**Annual Meeting of Shareholders**

**To Be Held September 4, 2008**

---

Unless the context requires otherwise, references in this statement to "*Gryphon Gold*," the "*Company*," "*we*," "*us*," or "*our*" refer to Gryphon Gold Corporation.

The Annual Meeting of Stockholders of Gryphon Gold will be held on Thursday, September 4, 2008 at The Vancouver Club, 915 West Hastings Street, Vancouver BC, beginning at 2:00pm. We are providing the enclosed proxy materials and form of proxy in connection with the solicitation by the Company's Board of Directors (the "Board") of proxies for this Annual Meeting. The Company anticipates that this Proxy Statement and the form of proxy will first be made available via the internet to holders of the Company's Stock on or about July 24, 2008.

You are invited to attend the meeting at the above stated time and location. If you plan to attend and your shares are held in street name in an account with a bank, broker, or other nominee- you must obtain a proxy issued in your name from such broker, bank or other nominee.

You can vote your shares by completing and returning the proxy card or, if you hold shares in street name, by completing the voting form provided by the broker, bank or other nominee. **A returned signed proxy card without an indication of how shares should be voted will be voted FOR the election of all Directors and FOR the ratification of the Company's independent registered public accounting firm.**

Our corporate bylaws define a quorum as one-third of the voting power of the issued and outstanding voting stock present in person or by proxy. The Company's Articles of Incorporation do not allow cumulative voting for Directors. The nominees who receive the most votes will be elected. A simple majority of the shares present, whether in person or by proxy, is required to ratify the appointment of the Company's independent registered public accounting firm.

QUESTIONS AND ANSWERS ABOUT PROXY MATERIALS AND VOTING

**Why am I receiving this Proxy Statement and proxy card?**

You are receiving this Proxy Statement and proxy card because you were a stockholder of record at the close of business July 7, 2008, and are entitled to vote at the Annual Meeting. This Proxy Statement describes issues on which the Company would like you, as a stockholder, to vote. It provides information on these issues so that you can make an informed decision. You do not need to attend the Annual Meeting to vote your shares.

When you sign the proxy card you appoint Lisanna Lewis, Corporate Controller and Treasurer to Gryphon Gold, your representative at the meeting. As your representative, she will vote your shares at the meeting (or any adjournments or postponements) as you have instructed them on the proxy card. With proxy voting, your shares will be voted whether or not you attend the Annual Meeting. Even if you plan to attend the meeting, it is a good idea to complete, sign and return your proxy card in advance of the meeting, just in case your plans change.

If an issue comes up for vote at the meeting (or any adjournments or postponements) that is not described in this Proxy Statement, your representative will vote your shares, under your proxy, at their discretion, subject to any limitations imposed by law.

**When is the record date?**

The Board of Directors has fixed July 7, 2008, as the record date for the Annual Meeting. Only holders of Gryphon Gold voting stock as of the close of business on that date will be entitled to vote at the Annual Meeting.

**How many shares are outstanding?**

As of July 17, 2008, the Company had 61,977,065 shares of Common Stock issued and outstanding.

**What am I voting on?**

You are being asked to vote on the following:

The election of four (4) directors for terms expiring in 2009;

Edgar Filing: GRYPHON GOLD CORP - Form DEF 14A

The ratification of the appointment of the Company's independent registered public accounting firm; and

Any other business that may properly come before the meeting.

Each share of Common Stock is entitled to one vote. No cumulative rights are authorized, and dissenters' rights are not applicable to any of the matters being voted upon.

The Board recommends a vote **FOR** each of the nominees to the Board and **FOR** the ratification of the appointment of the Company's independent registered public accounting firm.

**How do I vote?**

You have several voting options. You may vote by:

Signing your proxy card and mailing it in the enclosed, prepaid and addressed envelope;

Signing and faxing your proxy card to our transfer agent for proxy voting at the number provided on the proxy card;

Voting over the Internet by following the procedures provided on the proxy card; or

Attending the Annual Meeting and voting in person.

If your shares are held in an account with a brokerage firm, bank, dealer, or other similar organization, then you are the beneficial owner of shares held in a street name and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker, bank or other nominee on how to vote the shares in your account. You are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote your shares in person at the meeting unless you request and obtain a valid proxy card from your broker, bank, or other nominee.

**Can stockholders vote in person at the Annual Meeting?**

The Company will pass out written ballots to anyone who wants to vote at the meeting. If you hold your shares through a brokerage account but do not have a physical share certificate, or the shares are registered in someone else's name, you must request a legal proxy from your stockbroker or the registered owner to vote at the meeting.

**What does it mean if I receive more than one proxy card?**

If you receive more than one proxy card, it likely means that you have multiple accounts with the transfer agent and/or with stockbrokers. Please vote all of the shares.

**What if I share an address with another shareholder and we received only one copy of the proxy materials?**

## Edgar Filing: GRYPHON GOLD CORP - Form DEF 14A

If certain requirements are met under relevant U.S. securities law, including in some circumstances the shareholder's prior written consent, we are permitted to deliver one annual report and one proxy statement to a group of shareholders who share the same address. If you share an address with another shareholder and have received only one copy of the proxy materials, but desire another copy, please send written request to our offices at the address below or call us at (604) 261-2229 to request another copy of the proxy materials. Please note that each shareholder should receive a separate proxy card to vote the shares they own.

Send requests to:

Gryphon Gold Corporation

810-1130 West Pender Street

Vancouver, BC V6E 4A4

Attention: Lisanna Lewis, Treasurer

**What if I change my mind after I return my proxy?**

You may revoke your proxy and change your vote at any time before the polls close at the Annual Meeting. You may do this by:

Signing another proxy with a later date and mailing it to the Company's Inspector of Elections, at the Company's principal executive offices, so long as it is received prior to 12:00 p.m., PST, on September 3, 2008;

Voting in person at the Annual Meeting; or

Giving written notice to the Company's Treasurer, Lisanna Lewis, at the address given above, prior to 12:00 p.m., PST on September 3, 2007.

**How many votes do you need to hold the meeting?**

To conduct the Annual Meeting, the Company must have a quorum, which means that one-third of outstanding voting shares of the Company as of the record date must be present at the meeting. Based on 61,977,065 shares of Common Stock issued and outstanding as of July 17, 2008, 20,452,431 shares of Common Stock must be present, in person or by proxy, for a quorum to be present at the Annual Meeting.

Your shares will be counted as present at the Annual Meeting if you:

Submit a properly executed proxy card (even if you do not provide voting instructions); or

Attend the Annual Meeting and vote in person.

**What if I abstain from voting?**

Abstentions with respect to a proposal are counted for the purposes of establishing a quorum. If a quorum is present, abstentions will not be included in vote totals. Since the Company's bylaws provide that approval of a proposal at a meeting of the shareholders is by the affirmative vote of a majority of the voting shares present, in person or by proxy, at a meeting of the shareholders, abstentions will have the same effect as a vote against any proposal.

**How many votes are needed to elect directors?**

## Edgar Filing: GRYPHON GOLD CORP - Form DEF 14A

The nominees for election as directors at the 2008 Annual Meeting will be elected by a plurality of the votes cast at the meeting. A properly executed proxy card marked *Withheld* with respect to the election of directors will not be voted and will not count *FOR* or *AGAINST* any of the nominees.

### **How many votes are needed to ratify the appointment of the independent registered public accountant?**

The ratification of the appointment of the independent registered public accountant will be approved if a majority of the voting shares present at the Annual Meeting vote *FOR* the proposal. A properly executed proxy card marked *Abstain* with respect to this proposal will have the same effect as a vote cast *AGAINST* this proposal.

**Will my shares be voted if I do not sign and return my Proxy Card?**

If your shares are held through a brokerage account, your brokerage firm, under certain circumstances, may vote your shares.

If your shares are registered in your name, and you do not sign and return your proxy card, your shares will not be voted at the meeting.

**How are votes counted?**

Your shares will be voted as you indicate. If you just sign your proxy card with no further instructions, your shares will be voted:

**FOR** each director nominee for terms expiring in 2009; and

**FOR** the ratification of the appointment of the independent registered public accountant.

Voting results will be tabulated and certified by the Inspector of Elections.

**Where can I find the voting results of the meeting?**

The Company will publish the final results in the Company's Quarterly Report on Form 10-QSB for the second quarter of 2009, which will be filed with the Securities and Exchange Commission (SEC). Within four (4) business days of the Annual Meeting, the Company will file a current report on Form 8-K if the shareholders elect new directors.

**Who will pay for the costs of soliciting proxies?**

The Company will bear the cost of soliciting proxies. In an effort to have as large a representation at the meeting as possible, the Company's directors, officers and employees may solicit proxies by telephone or in person in certain circumstances. These individuals will receive no additional compensation for their services other than their regular salaries. Additionally, the Company may hire a proxy solicitor to help reach the quorum requirement. The Company will pay a reasonable fee in relation to these services. Upon request, the Company will reimburse brokers, dealers, banks, voting trustees and their nominees who are holders of record of the Company's Common Stock on the record date for the reasonable expenses incurred for mailing copies of the proxy materials to the beneficial owners of such shares.

**When are stockholder proposals due for the 2009 annual meeting of Stockholders?**

In order to be considered for inclusion in next year's (2009) proxy statement, stockholder proposals must be submitted in writing to the Company's Treasurer, Lisanna Lewis, at Gryphon Gold Corporation, 810-1130 West Pender Street, Vancouver, BC, V6E 4A4, and received no later than April 9, 2009. Similarly, stockholder proposals not submitted for inclusion in the proxy statement and received after June 23, 2009 will be considered untimely pursuant to Rule 14a-5(e)(2) of the Securities and Exchange Act of 1934.

**How can I obtain a copy of the 2008 Annual Report on Form 10-KSB?**

The Company's 2008 Annual Report on Form 10-KSB, including financial statements is available through the SEC's website at <http://www.sec.gov>.

**At the written request of any stockholder who owns Common Stock on the record date, the Company will provide to such stockholder, without charge, a paper copy of the Company's 2008 Annual Report on Form 10-KSB as filed with the SEC, including the financial statements and financial statement schedules but not including exhibits.** If requested, the Company will provide copies of the exhibits for a reasonable fee. The administering committee (the Committee) has the power to: (i) designate Omnibus Plan participants; (ii) determine the type or types of awards to be granted to participants under the Omnibus Plan; (iii) determine the number of shares to be covered by each award; (iv) determine the terms and conditions of any award or award agreement; (v) amend the terms and conditions of any award or award agreement and accelerate the exercisability of any option or waive any restrictions relating to any award; (vi) determine whether and to what extent, and under what circumstances, awards may be exercised in cash, shares of the Company, promissory notes (which don't conflict with the provisions of the Sarbanes-Oxley Act), other securities, or other property, or may be canceled, forfeited, or suspended; (vii) interpret and administer the Omnibus Plan and any awards or award agreements thereunder; (viii) establish, amend, suspend, or waive such rules and regulations and appoint such agents as it deems appropriate to administer the Omnibus Plan; (ix) made any determination with respect to the termination of options and awards upon termination or cessation of employment of a Participant, upon a director ceasing to serve on the board of directors of the Company or upon any person ceasing to provide services to the Company; (x) make any other determination or take any other action that the Committee deems necessary or desirable to the administration of the Omnibus Plan.

Shares Available under the Omnibus Plan

The aggregate number of shares available to be issued under the Omnibus Plan will be 5,500,000 shares of common stock (subject to approval of Option Share Increase) , which represents 11.6% of the issued and outstanding shares. Of the aggregate total, the number of shares available for granting incentive stock options will be 4,500,000 and the number of shares available for restricted stock grants and restricted stock units is 1,000,000 both subject to adjustment under the Omnibus Plan's anti-dilution provisions. The number of shares available for issuance in respect of awards (other than incentive stock options, restricted stock and restricted stock units), may not exceed the difference between 5,500,000 and the aggregate number of shares reserved for issuance in respect of incentive stock options, restricted stock and restricted stock units, less the number of shares issued upon exercise of such incentive stock options, restricted stock and restricted stock units.

Limitations on Awards to Insiders

Awards in any form to Company insiders (generally, directors, officers, and 10% shareholders) are limited under the Omnibus Plan. No award shall be granted under the Omnibus Plan which may result in the aggregate number of common shares of the Company issued to insiders as a group pursuant to the terms of awards previously granted within any one-year period, and issuable to insiders, at any time under the Omnibus Plan and any other security based compensation arrangement of the Company exceeding 10% of the common shares of the Company issued and outstanding at the relevant time. In addition, no award may be granted under the Omnibus Plan which may result in the aggregate number of common shares issuable to any insider at any time under the Omnibus Plan or any other security based compensation plan arrangement of the Company exceeding 5% of the common shares of the Company issued and outstanding at the relevant time.

Options

The exercise price of options granted under the Omnibus Plan is determined by the Committee provided that the exercise price may not be less than 100% of the fair market value of a share on the date of the grant.

The term of each option shall be fixed by the Committee at the time of the grant, but may not exceed 10 years. The Committee also determines the vesting schedule of options and the method in which payment of the exercise price may be made.

The aggregate fair market value of incentive stock options granted under the Omnibus Plan which become exercisable by any participant during any calendar year may not exceed \$100,000 in aggregate fair market value. Incentive stock options granted under the Omnibus Plan terminate no later than 10 years after the date of grant, except incentive stock options granted to 10% shareholders terminate 5 years after the date of grant. Incentive stock options must have an exercise price of at least 100% of the fair market value, but incentive stock options granted to 10% shareholders will have an exercise price of at least 110% of the fair market value.

## Edgar Filing: GRYPHON GOLD CORP - Form DEF 14A

Fair market value is defined under the Omnibus Plan to mean fair market value of such property determined by such methods or procedures as shall be established from time to time by the Committee. Notwithstanding the foregoing and unless otherwise determined by the Committee, the Fair market value of a share as of a given date shall be, if the shares are then listed on the Toronto Stock Exchange, the volume weighted average trading price of one share as reported on the Toronto Stock Exchange for the five trading days immediately preceding such date.

### Stock Appreciation Rights

The Committee is authorized to grant Stock Appreciation Rights to eligible persons subject to the terms of the Omnibus Plan. Each Stock Appreciation Right granted under the Omnibus Plan shall confer on the holder upon exercise the right to receive, as determined by the Committee, cash or a number of Shares equal to the excess of (a) the fair market value of one share on the date of exercise (or, if the Committee shall so determine, at any time during a specified period before or after the date of exercise) over (b) the grant price of the Stock Appreciation Right as determined by the Committee, which grant price shall not be less than 100% of the fair market value of one share on the date of grant of the Stock Appreciation Right.

Options may not be converted into Stock Appreciation Rights, except at the discretion of the Committee which has the power to substitute any award granted under the Omnibus for any other award available under the Omnibus Plan, subject to and pursuant to the terms of the Omnibus Plan.

### Restricted Stock

The Committee is authorized to grant Restricted Stock to eligible persons under the Omnibus Plan. Shares of Restricted Stock shall be subject to such restrictions as the Committee may impose (including, without limitation, a restriction on or prohibition against the right to receive any dividend or other right or property with respect thereto), which restrictions may lapse separately or in combination at such time or times, in such installments or otherwise as the Committee may deem appropriate.

### Restricted Stock Units

The Committee is authorized to grant Restricted Stock Units to eligible persons under the Omnibus Plan. A Restricted Stock Unit award will be subject to a Restricted Stock Unit Award Agreement containing such terms and conditions, not inconsistent with the provisions of the Omnibus Plan, as the Committee determines.

A Performance Award granted under the Omnibus Plan (i) may be denominated or payable in cash, shares (including, without limitation, Restricted Stock and Restricted Stock Units), other securities, other Awards or other property and (ii) shall confer on the holder thereof the right to receive payments, in whole or in part, upon the achievement of such performance goals during such performance periods as the Committee shall establish. Such rules and procedures may include, without limitation, provisions for the payment or crediting of reasonable interest on installment or deferred payments or the grant or crediting of Dividend Equivalents with respect to installment or deferred payments. Gryphon Gold may provide financial assistance to eligible persons to purchase shares of common stock under the Incentive Plan, subject to applicable law and the rules and policies of any securities regulatory authority or stock exchange with jurisdiction over the Corporation or a trade in its securities. Any financial assistance so provided will be repayable with full recourse and the term of any such financing shall not exceed the term of the option to which the financing applies.

Limits on Transfer of Awards

No Award (other than Other Stock Grants) and no right under any such Award shall be transferable by a Participant otherwise than by will or by the laws of descent and distribution and the Company is not be required to recognize any attempted assignment of such rights by any Participant; provided, however, that, if so determined by the Committee, a Participant may, in the manner established by the Committee, designate a beneficiary or beneficiaries to exercise the rights of the Participant and receive any property distributable with respect to any Award upon the death of the Participant; provided, further, that, if so determined by the Committee, a Participant may transfer a Non-Qualified Stock Option to any Family Member (as such term is defined in the General Instructions to Form S-8 or successor to such Instructions or such Form) at any time that such Participant holds such Option, provided that the Participant may not receive any consideration for such transfer, the Family Member may not make any subsequent transfers other than by will or by the laws of descent and distribution and the Company receives written notice of such transfer, provided, further, that, if so determined by the Committee, and except in the case of an Incentive Stock Option, Awards may be transferable as determined by the Committee. Term of Awards

Subject to the terms of Omnibus Plan, the term of each Award shall be for such period as may be determined by the Committee. Whether Options, Restricted Stock Units ( RSUs ) or other Awards terminate on termination of employment is determined by the Committee in the context of each grant. The Committee may adopt policies from time to time in respect of termination provisions on termination of employment. Generally, Options and RSUs terminate upon termination of employment as follows:

**PROPOSAL 2 RATIFICATION OF  
THE APPOINTMENT OF THE**

**INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

**What am I voting on?**

The Audit Committee has selected Ernst and Young LLP to be its Independent Registered Public Accounting Firm for the current fiscal year ending March 31, 2009.

This proposal seeks shareholder ratification of the appointment of Ernst & Young LLP.

**INFORMATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

Ernst and Young LLP was the Independent Registered Public Accounting Firm for the Company in the fiscal years ended March 31, 2008, 2007 and 2006.

Our financial statements have been audited by Ernst & Young LLP, independent registered public accounting firm, for the years ended March 31, 2005 and 2004 and for the period from April 24, 2003 (inception) to March 31, 2004.

Effective on or about June 20, 2005, we terminated the services of our former independent auditor, DeVisser Gray, Chartered Accountants of Vancouver, British Columbia.

No adverse opinion or disclaimer of opinion was issued during the past two years by our former accountant, and no opinion of our former accountant was qualified or modified as to uncertainty, audit scope or accounting principles.

The change in auditors was recommended by our Board of Directors.

During the two most recent fiscal years and the interim period preceding such dismissal, we are not aware of any disagreements with our former accountant on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreement(s), if not resolved to the satisfaction of our former accountant, would have caused it to make references to the subject matter of the disagreement(s) in connection with its report.

## Edgar Filing: GRYPHON GOLD CORP - Form DEF 14A

We are not aware of any events (reportable under Item 304 (a)(1)(B) of Regulation S-B) that have occurred during the two most recent fiscal years and the interim period preceding the dismissal of our former accountant.

During the two most recent fiscal years and the interim period preceding the appointment of Ernst & Young, we have not consulted Ernst & Young regarding either:

1) The application of accounting principles to a specified transaction, either completed or proposed; or the type of audit opinion that might be rendered on our financial statements, and neither a written report nor oral advice was provided to us that we considered an important factor in reaching a decision as to the accounting or financial reporting issue; or

2) Any matter that was either the subject of a disagreement or event (reportable under Regulation S-B, Item 304(a)(1)(iv)(B)).

The Company does not expect that a representative from Ernst & Young will be at the Annual Meeting. If a representative of Ernst & Young does attend the meeting, they will be given an opportunity to make a statement, should they choose to do so. The Company does not know if the representative, if one does attend the Annual Meeting, would make himself or herself available for questions at the Annual Meeting.

**Audit Fees**

The aggregate fees billed by the Company's auditors for professional services rendered in connection with the audit of the Company's annual consolidated financial statements for fiscal 2008 and 2007 and reviews of the consolidated financial statements included in the Company's Forms 10-KSB and 10-QSB for fiscal 2008 and 2007 were \$107,500 and \$85,000, respectively.

**Audit-Related Fees**

The aggregate fees billed by the Company's auditors for any additional fees for assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements including costs related to the acquisition of Nevada Eagle Resources LLC and are not reported under "Audit Fees" above for fiscal 2008 and 2007 were \$150,746 and \$11,610, respectively.

**Tax Fees**

The aggregate fees billed by the Company's auditors for professional services for tax compliance, tax advice, and tax planning for fiscal 2008 and 2007 were \$9,500 and \$17,585, respectively.

**All Other Fees**

The aggregate fees billed by the Company's auditors for all other non-audit services rendered to the Company, such as attending meetings and other miscellaneous financial consulting, for fiscal 2008 and 2007 were \$3,965 and \$Nil, respectively.
