Item 3.02. Unregistered Sales of Equity Securities.

On December 15, 2014, Vonage Holdings Corp. (“Vonage”) completed its acquisition of Telesphere Networks Ltd., a Washington Corporation (“Telesphere”), pursuant to the Agreement and Plan of Merger (the “Merger Agreement”), dated November 4, 2014 (the “Signing Date”), by and among Vonage, Thunder Acquisition Corp., a Washington corporation and newly formed wholly owned subsidiary of Vonage (“Merger Sub”), Telesphere, and each of John Chapple and Gary O’Malley, as representative of the securityholders of Telesphere (collectively, the “Representative”). Pursuant to the Merger Agreement, on December 15, 2014, Merger Sub merged with and into Telesphere, and Telesphere became a wholly owned subsidiary of Vonage (the “Merger”). A copy of the Merger Agreement was attached to the Current Report on Form 8-K filed with the Securities and Exchange Commission on November 5, 2014 as Exhibit 2.1 and is incorporated herein by reference.

Vonage acquired Telesphere for \$114 million, adjusted for the amount of Telesphere’s working capital at closing, and for Telesphere’s outstanding indebtedness and unpaid transaction expenses as of closing. Approximately 80% of the purchase price was paid in cash and the remaining 20% was paid through the issuance of shares of Vonage common stock.

Pursuant to the Merger Agreement, at the effective time of the Merger (the “Effective Time”), all outstanding options to purchase Telesphere common stock were accelerated, such that they were fully vested and exercisable as of the Effective Time, and cashed out at the spread between the exercise price and the applicable merger consideration. All options to purchase Telesphere common stock that were out-of-the-money were cancelled and terminated with no right to receive payment.

In connection with its acquisition of Telesphere, Vonage has issued 6,824,964 shares of common stock. The shares of Vonage common stock issued pursuant to the Merger were issued only to “accredited investors” within the meaning of Regulation D promulgated under the Securities Act of 1933 (the “Securities Act”). No public offering of securities is contemplated, and the issuance and sale of the shares of Vonage common stock is exempt from registration under Section 4(a)(2) of the Securities Act because the transaction does not involve a public offering. The shares of Vonage common stock are restricted securities for purposes of Rule 144 and subject to certain requirements before sale, including holding period requirements. Vonage has not engaged in general solicitation or advertising with regard to the issuance and sale of the Vonage common stock to be issued in the Merger.
