Explanation of Responses:

* If the form is filed by more than one reporting person, *see* Instruction 4(b)(v).

** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. *See* 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).

- (1) Includes 27,000 shares of restricted stock granted on November 2, 2009 which vest as follows: 13,500 on 11/2/2011, and 13,500 on 11/2/2013, subject to continuous employment with the issuer.

- (2) The number of underlying securities is based on the stock fund balance on December 11, 2009. The actual number of shares issuable upon the distribution date is not determinable since the stock fund is a unitized account consisting of 96% company stock and 4% money market fund. The stock account balance reflected in this report is based on a December 11, 2009, stock fund price of \$27.37 per share.

- (3) Each share of phantom stock is the economic equivalent of one share of Johnson Controls common stock. Shares of phantom stock are payable in cash following the reporting person's termination of employment with the company and may be transferred by the reporting person into an alternative investment account at any time.

- (4) The phantom stock units were accrued under the Johnson Controls Retirement Restoration Plan and are to be settled 100% in cash upon the reporting person's termination of employment with the company. Phantom stock units accrue in the plan through monthly payroll deductions once the limit has been reached in the reporting person's 401(k) plan. The Retirement Restoration Plan mirrors the issuer's broad-based 401(k) plan.

- (5) The phantom stock units were accrued under the Johnson Controls Long-Term Incentive Plan and are to be settled 100% in cash upon the reporting person's termination of employment with the company.

- (6) Each share of phantom stock is the economic equivalent of one share of Johnson Controls common stock. The restricted stock units were awarded under the Johnson Controls Executive Deferred Restricted Plan. The units are to be settled 100% in cash upon the reporting person's termination of employment with the company, subject to vesting provisions.

- (7) Fifty percent of the options become exercisable two years after the grant date; the remaining 50%, three years after grant date.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure.

Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
