Edgar Filing: BOCK LOUIS C - Form 4

Represents shares of common stock acquired upon the automatic conversion of Series B Preferred Stock upon the closing of the Issuer's initial public offering of common stock.

- (5) Each share of Series B Preferred Stock converted into 0.1 shares of common stock.

The common stock was acquired upon conversion of a convertible promissory note exempt from the definition of a derivative security because the conversion price did not become fixed until automatic conversion at the time of the closing of the Issuer's initial public offering.

- (7) Represents shares of common stock acquired by Scale Partners upon the conversion of convertible promissory notes issued to Scale Partners in July 2010. The outstanding principal amount and accrued but unpaid interest thereon was automatically converted into shares of common stock of the Issuer upon the consummation of an initial public offering of the Issuer's common stock at a conversion price equal to \$4.00, which was the initial public offering price per share.

- (8) These securities are preferred stock of the Issuer and did not have an expiration date. Prior to the Issuer's initial public offering of common stock, the securities were convertible at any time at the election of the holder. The securities automatically converted into shares of common stock upon the closing of the Issuer's initial public offering of common stock.
