Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers.

Effective June 26, 2018, Yulong Eco-Materials, Limited., (the “Company”) reports the resignations of Yulong Zhu from the positions of President, Chief Executive Officer, Secretary and Director, and the Chief Financial Officer, Shuai Wang. Both resignations are not the result of any disagreements with the Company.

Additionally, the Company announces the appointment of Mr. Hoi Ming Chan to the position of President, Chief Executive Officer, Secretary and Director.

Hoi Ming Chan, President, Chief Executive Officer, Secretary and Director

Hoi Ming Chan started his career in Hong Kong early in 1990s as sales manager of a music bookstore and involved in the publishing of music masterpieces. In April 1985, he moved to Toronto, Canada and opened a retail clothing store. Later he was employed by Imagination Magazine as Chief Editor. Then he returned to Hong Kong in 1991 with his family and worked as Executive Director of Wise Faith Co Ltd. In November 1998, Hoi Ming returned to Toronto, Canada where he started a property investment and management company that purchased its first industrial-commercial property in Scarborough, Ontario. The property was converted and sold as condominium generating solid profits for the company. In July 2000, the company purchased another property in Toronto which became his last acquisition in this field as Mr. Chan directed his attention towards renewable energy projects in China.

From January 2002 to March 2008, Mr. Chan was the Chairman and President of Cambridge Education Group, and Chairman of Cambridge Institute of Science and Technology. Mr. Chan is an inventor of new energy technologies, he has many individual registered patented technology certificates pertaining to the environmental and energy aspects. Mr. Chan has successfully obtained the registration of several patent rights in China from 2000 to 2004 which include : 1. Application no. 2010301433277 for wind generator; 2. Application no. 2010301734217 for wind turbine; 3. Application no. 201020222960X for multi-generator; 4. Application no. 2010202577523 for new wind turbine; 5.
