determination that our senior executive officers have established and maintain appropriate internal controls over financial reporting, that we have prepared our financial statements in accordance with GAAP or that our independent registered public accounting firm conducted its audit of our financial statements in accordance with the standards of the PCAOB.

Table of Contents

As part of our audit committee's oversight of our financial reporting process, our audit committee reviews all annual and quarterly financial statements and discusses them with our independent registered public accounting firm and with our senior executive officers prior to the issuance of those financial statements. During 2017, our senior executive officers advised our audit committee that we had prepared each of these financial statements in accordance with GAAP, and our senior executive officers and representatives of our independent registered public accounting firm reviewed significant accounting and disclosure issues with our audit committee.

Our audit committee has reviewed and discussed our audited financial statements for the year ended December 31, 2017 with our management and with KPMG LLP. Our audit committee also discussed with KPMG LLP the matters the PCAOB Auditing Standard No. 16 requires regarding *Communication with Audit Committees*. Our audit committee has received the written disclosures and the letter from KPMG LLP that the applicable provisions of the PCAOB require regarding communications by independent registered public accounting firms with audit committees concerning independence and has discussed with KPMG LLP its independence.

Our audit committee also reviewed methods of enhancing the effectiveness of our internal and disclosure control systems. Our audit committee, as part of this process, analyzed steps we have taken to implement a continuing analysis of the improvement and efficiency of our internal control procedures.

Based on the reviews and discussions by our audit committee that we describe above, our audit committee recommended to our board of directors that our board of directors approve the inclusion of our audited financial statements for the year ended December 31, 2017 in our 2017 Annual Report on Form 10-K for filing with the SEC.
