Bladex Launches Clavex To Deploy World-Class Identity Solutions To Latin America

Panama City, Republic of Panama, July 14, 2006 Banco Latinoamericano de Exportaciones, S.A. (NYSE: BLX) (Bladex or the Bank), announced today it has launched operations of a wholly-owned subsidiary, Clavex LLC, to deliver world-class identity solutions, technologies and information to financial institutions throughout Latin America and the Caribbean (the Region).

Clavex LLC, based and incorporated in the U.S., will leverage Bladex s regional expertise and sterling client base in the Region to deliver solutions pertaining to digital identity credentials for financial institutions in the Region.

Jaime Rivera, Chief Executive Officer of Bladex, stated, Clavex LLC was formed to deliver the best digital identity solutions required to increase transparency, mitigate risk and bring the Latin American financial sector up to global standards for authenticating transactions. Clavex LLC has the exclusivity to deliver IdenTrust Digital Identity Solutions for the banking sector and other top services intended to improve and increase e-commerce and financial transactions to the benefit of those conducting business in Latin America.

Rivera added, I am also pleased to announce that Catherine McGrail has been named Chief Executive Officer of Clavex LLC. For the past two years, as Vice President and Head of New Products for Bladex, she spearheaded our entry into the digital identity business and was the driving force behind our successful partnership with IdenTrust. Her knowledge and experience in Latin American financial services products and vendors will be pivotal to the success of Clavex LLC.

Bladex is a supranational bank originally established by the Central Banks of Latin American and Caribbean countries to promote trade finance in the Region. Based in Panama, its shareholders include central banks and state-owned entities in 23 countries in the Region, as well as Latin American and international commercial banks and institutional and retail investors. Through March 31, 2006, over its 26 years of operations, Bladex had disbursed accumulated credits of over US\$138 billion.
