General Information

The enclosed proxy is being solicited on behalf of the Board of Directors of UniFirst Corporation (the Company, UniFirst, we, our or us) for the 2009 Annual Meeting of Shareholders to be held on Tuesday, January 13, 2009 (the Annual Meeting) and at any adjournments or postponements thereof. This Proxy Statement, the enclosed proxy and the Company's 2008 Annual Report to Shareholders are being first mailed to shareholders on or about December 9, 2008.

Any shareholder signing and returning the enclosed proxy has the power to revoke it by (1) giving written notice of revocation of such proxy to the Secretary of the Company at the address set forth above, (2) completing, signing and submitting a new proxy card relating to the same shares and bearing a later date, or (3) attending the meeting and voting in person, although attendance at the meeting will not, by itself, revoke a proxy. The shares represented by the enclosed proxy will be voted as specified therein if said proxy is properly signed and received by the Company prior to the time of the Annual Meeting and is not properly revoked. The expense of this proxy solicitation will be borne by the Company. In addition to the solicitation of proxies by mail, the Directors, officers and employees of the Company may also solicit proxies personally or by telephone without special compensation for such activities. The Company may also request persons, firms and corporations holding shares in their names or in the names of their nominees, which are beneficially owned by others, to send proxy material to and obtain proxies from such beneficial owners. The Company will reimburse such holders for their reasonable expenses in connection therewith.

The Board of Directors has fixed the close of business on November 14, 2008 as the Record Date for the determination of the shareholders entitled to notice of, and to vote at, the Annual Meeting and any adjournments or postponements thereof. As of the close of business on the Record Date, there were outstanding and entitled to vote 14,391,629 shares of common stock, par value \$0.10 per share (Common Stock), and 4,935,369 shares of Class B common stock, par value \$0.10 per share (Class B Common Stock). Transferees after such date will not be entitled to vote at the Annual Meeting. Each share of Common Stock is entitled to one vote per share. Each share of Class B Common Stock is entitled to ten votes per share.

As more fully described in this Proxy Statement, the purposes of the Annual Meeting are (1) to elect two Class I Directors, nominated by the Board of Directors, each to serve for a term of three years until the 2012 Annual Meeting of Shareholders and until their respective successors are duly elected and qualified; (2) to ratify the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending August 29, 2009; and (3) to consider and act upon any other matters which may properly come before the Annual Meeting or any adjournment or postponement thereof. With respect to the election of two Class I Directors, a plurality of the votes cast by holders of shares of Common Stock and Class B Common Stock, voting together as a single class and represented in person or by proxy at the

Edgar Filing: UNIFIRST CORP - Form DEF 14A

Annual Meeting and entitled to vote thereon, is required to elect Anthony F. DiFillippo. A plurality of the votes cast by holders of shares of Common Stock, voting separately as a single class and represented in person or by proxy at the Annual Meeting and entitled to vote thereon, is required to elect Robert F. Collings. Votes may be cast FOR or WITHHELD FROM each of Messrs. DiFillippo and Collings. With respect to the ratification of Ernst & Young LLP as the Company's independent registered public accounting firm, the affirmative vote of a majority of the votes cast by holders of shares of Common Stock and Class B Common Stock, voting together as a single class and represented in person or by proxy at the Annual Meeting and entitled to vote thereon, is required for approval. Votes may be cast FOR or AGAINST the ratification of the appointment Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending August 29, 2009.

The representation in person or by proxy of at least a majority of all Common Stock and Class B Common Stock issued, outstanding and entitled to vote at the Annual Meeting shall constitute a quorum for the transaction of business. Consistent with applicable law, the Company intends to count abstentions and broker non-votes only for the purpose of determining the presence or absence of a quorum for the transaction of business. A broker non-vote refers to shares held by a broker or nominee that does not have the authority, either express or discretionary, to vote on a particular matter. Any shares not voted (whether by abstention, broker non-vote or otherwise) will have no impact on the election of Directors, except to the extent that the failure to vote for an individual results in another individual receiving a larger percentage of votes, and no impact on the proposal for approval of each other matter expected to be voted on at the Annual Meeting.

PROPOSAL 1

ELECTION OF DIRECTORS

The Board of Directors of the Company is currently composed of eight members, divided into three classes of two, three and three directors, respectively. One class is elected each year at the Annual Meeting of Shareholders. The Directors in each class serve for a term of three years and until their successors are duly elected and qualified. As the term of one class expires, a successor class is elected at each Annual Meeting of Shareholders.

At the Annual Meeting, two Class I Directors will be elected to serve until the 2012 Annual Meeting of Shareholders and until their successors are duly elected and qualified. The Board of Directors has nominated Anthony F. DiFillippo as a Class I Director to be elected by holders of Common Stock and Class B Common Stock, voting together as a single class, and has nominated Robert F. Collings as a Class I Director to be elected by holders of Common Stock voting separately as a single class (together, the Nominees).

Unless otherwise instructed, the persons named in the proxy will vote the shares to which the proxy relates FOR the election of the Nominees to the Board of Directors. While the Company has no reason to believe that any of the Nominees will be unable to serve as a Director, in the event any of the Nominees should become unavailable to serve at the time of the Annual Meeting, it is the intention of the persons named in the enclosed proxy to vote such proxy for such other person or persons as the Board of Directors may recommend.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR THE ELECTION OF ANTHONY F. DIFILLIPPO AND ROBERT F. COLLINGS AS CLASS I DIRECTORS.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The Compensation Committee of our Board of Directors, in collaboration with management, develops and implements our compensation policies. The Compensation Committee also reviews and establishes the compensation paid to our executive officers. We believe we provide an appropriate and competitive total compensation package to our executive officers through a combination of base salary, annual cash incentive bonuses, long-term equity incentive compensation and broad-based benefits programs. We place significant emphasis on pay for performance-based incentive compensation, which is designed to reward our executive officers based on the achievement of predetermined corporate goals.

This Compensation Discussion and Analysis describes our compensation objectives, policies and practices with respect to our Chief Executive Officer, Chief Financial Officer and other three most highly-compensated executive officers as determined in accordance with applicable SEC rules (collectively, our named executive officers).

Objectives of Our Executive Compensation Programs

Our compensation programs for our named executive officers are designed to achieve the following objectives:

attract and retain talented and experienced executives in the highly competitive uniform rental and sales industry;

motivate and reward executives whose knowledge, skills and performance are critical to our success and the furtherance of our long term strategic plan;

align the interests of our executives and shareholders by motivating executives to increase shareholder value and by rewarding executives when shareholder value increases;

provide a competitive compensation package which is weighted heavily towards pay for performance, and in which a significant portion of total compensation is determined by corporate and individual performance and the creation of shareholder value;

ensure fairness among our executive officers by recognizing the contributions each executive makes to our success; and

foster a shared commitment among executives by coordinating their corporate and individual goals.

Our Executive Compensation Programs and Plans

Edgar Filing: UNIFIRST CORP - Form DEF 14A

We designed our executive compensation programs and plans to achieve the objectives described above. Our executive compensation primarily consists of base salary, annual cash incentive bonuses, long-term equity incentive compensation and broad-based benefits programs. Consistent with the significant emphasis we place on performance-based incentive compensation, we have linked our annual cash incentive bonuses to the achievement of predetermined corporate performance goals.

Within the context of the overall objectives of our compensation programs, we determined the specific amounts of compensation to be paid to each of our named executive officers in fiscal 2008 based on a number of factors:

the performance of our named executive officers in prior years;

the roles and responsibilities of our named executive officers;

the individual experience and skills of, and expected contributions from, our named executive officers;

for each named executive officer, other than our Chief Executive Officer, the evaluations and recommendations of our Chief Executive Officer; and

the amounts of compensation being paid to our other named executive officers.

Each of the primary elements of our executive compensation is discussed in detail below, including a description of how each element fits into the overall compensation of our named executive officers. We also discuss below the amounts of compensation paid to our named executive officers for calendar 2008 under each of these elements. In the descriptions below, we highlight particular compensation objectives that we have designed specific elements of our executive compensation program to address. However, it should be noted that we have designed our compensation programs to complement each other and collectively serve all of our executive compensation objectives described above. Accordingly, whether or not specifically mentioned below, we believe that each element of our executive compensation program serves each of our objectives to a greater or lesser extent.

Base Salary

We pay our named executive officers a base salary, which we review and determine annually. We believe that a competitive minimum level of compensation is a necessary element of any compensation program that is designed to attract and retain talented and experienced executive officers who will further our long term strategic plan and increase shareholder value. We also believe that attractive base salaries can motivate and reward executive officers for their overall performance.

The base salaries set forth in Summary Compensation Table below reflect the base salaries earned by our named executive officers in fiscal 2008. We determine the base salaries of our named executive officers on a calendar year basis. In calendar 2008, we increased the base salaries of our named executive officers as follows: Ronald D. Croatti's base salary increased from \$468,500 to \$503,640 per year, John B. Bartlett's base salary increased from \$322,250 to \$345,000 per year, Cynthia Croatti's base salary increased from \$311,250 to \$330,235 per year, Bruce P. Boynton's base salary increased from \$248,850 to \$262,000 per year and David A. DiFillippo's base salary increased from \$240,650 to \$254,000 per year. Mr. Croatti's base salary was increased by our Compensation Committee as a result of his substantial contributions to our success in fiscal 2007, his strong leadership skills and strategic vision. The base salaries of our other named executive officers reflected 5.3% to 7.1% increases as determined by our Compensation Committee after reviewing Mr. Croatti's recommendations with respect to the base salaries to be

paid to each named executive officer.

The base salaries paid to our named executive officers reflect the general performance of our named executive officers during prior years, their roles and responsibilities, and their experience, skills and contributions.

Annual Cash Incentive Bonuses

Consistent with our emphasis on performance incentive compensation programs, our named executive officers are eligible to receive annual cash incentive bonuses primarily based on their performance as measured against predetermined corporate financial goals that we establish. The primary objective of our annual cash incentive bonuses is to motivate our named executive officers and to reward them for meeting our short-term objectives using a performance-based compensation program with objectively determinable goals. Our annual cash incentive bonuses also align the interests of our named executive officers and our shareholders by providing our executives with incentives to increase shareholder value and a reward for doing so.

Under our bonus plan, our named executive officers have the potential to earn annual cash incentive bonuses at a level that represents a meaningful portion of our named executive officers' cash compensation. Our bonus plan provides for potential annual cash incentive bonuses that range from no annual bonus to an annual bonus of up to 28% of the named executive officer's base salary for the fiscal year. Potential bonus payments under our bonus plan are linked to objective criteria set forth in our bonus plan. Our named executive officers can earn annual cash incentive bonuses based on predetermined goals based on corporate revenues, earnings per share and customer retention.

At the beginning of each fiscal year, we set a fiscal year target for corporate revenues for purposes of our bonus plan. At the end of each fiscal year, we compare actual revenues for the fiscal year to target revenues and actual revenues for the fiscal year to revenues for the prior fiscal year. Based on our actual revenues for the fiscal year, each named executive officer can earn a bonus of up to 8% of his or her base salary.

At the beginning of each fiscal year, we set a fiscal year target amount of corporate earnings per share for purposes of our bonus plan. At the end of each fiscal year, we compare actual earnings per share for the fiscal year to target earnings per share and actual earnings per share for the fiscal year to prior fiscal year earnings per share. Based on our actual earnings per share for the fiscal year, each named executive officer can earn a bonus of up to 16% of his or her base salary.

Our bonus plan also provides for annual cash incentive bonuses of up to 4% of base salary for our named executive officers based on customer retention.

No annual cash incentive bonuses are paid to our named executive officers unless at least one of the revenue targets and one of the earnings per share targets are achieved.

In establishing our bonus levels, we consider the incentives that we want to provide to our executives as well as the bonus levels for comparable positions at similarly situated companies and our historical practices. Overall, the minimum revenue, earnings per share and customer retention targets under our bonus plan were set at levels that we believed to be achievable with strong performance by our executives. Although we cannot always predict the different events that will impact our business during an upcoming year, we set our minimum performance goals for the target amount of annual incentive cash bonuses at levels that we believe will be achieved by our named executive officers a majority of the time. We

Edgar Filing: UNIFIRST CORP - Form DEF 14A

set the performance goals for the maximum bonus payments under our bonus plan at a level that we believe will be achieved only as a result of exceptional financial performance. The maximum bonus payments under our bonus plan are intended to provide for correspondingly greater incentives in the event that performance is within a specified range above the target level and are correspondingly more difficult to achieve.

In fiscal 2008, our named executive officers received the following annual cash incentive bonuses:

Name	Bonus	% of Base Salary
Ronald D. Croatti	\$132,402	26%
John B. Bartlett	\$90,832	26%
Cynthia Croatti	\$87,229	26%
Bruce P. Boynton	\$69,400	26%
David A. DiFillippo	\$67,220	26%

The annual cash incentive bonuses paid to our named executive officers reflect the general performance of our named executive officers during fiscal 2008, their roles and responsibilities, and their experience, skills and contributions.

Long-Term Equity Incentive Compensation

We grant long-term equity incentive awards in the form of non-qualified stock options to our named executive officers as part of our total compensation package. We use long-term equity incentive awards as part of our emphasis on performance-based incentive compensation. Our long-term equity incentive awards align the interests of our named executive officers and our shareholders by providing our executives with incentives to increase shareholder value and a reward for doing so.

We generally grant stock options once per year to our named executive officers. Stock options provide our executive officers with the right to purchase shares of our Common Stock at a fixed exercise price based on the fair market value of shares of our Common Stock on the date of grant. Stock options granted to our named executive officers beginning in fiscal 2003 and thereafter are subject to a five-year cliff-vesting schedule under which options become vested and exercisable after five years from the date of grant and expire ten years after the grant date. All stock options are awarded pursuant to our UniFirst Corporation 1996 Stock Incentive Plan.

Upon a holder's exercise of a non-qualified stock option, we are generally entitled to a tax deduction in the year in which the stock option is exercised equal to the spread between the exercise price and the fair market value of the stock for which the stock option is exercised. A holder of a non-qualified stock option is generally taxed on this same amount in the year of exercise.

When determining the stock options to be granted to our named executive officers in fiscal 2008, we considered the expected future value of potential stock option grants. In fiscal 2008, we granted the following non-qualified stock options to our named executive officers:

Name	Number of Securities Underlying Options	Exercise or Base Price of Option Awards (\$/Sh)
------	---	---

Edgar Filing: UNIFIRST CORP - Form DEF 14A

Ronald D. Croatti	2,100	\$37.92
John B. Bartlett	1,600	\$37.92
Cynthia Croatti	1,600	\$37.92
Bruce P. Boynton	1,400	\$37.92
David A. DiFillippo	1,400	\$37.92

The stock options granted to our named executive officers reflect the general performance of our named executive officers during prior years, their roles and responsibilities, and their experience, skills and contributions. The number of stock options granted by our Compensation Committee to Mr. Croatti was based on his substantial contributions to our success in prior years, his strong leadership skills and strategic vision. The number of stock options granted to our other named executive officers was determined by our Compensation Committee after reviewing Mr. Croatti's recommendations with respect to stock option grants to each named executive officer.

Broad-Based Benefits Programs and Perquisites

All full-time employees, including our named executive officers, may participate in our health and welfare benefit programs, including medical, dental and vision care coverage, disability insurance, life insurance and UniFirst Corporation Profit Sharing Plan. In addition, certain of our full-time employees, including our named executive officers, may participate in the UniFirst Corporation Unfunded Supplemental Executive Retirement Plan. In fiscal 2008, our named executive officers also received certain perquisites and personal benefits set forth in the Summary Compensation Table below. We provide these benefits to retain and attract talented executives with the skills and experience to further our long term strategic plan.

Our Executive Compensation Process

The Compensation Committee of our Board of Directors is primarily responsible for establishing the compensation paid to our named executive officers. The Board of Directors has determined that each member of the compensation committee is independent as that term is defined under the applicable rules of the New York Stock Exchange. In determining executive compensation, our Compensation Committee annually reviews the performance of our named executive officers with our Chief Executive Officer, and our Chief Executive Officer makes recommendations to our Compensation Committee with respect to the appropriate base salary, annual cash incentive bonus payments and grants of long-term equity incentive awards for each of our named executive officers. Our Compensation Committee annually reviews the performance of our Chief Executive Officer and establishes the appropriate base salary, annual cash incentive bonus payments and grants of long-term equity incentive awards to be paid to him.

- (1) As discussed in more detail below under the heading **UniFirst Corporation Unfunded Supplemental Executive Retirement Plan**, our SERP limits the number of years of credited service to thirty for purposes of determining a participant's benefits under the plan.
- (2) Amounts reported in this column represent the present value of the accumulated benefit obligation as of August 30, 2008. Our obligation has been estimated assuming benefits commence on the individual's social security retirement date and using FAS No. 87 assumptions for mortality, assumed payment form and discount rates in effect at the measurement dates.

UniFirst Corporation Unfunded Supplemental Executive Retirement Plan

Certain of our and our affiliates' employees are eligible to participate in our SERP, including our named executive officers. Retirement benefits provided by our SERP are based on a participant's average annual base earnings, exclusive of bonuses, commissions, fringe benefits and reimbursed expenses, for the last three years of full-time employment prior to the participant's retirement date (**Final Average Earnings**). On January 8, 2008, the Board of Directors approved an amendment to our SERP (the **SERP Amendment**) which modifies the calculation of a participant's plan benefit. Prior to the SERP Amendment, our SERP provided that upon a participant's retirement on his social security retirement date, the participant would receive an aggregate amount equal to 1.33% percent of the participant's Final Average Earnings multiplied by his years of service, limited to 30 years, less the participant's primary Social Security benefit. The SERP Amendment provides that upon the retirement of a participant on his social security retirement date, a participant will receive a plan benefit in an aggregate amount equal to 1.33% percent of the participant's Final Average Earnings multiplied by his years of service, limited to 30 years, less 3.33% of the participant's primary Social Security benefit multiplied by his years of service, limited to 30 years. The SERP Amendment does not change the plan benefit of a participant with at least 30 years of credited service. For participants who retire on or after January 1, 2008 with less than 30 years of credited service, the SERP Amendment provides for a slightly greater plan benefit than under the previous version of our SERP as a result of the change in the calculation of the primary social security benefit offset used in calculating the plan benefit. The SERP Amendment has no effect on participants who retired prior to January 1, 2008.

Pension payments under our SERP are made at the intervals then in effect for the payment of base salaries to our executive officers. Upon the death of a participant, the participant's designated beneficiary will be paid retirement benefits for up to 12 years from the participant's date of retirement. Our SERP provides that, upon any change in control of the Company, participants in our SERP will receive a lump sum payment equal to the actuarial equivalent of their plan benefit as of the date of the change in control.

Potential Payments Upon Termination or Change in Control

As discussed under the heading **UniFirst Corporation Unfunded Supplemental Executive Retirement Plan** above, upon a change in control of the Company, our named executive officers will receive a lump sum payment under our SERP equal to the actuarial equivalent of their plan benefit as of the date of the change in control. For more information concerning our SERP, see the **Pension Benefits Table Fiscal 2008** and the discussion under the heading **UniFirst Corporation Unfunded Supplemental Executive Retirement Plan** above.

Reviewed and discussed with management and the independent registered public accounting firm the audited financial statements for the year ended August 30, 2008.

Reviewed and discussed with management and the independent registered public accounting firm the quarterly and annual earnings press releases prior to release and the quarterly and annual reports on Forms 10-Q and 10-K prior to filing.

Discussed with management and the independent registered public accounting firm the results of the testing of internal controls over financial reporting.

Discussed with the independent registered public accounting firm the overall scope and plans for the annual audit, the results of their examination and the overall quality of UniFirst's financial reporting.

Discussed with the independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards (SAS) No. 61, as amended by SAS No. 90.

Reviewed all audit and non-audit service performed by the independent registered public accounting firm and considered whether the provision of non-audit services is compatible with maintaining the auditors' independence.

Received the written disclosures and the letter from the independent registered public accounting firm required by Independence Standards Board Standard No. 1, and discussed with the independent registered public accounting firm the auditors' independence.

Certain Relationships and Related Transactions

Edgar Filing: UNIFIRST CORP - Form DEF 14A

The Company's Board of Directors has adopted a written Related Person Transaction Approval Policy to monitor transactions, arrangements or relationships in which the Company is a participant and any of the following have a direct or indirect material interest: (a) an executive officer, director or director nominee; (b) an immediate family member of an executive officer, director or director nominee; (c) a shareholder that beneficially owns more than 5% of the Company's Common Stock or Class B Common Stock; or (d) any immediate family member of such 5% shareholder. The policy generally covers related person transactions that meet the minimum threshold for disclosure under relevant SEC rules. Such related person transactions generally involve amounts exceeding \$120,000.

The Company's Chief Financial Officer, together with outside legal counsel, identifies any potential related person transactions and, if he determines that a transaction constitutes a related person transaction under the policy, the Chief Financial Officer provides relevant details to the Audit Committee. If the Chief Financial Officer has an interest in a potential related person transaction, the Chief Executive Officer assumes the role of the Company's Chief Financial Officer under the policy. The Audit Committee reviews relevant information concerning any proposed transaction contemplated by the Company with an individual or entity that is the subject of a disclosed relationship, and approves or disapproves the transaction, with or without conditions. Certain related person transactions are deemed pre-approved by the Audit Committee, including transactions, arrangements or relationships where the rates or charges involved in the transactions are determined by competitive bids.

During the 2008 fiscal year, the Company was not a participant in any related party transactions that required disclosure under this heading.

Section 16(a) Beneficial Ownership Reporting Compliance

Executive officers, Directors and greater than 10% shareholders of the Company are required to file with the SEC pursuant to Section 16(a) of the Exchange Act, reports of ownership and changes in ownership. Such reports are filed on Form 3, Form 4 and Form 5 under the Exchange Act, as appropriate. Executive officers, Directors and greater than 10% shareholders are required by Exchange Act regulations to furnish the Company with copies of all Section 16(a) forms they file.

To the Company's knowledge, based solely on a review of the copies of such reports furnished to the Company or written representations that no such reports were required during the 2008 fiscal year, the Company believes that, during the 2008 fiscal year, all executive officers, Directors and greater than 10% shareholders of the Company complied with applicable Section 16(a) filing requirements with the following exceptions: each of Messrs. Croatti, Bartlett, Boynton, D. DiFillippo and Ms. Croatti inadvertently filed one late Form 4 with respect to one transaction. In addition, based on information provided in a Schedule 13G/A filed with the SEC on February 13, 2008, Arnhold and S. Bleichroeder Advisers, LLC did not file a Form 3 to report its becoming a greater than 10% shareholder of the Company.
