Item 1.01. Entry into a Material Definitive Agreement.

On October 1, 2018, Altra Industrial Motion Corp. (Altra) and Fortive Corporation (Fortive) announced that they had consummated the previously announced combination of Altra with four operating companies from Fortive's Automation & Specialty platform (excluding Fortive's Hengstler and Dynapar businesses) (the A&S Business). In accordance with the terms and conditions of an Agreement and Plan of Merger and Reorganization (the Merger Agreement), dated March 7, 2018, among Altra, Fortive, McHale Acquisition Corp. (Merger Sub) and Stevens Holding Company, Inc. (Newco), and a Separation and Distribution Agreement, dated March 7, 2018, among Altra, Fortive and Newco (the Distribution Agreement), (1) Fortive transferred certain assets, liabilities and entities constituting a portion of the A&S Business to Newco, (2) Fortive distributed to its stockholders all of the issued and outstanding shares of Newco common stock held by Fortive by way of an exchange offer (the Distribution) and (3) Merger Sub merged with and into Newco, with Newco as the surviving corporation, and the issued and outstanding shares of Newco common stock converted into shares of Altra common stock (the Merger). In addition, pursuant to the Merger Agreement, prior to the effective time of the Merger, Fortive transferred certain non-U.S. assets, liabilities and entities constituting the remaining portion of the A&S Business to certain subsidiaries of Altra, and the Altra subsidiaries assumed substantially all of the liabilities associated with the transferred assets (the Direct Sales) (collectively, the Transactions).

In connection with the Transactions, on October 1, 2018, Altra, Fortive and Newco entered into additional agreements, including, among others:

a Tax Matters Agreement (the Tax Matters Agreement) among Altra, Fortive and Newco, which governs the parties' respective rights, responsibilities and obligations with respect to taxes, tax attributes, the preparation and filing of returns, the control of audits and other tax proceedings and assistance and cooperation in respect of tax matters, in each case related to tax matters of Altra and the A&S Business following completion of the Transactions, and restricts the parties from taking certain actions that could cause the Transactions to fail to qualify as tax-free transactions;

a Transition Services Agreement (the Transition Services Agreement) among Altra, Fortive and Newco, pursuant to which Newco will, on a transitional basis, provide Fortive, and Fortive and its affiliates will, on a transitional basis, provide Newco with certain support services and other assistance following completion of the Transactions; and

an Intellectual Property Cross-License Agreement (the IP License Agreement) among Altra (on behalf of itself and its subsidiaries including Newco) and Fortive, pursuant to which Fortive has granted Newco a perpetual and irrevocable, non-exclusive license to certain retained patents, copyrights and trade secrets owned by Fortive and used by Newco, and Newco has granted Fortive a perpetual and irrevocable, non-exclusive license to certain patents, copyrights and trade secrets owned by Newco and used by Fortive. The IP License Agreement also provides for applicable requirements and restrictions regarding use and sublicensing of the licensed intellectual property.

The foregoing summary of the Tax Matters Agreement, the Transition Services Agreement and the IP License Agreement does not purport to be complete and is subject to and qualified in its entirety by reference to the Tax Matters Agreement, the Transition Services Agreement and the IP License Agreement, copies of which are filed as Exhibits 10.2, 10.3 and 10.4 hereto and are incorporated herein by reference.

As previously disclosed, on August 28, 2018, Fortive commenced an exchange offer in connection with the Transactions contemplated by the Merger Agreement, pursuant to which Fortive offered to Fortive stockholders the

Edgar Filing: Altra Industrial Motion Corp. - Form 8-K

right to exchange all or a portion of their shares of common stock, par value \$0.01 per share, of Fortive (Fortive common stock), for shares of common stock, par value \$0.01 per share, of Newco (Newco common stock).

The exchange offer was designed to permit Fortive stockholders to exchange all or a portion of their shares of Fortive common stock for Newco common stock at a discount of 8 percent to the per-share value of Altra common stock, subject to an upper limit of 2.3203 shares of Newco common stock for each share of Fortive common stock tendered in the exchange offer. The exchange offer and withdrawal rights expired at 8.00 a.m., New York City time, on September 26, 2018.

Immediately after the settlement of the Distribution on October 1, 2018 (the Closing Date), Merger Sub merged with and into Newco, whereby the separate corporate existence of Merger Sub ceased and Newco continued as the surviving company and became a wholly-owned subsidiary of Altra. In the Merger, each issued and outstanding Newco common share was converted into the right to receive 1 share of common stock, par value \$0.001 per share, of Altra (Altra common stock).

Altra s Registration Statement on Form S-4, as amended (Registration No. 333-224750), which was declared effective by the U.S. Securities and Exchange Commission on August 27, 2018, sets forth certain additional information regarding the A&S Business, the Merger and the Transactions.

Altra Credit Agreement

On the Closing Date, Altra entered into a new Credit Agreement (the Altra Credit Agreement) with certain subsidiaries of Altra, JPMorgan Chase Bank, N.A., as administrative agent and collateral agent, and a syndicate of lenders. The Altra Credit Agreement provides for a seven-year senior secured term loan to Altra in an aggregate principal amount of \$1,340,000,000 (the Altra Term Loan Facility) and a five-year senior secured revolving credit facility provided to Altra and certain of its subsidiaries in an aggregate committed principal amount of \$300,000,000 (the Altra Revolving Credit Facility and together with the Altra Term Loan Facility, the Altra Credit Facilities). The proceeds of the Altra Term Loan Facility were used to (i) consummate the Direct Sales, (ii) repay in full and extinguish all outstanding indebtedness for borrowed money under the Prior Credit Agreement (as defined below) and (iii) pay certain fees, costs and expenses in connection with the consummation of the Transactions. Any proceeds of the Altra Term Loan Facility not so used may be used on or after the Closing Date for general corporate purposes. The proceeds of the Altra Revolving Credit Facility will be used for working capital and general corporate purposes.

The Altra Credit Facilities are guaranteed on a senior secured basis by Altra and by each direct or indirect wholly owned domestic subsidiary of Altra, including, following the Merger, Newco and each of its direct or indirect wholly owned domestic subsidiaries, subject to certain customary exceptions.

At Altra's option, borrowings under the Altra Term Loan Facility will bear interest at a per annum rate equal to a Eurocurrency Rate plus 2.00%, in the case of Eurocurrency Rate borrowings, or equal to a Base Rate plus 1.00%, in the case of Base Rate borrowings. At the applicable borrower's option, borrowings under the Altra Revolving Credit Facility will initially bear interest at a per annum rate equal to a Eurocurrency Rate plus 2.00%, in the case of Eurocurrency Rate borrowings, or equal to a Base Rate plus 1.00%, in the case of Base Rate borrowings, and thereafter will bear interest at a per annum rate equal to a Eurocurrency Rate or Base Rate, as applicable, plus an interest rate spread determined by reference to a pricing grid based on Altra's senior secured net leverage ratio. In addition, Altra will be required to pay fees that will fluctuate between 0.250% per annum to 0.375% per annum on the unused amount of the Revolving Credit Facility, based upon Altra's senior secured net leverage ratio.

Revolving borrowings and issuances of letters of credit under the Altra Revolving Credit Facility are subject to the satisfaction of customary conditions, including the accuracy of representations and warranties and the absence of defaults.

The Altra Credit Agreement contains usual and customary representations and warranties, and usual and customary affirmative and negative covenants, including limitations on liens, investments, restricted payments, additional indebtedness and asset sales and mergers. In addition, the Altra Credit Agreement requires that Altra maintain a specified maximum senior secured leverage ratio and a specified minimum interest coverage ratio. The obligations of the borrowers of the Altra Credit Facilities under the Altra Credit Agreement may be accelerated upon customary events of default, including non-payment of principal, interest, fees and other amounts, inaccuracy of representations and warranties, violation of covenants, cross default and cross acceleration, voluntary and involuntary bankruptcy or insolvency proceedings, inability to pay debts as they become due, material judgments, ERISA events, actual or asserted invalidity of security documents or guarantees and change in control.

The foregoing summary of the Altra Credit Agreement does not purport to be complete and is subject to and qualified in its entirety by reference to the Altra Credit Agreement, a copy of which is filed as Exhibit 10.5 hereto and is incorporated herein by reference.

Guarantees of Newco Notes

As previously disclosed, in connection with the Merger, on September 26, 2018, Newco announced the pricing of \$400 million aggregate principal amount of Newco's 6.125% senior notes due 2026 (the Notes) in a private debt

offering pursuant to Rule 144A and Regulation S under the Securities Act of 1933 (the Securities Act) (the Private Placement). Newco sold \$150 million aggregate principal amount of the Notes (the Primary Notes) and an unaffiliated selling securityholder sold \$250 million aggregate principal amount of the Notes (the Selling Securityholder Notes). The Notes will mature on October 1, 2026. Interest on the Notes will accrue from October 1, 2018, and the first interest payment date on the Notes will be April 1, 2019.

The unaffiliated selling securityholder received the Selling Securityholder Notes from Fortive prior to the closing of the Private Placement in exchange for certain outstanding Fortive debt held or acquired by the unaffiliated selling securityholder.

The Private Placement closed on October 1, 2018. Newco used the net proceeds of the Primary Notes to fund a dividend payment to Fortive prior to the consummation of the Merger, and Newco did not receive any proceeds from the sale of the Selling Securityholder Notes. The Notes have not been and will not be registered under the Securities Act, or the securities laws of any other

jurisdiction. Unless they are registered, the Notes may be offered and sold only in transactions that are exempt from registration under the Securities Act and applicable state securities laws.

The Notes were issued pursuant to an Indenture (the "Base Indenture") among Newco, certain subsidiaries of Newco party thereto as guarantors and The Bank of New York Mellon Trust Company, N.A., as trustee (the "Trustee"). Immediately following the consummation of the Merger, (i) Altra and its domestic subsidiaries guaranteeing the Altra Credit Facility became party to the Base Indenture pursuant to a Supplemental Indenture (the "Supplemental Indenture"), and the Base Indenture as modified by the Supplemental Indenture, the "Indenture") among Altra, certain subsidiaries of Altra party thereto as guarantors, Newco and the Trustee, whereby Altra and such subsidiaries provided, among other things, a full and unconditional guarantee of the Notes. The Indenture contains customary events of default for similar debt securities, which if triggered may accelerate payment of principal and accrued but unpaid interest on the Notes. Such events of default include non-payment of principal and interest, non-performance of covenants and obligations, default on other material debt, and bankruptcy or insolvency. If a change of control repurchase event as defined in the Indenture occurs, Newco may be required to offer to purchase the Notes from the holders thereof. The Notes are not otherwise required to be repaid prior to maturity, although they may be redeemed at the option of Newco on or after October 1, 2023 in the manner and at the redemption prices specified in the Indenture.

The foregoing is only a summary of the Notes and the other documents referred to above and is qualified in its entirety by reference to the Base Indenture and the Supplemental Indenture filed as Exhibits 4.1 and 4.2, respectively, hereto and incorporated by reference herein.

Item 2.01. Completion of Acquisition or Disposition of Assets.

On the Closing Date, the Merger was consummated pursuant to the Merger Agreement and the Distribution Agreement. Pursuant to the Merger Agreement, each issued and outstanding share of Newco common stock was converted into the right to receive 1 share of Altra common stock. Altra issued 35,000,000 shares of Altra common stock to the former holders of Newco common stock. On the Closing Date, Newco, which directly and through its subsidiaries holds a portion of the A&S Business, became a wholly-owned subsidiary of Altra. In addition, pursuant to the Merger Agreement, Fortive will transfer certain non-U.S. assets, liabilities and entities constituting the remaining portion of the A&S Business through the Direct Sales.

Immediately after consummation of the Merger, approximately 54% of the outstanding shares of Altra common stock was held by pre-Transactions holders of Fortive common stock and approximately 46% of the outstanding shares of Altra common stock was held by pre-Transactions holders of Altra common stock. In connection with the Transactions, Altra, Fortive and Newco entered into certain additional agreements relating to, among other things, tax matters, transition services and certain intellectual property licenses.
