Item 8.01. Other Events.

Integra LifeSciences Corporation (Integra) and PcoMed, LLC (PcoMed) entered into that certain Supply Agreement on May 15, 2013 (the Agreement), which Agreement was subsequently assigned to SeaSpine Holdings Corporation (the Company) by Integra on May 21, 2015. Based on a review of its preliminary financial results for the period ending September 30, 2018, the Company anticipates that its sales of products incorporating the technology licensed and supplied to the Company pursuant to the Agreement will exceed 10% of its revenue for the three and nine months ended September 30, 2018.

Pursuant to the Agreement, PcoMed granted the Company a worldwide exclusive license to sell certain of its products treated with certain proprietary PcoMed technology (the Treatment) for use in the spinal interbody and intervertebral market (the Treated Products). PcoMed serves as the sole supplier of the Treatment. As consideration for the license and the treatment, the Company paid to PcoMed initial milestone payments prior to the initial sale and the Company will pay PcoMed a low single digit royalty on the Company's net sales of all Treated Products. In the event the Company fails to meet any of its payment obligations, the license will, at PcoMed's option and following a cure period, convert to a non-exclusive license. The Agreement contains customary representations and termination provisions, including for material breach and bankruptcy. Each of the Company and PcoMed retain the rights to their respective intellectual property.

The foregoing description of the terms of the Agreement is subject to, and qualified in its entirety by, the Agreement, a copy of which is filed as Exhibit 10.1 hereto and incorporated herein by reference.
