EXPLANATORY NOTE

In connection with the merger (Merger) of Streamline Merger Sub, LLC, a Delaware limited liability company and wholly owned subsidiary of the Registrant (formerly Energy Transfer Equity, L.P., a Delaware limited partnership, which, for purposes of clarity, was renamed Energy Transfer LP following the Merger), with and into Energy Transfer Operating, L.P., a Delaware limited partnership (formerly Energy Transfer Partners, L.P., a Delaware limited partnership, which, for purposes of clarity, was renamed Energy Transfer Operating, L.P. following the Merger and referred to herein as ETP), the Registrant assumed the Second Amended and Restated Energy Transfer LP 2008 Long-Term Incentive Plan (formerly the Second Amended and Restated Energy Transfer Partners, L.P. 2008 Long-Term Incentive Plan) (the 2008 Plan), the Energy Transfer LP Amended and Restated 2011 Long-Term Incentive Plan (formerly the Regency Energy Partners LP 2011 Long-Term Incentive Plan) (the 2011 Plan) and the Energy Transfer LP 2015 Long-Term Incentive Plan (formerly the Sunoco Partners LLC Long-Term Incentive Plan, as amended) (the 2015 Plan and, together with the 2008 Plan and 2011 Plan, the Equity Plans). In connection with the Merger, awards outstanding under the Equity Plans, including each unvested award of ETP restricted units and ETP restricted phantom units, immediately prior to the effective time of the Merger were converted into, and will continue as, outstanding awards under the Equity Plans, except that the number of ETP common units covered by each such converted award was adjusted to instead represent the number of Common Units of the Registrant equal to the number of ETP common units subject to the corresponding award multiplied by 1.28 (the exchange ratio in the Merger), rounded up to the nearest whole unit.

The Registrant is filing this Registration Statement relating to an aggregate of 28,636,159 Common Units, comprised of (i) 960,036 Common Units issuable pursuant to the 2008 Plan and 11,740,503 Common Units subject to converted awards previously issued thereunder, (ii) 205,923 Common Units issuable pursuant to the 2011 Plan and 1,282,259 Common Units subject to converted awards previously issued thereunder, and (iii) 10,646,574 Common Units issuable pursuant to the 2015 Plan and 3,800,864 Common Units subject to converted awards previously issued thereunder.

PART I

INFORMATION REQUIRED IN THE SECTION 10(a) PROSPECTUS

LE GP, LLC, a Delaware limited liability company and the general partner of the Registrant (the General Partner), will provide all participants in the Equity Plans with the document(s) containing information required by Part I of Form S-8, as specified in Rule 428(b)(1) promulgated by the Securities and Exchange Commission (the Commission) under the Securities Act. In accordance with the rules and regulations of the Commission, the Registrant has not filed such document(s) with the Commission, but such documents (along with the documents incorporated by reference into this Registration Statement (this Registration Statement) pursuant to Item 3 of Part II hereof), taken together, constitute a prospectus that meets the requirements of Section 10(a) of the Securities Act. The Registrant shall maintain a file of such documents in accordance with the provisions of Rule 428(a)(2) of the Securities Act. Upon request, the Registrant shall furnish to the Commission or its staff a copy or copies of all of the documents included in such file.

PART II

INFORMATION REQUIRED IN THE REGISTRATION STATEMENT

Item 3. Incorporation of Documents by Reference.

Except to the extent that information is deemed furnished and not filed pursuant to securities laws and regulations, the Registrant hereby incorporates by reference into this Registration Statement the following documents:

- (a). The Registrant's latest Annual Report on Form 10-K (File No. 001-32740), filed with the Commission on February 23, 2018;

- (b). The Registrant's Quarterly Reports on Form 10-Q for the quarters ended March 31, 2018, June 30, 2018 and September 30, 2018 filed with the Commission on May 10, 2018, August 9, 2018 and November 8, 2018, respectively;
- (c). The Registrant's Current Reports on Form 8-K filed with the Commission on January 16, 2018, April 3, 2018, June 4, 2018, July 18, 2018, August 2, 2018, August 3, 2018, September 12, 2018, September 18, 2018, October 19, 2018, October 25, 2018 and January 22, 2019; and
- (d). The description of the Registrant's Common Units contained in the Registrant's Registration Statement on Form 8-A, originally filed with the SEC on January 31, 2006, including any amendments or reports filed for the purpose of updating such description.

Except to the extent that information is deemed furnished and not filed pursuant to securities laws and regulations, all documents filed with the Commission by the Registrant pursuant to Sections 13(a), 13(c), 14 or 15(d) of the Exchange Act and all reports on Form 8-K subsequent to the date hereof and prior to the filing of a post-effective amendment that indicates that all securities offered have been sold or that deregisters all securities then remaining unsold shall also be deemed to be incorporated by reference herein and to be a part hereof from the dates of filing of such documents.

Any statement contained in a document incorporated or deemed to be incorporated by reference herein shall be deemed to be modified or superseded for purposes of this Registration Statement to the extent that a statement contained herein or in any other subsequently filed document that also is or is deemed to be incorporated by reference herein modifies or supersedes such statement. Any statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute a part of this Registration Statement.

Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

As provided in the Registrant's partnership agreement, the Registrant will generally indemnify the General Partner, its officers, directors and affiliates to the fullest extent permitted by the law against all losses, claims, damages or similar events; provided, that the indemnitee will not be indemnified and held harmless if there has been a final and non-appealable judgment entered by a court of competent jurisdiction determining that, in respect of the matter for which the indemnitee is seeking indemnification, the indemnitee acted in bad faith or engaged in fraud, willful misconduct, or in the case of a criminal matter, acted with knowledge that the indemnitee's conduct was unlawful. Subject to any terms, conditions or restrictions set forth in the Registrant's partnership agreement, Section 17-108 of the Delaware Revised Uniform Limited Partnership Act empowers a Delaware limited partnership to indemnify and hold harmless any partner or other persons from and against all claims and demands whatsoever.

To the extent that the indemnification provisions in the Registrant's partnership agreement purport to include indemnification of liabilities arising under the Securities Act, in the opinion of the Commission, such indemnification is contrary to public policy and is therefore unenforceable.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 8. Exhibits.

The Exhibits to this Registration Statement are listed in the Exhibit Index to this Registration Statement, which such Exhibit Index is incorporated herein by reference.

Item 9. Undertakings.

The undersigned Registrant hereby undertakes:

- (a) (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:
 - (i) to include any prospectus required by Section 10(a)(3) of the Securities Act;
 - (ii) to reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and
 - (iii) to include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the registration statement is on Form S-8, and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the Registration Statement.

- (2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (3) To remove from registration, by means of a post-effective amendment, any of the securities being registered which remain unsold at the termination of the offering.

(b)

That, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the Registration Statement shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

- (c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
