## Explanation of Responses:

- \* If the form is filed by more than one reporting person, see Instruction 5(b)(v).
- \*\* Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).
- (1) This represents a restricted stock award. All 24,559 shares vest on 9/15/2011. These shares are subject to restrictions and forfeiture under the Company Stock Benefit Plan.
- (2) 25,046 options become exercisable on 9/15/2009, 25,046 options become exercisable on 9/15/2010 and the remaining 25,045 options become exercisable on 9/15/2011.
- (3) Each performance share represents a contingent right to receive up to two shares of FSS common stock based on a three year performance metric. The number of shares to be received will depend on the Company's relative Total Shareholder Return (TSR) for the three year period beginning on January 1, 2008, which will be evaluated against the TSR over the same three year period for a pre-set group of approximately 30 peer companies. The TSR is calculated by adding the changes in a company's closing stock price between December 30, 2007 and December 31, 2010 to any dividends paid during that period, and is adjusted for any stock splits or dividends.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, See Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
