Enclosure: Press Release - **AEROREPÚBLICA RECEIVES ITS FIRST EMBRAER 190 AIRCRAFT**

AeroRepublica Receives Its First EMBRAER 190 Aircraft

Colombian Airline Has Firm Orders for Seven Additional Aircraft Through 2007

PANAMA CITY and BOGOTA, Colombia, Dec. 22 /PRNewswire-FirstCall/ -- AeroRepublica, subsidiary of Copa Holdings, S.A. (NYSE: CPA), today announced the delivery of its first EMBRAER 190 Aircraft. With this delivery AeroRepublica becomes the first airline in the domestic Colombian market to operate this new aircraft.

AeroRepublica's fleet modernization and expansion plan includes firm orders for seven additional EMBRAER 190 aircraft, as well as options for 20 additional aircraft. The modern Embraer 190, with a 106-seat single class configuration, incorporates advanced technological features such as winglets, efficient and powerful GE CF34 motors, and the latest Honeywell Corporation aeronautics equipment.

The EMBRAER 190s will be utilized to serve AeroRepublica's domestic routes more efficiently, as well as in the development of international markets. They also will play an important role in AeroRepublica's alliance with Copa Airlines in Panama, through the joint expansion of route networks that will provide passengers more destinations and frequencies.

This new generation aircraft will provide the high level of comfort and dependability that customers require, and will be very efficient in fuel consumption and in general performance, said Roberto Junguito, President, AeroRepublica. The EMBRAER 190 also offers us the opportunity to balance capacity and demand, which we need as part of our operational and expansion plan.

The incorporation of the new EMBRAER 190, which will replace AeroRepublica's fleet of MD-80 aircraft, is one of the principal initiatives of the airline's strategic plan, stated Pedro Heilbron, CEO, Copa Holdings S.A. This aircraft is ideal for this market in terms of capacity and efficiency, and is a truly attractive product for the Colombian traveler and for the entire region.

Colombia is the third-largest air travel market in Latin America and I am pleased to see our 100-plus seat aircraft operating in the region, said Mauricio Botelho, Embraer Chairman, President and CEO. Embraer has always recognized the tremendous growth potential in South America and we are honored to have AeroRepublica as the newest member of our family of E-Jet operators.
